Infiniti QX70

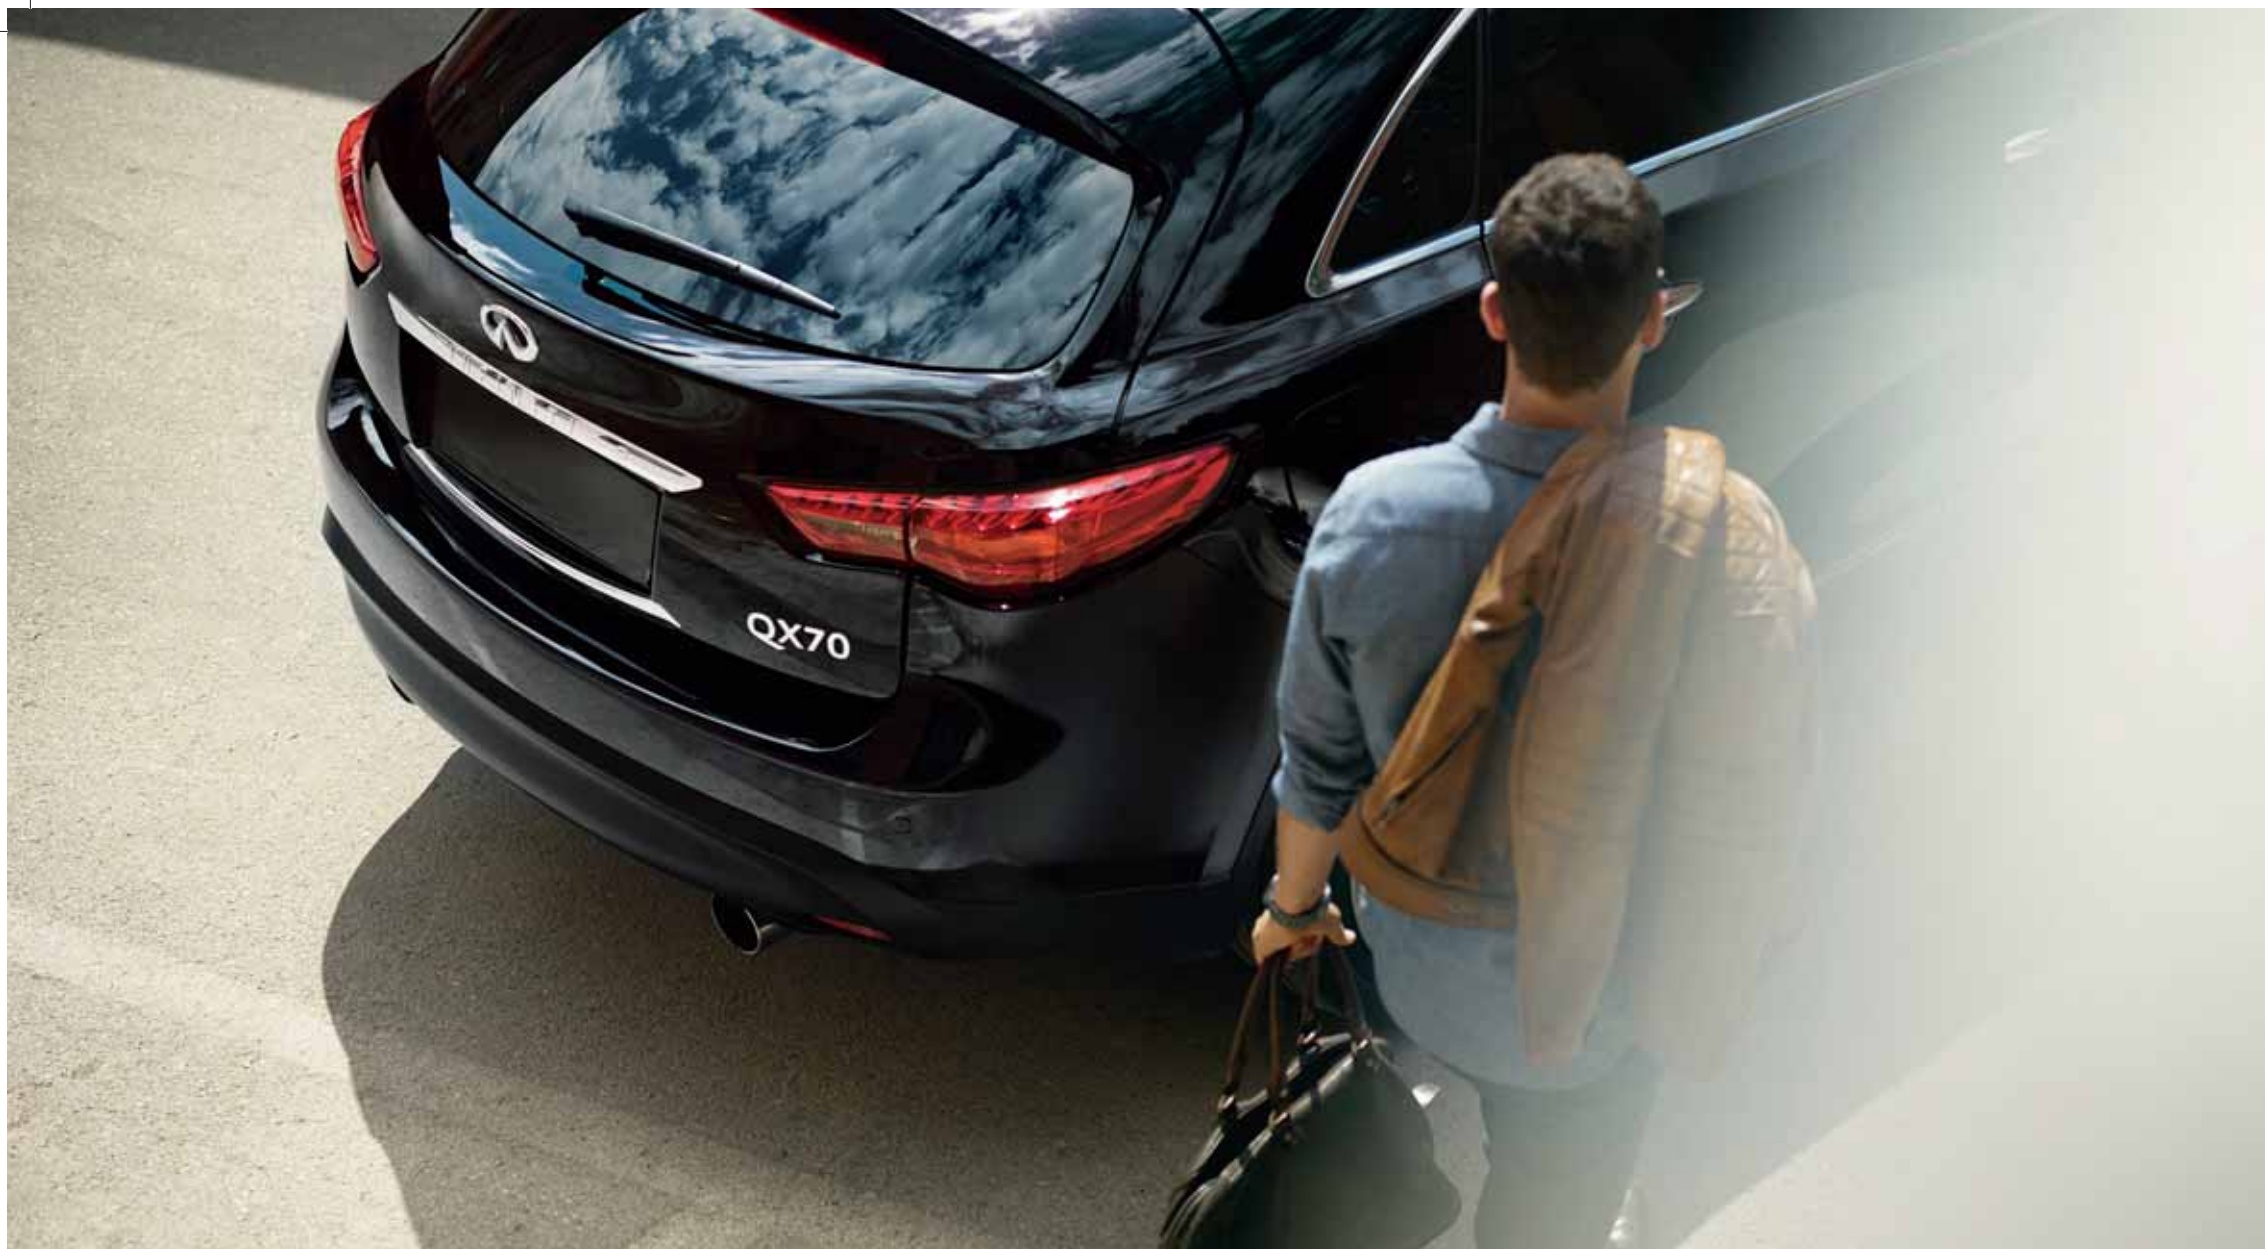

INFINITI

Inspired Performance

The Infiniti QX70 is proof that luxury never has to be dull, that space never has to be boxy and that beauty never has to be delicate.

LUXURY OVERTAKEN. The QX70 was designed to overtake the conventional luxury crossover in every way imaginable. Its performance sets hearts racing and begs to be given the chance to rise to any challenge. Choose from the extraordinary thrill of a 3.0-litre V6 diesel, a 3.7-litre V6 petrol engine or the imposing 287kW 5.0-litre V8 petrol engine.

THE INFINITI QX70 RUNS ON PURE ADRENALIN. At least, that's how it feels when you're sitting elevated on its sturdy chassis built for agility and luxury. The precise blend of strength and power means it is equally effortless to drive fully loaded with the family's gear as it is in the city.

SMOOTH EXHILARATION. The QX70 delivers up to 287kW of raw power, controlled from a luxurious leather-clad oasis in the uniquely crafted cabin. The 7-speed automatic transmission, with manual mode and magnesium paddle shifters on the steering wheel, delivers control in exactly the measure you desire.

