Flowing Lines

JAGUAR'S S-TYPE is beautiful for a reason, its flowing lines and sleek shape engineered as much to please the eye as to cut cleanly and efficiently through the air.

Now S-TYPE is even more distinguished. The look more purposeful, more individual. A passion for quality and build culminates in a luxury sporting car of thoughtful automotive technology, while the interior is a place of luxury and calm.

S-TYPE is a testament to JAGUAR'S innovative engineering pedigree, proving that the exciting choice can also be the rational one. Inside the welcoming cabin are unique JAGUAR details: fine leather, polished wood and chrome, quality upholstery or contemporary aluminium, for a car that makes no compromises, delivering power with agility, grace with elegance. S-TYPE is the car for the individual - make it the car for you.

R

The S-TYPE R is the most powerful S-TYPE, its high performance 4.2 LITRE V8 SUPERCHARGED ENGINE delivering 298kW putting you in command, *just when you want it*, of effortless power.

Instantly recognisable, the S-TYPE R's extraordinary abilities are reflected in its distinctive looks, subtle rear boot lid spoiler and eye-catching 19 inch Barcelona Alloy wheels as standard - all clues to the dynamic capabilities at your fingertips.

The exhilarating engine and precision handling inspires total confidence and enhances control. S-TYPE R features Dynamic Stability Control (DSC) for sure-footed cornering, Computer Active Technology Suspension (CATS), Electronic Park Brake and JAGUAR'S Adaptive Restraint Technology System (A.R.T.S.).

S-TYPE R's individuality extends to the contemporary interior with dedicated S-TYPE R upholstery and special finishes including R gear knob and steering wheel - which can be explored in comprehensive detail at jaguar.com.au.

The advanced design of S-TYPE's twin turbocharged 2.7 LITRE V6 DIESEL brings together the latest lightweight engine materials and JAGUAR'S consistent approach to advancement in engine technology.

Constructed using Compacted Graphite Iron, this allows the engine, with 153kW and 435Nm of torque, to be lighter as well as stronger, for greater acceleration and performance, enhanced by the faster responding twin turbochargers.

The result is not just smooth delivery of power and an instant surge of controlled acceleration, but improved fuel economy and lower emissions.

The innovative use of dual-isolated engine mounts to soften the engine's huge torque, adds to the refinement, further enhanced by the 6-speed ZF electronic automatic transmission.

The refinement and excitement of the s-TYPE mirror a distinctive balance of real world performance and confidence-inspiring dynamic abilities.

The distinguished-looking s-TYPE features technology that is relevant and accessible, alongside outstanding levels of quality, build and reliability.

The comprehensive s-TYPE range has the right individual choice for you, intuitively engineered. There are four engines to choose from: the torque of the 2.7 LITRE TWIN TURBOCHARGED V6 153kW DIESEL; the refinement of the 179kW 3.0 LITRE V6 and 224kW 4.2 LITRE V8 PETROL ENGINES, and of course the s-TYPE R's 4.2 LITRE V8 SUPERCHARGED ENGINE delivering 298kW.

Engineered and built using the very latest in lightweight metals, four valves per cylinder, four overhead camshafts with continuously variable cam phasing, sporting performance is a given, but so too are competitive emissions and economy, and JAGUAR'S dedication to relevant design, and engineering pedigree.

All s-TYPE models come with JAGUAR'S acclaimed 6-speed ZF electronic automatic transmission.

Intelligent, *yet unobtrusive* driver control technology is at the heart of the S-TYPE driving experience.

Interior theme: S-TYPE High Luxury Pack, Ivory and Mocha with Burr Walnut veneer

Intuitive and simple to use, JAGUAR technology brings you effortless motoring, with thoughtful features such as Dynamic Stability Control (DSC) - standard on all models - which is designed to engage the anti-lock braking and traction control systems to ensure constant control.

On the S-TYPE R, Computer Active Technology Suspension (CATS) continuously monitors driving style and road surface, fine-tuning the adaptive shock absorbers for maximum comfort and handling.

Optional Adaptive Cruise Control (ACC) and audible forward alert - available on all models with automatic transmission - uses microwave radar to scan the road 600 times a minute - 10 times a second - helping manage your speed and assist with keeping your distance from the vehicle in front.

Variable ratio Power Assisted Steering offers a speed-attuned response that gives less input at speed for stable motorway driving, but then gives more input at slower speeds and in town to make parking and traffic manoeuvres even easier.

