

QX70

 INFINITI

THE BOLD

The vehicle that continues to break new ground between sport, utility and modern art, the Infiniti QX70 escapes all classification. It's a luxury crossover of high reward, unabashedly bold design and surprising versatility. And yet, it's motivated by the soul of a sports car. Uncompromising in its vision, it's a manifesto in motion proclaiming that some are satisfied only when they write their own rules.

Unmistakable. Unforgettable. The Infiniti QX70 is substantial in proportions and unrelenting in originality. Designed to carefully harmonize bombastic muscularity with gracefully executed flourish, its presence is felt even in a fleeting glimpse. It's design driven by desire – if you can catch it.

THE EXCEPTION

A rare few move through the world with a confidence borne of intelligence and quickness. An acute sense of relaxed readiness stemming from technology that is always on lookout. When you're prepared, you're in total control.

INTELLIGENT CRUISE CONTROL^{6, 8}
automatically slows you down when traffic in front of you slows down. When the way is clear, it accelerates back to your desired speed. Less effort, more ease.

THE POWER

Don't waste the opportunity for excitement that lives in every moment. With performance at the core of the QX70, the rush is always ready. Experienced every time you open the throttle, our unique take on engineering gives acceleration an emotional quality that goes beyond pure speed.

SIGNATURE EXHAUST NOTE enhances your driving experience with a thrilling growl. Even with your eyes closed, the QX70 will be hard to mistake.

ACCELERATION SWELL transforms mechanical power into emotional excitement. Precise engine tuning unleashes torque over a broader rev range, and the feeling of acceleration is shaped to increase the faster you go.

THE CAPTIVATING

21-INCH ALLOY WHEELS⁸ are designed to heighten both performance and visual appeal, they fuse the function of lightweight construction with the raw force of personality.

ADAPTIVE FRONT LIGHTING SYSTEM⁸ turns your headlights to shed light on where you're steering, helping heighten visibility as you maneuver. The HID headlights of the QX70 do more than impress – they respond to your needs.

Nothing should constrain your sense of self. The QX70 is designed and engineered to heighten your unique sensory enjoyment, because individuality demands and defines its own rewards. This is luxury that begins with you, because perfection has to be personal.

INFINITI INTELLIGENT KEY sets up your vehicle to suit you and you alone. You can keep it in your pocket or purse, and the seat and mirrors are adjusted to your personal preferences. The ignition button will even illuminate, pulsing like a heartbeat, to let you know it's ready to please and to excite.

INFINITI HARD DRIVE NAVIGATION SYSTEM^{5, 8} offers a more intuitive view and interface for increased ease and confidence, helping you expertly find your location and your destination, even in crowded city environs.

INTELLIGENT ALL-WHEEL DRIVE infinitely adjusts for better traction when you need it and more dynamic handling when you don't.

AROUND VIEW MONITOR^{3,8} is a ground-breaking technology from Infiniti that gives you a virtual 360° view of your environment while parking. You see your surroundings as though from above for an extraordinary level of awareness.

POWER REAR LIFTGATE is space meets ease and elegance. It opens and closes automatically with the push of a button from a variety of locations – the liftgate handle or the dash. Access should not demand effort.

Love straights but devour curves. Each turn is met with immediacy and the g-forces sustained with a tenacity that reveals its athletic nature. With surprising poise and responsiveness, you'll experience design that redefines the crossover.

THE INTENSE

CONTINUOUS DAMPING CONTROL[®] automatically adjusts the suspension to deliver stability, control and comfort. In Sport Mode, the suspension firms for the most immediate response.

DOWNSHIFT REV MATCHING expertly translates performance driving technique. Flick the magnesium paddle shifter for a lower gear and it blips the throttle to ready the engine for the new gear. Smoother, quicker downshifts mean balance and response.

OBJECT OF ATTRACTION

INFINITI QX70

TURN THE PAGE AND TURN YOUR HEAD. AGAIN.

INFINITI QX70S ELITE SPORT

With a sculpted chassis that highlights its strength and agility, the Infiniti QX70S Elite Sport is an athlete on four wheels. The vehicle that created a whole new category is now more head-turning than ever.