Double-wishbone front suspension and multi-link rear suspension makes winding through the mountains as much fun as cruising on the freeway. The cabin becomes your paradise when you turn up the music, set the cruise control and relax into the heated and ventilated front bucket seats. You're never more than a moment away from the action. The steering wheel controls allow you to take or make phone calls at the touch of a button through the audio-streaming Bluetooth® system.

ADVANCED COMFORT. We believe technology should place simplicity and enjoyment at your fingertips, so while we constantly work to improve the safety and performance of Infiniti vehicles, we ensure your experience inside is just as pleasurable. The Bose® 11-speaker premium sound system inside the QX70 provides crystal-clear audio and concert-quality reproduction of your favourite music.

CLEVER TECHNOLOGY. Intelligent Key (I-Key) adjusts the driver's seat, steering wheel and exterior mirrors to your pre-defined personal settings when you start the engine. Our incredibly smart Scratch Shield paint heals light scratches and swirl marks for long-lasting brilliance of the exterior colour.

At the heart of the Infiniti Navigation system is a hefty 30GB Hard Disk Drive (HDD) enabling fast operation and ample data storage for information and entertainment on the road. The high-resolution 8-inch display can be operated by touch-screen, steering wheel or the Infiniti controller. For your entertainment, the system boasts a 10GB Infiniti Music Box® – large enough to store 300 CDs – full iPod® integration and DVD playback capability (when stationary).

iPod is a trademark of Apple Inc.

EXCEPTIONAL ATTENTION TO DETAIL. While you'll love the way the QX70 looks on the outside, you'll spend much more time enjoying the view from inside. The cockpit not only has an exclusive look and feel, the ergonomic layout of the instruments gives you near-intuitive control.

Smooth leather sports seats feel like an extension of yourself as they hold you firmly through sweeping curves.

ATTENTIVE TOUCHES. Every interior aspect has been considered, from the aluminium sports pedals and polished aluminium gear lever to the front bucket seats that are ventilated with warm or cool air as desired. The 10-way driver's seat memory adjustment remembers your settings at the touch of a button.

