

SANTA FE.

Taking Australian families further.

Weekly sport. Weekend play dates. This morning's surf, tomorrow's bike ride, and Saturday's camping trip up the coast. Your active family needs an SUV that's as comfortable on the run as you are. And just as eager for the next adventure.

With its advanced technology, connectivity, Hyundai SmartSense™¹ safety features and design that delivers for the whole family, the Hyundai Santa Fe is as commanding as it is capable. Wherever you're headed, and whoever's along for the ride, it has all the power you need to travel in confidence and arrive in style.

Because when there's no such thing as time off, getting there should be much more than half the fun.

1. Hyundai SmartSense™ is a registered trademark of Hyundai Motor Company. Safety features are not a substitute for attentive driving.

SANTA FE.

Hyundai SmartSense™¹

The Santa Fe's sophisticated suite of Hyundai SmartSense™¹ safety technologies is as busy as you are, and just as serious about protecting your family.

The Forward Collision-Avoidance Assist (FCA) function coordinates feedback from the Santa Fe's onboard radar and front view camera to scan the road ahead. It's ever vigilant to changing conditions, such as slowing or stopped traffic, and even cyclists or pedestrians. If a potential collision is detected, the system can apply the brakes to help prevent accidents.

Blind-Spot View Monitor (BVM)² maintains a watchful eye where you can't. When the indicators are activated, the supervision cluster displays a crystal-clear vision of what would otherwise be your blind spot.

Blind-Spot View Monitor (BVM)²

1. Hyundai SmartSense™ is a registered trademark of Hyundai Motor Company. Safety features are not a substitute for attentive driving.

2. Available on the Highlander variant.

3. Available on the Active, Elite & Highlander variants.

4. Available on the Highlander variant. Only operate in accordance with local road rules and in safe conditions.

Hyundai SmartSense™¹ even has your back in the car park. In really tight spaces – such as if you're blocked in at the sides in a parking garage or at a busy shopping centre carpark – Remote Smart Park Assist System (RSPAS)⁴ can save the day. Once activated and turned on with the Santa Fe's smart key, the Santa Fe will move forward, allowing the driver and passengers to open their doors and safely access the vehicle.

Then there's Surround View Monitor (SVM)³, which creates a 360° bird's eye view of your Santa Fe's surroundings on the central touchscreen. Whether you're negotiating a crowded car park, or simply reversing into a squeeze spot outside your favourite café, you'll be parking in tight spaces with confidence.

Remote Smart Park Assist System (RSPAS)⁴

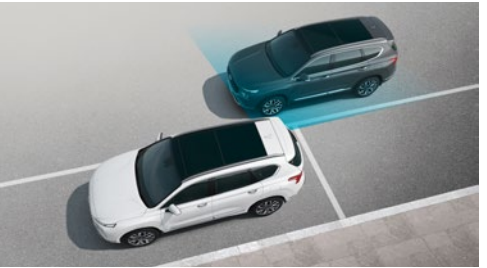

Forward Collision-Avoidance Assist - Junction Turning (FCA-JT)

The FCA-Junction Turning system is designed to reduce the risk of collision by detecting and monitoring oncoming vehicles. Additionally when the driver activates the Santa Fe's indicators to turn right at a junction, the system recognises any oncoming vehicles ahead using its front view camera and front radar. If there's a risk of a collision, it produces warning messages or haptic warning alarms accordingly and applies emergency braking if needed.

Rear Cross-Traffic Collision-Avoidance Assist (RCCA)

When backing out from a parking position, RCCA detects approaching vehicles from the left or right. The sensor will issue an audible alert and visual warning on the dashboard and if necessary, will initiate a braking manoeuvre.

Safe Exit Assist (SEA)³

The system detects any oncoming vehicles approaching from the rear and alerts the driver that it may be dangerous for passengers to exit the vehicle, with both a sound and a pop-up visual warning on the dashboard. If the child safety lock is activated, the SEA system will stop the door from being unlocked by the driver to prevent opening.

Lane Following Assist (LFA)

LFA uses a front windshield-mounted camera to detect lane markers on the road and provides steering assistance to ensure the Santa Fe stays in the centre of its lane.

SANTA FE.

The shape of new.

With its assured silhouette and perfectly balanced stance, the Santa Fe has unquestionable presence, and unmistakable style. Bold and broad, a cascading grille flows seamlessly into the LED headlamps, with sleek roof and shoulder lines that lengthen the Santa Fe's visual architecture.

