

The Audi R8

Born of powerful ideas

The Audi R8

The Audi R8 arouses both fascination and enthusiasm, captivated by its incomparable appeal – an inspiring high performance sports car. The Audi R8 displays the name of the most successful Le Mans 24-Hour Race car of all time, and like the racing car, the Audi R8 bears the imprint of its developer's passion and desire to push back the frontiers of technical feasibility. Never before have motor racing and series car production, supreme technical achievement and everyday suitability been linked so closely as in the Audi R8.

The Audi R8 is a thoroughbred sports car that delivers enduring driving performance thanks to its all aluminium

mid-engine concept, in conjunction with superior quattro® drive technology and Audi Space Frame ASF®. The Audi R8 delivers the concentrated essence of inspired engineering, passion and true Vorsprung. The muscular, clear-cut lateral contours combined with the trademark sideblades behind the Audi R8's doors instantly allude to its racing origins.

With its high revving 4.2-litre V8 FSI or 5.2-litre V10 FSI engines, the Audi R8 evokes the dynamism of a high-performance sports car with driving experience that is equally at home on a racetrack as it is on the road.

The genes of a winner. The Audi R8

Model	R8 V8 4.2 FSI quattro manual / R tronic	R8 V10 5.2 FSI quattro manual / R tronic

● = Standard equipment * = Optional equipment, Manufacturer's List Price shown

*Individual Manufacturer's List Prices (MLP) of the factory fitted options quoted on this specification sheet separately include Luxury Car Tax. Please enquire at your dealer for further details.

This is a manufacturer's specification sheet and new vehicles must be purchased from dealers. Specifications are as planned from August 2009 and are subject to change without notice or obligation. All information in this specification sheet is correct at the time of publication, however variations may occur from time to time and Audi Australia Pty Ltd, in so far as it is permitted by law to do so, shall not be liable in anyway as a result of any reliance by any person on anything contained in this specification sheet. Authorised Audi dealers will provide up-to-date information on model specifications and prices. For individual prices please contact your local Audi dealer.

Fuel consumption figures according to Australian Design Rule (ADR) 81/02. The driving style, road and traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures which may differ from those calculated with these standards.

Phone cradle must be purchased separately. Please check with your Audi dealer for phone cradle availability and approved Bluetooth telephones that have been tested by Audi for compatibility and functionality.

Overseas models are shown with optional sideblade in Carbon Sigma and interior inlays in Piano Finish black.