Harnessing its dark chrome exterior features – including grille, air vents and sills, smoked headlamps, black 21" wheels, mirrors and roof rails – the Infiniti QX70S Elite Sport is total performance with extra sport.

THE INFINITI QX70S ELITE SPORT
RAISE THE GAME. AGAIN.

MAXIMISING SPORTINESS Performance-ready 21-inch, 6-spoke black wheels complement the exhilarating output of the 3.7-litre engine. Dark chrome air vents and side sills channel air from the front wheels, improving high-speed stability.

SHARPER SHIFTS Steering wheel with magnesium paddle shifters provides effortless, intuitive control. And the tailored purple stitching puts an expert finish in your hands as well.

PLEASING TO THE EYES The centre console is flawlessly finished with black lacquer, and the elegant purple stitching continues to grace the interior.

MATCHLESS COMFORT Sport seats with power side and thigh-side support, redefine driver performance with unmatched driver comfort.

OPTICAL PERFECTION Black lacquer inserts on the door panels, complemented by purple stitching, harmoniously unite all dimensions of the interior space.

THE COLOUR OF CHARACTER The dark chrome grille is more than eye-catching, it is a unique expression of confidence and power.

AMBIANCE

A welcoming and evocative space is measured by its ability to stir your emotions.

0.6^{MM}
CLOSER

OPTICAL PERFECTION Where interior components meet – where the dash meets the door or the center console – they are assembled not to be mathematically perfect, but to look perfect. This requires an exacting manufacture process, tightening the space, where dashboard meets door from 3mm to 2.4mm in order to achieve a seamless visual design from the driver’s point of view. But we believe in considering every angle in creating an emotionally transcendent environment.

FINER FABRICS The seat belt is one of the few surfaces you continually touch, so we found a variable herringbone weave for the webbing that is 20% softer than standard fabrics. Not only is it more pleasing to the touch, but being more compliant, it allowed us to reduce the friction of the seat belt mechanisms by 10%. The seat belt is more comfortable to wear, easier to pull out and even less likely to snag the thread of your finest fabrics. No element is too small.

INVITING YOU IN We use light to not only make you feel more secure, but to make you feel like an honored guest. Welcome Lighting responds to your presence automatically by gently illuminating the puddle lights. Then as you get closer the interior lights are illuminated. This choreographed sequence ends with the Start/Stop Button, pulsing as though with a heartbeat – inviting you to bring your QX70 to life and building anticipation for the road ahead.

EVERY BREATH FRESHER AND CLEANER Even the invisible is never overlooked. The Advanced Climate Control System features the innovative Plasmacluster® air purifier, which actively cleans the air inside your cabin. It produces positive and negative ions that help prevent odors from sticking to interior materials and even helps kill mold and viruses. Your interior not only stays fresh, so does your clothing. It works in concert with the Grape Polyphenol Filter, which removes up to 99.5% of allergens from the air coming in from the outside.

CLIMATE-CONTROLLED SEATS surround you in greater comfort by pushing cool or warm air through the front seats to keep you entirely in your preferred temperature zone. Arrive at your destination refreshed and relaxed.

POWER

Award-winning build quality, fuel efficiency and output can be measured with instruments or graphs, but the true excellence of Infiniti engines is in the feeling unleashed as you drive.

390
HP

11,8
l/100 km*

5.0-LITER V8 ENGINE is a torrent just waiting for you to unleash it. Every touch of the throttle puts a massive 390 horsepower and 500 Nm of torque at your disposal, and natural aspiration means that power comes on with a thrilling immediacy. Yet, acceleration is only one component. Its power is shaped to feel limitless. Its roar – unforgettable.

329
HP

9,8
l/100 km*

3.7-LITER V6 ENGINE is a potent blend of exciting response and intelligent efficiency. Benefitting from Variable Valve Event and Lift (VVEL®) technology, the engine adjusts on the fly to make the most of every bit of fuel and every breath it takes. The result is a stirring 329 horsepower that still manages to achieve as low as 9.8l/100 km*.

PERFORM

On its surface you'll find spacious luxury. At its foundation – the thrilling dynamics of Infiniti Direct Response performance engineering.