The design is clean, athletic and modern; a statement of intent, as well as an invitation. Meet the design standard bearer among 7-seat SUVs.

Alloys¹ come in three sizes - 17, 18 or 20 inches, depending on the variant chosen - providing both function and form.

At the rear, LED fog lights (which will keep you clearly in sight, even in low-visibility conditions) are included across the range, while Highlander variants are also equipped with LED rear combination lamps for even more visibility at night.

At the front, bright and energy efficient LED Daytime Running Lights switch on automatically as the engine starts, making the Santa Fe more visible to oncoming drivers as well as in car parks and tunnels.

The Santa Fe is your family's home on the road, and it's only natural that it's a grand design of its own. And with Hyundai Genuine Accessories² covering everything from roof racks to tow bars, even the most active family can travel in ultimate style, every day.

1. Santa Fe comes with 17" alloys, Active comes with 18" alloys and Elite & Highlander variants come with 20" alloys.
2. All Hyundai Genuine accessories are subject to 5 years warranty if purchased at the time of a new Hyundai and fitted by an authorised Hyundai Dealer.
3. Available on the Highlander variant.
4. Highlander variant shown.

SANTA FE.

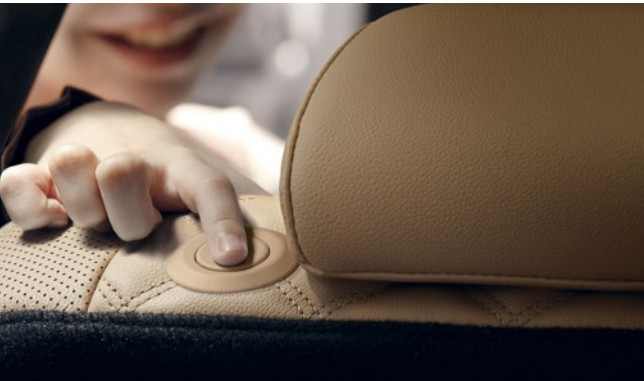

Everyday solutions for every trip.

Active families make the most of the time they spend together on the move. When you're forever moving forward, you need a vehicle that's as agile, as nimble, and as up-to-the-task as you are.

With this in mind, the Santa Fe offers everyday solutions for every trip, with an array of thoughtful features designed with you and your family in mind. It's an oasis of calm and convenience when your days are already too busy – and you wouldn't have it any other way.

Boot space configurations - 2nd row: 60:40 / 3rd row: 50:50

Walk-in switch¹
Getting in and out couldn't be easier, wherever you're sitting. With a touch of a button, the 2nd row collapses and slides forward, allowing easier access to the 3rd row seats.

Rear window sunshades²
For those sitting in the 2nd row, these retractable sunshades will filter out much of the radiant glare and heat on the hottest of days, and can be quickly rolled down and out of the way again when that extra layer of protection is no longer needed.

3rd row air vents & manual control
No matter what the weather, everyone front to back gets to travel in comfort with cooling and heating that extends all the way to the back of the cabin, thanks to dedicated air vents in both the 2nd and 3rd rows, and a manual air-con control in the 3rd row too.

2x USB ports in the 2nd row
Kids in the back seat will be thrilled to be able to charge their devices not just whenever they want to, but without even having to ask for permission. That means longer periods of uninterrupted peace all-round. The Elite & Highlander variants also come equipped with a USB port in the 3rd row.

Smart power tailgate²
Never have to put your gear on the ground. Automatically raise the tailgate hands-free and foot-free simply by standing behind your boot for 3 seconds with your smart key. There are adjustable opening speeds too. Genius.

Hyundai Genuine Accessories³
For even more practicality, Hyundai's Genuine Accessories have you covered, whether you need a roof-mounted bike rack or a genuine tow bar.

1. Highlander variant shown.
2. Available on the Elite & Highlander variants.
3. All Hyundai Genuine accessories are subject to 5 years warranty if purchased at the time of a new Hyundai and fitted by an authorised Hyundai Dealer. Visit www.hyundai.com/au/en/owning/icare/warranty for full warranty terms and usage recommendations.

Overseas model shown.

A personalised space for everyone.

The Santa Fe's combination of 7-seat comfort, premium materials and integrated technology is perfectly balanced to deliver stylish convenience on the go. From the everyday school run to cross-country cruising, the Santa Fe caters to every occupant's needs, no matter how long the journey – or where they sit in the sibling hierarchy.