The two rear seats can be folded down to form an even more expansive load area.

Step inside the Infiniti QX70 and you are instantly elevated to the position you were born to command. The high-quality materials used throughout the cabin create an exclusive ambience.

QX70

UPGRADE YOUR EXHILARATION. Add driving excitement to the QX70 by upgrading to the S Package, which includes 21-inch lightweight alloy wheels, sports seats, Continuous Damping Control (CDC) with Automatic and Sports modes plus Rear Active Steer (RAS).* On top of these performance features, the S Premium Package (standard on the QX70 5.0) adds advanced safety technologies such as Around View™ Monitor (AVM), Intelligent Cruise Control (ICC), Lane Departure Prevention (LDP) and much more.

*RAS not available on the QX70 3.7.

TECHNOLOGY DEVELOPED FOR YOUR WORLD. Our engineers combine cutting-edge ideas with proven technology to improve the driver's relationship with the car at every possible point.

The result is a vehicle that is smooth, intuitive and uplifting to drive.

THE NEXT LEVEL OF POWER. There are three engine variants in the QX70. The 3.7-litre V6 engine produces 235kW of power and 360Nm of torque. The diesel engine option has 3.0-litre V6 power with 175kW and a huge 550Nm of torque. The top-shelf 5.0-litre V8 engine asserts 287kW of raw power and 500Nm of torque. Both petrol engines are built

with Infiniti's Variable Valve Event and Lift (VVEL) technology to unleash great power, top torque and improved emissions over conventional valves.

TAKE CONTROL. The advanced 7-speed automatic transmission shifts through the gears swiftly and smoothly, while the Adaptive Shift Control (ASC) recognises and responds to your driving style and the road conditions. For maximum agility, optimum balance and smoother directional changes, the engine is placed as far back as possible.

All three variants maximise grip thanks to Intelligent All-Wheel Drive (AWD). Rear Active Steer (RAS) in most of the S Packages increases stability at higher speeds.

PEACE OF MIND ON EVERY JOURNEY. So you can experience more of the pure driving thrill that the QX70 provides, it is equipped with a range of high-performance technologies to ensure your safety. Driver, passengers and vehicle alike are protected by Infiniti safety features designed to minimise the effects of an impact. In some instances, intuitive features are fitted to help prevent an accident from occurring in the first place.

PREVENTION AND PROTECTION. Standard preventative measures in the QX70 include a discreet rear view camera complemented by front and rear parking sensors, as well as an Adaptive Front-lighting System (AFS) to provide you with better visibility at night on winding roads. Vehicle Dynamic Control (VDC) and Electronic Brake-force Distribution (EBD) are standard across the entire Infiniti range, as is the Infiniti Airbag System

comprising of driver and front passenger airbags, side airbags for driver and front passenger, and roof-mounted full-length curtain airbags.

The S Premium Package and QX70 5.0 add a range of advanced safety technologies including an Around View Monitor (AVM) with corner sensors providing a comprehensive 360-degree view of your vehicle

when reversing. Lane Departure Prevention (LDP) senses if you accidentally veer from your lane and actively intervenes to direct the vehicle and help avoid a collision. Intelligent Cruise Control (ICC) intelligently senses and applies the brakes and throttle as required in traffic to keep the vehicle at a steady speed.

INTERIOR BEAUTY. The QX70 creates an inviting atmosphere with the exquisite interplay of premium materials, ergonomic design and high-quality finishes. The result is a perfect harmony of refinement and modernity.

Infiniti design draws on traditional elements from our Japanese heritage. These can be seen in the genuine aluminium inlays,

reminiscent of the katana sword. The finely stitched seats are inspired by the cut and drape of the Japanese kimono. The fine-vision instruments provide a futuristic, highly legible view of all technology on board, and yet are grounded in tradition by the signature Infiniti analogue timepiece.

INFINITI SPECIAL EDITION QX70 S DESIGN

HARNESSING its dark chrome exterior features – including grille, air vents and sills, black 21" wheels, mirrors and roof rails – the Infiniti is total performance with extra sports attitude.

