

Ford MONDEO

Go Further

DRIVEN BY DESIGN

Design is a journey. To arrive at something special, you must imagine, create, refine and re-define. When you sit behind the wheel of the Ford Mondeo, you're instantly connected to the painstaking hours of craft and development that went into every inch of this vehicle. Technologically advanced and stylishly considered, its design will drive you.

2.0L Diesel

Our highly fuel-efficient 2.0L diesel engine is a gutsy performer. Its turbocharged four cylinders deliver responsive power and torque that builds low in the rev range.

2.0L EcoBoost

The combination of turbocharging, direct fuel injection and twin independent variable camshaft timing (Ti-VCT) in our 2.0L EcoBoost delivers more to you. This four cylinder petrol engine is smaller and lighter than larger displacement engines so it delivers superior fuel economy, yet there is no compromise on power.

EFFICIENT PERFORMANCE

We give you the choice of two of our most fuel efficient and powerful engines, then we top it all off with Ford's latest performance technologies that give you greater control and ease of driving.

Colour Range

*Prestige Paint is an option that incurs an additional charge.

Notes

Enhanced Active Park Assist[®]

Imagine. Perfect parallel parking without your hands ever touching the steering wheel. Enhanced Active Park Assist not only helps you find the right parking space, it steers you in. Perfectly. Put the car into gear. Take your hands off the wheel. All you have to do is work the accelerator and brake. It even steers you out of your park, hands-free.

Airbags All-Round

Knowing you're surrounded by protection is a good feeling. With driver and passenger airbags, seat-mounted side airbags and one for the driver's knee in the front, as well as side-curtain airbags for people in the front and back, peace of mind comes standard in the Mondeo.

Panoramic Roof with Power Sunshade

If there were an award for best view from a car, this would be it. The Panorama glass roof takes up nearly all of the roof area, so everyone inside gets to see more of what's going on outside. It also comes with a power sunshade for those extra sunny days.

Adaptive LED Headlamps

Not only do these lights automatically turn themselves on and off with changes in natural light, but they also help you see around corners. A standard headlight's beam is usually fixed on one spot. These lights are designed to change the beam's angle, pattern and intensity according to your driving conditions so it's always on the road, no matter what.

SYNC[®]3 Connectivity System with Voice Control

Use voice commands to find your nearest restaurant, make hands-free phone calls and even listen to text messages.¹² Seamlessly integrate your compatible smartphone through Apple CarPlay or Android Auto for hands-free control of your favourite apps.⁴

Pre-Collision Assist with Pedestrian Detection (AEB)[®]

The Forward Collision Warning will alert you if it predicts an accident. If you don't react the Autonomous Emergency Braking system is designed to help the driver mitigate and avoid collisions with vulnerable road users, like pedestrians, by automatically applying the brakes.

Lane Keeping Aid

By monitoring road markings, this system detects if you appear to unintentionally move out of your lane. If you do, your steering wheel will vibrate to warn you. If lane departure continues it will also direct you back into your lane by applying steering torque, unless your indicator is on.

S = Standard - = Not available O = Option that can be ordered before a vehicle is manufactured

1. All petrol performance figures are measured using 95RON fuel. 2. Fuel consumption and emissions as per ADR 81/02 combined cycle and to be used for vehicle comparison only. It is unlikely that this fuel consumption figure will be achieved in real world driving conditions. Actual fuel consumption will depend on many driving factors including the driver's habits, external conditions and the vehicle's equipment, condition and use. 3. If the spare wheel, rim or tyre size differs from the other wheels fitted, the vehicle should be driven with caution and the standard wheel and tyre should be fitted as soon as possible. 4. Apple CarPlay/Android Auto requires phones with compatible version of Apple iOS/Android™ (as applicable), active data service, and connection cable (sold separately). SYNC® does not control Apple CarPlay/Android Auto while in use. Apple/Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford Applink® is available on selected SYNC® models and is compatible with select smartphone platforms. Warning: Local laws prohibits some functions while driving. Check your local road rules before using these functions. 5. Traffic Message Channel is currently provided through an arrangement with Intelmatics Australia Pty Ltd (Intelmatics). The ongoing provision of this feature cannot be guaranteed if Ford's arrangements with Intelmatics cease for any reason. 6. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and used under licence by Ford Motor Company. Some phones are not compatible. 7. iPod is a trademark of Apple Inc. Some devices are not compatible. 8. Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle. May not operate in some driving and road conditions (including at certain speeds) or adverse weather. 9. Dynamic Stability Control is also known as Electronic Stability Control. 10. Front seat airbags protect front seat occupants only. 11. Needs a paired and in range mobile phone. Can activate in the event of a crash which deploys an airbag or activates the fuel pump shut off. 12. Not all SYNC® and SYNC3® features are compatible with all phones. For compatibility, see ford.com.au/sync

FORD SERVICE BENEFITS

Our Commitment to You

Convenience. Reliability. And no nasty surprises. That's what service should be. And that's exactly what Ford promises when you have your car serviced. Feel at ease knowing that your car is being serviced by factory trained technicians using specialised diagnostic equipment. After all, nobody knows your Ford better than we do. Speak to your participating Ford Dealer today about how we can help you make the most out of your vehicle experience.