47
REAR

53
FRONT

INNATELY RESPONSIVE BALANCE The engineering philosophy behind Infiniti performance sedans, the Front-Midship Platform, also underlies the design of the QX70. Placing the engine's center of mass just behind the front wheel center line creates a near-equal front-to-rear weight ratio, with a slight front bias that you'll feel as quicker turn-in and even balance as you accelerate out of a corner. Precision and engagement that belie its crossover proportions.

ALWAYS THE PERFECT RIDE Tight corners. Rough roads. Continuous Damping Control® helps maintain the perfect balance of smoothness and response, allowing you to get the most out of every mile of road you encounter. The system monitors body roll and road impacts and sends the information to each individual shock and adjusts them to find the perfect stiffness. You can also select Sport mode, which firms up the ride for maximum response.

MAXIMIZING POTENTIAL Better power and efficiency depends on better breathing, so our exclusive VVEL® (Variable Valve Event and Lift) technology improves performance while delivering enhanced engine efficiency. VVEL® continually adjusts not just when intake valves open, but also how much. It delivers a quicker response and broader torque curve, while improving fuel efficiency and lowering carbon emissions up to 10%.

CONTROL WITHOUT COMPROMISE When conditions are ideal, Intelligent All-Wheel Drive sends 100% of the power to the rear wheels for more sporty response and performance. But it also constantly monitors wheelspin, throttle position and vehicle speed, and can divert up to 50% of the available power to the front wheels to enhance traction and control when conditions are less than optimal. Your need for control and your desire for excitement are both satisfied.

TIGHTER TURNS Rear Active Steer® sharpens handling and increases precision by actively turning the rear wheels as you maneuver. By tightening response in every corner and curve, it helps you take full advantage of the surprising balance and poise of the QX70.

THE SOUND OF PERFORMANCE A performance car speaks to you through its exhaust, and the specialty exhaust tuning on the QX70 shapes that sound into something uniquely compelling. Not only does it make an Infiniti unmistakable, it makes every trip up and down the tachometer an experience that transcends engineering and enters the realm of pure emotion.

LIGHT ON ITS FEET These stunning 21-inch alloy wheels® heighten both the looks and performance of the QX70. Lightweight, thanks to both material and design, they reduce unsprung weight. That reduction of mass makes driving more exciting by allowing the suspension to be more finely tuned and by making the handling of the QX70 more responsive. It even increases fuel efficiency.

ASSIST/ENTERTAIN

The Infiniti QX70 integrates a host of intuitive technologies to simplify tasks and anticipate your needs as they keep you in touch with and in control of your world.

ALL-AROUND AWARENESS The Around View Monitor^{3, 8} with Front and Rear Sonar System⁴ and Moving Object Detection gives you exceptional awareness of your environment as you park. You'll see a simulated 360° view from above, showing you clearly the objects detected around your car. And the system will even alert you to moving objects detected in your vicinity. It helps put you intuitively in control of your surroundings, while simultaneously putting you at ease.

EASE IN TRAFFIC Intelligent Cruise Control^{6, 8} allows you to choose your desired speed, and automatically slows your vehicle in slowing traffic, going all the way to a complete stop. Then, as traffic flow picks up, it re-accelerates your vehicle to your preset speed. This visionary innovation and the personalized convenience it offers is available with a simple touch of a button.

A SMARTER WAY TO SEE The Adaptive Front lighting System⁸ on the QX70 lights not just the way ahead, but around as well. It directs light toward corners by turning the headlights in coordination with steering input to help the driver see upcoming vehicles and pedestrians, and to help you reach your destination safely.

A BETTER VIEW OF YOUR WORLD Infiniti Hard Drive Navigation System^{5, 8} is packed with advanced yet intuitive technology that makes it both more informative and easier to use. Birdview perspective control gives you a more natural view of the map.

AUDITORY INDULGENCE With 11 speakers, including two subwoofers, the Bose[®] Premium Audio System¹ delivers your music with captivating depth and astonishing clarity. Optimized for the interior of the QX70, it will create precisely the mood you desire, everywhere you go. You'll also enjoy greater selection: play CDs, and stream music from a compatible Bluetooth[®] device^{2, 8} or connect and control your iPod^{®1} via the USB port.