DESIGNED FOR THE
SPORTS PERFORMER

With a sculpted chassis that highlights its strength and agility, the Infiniti QX70 S Design is an athlete on four wheels. The vehicle that created a whole new category is now more head-turning than ever.

INFINITI SPECIAL EDITION QX70 S DESIGN FEATURES

THE COLOUR OF CHARACTER The dark chrome grille is more than eye-catching, it is a unique expression of confidence and power.

MAXIMISING SPORTINESS Performance-ready 21-inch, 6-spoke black wheels, black mirrors and roof rails complement the exhilarating output of the 3.7-litre and 3.0-litre diesel engine. Dark chrome air vents and side sills channel air from the front wheels, improving high-speed stability.

SHARPER SHIFTS Steering wheel with magnesium paddle shifters provides effortless, intuitive control. And the tailored purple stitching puts an expert finish in your hands as well.

MATCHLESS COMFORT Sport seats with power side and high-side support and with unique stitching on seats. Redefine driver performance with unmatched driver comfort.

PLEASING TO THE EYES The centre console is flawlessly finished with black lacquer, and the elegant purple stitching continues to grace the interior.

SPECIFICATIONS

THE INFINITI QX70. From wide stance to declarative details, flowing hood to sculpted tail lights, the QX70 is crafted for balance, aerodynamics and expression. Its muscular form contains a 5.0-litre V8 or 3.7-litre V6 petrol engine, or a 3.0-litre diesel engine. The 7-speed QX70 embodies the charisma of a sports car as much as the assertive poise of an SUV.

STANDARD SPECIFICATIONS

MUSCULAR SILHOUETTE. The QX70 conveys its unbridled power and refined luxury in every curve and aerodynamic surface. Like an elite athlete, its figure is muscle-bound and tight while remaining light on its feet. The exterior highlights reveal a glimpse of the luxurious cabin within.

YES TO EVERYTHING. Beyond its grace, power and presence, one of the most impressive things about the QX70 is the array of features that come standard. No matter which model you select, you'll enjoy simple luxuries like electrically adjustable seats with heating and ventilation, a power-operated rear tailgate, sunroof with shade and automatically dimming rear view mirror. And that's only the beginning.

STANDARD SPECIFICATIONS

Transmission

- 7-speed automatic transmission with manual mode
- Adaptive Shift Control (ASC)
- Downshift Rev Matching (DRM)
- Drive Sport (DS) mode
- Lock-up torque converter
- Magnesium paddle shifters, column-mounted

Steering

- Positive-mounted steering rack
- Variable-assist power rack-and-pinion steering
- Vehicle speed sensitive

Braking

- 4-wheel ventilated disc brakes
- Anti-lock Braking System (ABS)
- Brake Assist (BA)
- Electronic Brake-force Distribution (EBD)
- Foot-operated handbrake pedal
- Opposed-piston sports callipers
- Power-assisted braking

Suspension

- Independent double-wishbone front suspension
- Independent multi-link rear suspension

Wheel and Tyre

- 20-inch 5 twin-spoke alloy wheels (P265/50 R 20)
- Space saver alloy wheel (not available on QX70 3.0D)

Body and Exterior

- Advanced aerodynamic body
- Body-colour bumpers
- Body-colour exterior mirrors
- Chrome door handles
- Chrome fog light surrounds
- Chrome front grille
- Chrome side air vents
- Chrome window moulding
- Dual chrome exhaust tip finishers
- Integrated spoiler in tailgate
- Lightweight body components
- Lower side sills with chrome-finish trim
- Polished aluminium roof rails
- Scratch Shield clear-coat paint

Interior Features

- Two driver memory positions (steering wheel, exterior mirrors and seat position)
- 8-way power front passenger's seat
- 10-way power driver's seat with lumbar support
- 12V power outlets
- 60:40 split-folding rear seats
- Automatic air recirculation
- Automatic dual-zone climate control
- Cargo cover
- Fold-down centre armrest with tray and storage
- Front backrest storage
- Front bucket seats
- Front door storage pockets
- Front seat centre console
- Front and rear cup holders
- Glove box with lock
- Heated and ventilated front seats
- Power tilt and telescopic steering wheel
- Rear floor ducts and rear vents

