MAHINDRA XUV500

SAFETY FEATURES

The Stylish New XUV500 is fitted with an alarm and electronic immobiliser to ensure it stays with you. It also comes with a passive keyless entry and locking system so you don't have to fumble with your keys in unfriendly places.

Advanced technology ensures your safety, with six airbags - front, thorax and curtain. Side impact beams and crumple zones have been designed to absorb impact and redirect crash energy around the passenger compartment.

Anti-lock braking system (ABS) with Electronic Brake force Distribution (EBD) will bring you safely to a stop in an emergency. Electronic Stability Program (ESP) with rollover mitigation will keep your wheels on the ground. Hill Hold Control (HHC) and Hill Decent Control (HDC) to help you conquer those difficult terrains