EMPOWERING YOUR TOUCH The Infiniti Controller puts intuitive, simple control of your technology systems at your fingertips. Designed to fall naturally within your reach and to minimize distraction from driving, it allows you to interact via a variety of inputs and with clearly marked buttons and commands. What's more, a single press can bring you from one major system to another.

PROTECTION

The Infiniti Safety Shield® concept – our comprehensive approach to safety – layers technologies to monitor conditions, help you avoid a collision, and help protect you and your passengers if one occurs.

STRONGER AND LIGHTER Ultra high-strength steel is used in areas critical to preserving your safety in the case of a collision. The unique process used to create this material can give it more than twice the tensile strength of conventional steel. Not only does this ultra-strong material add to the vehicle’s resiliency, it allows us to make the vehicle lighter overall.

1350 MPa	590 MPa
ULTRA-HIGH TENSILE STEEL	CONVENTIONAL STEEL

BETTER STABILITY WHILE STOPPING Electronic Brake force Distribution adjusts the amount of brake force applied to the front and rear wheels for improved braking performance. It not only helps the brakes wear more evenly, it reduces front-end “dive” during heavy braking, helping increase the stability of your vehicle. The system also detects vehicle-load conditions, and distributes additional brake pressure to the rear brakes as needed.

KEEPING YOU IN CONTROL Comparing actual vehicle cornering performance to the driver’s input, Vehicle Dynamic Control adjusts power levels and applies appropriate brake pressure to individual wheels to help correct oversteer or understeer, helping keep the vehicle on the steered path. Working in tandem, the Traction Control System senses wheelspin and automatically helps give you a surer foothold.

THE SUPPORT YOU NEED In certain rear-end collisions, the Front-seat Active Head Restraints found on the QX70 can move forward to help cushion the head to help assist in reducing whiplash-type injuries.

ENHANCED PROTECTION Infiniti puts an array of air bags between you and an impact, including dual-stage front supplemental air bags of the Infiniti Advanced Air Bag System that adjust inflation rates based on the severity of the crash. Also featured are front seat-mounted side-impact supplemental air bags and roof-mounted curtain side-impact supplemental air bags.

TECHNICAL DATA

POWER		QX70 3.7L	QX70 5.0L
Engine		3.7-litre (3,696 cc) V6, aluminium-alloy block and heads	5.0-litre (5,026 cc) V8, aluminium-alloy block and heads
Valvetrain		Double Overhead Camshaft (DOHC), 4 valves per cylinder with microfinished camshafts, steel intake and exhaust valves. Continuously Variable Valve Timing Control System (CVTCS) optimises opening of intake and exhaust valves. Variable Valve Event and Lift (VVEL®) for intake valves improves performance, emissions and fuel efficiency	
Intake System		High-flow tuned induction system	
Horsepower		329 HP at 7,000 rpm	390 HP at 6,500 rpm
Torque		360 Nm at 5,200 rpm	500 Nm at 4,400 rpm
Transmission		Electronically controlled 7-speed automatic with Adaptive Shift Control (ASC). Manual shift mode offers sequentially selectable manual gearshifts and Downshift Rev Matching (DRM)	

Drive type		Intelligent All-Wheel Drive (AWD)	
HANDLING

FEATURES

QX70 3.7L STANDARD FEATURES	
Auto-on/off High Intensity Discharge (HID) bi-functional Xenon auto-levelling headlights	
LED taillights and Center High-Mounted Stop Light (CHMSL) offer quicker illumination, lower power consumption and longer life than conventional bulbs	
UV-reducing tinted glass reduces transmission of radiant heat to vehicle's interior	
Speed-sensing flat-blade variable wipers increase intermittent wipes as vehicle speed increases	
Dual heated power-adjustable and folding outside mirrors with reverse tilt down	
Aluminium roof rails	
Power sliding glass moonroof with one-touch auto-open/close, tilt feature and sliding sunshade	
Integrated rear spoiler	
Infiniti Intelligent Key with Illuminated Push Button Ignition	
Power windows with illuminated switches and front window one-touch auto-up/down with auto-reverse feature	
Power door locks with auto-locking feature	
Front seatback map pockets; front door pockets	
Front armrest with dual-level storage compartment, 12-volt power outlet, USB connection port, and auxiliary input jack	