Beautiful, as well as progressive, all S-TYPE models feature as standard DSC, Cruise Control and Front and Rear Park Distance Control. Also standard is the Electronic Parking Brake (EPB) which helps make stopping, parking, and pulling away, more straightforward and is designed to engage automatically when you take out the ignition key, and then release when you engage gear.

Rain sensing wipers, standard on all models, reflect JAGUAR's commitment to intuitive engineering.

Optional added convenience features include advanced Satellite Navigation system with Touch screen controls and JaguarVoice® spoken command system. These can be viewed at jaguar.com.au.

In a challenging world, S-TYPE is a reassuring place to be, a haven made possible through the innovative technology that underlies JAGUAR'S single-minded approach to safety.

JAGUAR was the first to introduce the Adaptive Restraint Technology System - (A.R.T.S.). Updating every 50 milliseconds - just one fifth of the time it takes to blink - ultrasonic sensors are designed to detect the size of those in the front seats, and how they are seated, tailoring airbag deployment most effectively to help protect the occupants.

As well as the rigid, impact-resistant occupant safety cell, there are crumple zones front and rear, and robust side impact protection built into the doors.

Front, side and curtain airbags, energy-absorbing seats, and seatbelt pre-tensioners, as well as innovative features like the de-coupling brake pedal, help provide increased protection.

JAGUAR was also the first to introduce disk brakes into motorsport. Today S-TYPE's Anti-lock Braking Systems (ABS) are again at the forefront of car technology, with Electronic Brake Distribution (EBD) that automatically helps balance brake pressure across the wheels, according to speed and load, for the best possible control and stability.

Emergency Brake Assist (EBA) detects the speed at which the brake pedal is pressed and applies maximum pedal pressure if needed, for the most effective braking possible.

The S-TYPE interior blends
JAGUAR craftsmanship and
with the latest in *contemporary*

all the strengths of traditional renowned attention to detail, *design.*

The choice is yours; fine leather, matched highly polished wooden veneers - or the modern high-tech aluminium interior finish, on facia, centre console and doors.

A wide range of options and accessories, which can be seen at jaguar.com.au, enable you to personalise your S-TYPE to match your individuality.

Relax in the luxury of redesigned Classic leather seats, on LE and LUXURY models, available with optional distinctive Satin Mahogany veneer.

The High Luxury Pack is the pinnacle of S-TYPE luxury. The Burr Walnut facia and door trims are hand polished and matched. The softgrain leather upholstery, the luxury floor mats, cupholders for those in the rear seats, front two-stage heated seats, and chromed headrest bezels, surround you with elegance. Ivory softgrain seats with Charcoal piping and a Charcoal upper facia are now available as an additional combination on the High Luxury Pack.

Plus, of course, there is a wide range of unique official accessories for S-TYPE, designed specifically to further enhance the individuality of your JAGUAR. A range of stylish and striking accessories, as well as premium in-car entertainment and alloy wheels can be found in greater detail at jaguar.com.au.

Interior theme: S-TYPE R Two-Tone, Dove and Warm Charcoal with Aluminium veneer

Interior theme: S-TYPE LE in Ivory and Warm Charcoal with Satin Mahogany Veneer

Interior theme: S-TYPE High Luxury Pack, Ivory and Mocha with Burr Walnut veneer

Intuitive Technology. Sophisticated, *yet simple.*

In the S-TYPE, the JAGUAR blend of luxury and thoughtful use of technology is immediately obvious, JAGUAR'S discrete application of innovation, the unique interior, create an individual blend of sporting luxury

STEERING WHEEL

The ergonomically designed multi-function steering wheel power-adjusts for reach and tilt, allowing the hands to fall precisely for instant, effortless, management of cruise control, audio, Bluetooth® Telephone Connectivity and options like JaguarVoice®.

HEADLAMPS AND PARKING AID

High-intensity, blue-white Xenon headlamps feature automatic levelling and headlamp washers (standard on the S-TYPE 4.2 Luxury and R) for improved night-time driving and greater confidence. Front and Rear Park Distance Control, which uses ultrasonic sensors to alert you to the proximity of obstacles when parking, is standard on all models except 3.0 LE.

7 INCH SCREEN

The state-of-the-art 7 inch Touch screen gives you fingertip audio and climate control, as well as simple, instant access to the navigation system using the very latest thin film transistor screen and LCD technology.