Comfort and Convenience

- Auto-dimming rear view mirror
- Auto up/down power windows
- I-Key – Intelligent Key with valet function and lock out
- Power-operated rear tailgate
- Keyless engine start button
- Remote keyless entry and central locking
- Sunroof and sliding shade

Interior Appointments

- Aluminium pedals
- Analogue timepiece
- Infiniti-branded stainless steel side sill plates
- Leather seat trim
- Leather-wrapped steering wheel
- Leather and polished aluminium gear lever

STANDARD SPECIFICATIONS

Infotainment and Communication

- 8-inch high-resolution colour display
- 30GB HDD Navigation System
- 10GB Music Box®
- AUX connection
- Bluetooth® audio streaming
- Bluetooth® hands-free phone system
- Bose® 11-speaker premium sound system
- DVD audio/video playback capability
- Infiniti controller
- iPod® connection (via USB port – cable not included)
- Front and rear parking sensors with visual display on central screen
- Rear-view camera
- Speed-sensitive volume control
- Steering wheel audio controls

Safety and Security

- 3-point emergency locking retractor (ELR) seat belts
- Front seat belts with pre-tensioners and load limiters
- Active Brake Limited Slip (ABLS)
- Active front head restraints
- Adjustable speed limiter
- Adjustable upper anchors for front seats
- Airbags (6), driver and front passenger airbags, side airbags for driver and front passenger, roof-mounted full-length curtain airbags
- Child restraint top-tethers and ISOFIX system
- Cruise control
- Energy-absorbing steering column
- Traction Control System (TCS)

- Tyre Pressure Monitoring System (TPMS) with display
- Vehicle Dynamic Control (VDC)
- Vehicle Security System (VSS)
- Zone body construction

Visibility

- Adaptive Front-lighting System (AFS)
- Automatic headlight levelling
- Bi-Xenon headlights with dusk sensor
- Cargo area light
- Dual map lights
- Electric-operated and folding exterior mirrors
- Exterior mirrors tilt when reversing
- Fog lights
- Follow-me-home headlights
- Footwell lamps
- Front, rear and side demisters
- Headlight washers
- Heated exterior mirrors
- Illuminated switches with pin lighting
- Interior auto-off lighting
- LED tail lights
- Rain-sensing front wipers
- Rear high-mounted LED stop light
- Rear reading lights
- Rear wiper
- Sequential welcome lighting system
- Rear dark-tinted privacy glass

iPod is a trademark of Apple Inc.

GENUINE INFINITI ACCESSORIES

TEXTILE BOOT MAT. Moisture resistance and durable construction from high-density, cut-pile nylon carpeting provides superior spill protection and anti-wear characteristics as it helps guard your cargo area from damage.

BICYCLE CARRIER. The aluminium cycle carrier is the smartest, most elegant solution for loading and transporting a bike on the roof. The self-adjusting frame holder, into which the bike automatically slides, makes bike loading easy.

REAR BUMPER PROTECTION PLATE. While you load, unload and handle all your cargo, scuffs and scrapes can happen. This protector not only adds a sophisticated look, it's durable enough to resist the wear and tear of everyday life.

FRONT AND REAR STYLING PLATES. Adding an elegant and sportive style to your QX70, the styling plates enhance the look of your car and protect the under body against stone chips and scratches. Their design is exclusive, aerodynamic and easy fitting.

ROOF BARS. These sturdy crossbars greatly increase the utility and capability of the QX70, especially when you pair them with accessory attachments. They're also wind tunnel-tested to improve their aerodynamics.

For a complete list of the high-quality accessories available to enhance or protect your QX70, please consult your Infiniti Centre.

OVERVIEW

COMMANDING PERFORMANCE. The QX70 provides the power, space and luxury you want, with a huge list of standard features that will far exceed your expectations. Whether winding through narrow country roads or letting loose on the freeway, the QX70 produces an unforgettable driving experience. The smooth, responsive release of power is so effortless, you'd be forgiven for thinking you're behind the wheel of a sports car, not an SUV.