QX70 3.7L STANDARD FEATURES (continues)	
Dual zone Automatic Temperature Control (ATC) system	
Advanced Climate Control System with auto-recirculation, Plasmacluster™ air purifier and Grape Polyphenol Filter	
Rear-seat heating and cooling vents in centre console with ducts under front seats	
Retained accessory power for windows and moonroof	
Sequential welcome lighting illuminated entry system	
Dual front and rear cup holders	
Rear-seat centre armrest	
Power tailgate with closing assist	
Tie-down anchors in trunk	
Leather-appointed, 8-way power driver's seat including 2-way power lumbar support; 8-way power front-passenger's seat	
Leather-wrapped 3-spoke steering wheel and shift knob with aluminium accent	
60/40-split folding rear seatbacks; includes remote fold-down releases in cargo area	
Climate-controlled front seats	
Reclining rear seatbacks	
11-speaker Bose® Premium Sound system with AM/FM/CD with MP3 playback capability and Music Server	
Single in-dash CD player	
USB connection port for iPod® interface and other compatible devices	
Power tilt and telescopic steering column	
Infiniti Controller for audio, climate-control, fuel economy, maintenance and comfort and convenience features	
RearView Monitor	
Front and rear parking sensors	
Cruise control with steering wheel-mounted switches	
Multi-function trip computer with fuel mileage range and outside temperature display	

QX70 3.7L OPTIONAL FEATURES*	
Sport pedals	
Magnesium paddle shifters	
Interior maple accents	
9.3 GB Music Box® hard drive	
Around View Monitor with Moving Object Detection and Front and Rear Sonar System	
Single in-dash CD/DVD player	
Bluetooth® Hands-free phone system	
Infiniti Hard Drive Navigation System with Lane Guidance and birdview. Arabic language support and Qiblah compass also featured	
Infiniti Mobile Entertainment System with ceiling mounted flip-down 9-inch colour screen, centre console-mounted DVD player with wireless remote and two pairs of wireless headphones	
Park Guide with voice guidance and line markings	
Adaptive Front-lighting System (AFS)	
Front sports seats	
Driver seat side support; thigh support & manual thigh extension	
Front passenger manual thigh extension	
Sport Brakes	
21" wheels	

QX70 5.0L STANDARD FEATURES (IN ADDITION TO QX70 3.7L FEATURES)	
Power windows with illuminated switches and front and rear window one-touch auto-up/down with auto-reverse feature	
Rear Active Steering	
Continuous Damping Control	
Intelligent Cruise Control System	

*Factory-installed options, check with your local dealer for availability at time of purchase.

SELECTION

Hues that change in response to light and angle. Matching exterior and interior colors to reflect the distinctive energy and mood of the seasons. These are just two ways Infiniti designs color to evoke feeling, express character, and shape the emotional essence of a vehicle.

This specification sheet is intended for general descriptive and informational purposes only. It is subject to change and does not constitute an offer, representation or warranty (express or implied) by Infiniti Middle East or any of the Infiniti retailers. Interested parties should confirm the accuracy of any information in this brochure as it relates to a vehicle directly with their respective Infiniti retailer, before relying on it to make a purchase decision. Infiniti Middle East, reserves the right to make changes, at any time, without prior notice, in prices, colors, materials, equipment, specifications, and models and to discontinue models or equipment. Due to continuous product development and other pre- and post-production factors, actual vehicle, materials and specifications may vary from this brochure. Some vehicles shown with optional equipment. See the actual vehicle for complete accuracy. Availability and delivery times for particular models or equipment may vary. Specifications, options and accessories may differ from one country to another. For additional information on availability, options or accessories, see your Infiniti retailer.