The electronic Shift-By-Wire¹ transmission maximises comfort regardless of road conditions, providing a silky ride for those in the front – and assuring wake-up free highway cruising for little ones further back.

There's dual-zone climate control¹, for those times when the driver and passenger just can't agree on a temperature, plus vents in the 2nd and 3rd rows ensure your other passengers aren't forgotten either.

The front seats in the Highlander variant are heated and ventilated and are appointed with Nappa leather², which looks every bit as luxurious as it feels, with a durable, easy-clean finish that can withstand the daily grind.

Contributing to a sense of lightness, brightness and space is the panoramic glass sunroof³ while the rear privacy glass¹ lets passengers in the 2nd and 3rd rows feel like they're in their own little worlds.

Just as every Santa Fe adventure is an invitation to set off again, so is every outing as easy-going as the first.

2. Finishes specified as leather may contain elements of genuine leather, polyurethane leather (leather substitute) or man-made materials, or a combination thereof. Available on the Highlander variant.
3. Available on the Highlander variant.

SANTA FE.

The power to perform.

The Santa Fe is built to perform, wherever you're headed. Light on its feet when it matters, and with all the power you need, it makes the most of every road. And every adventure.

With two engine options – a 3.5L V6 2WD and 2.2L diesel AWD – it's as capable as it is confident.

Both powertrains feature an electronic 8-speed Shift-By-Wire transmission, with an automatic gearbox in the 3.5L V6 and a nimble Dual Clutch Transmission (DCT) system in the all wheel drive 2.2L diesel. Each offers an ideal balance between performance and efficiency, providing you with the best of both worlds.

With four drive modes – Comfort, Eco, Sport & Smart – and three Multi-Terrain Modes¹ (Snow, Mud and Sand), Santa Fe ensures that the journey is as enjoyable as the destination.

And for those adventurers thinking about getting on the road with a trailer, boat or caravan - the Santa Fe has a towing capacity of 2,500kg (braked).

Whether you're making memories on a much-anticipated road trip or just completing the daily school run, Santa Fe commands attention – even as it commands the road.

Multi-Terrain Mode - Snow, Mud & Sand¹

¹. Available on Active, Elite & Highlander diesel variants.

2,500kg ^(braked)	750kg ^(unbraked)

SANTA FE.

Innovation for life on the run.

When you're an active family, technology has to do more than just keep up with you – it needs to stay one step ahead. The Santa Fe takes the lead with intuitive innovation that keeps you in command, in touch, and on track when you're away from home.

A crystal clear 10.25" multimedia touchscreen¹ with Apple CarPlay™² & Android™³ Auto puts you in control, with satellite navigation¹, wireless charging⁴ and a Head-Up Display (HUD)⁵ that projects key driving data onto the windshield so that you can keep your eyes on the road.

The Integrated Memory System (IMS)⁶ also stores up to two separate driver's preferences for seat positioning and external mirrors – making it a breeze to swap between drivers without taking time for adjustments.

Two USB ports in the 2nd row ensure backseat passengers are connected, while the Santa Fe's Harman Kardon™⁶ premium audio system with 10 speakers throughout the cabin – keeps everyone in the loop.

When standing behind the boot for more than 3 seconds with your smart key in your pocket or bag, the brilliant smart tailgate⁷ will open automatically – perfect for when your arms are full of groceries. And with a smart key with push button start⁷, the Santa Fe lets you get the show on the road quickly.

Complex and cleverly arrayed, the suite of technology in the Santa Fe makes your life simpler.

Variants.

Life is about choice – so we've created four different Santa Fe variants that will let you take to the road the way you want.

Santa Fe.

Engine and transmission

3.5L MPI V6 (Petrol) 2WD - 8-speed automatic

2.2L CRDi (Diesel) AWD - 8-speed Dual Clutch Transmission (DCT)

Key specifications:

Safety

- 6 airbags
- Rear view camera with rear parking sensors
- Electronic Stability Control (ESC) including:
 - Anti-lock Braking System (ABS)
 - Brake Assist System (BAS)
 - Electronic Brakeforce Distribution (EBD)
 - Downhill Brake Control (DBC)
 - Hill-start Assist Control (HAC)
 - Multi-Collision Braking (MCB)
 - Traction Control System (TCS)
 - Vehicle Stability Management (VSM)
- Tyre Pressure Monitoring System (TPMS)
- Hyundai SmartSense™¹ including:
 - Blind-Spot Collision-Avoidance Assist - Rear (BCA-R)
 - Driver Attention Warning (DAW)
 - Forward Collision-Avoidance Assist (FCA)
 - camera and radar type, including:
 - i) Car/Pedestrian/Cyclist detection
 - ii) City/Urban/Interurban operational speeds
 - Junction Turning (FCA-JT) functionality
 - High Beam Assist (HBA)
 - Lane Following Assist (LFA)
 - Lane Keeping Assist - Line/Road-Edge (LKA-L/R)
 - Rear Cross-Traffic Collision-Avoidance Assist (RCCA)
 - Rear Occupant Alert (ROA)
 - Smart Cruise Control (SCC) with Stop & Go

