

LEXUS GS300

AT A GLANCE

uxury takes to the fast lane.

The Lexus GS300 is a truly remarkable example of state-of-the-art automotive technology. It is a car for those with an appreciation of refinement and elegance, but who also want the thrill of taking to the open road and feeling the surge of its more-than-ample power. Indeed, the GS300 is proof that you can have both power and luxury, without compromise.

The lines and contours of the body flow uninterrupted and with such aerodynamic precision that the drag coefficient is a mere 0.29.

The GS300 slides through the air with reassuring stability, while the occupants enjoy the luxury and harmony of an incredibly quiet cabin.

PERFORMANCE AND ECONOMY

24 valve Twin Cam EFI 3 litre all alloy in line 6 cylinder engine.
Computer optimised, continuously Variable Valve Timing with intelligence (VVTi).
Electronic Throttle Control System with intelligence (ETCSi).
Electronically controlled 5 speed automatic transmission with Super Flow torque converter and gate type gear shift pattern.
Aerodynamically efficient body.
Ram air induction.
Rear bootlid spoiler with integrated high mounted stoplamp (optional).
Chrome tipped free flow dual tailpipes.
High rigidity computer developed body structure.

SAFETY - Active

4 wheel fully independent double wishbone suspension.
Hydraulically boosted Anti-Skid Braking system with Australian developed gravel road strategy (ABS).
Third generation Traction Control System (TRC).
Switchable Vehicle Sverve Control (VSC).
Foot operated park brake.
High Intensity Discharge (HID) headlamps with dynamic auto levelling and retractable high pressure jet washers system.
Road speed sensitive power assisted rack and pinion steering.
'V' speed rated (up to 240 km/h) high performance tyres.
Front and rear fog lamps.
Centre high mount stop lamp.
Ultra Violet and Infrared resistant tinted side and rear windows.
Laminated front windscreen with top shade.
Heated rear window and exterior rear view mirrors.
Semi-concealed variable intermittent wipers with mist function.

Convex designed wide view left hand exterior mirror.
Automatic dipping electrochromatic interior and exterior mirrors.
Sliding type sunvisors.
Automatic Transmission shift lock with override.
Sunvisor above rear view mirror.
Child restraint anchorage points.

SAFETY - Passive

Driver's and front passenger's frontal and side airbags Supplementary Restraint Systems (SRS).
Rear centre lap/sash seatbelt.
Electronic front seatbelt pretensioners with force limiters.
Front and rear progressive action crumple zones.
Reinforced protective passenger safety cell.
Anti-jam/anti-burst door locks.
Side door anti-intrusion beams.
3 point Automatic Locking Retractor rear seatbelts (ALR) for secure mounting of child seats.
Soft interior finish to the dash, pillars and ceiling.
Rear centre headrest.
Adjustable front upper seatbelt anchorages.
Boot mounted First Aid Kit.

SECURITY

Anti-theft audio system.
Laser milled security key.
Key lock-in prevention system.
Valet disable switch for power boot release function.
Keyless remote entry with remote boot-release, panic alarm and windows-down function.
Anti-theft system with alarm and engine immobiliser.

SEATING

10 way power adjustable driver's seat with 2 position memory and seat back pockets.

10 way power adjustable passenger's seat with seat back pockets.
Front and rear headrests with manual height and angle adjust.

POWER

Power windows with auto up/down on driver's door with anti-jam function plus 45 second key-off delay operation for all windows and driver's key lock activation for raising/lowering all windows.
One touch open power moonroof with slide and tilt functions and wind deflector (optional).
Remote electrically adjustable heated exterior mirrors with electrochromatic automatic dipping in conjunction with interior mirrors.

AUDIO

Electronically tuned AM/FM radio cassette with full function LCD display.
6 AM and 12 FM radio station memory presets.
AM monaural switch.
Compact Disc player with 6 stack multi-changer located in glove box.
7 audio speakers including front full range, front tweeters, rear full range and rear sub-woofer.
Self-trimming power telescopic antenna.

MATERIALS AND FINISHINGS

Full leather seat upholstery with matching door inserts.
Leather bound steering wheel.
Wood and leather combination gear knob.
Satin finish wood panelling on console and doors.
17" aluminium alloy wheels (polished alloy optional).
Chromed interior door handles, vent controls and window sills.

COMFORT AND CONVENIENCE

Auto headlamps/parking lamps turn on/off.
Electronic Cruise Control with resume and coast functions.
Power tilt and telescopic steering column with auto tilt away.
Rear centre arm rest with cup holders.
Front centre mounted cup holders.
Sunvisor mounted illuminated driver and passenger vanity mirrors with covers.
Full function programmable body computer.
Front hydraulically cued ashtray with built-in cigar lighter.
Ignition illumination .
Rear door mounted ashtrays.
Centre console mounted digital clock.
Roof mounted console incorporating door light, driver's and passenger's map reading light and sunglasses holder.
Front centre console mounted armrest with 2 level storage compartment.

HEATING AND VENTILATION

Automatic climate controlled air conditioning with easy service pollen filter and separate driver's and passenger's temperature controls.
Rear seat passenger controlled rear ventilation ducts.
Computer controlled automatic air selection system with pollution sensors.
External ambient temperature gauge.

INSTRUMENTATION

3 'eye' cluster instrument panel
Silhouette meters with automatic light control.
Electronic odometer and twin-trip meter.
Transmission lever position indicator.
Washer fluid level warning light.
Park brake on and headlights on warning lights.
Activation of Traction Control, ABS and Vehicle Swerve Control warning lights.

The revolutionary VSC (Vehicle Swerve Control) assists the driver in emergency conditions by helping to maintain vehicle control.

The small diameter, 3-spoke sports-style steering wheel enhances the feeling of sure control, while the leather cover ensures excellent grip.

The modern, streamlined design of the new GS300 is complemented by an optional sporty rear spoiler.