¹ Driving is serious business and requires your full attention. Do not operate any devices connected to the auxiliary audio input jack or USB connection port while driving. ² Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone owner's manual for details. Mobile phone not included. The Bluetooth word mark and logos are owned by Bluetooth® SIG, Inc. and any use of such marks by Infiniti is under license. ³ The Around View Monitor with MOD cannot completely eliminate blind spots and may not detect every object. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. ⁴ The front and rear parking sensors are conveniences, but not substitutes for proper parking procedures and/or backing procedures. Always check that it is safe to do so before moving forward or backing up. May not detect every object in front of or behind you. ⁵ Factory-installed option. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. ⁶ Intelligent Cruise Control is not a collision avoidance or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident. ⁷ Park Guide is a convenience but not a substitute for proper parking procedures and may not detect exact space around the vehicle. Always check the surroundings before moving vehicle to the parking spot. Parking space must be sufficient. ⁸ Available on selected grades.

Infiniti has taken care to ensure that the color swatches presented here are the closest possible representations of actual vehicle colors. Swatches may vary slightly due to the printing process and whether viewed in daylight, fluorescent or incandescent light. Please see the actual colors at your local Infiniti retailer.

GENUINE INFINITI ACCESSORIES

The same exacting standards applied to the creation of an Infiniti vehicle go into designing and manufacturing Genuine Infiniti Accessories. With a wide array of quality products designed to integrate seamlessly, you can be assured of a custom fit and finish.

ACCESSORIES SHOWN Splash guards, moonroof wind deflector* and roof rail crossbars*.

* Accessories not available in the Middle East. Check with your local dealer for complete accuracy.

- CARPETED FLOOR MATS**
- Driver’s and front passenger’s mat secure with a grommet hole/positioning hook system
 - Floor mat backing is designed to help position the mat in place

- STAINLESS STEEL ILLUMINATED KICK PLATES**
- Soft-glowing Infiniti logo along bottom of front doorsills
 - Contoured to match door openings

- SPLASH GUARD**
- Reduces dirt spray on lower body panels while helping to prevent nicks and scratches.
 - Adds style while helping protect your resale value.
 - Contoured to match wheel openings

- STAINLESS STEEL REAR BUMPER PROTECTOR**
- Protect your bumper from dings and scratches while enhancing the appearance of your vehicle.
 - Stainless steel for a sophisticated appearance and durable wear

- CARGO AREA PROTECTOR**
- Keeps cargo area clean and helps protect it from scratches and damage.
 - Water resistant heavy duty cargo area protection
 - Includes cut outs for tie-down rings mounted in cargo floor

PARTNERS IN THE INTENSE

The pulse races. Seconds split. Victories are won and lost. In Formula One, technology and human ingenuity are pushed to the limit. Yet, success is ultimately a measure of the passion that goes into every invention and is released every lap. This passion has led Infiniti Red Bull Racing to become, in recent years, the most dominant force on track.

Infiniti is drawn to Formula One racing because it is engineering genius applied purely to creating emotional excitement. A feeling of exhilaration that extends from the track to the fans, to the culture of Formula One, through our partner, Infiniti Red Bull Racing. The heart and determination the team has shown has led to four Formula One Constructors' World Championships in a row. Our synergistic relationship is one that promises thrilling new performance capabilities for both Formula One and Infiniti

vehicles. This exchange of both technology and ideas now includes the appointment of 4-time Formula One Drivers' World Champion, Sebastian Vettel, as our Director of Performance. Sebastian has already aided in the development of the Infiniti Q50 – harnessing his supreme driving senses and passion for performance to ensure this new vehicle is as dynamic as possible. And now, future Infiniti vehicles will be imprinted with the unrivaled skill and dedication that has led to his many achievements.

Ultimate luxury is more than perfection. It is the feeling of unrestrained joy that unleashes something special in your heart. We at Infiniti believe there are times when reason should take a backseat and emotion—pure and primal—should be the driver. Tangibles play a part, of course: the sensual, flowing lines; the smell of leather; the visceral roar of the engine. Established in 1989, Infiniti has now grown to include sedans, coupes, convertibles, crossovers and SUVs in its lineup and reaches across 50 countries worldwide. Infiniti has generated respect as

the provocateur brand in the premium category, with a reputation for defying convention and creating irresistible and provocative automobiles, engineered with obsessive attention to detail. Our passion for ultimate precision, exhilarating performance and that exuberant driving experience is also manifested in the partnership that Infiniti established with Red Bull Racing in 2011. All of which contributes to the feeling that to drive an Infiniti is something special.