SEATS

Pull up your favourite leather armchair. The memory function ensures it is always in exactly the right position every time for greater driving control, with in built heating.

Key options

The comprehensive JAGUAR Options range ensures your S-TYPE is just the way you want it. Enhancing, complementing your car to suit your unique lifestyle. **ADAPTIVE CRUISE CONTROL** (ACC) uses radar technology to detect slower moving traffic on the road ahead. The system is designed to slow the S-TYPE to maintain a pre selected gap from the vehicle in front. When the slower vehicle no longer obstructs your path the S-TYPE will accelerate to your chosen speed. **XENON HEADLAMPS** Providing increased light output on both dipped and main beam for maximum night driving confidence. **PREMIUM SOUND SYSTEM** Optimised for your JAGUAR S-TYPE. The luxury of in-car sound with the quality of your own home system. **HIGH LUXURY PACK** Sumptuous, exclusive, with the finest softgrain premium leather, elegant piping and rich, traditional Burr Walnut veneer.

Accessories

Each JAGUAR Accessory has been individually created to enhance further the sense of occasion that is the S-TYPE ownership experience. From towing and carrying solutions, to sporty styling pack - to meet any requirement, perfectly.

AUDIO CONNECTIVITY MODULE Allows you to listen to your favourite music from your mp3 player or Apple iPod® through your vehicle’s audio system.

REAR SCREEN CONNECTIVITY Allows connection of MP4, iPod Gen 5 or portable DVD devices to be played through the infra red headphones and 2 x 5.8" LCD screens located in the driver and passenger headrests.

EXTERIOR STYLING PACK

A bespoke range of stylish and striking accessories including front valance, mesh grilles, side sills, rear valance, exhaust tail pipe trims, boot lid spoiler and unique 18 inch alloy wheels.

BIKE CARRIER & SKI CARRIER Quick, convenient way of making your leisure activities even easier.

CAR COVER Giving superb protection from showers, frost and dust. Hot Climate and All Weather covers available.

ROOF BOX Ideal for soft luggage with a capacity of 450 LITRES.

TOW BAR With detachable ball hitch, has been designed, engineered and tested specifically to match the S-TYPE for maximum safety and durability.

VALET KITS Approved by JAGUAR, this comprehensive range of car care products has been thoroughly tested to ensure complete compatibility with your S-TYPE’s paintwork and interior trim.

PREMIUM CARPET MATS Tailored carpet sets, available in a choice of colours, to keep your interior carpets looking like new.

LUGGAGE COMPARTMENT LINERS Ideal for golf bags and other equipment, the easy-to-clean liner is designed to exactly match the luggage compartment.

GLOSSARY

CATS (Computer Active Technology Suspension) – co-ordinates the best possible balance between ride and handling by analysing road conditions and making up to 3,000 adjustments every second to the suspension settings via electronically controlled dampers.
Dynamic Stability Control (DSC) – intervenes in demanding driving situations by applying braking to individual wheels and reducing engine torque.
Classic interior theme - Colour keyed upper facia and upper front door panels, Bronze Stained Sapele veneer on facia and door panels, wooden gear knob.
Classic seats with leather seat facings (10/8 way) - Driver's electric adjustment including fore/aft, height, cushion tilt, recline, lumbar support and passenger's electric adjustment including fore/aft, height, recline and lumbar support.
Cruise Control - with multi-function steering wheel controls for audio system and Bluetooth® telephone connectivity.
R interior theme - Warm Charcoal upper facia and upper front door panels, Aluminium facia and door panel inserts, R leather steering wheel, R leather with chrome sides gear knob.
R seats with leather seat facings (16/12 way) - Driver's electric adjustment including fore/aft, height, cushion tilt, recline, lumbar support, cushion length and passenger's electric adjustment including fore/aft, height, cushion tilt, recline and lumbar support.
Navigation system - With DVD mapping and a 7 inch Touch screen controls for postcode entry, audio, automatic climate control and Bluetooth® telephone connectivity.
Jaguar Sound System - With radio featuring EON, RDS, PTY, TA and single slot CD player with automatic volume control and 4 speakers.
Jaguar Premium Sound System - With radio featuring EON, RDS, PTY, TA, DSP and single slot CD player with automatic volume control, power amplifier and 10 speakers.