Five Year / Unlimited Kilometre Warranty

As a Ford owner you will now receive a Five Year / Unlimited Kilometre Ford Express New Vehicle Warranty with your purchase¹. For details about this warranty please visit: www.ford.com.au/owners/warranties

Ford For Good

From supporting national causes to community volunteering, we take our social responsibility seriously. Find out more at ford.com.au/about/community

1. Warranty conditions apply. 5 year/unlimited km Ford Express New Vehicles Warranty applies to new, demonstrator and service loaner vehicles delivered from 1 May 2018. Our goods come with consumer guarantees that cannot be excluded under the Australian Consumer Law. Our warranty does not limit and may not exceed your rights under those guarantees. 2. Available at participating dealers on scheduled services or overnight warranty repairs. Private and Blue, Silver and Gold Business Fleet customers only. Booking may be required. See www.ford.com.au/service/t-and-c for full terms. 3. Available at participating Ford Dealers. Excludes F-Series, Everest, Mustang, Transit models and Performance Vehicles. Customers will pay equal to or less than the current maximum price as published by Ford at <http://www.ford.com.au/owners/service/brakes>. Maximum prices are subject to change. See <http://www.ford.com.au/owners/service/t-and-c> for full terms. 4. Available at participating Ford Dealers on vehicles built from 2007. Customers will pay equal to or less than the maximum price as published by Ford for the period of the web quote for standard items in the A and B logbook service together with selected routine maintenance items. See www.ford.com.au/service/t-and-c for full terms. 5. Available to Private and Blue Business Fleet customers with vehicles 7 years old or less. State Auto Club Membership & Roadside Assistance is included for 12 months or until your next eligible standard service (whichever occurs first) at participating Dealers. Customers must comply with scheduled servicing intervals to maintain continuity of membership. See www.ford.com.au/service/owners/t-and-c for full terms. 6. The Low Price Tyre Guarantee offer is available to private retail and Blue Business Fleet customers on Dunlop, Goodyear, Pirelli, Firestone, Bridgestone, Michelin, Continental, BF Goodrich, and General Tyre tyre that are stocked by participating Ford dealers. Competitor tyres must be new and identical from an Australian tyre retailer. Offer includes "4 for 3" or similar competitor offers, but excludes competitor cashback offers, gift cards, "wheel and tyre bundles" tyres purchased under an instalment payment plan, clearance and liquidation stock, and any competitor quotes that cannot be verified. Customer must present a competitor quote for a competitor tyre (Competitor Tyre) that includes the date of generation, tyre specification information (i.e. brand, quality, size, speed, load, and sidewall) and price of the tyre. If the Competitor Tyre quoted price does not include fitment, the participating Ford dealer will deduct \$25 from their quoted price to determine the Price Match Tyre price. For quotes or advertising from online retailers or retailers located more than 80km from the participating Ford dealer, a freight charge of \$20 per tyre will be added to the quoted price to determine the Competitor Tyre price. Competitor quote date must be within 30 days of Price-Matched Tyre purchase date. Competitor quote can be presented at the time of purchase (in which case, the customer will pay the competitor price), or within 30 days of purchase (in which case, the customer will receive a refund equal to the difference between the amount paid at time of purchase, and the Competitor Tyre price). Competitor quote must be a printed quote or web-based advertisement. Ford reserves the right to call the competitor to verify the price and availability of the tyre quoted. Verbal or handwritten quotes, personal customer discounts, personal customer quotes received via email, and other quotes that cannot be verified are ineligible. Ford reserves the right to vary or withdraw the Low Price Tyre Guarantee offer at any time. 7. Customers must comply with scheduled servicing intervals. See www.ford.com.au/service/owners/t-and-c for full terms.

This brochure details specifications and features of the MD Mondeo Range. Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions. Not all features will be available on the entire MD Mondeo Range. Please visit our website www.ford.com.au for more information.

This brochure is designed to provide you with a general introduction to the Ford Products (including available optional equipment) referred to, and should be read in conjunction with the latest specification sheet. Image and Illustrations are for information purposes and are indicative only. Because of changes in conditions and circumstances Ford* reserves the right, subject to all applicable laws, at any time, at its discretion, and without notice, to discontinue or change the features, designs, materials, colours and other specifications and the prices of its products, and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchasers. The latest specification sheet should be referred to for information on the availability, ordering and use of features and optional equipment. Always consult an authorised Ford Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place an order.