Interior and technology

- 8" multimedia touchscreen with Apple CarPlay™² and Android™³ Auto compatibility
- Wireless charging⁴
- 4.2" instrument cluster with trip computer & digital speedometer
- Bluetooth®⁵ connectivity
- Electronic Parking Brake (EPB) with auto hold function
- Leather appointed⁶ steering wheel & gear knob
- Air vents in 2nd & 3rd row
- 3rd row air conditioning system with manual fan speed control
- 2x USB charging ports in 2nd row
- Drive Mode - Comfort, Eco, Sport & Smart
- Walk-in switch
- 3x top tether anchors in 2nd row (LH, centre, RH)
- 2x ISOFIX points in 2nd row (outboard seats)
- Quiet Mode
- Steering wheel mounted controls - audio, phone, cruise control, lane safety & trip computer
- Heated & power adjustable side mirrors
- Cargo cover
- Rear split folding seats (2nd row - 60:40 / 3rd row - 50:50)

Exterior and technology

- 17" alloy wheels with full size spare
- LED Daytime Running Lights (DRL)
- LED headlamps
- Black front grille
- Roof rails
- Automatic dusk sensing headlights with welcome & escort function
- Body coloured rear spoiler

Towing capacity

- 2,500kg (braked)
- 750kg (unbraked)

17" alloy wheels

Wireless charging⁴

Active.

Engine and transmission

3.5L MPI V6 (Petrol) 2WD - 8-speed automatic

2.2L CRDi (Diesel) AWD - 8-speed Dual Clutch Transmission (DCT)

Relax, we'll take it from here.

We built iCare around one simple, innovative idea. That comprehensive on-the-road care should come standard with every car – not just as an “optional extra.”

Our five-year, unlimited kilometre warranty¹ means you've got the freedom to go ahead and drive without having to keep an eye on the odometer.

Imagine knowing the maximum price of your next scheduled service, before pulling into the service centre. That's the advantage of our Lifetime Service Plan² – a clever Hyundai initiative that gives you transparency and peace of mind for the life of your car. No hidden fees and surprises.

Since every new Hyundai is built to the highest standards, we've got the confidence to offer comprehensive customer service without exception – or as we like to say, amazing as standard. And that includes Sat Nav Update Plan³, and a 24/7 Roadside Support⁴ for up to ten years when you service with us.

iCare

1. **5 year/unlimited km warranty:** Applies to new passenger vehicles used for private/domestic purposes. Excludes vehicles used at any time for “commercial application” as defined in the vehicle warranty policy, for which a 5 year/130,000km (whichever occurs first) warranty applies. Refer to full warranty terms & conditions for details and exclusions. 2. **Lifetime Service Plan:** For the benefit of Hyundai owners, Hyundai provides online quotes which specify the maximum price applicable for a vehicle's next scheduled maintenance service at a participating authorised Hyundai dealer and using genuine Hyundai parts (where required). Online quotes are available at www.hyundai.com/au/en, apply for a stated effective period only and may change after that effective period without notice. Standard scheduled maintenance services are of limited scope. The benefit of online quotes is available for all Hyundai vehicles, for their lifetime. 3. **Sat Nav Update Plan:** Maximum number of 9 updates delivered on an annual cycle which must be undertaken within 10 years of the vehicle's purchase. Included map updates apply only if the vehicle completes a scheduled service at a participating Hyundai dealer. 4. **Roadside Support Plan:** Receive 12 months Roadside Support when you purchase a new Hyundai passenger vehicle (excluding rental buyers). Further Roadside Support extensions are available, each for 12 months from the date of a scheduled maintenance service at a participating authorised Hyundai dealer (unless vehicle is more than 108 months (9 years) from the original new car sale date, in which case entitlement to Roadside Support ends when vehicle reaches 120 months (10 years) from original new car sale date).