Bluetooth® telephone connectivity – a Bluetooth® equipped Jaguar, enables hands-free use of your mobile phone at any time when the phone is in the car. Bluetooth® is compatible with a selected range of mobile phones from a number of different manufacturers.
(The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Jaguar Cars Limited is under license.)
High Luxury Pack - High Luxury softgrain leather pack, centre console, door panels, 16/12 way heated seats with driver's electric adjustment including fore/aft, height, cushion tilt, recline, lumbar support, cushion length and passenger's electric adjustment including fore/aft, height, cushion tilt, recline and lumbar support; memory function; Walnut veneer pack including facia, door panel inserts, centre and overhead consoles; Wood and leather steering wheel and wooden gear knob; Premium carpet mats and rear cup holders.
Sport Pack - Warm Charcoal or Granite upper facia and upper front door panels, sport perforated seats (10/8 way) with leather seat facings, driver's electric adjustment including recline and lumbar support, Aluminium facia and door panel inserts, sport perforated leather steering wheel, leather gear knob (manual), sport leather with chrome sides gear knob (automatic), body colour bumper blades and grille surround, satin black window surrounds and sports suspension.
Winter Pack - Headlamp washers, heated front windscreen and heated front seats.
Xenon Winter Pack - Headlamp washers, heated front windscreen, heated front seats and Xenon headlamps with automatic levelling.

THE JAGUAR ACCESSORY RANGE

Enabling you to personalise your car, to create a driving experience that is even more individually rewarding. All JAGUAR accessories are tested rigorously for safety and durability in the most arduous of climates and conditions. A comprehensive range of styling options, interior and exterior accessories, enabling you to tailor your S-TYPE to suit your personal style.

BECAUSE ONLY THE BEST WILL DO

An official JAGUAR dealer can ensure that JAGUAR trained, specialist technicians, with access to the full range of JAGUAR approved parts and tools, will always be on hand to guarantee that every fitting, or repair, is carried out exactly the way JAGUAR intended. Your JAGUAR dealer can also supply and fit JAGUAR approved accessories to personalise and add to the practicality and style of your S-TYPE model.

JAGUAR ROADSIDE ASSISTANCE

All JAGUAR vehicles purchased in Australia benefit from complimentary JAGUAR Roadside Assistance service for the length of the new car warranty. This covers you Australia - wide 24 hours per day, every day.

WARRANTY

3 year/100,000 kilometre warranty together with a 3 year unlimited kilometre Paint Surface Warranty and 6 year unlimited kilometre Corrosion (Perforation) Warranty.

JAGUAR MAGAZINE

From travel to fashion, chic to champagne, JAGUAR magazine is an owner's publication like no other. JAGUAR articles touch on everything from exclusive holiday destinations to fine wines, art to architecture. As well as features and interviews bringing all the latest news from the world of S-TYPE and JAGUAR.

JAGUAR.COM.AU

Dedicated to you and your S-TYPE, the interactive jaguar.com web site features helpful tools such as the dealer locator, model specifications - allowing you to see the car tailored to your specification and colour - and price lists; the latest information on all the JAGUAR models and a fascinating look into the passion and legacy that infuse the JAGUAR name.

JAGUAR FINANCIAL SERVICES

Whether your requirements are business or personal, JAGUAR Financial Services offers maximum choice and flexibility with a wide range of financial and insurance plans tailored to your needs.

PRICE AND SPECIFICATION

All prices are Recommended Retail Prices. Excluding dealer delivery charges which may vary from dealer to dealer, stamp duty which varies from state to state, registration and compulsory third party insurance costs. This is a manufacturer's brochure. New vehicles must be purchased from dealers. Prices and specification are subject to change without notice.

IMPORTANT NOTICE

Jaguar Cars Limited is constantly seeking ways to improve the specification, design and production of its vehicles and alterations take place continually. Whilst every effort is made to produce up-to-date literature, this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Distributors and dealers are not agents of Jaguar Cars Limited by any express or implied undertaking or representation.

Illustrations in this brochure may include optional extras.

ENVIRONMENTAL NOTICE

Jaguar Cars Limited has a vision of being amongst the world's leading companies in demonstrating progress towards sustainability. We aim to do this by contributing to a better quality of life for communities affected by the design, manufacture, use and disposal of Jaguar cars. We believe that playing a supportive role in the communities in which we operate is a privilege, not an obligation. Corporate citizenship goes to the very heart of our company. It is Jaguar's policy continually to improve its high environmental standards in all areas of business activity. This brochure is produced using virgin wood fibre from sawmill residues, forest thinnings and sustainable forests. Pulps used are Elemental Chlorine Free.
