Drive your Ambition

EXPRESS

BUILT TO DELIVER.

The legendary Mitsubishi Express is back. Renowned for reliability, the new Express van is built to deliver day after day to keep your business running smoothly.

A choice of short wheelbase (SWB) or the extra cargo area of a long wheelbase (LWB) means Express is perfectly suited to your business needs. The 1.6L twin turbo diesel or 2.0L single turbo diesel engines deliver efficient capability to carry those everyday loads, again and again. Exterior highlights of Express SWB and LWB include Daytime Running Lights (DRL), front and rear bumpers with integrated rear step bumper design, and a sleek distinctive front design.

EXPRESS

SHORT WHEELBASE

The functional size of the Express short wheelbase allows up to 5.2m³ cargo capacity, while still allowing you to navigate tight parking and load spaces that a larger vehicle can't. Floor to ceiling door access on both sides and at the rear, coupled with a low, flat floor enables flexible and efficient use of the cargo space.

Available in 6-speed manual or 6-speed dual clutch automatic transmission, Express short wheelbase is powered by a 1.6L twin turbo diesel or 2.0L turbo diesel engine and has standard features including, Daytime Running Lights (DRL), Rear Parking Sensors, Electronic Stability Control, heated side mirrors with electric adjustment, single zone air conditioning and cruise control.

EXPRESS

LONG WHEELBASE

If you need to carry extra long items or just need more space, the Express long wheelbase with up to 6.0m³ cargo capacity can provide increased load flexibility for your needs. Available in 6-speed manual or 6-speed dual clutch automatic transmission powered by a 1.6L twin turbo or 2.0L turbo diesel engine, it effortlessly delivers performance and comfort day after day.

Automatic models across the range offer additional features including front fog lights, Rear View Camera with Rear Parking Sensors, Automatic Dusk Sensing Headlights and Automatic Rain Sensing Wipers.

YOUR MOBILE OFFICE.

The Express van' driver cockpit is a flexible and comfortable space, with an intuitive dashboard design plus all the technology and storage space you need right at your fingertips.

A generous cargo area doesn't mean you compromise on comfort and space. In fact, the Express offers ample room up front with a dual passenger bench seat for up to three passengers (including driver).

Keep your Smartphone charging in the convenient docking station, while you access Bluetooth® DAB+ radio, music streaming and hands-free phone connectivity via the Single DIN head unit. Multiple USB ports ensure smart devices are always charged and your crew is ready to go.

Express 2.0 litre SWB and LWB models feature Mitsubishi's innovative Smartphone link Display Audio (SDA)* providing a true extension of your smartphone via Android Auto™ or Apple CarPlay. Connected to an impressive 7" touchscreen, you can access your phone's compatible apps, make calls, send and receive messages and listen to music from any source including DAB+ radio. Also features integrated Satellite Navigation system to ensure you make that next appointment with ease.

CLEVER FOR CARGO.

The Express van provides flexibility and efficient loading and unloading options to suit your operational needs. Rear twin barn doors have an 85-degree and 160-degree stop and can accept a pallet directly from a forklift while GLX+ LWB is also available with convenient lift-up rear tailgate. Left and right side sliding doors provide easy access from the street or footpath.

Multiple tie down anchors help keep your items secure at all times, and extra long length cargo can slide under the passenger bench seat into the passenger footwell. Total payload ranges from 1115-1200 kg across the Express range, with up to 2000kg braked towing capacity and a 200kg roof load limit.

Power and Efficiency

Both SWB and LWB models offer the choice of two engine variants. The highly efficient 1.6L twin turbo Diesel engine provides 103kW of power and 340Nm of torque, utilising a 6-speed manual transmission.

The 2.0L single turbo diesel engine offers impressive performance with 125kW of power and 380Nm of torque. This is delivered via a 6-speed dual clutch automatic transmission, providing fast, smooth gear shifting and ensuring the most efficient use of power and torque.

Both engines provide a perfect balance in terms of performance and fuel efficiency.

Protect your people. Protect your business.

Workplace safety is paramount and the Express van delivers it with active and passive safety features that provide greater driver control.

Electronic Stability Control (ESC)

Mitsubishi's Electronic Stability Control is a sophisticated driver aid that senses loss of traction and then applies the brakes and/or reduces power to the wheels to keep your Express van on track.

Hill Start Assist (HSA)

Steep city streets or congested shopping mall ramps are no longer a problem with Mitsubishi's Hill Start Assist technology. It prevents the car from rolling backwards by maintaining braking force to give you time to move your foot from brake to accelerator.

Electronic Brakeforce Distribution (EBD)

Mitsubishi's Electronic Brakeforce Distribution works hand-in-hand with the Anti-lock Braking Systems control unit to assess load and distribute braking force between the front and rear wheels. When you have a load in the rear, the system distributes more braking force to the rear wheels to improve stability under high brake loads, and shorten the stopping distance when compared to fixed brake distribution.

Rear Parking Sensors and Camera

Mitsubishi's Rear View Camera[#] and Parking Sensors assist when maneuvering in tight spots. Sensors detect and warn you if you're getting too close to objects behind you when reversing.

Rain Sensing Wipers[#]

Mitsubishi's Rain Sensing Wipers activate automatically when moisture is detected on the windscreen, allowing you to keep your hands on the wheel and your focus on the road ahead.

Dusk Sensing Headlights[#]

Mitsubishi's Dusk Sensing Headlights automatically illuminate in fading light or when travelling through a tunnel, allowing you to keep your hands on the wheel and your focus on the road ahead.

[#]Please drive safely and never rely solely on these systems while driving. Drivers are fully responsible for their own safe driving. [#]Automatic models only.

- Automatic Dusk Sensing Headlights

GLX+ LWB AUTOMATIC

INCLUDES ALL GLX LWB AUTOMATIC PLUS:

- Bulkhead With Window & Trapdoor To Accomodate Long Items
- Plastic Interior Side Wall Panels
- Passenger Bench With Tablet On Foldable Backrest
- Passenger Underbench Seat Storage

GLX+ LWB AUTOMATIC LIFT UP TAILGATE

INCLUDES ALL GLX+ LWB AUTOMATIC PLUS:

- Lift Up Rear Tailgate With Handle
- Rear Tailgate Window Wiper
- Rear Window Demister

BETTER-FOR-BUSINESS ACCESSORIES

Make your Express truly fit your business needs with a range of Genuine Accessories. Mitsubishi Genuine Accessories go through an extensive program of design, development and stringent testing to ensure they meet all applicable government standards as well as Mitsubishi's own rigorous engineering specifications and performance targets. Using Mitsubishi Genuine Accessories will ensure you get the best quality accessories that are both as durable and reliable as the Mitsubishi you drive. If it's not genuine, don't risk it.

Some accessories are not offered by Mitsubishi on certain models as they interfere with vehicle safety sensors. GENUINE ACCESSORY WARRANTY Mitsubishi Motors Australia Limited warrants that Genuine Accessories will be free from defects in material under conditions of normal use and service within Australia. When Genuine Accessories are fitted prior to the owner taking delivery of the vehicle, Genuine Accessories are covered by a 36 months or 100,000km Warranty. When Genuine Accessories are fitted after the owner has taken delivery of the new vehicle, Genuine Accessories are warranted for whichever is the greater of the following - The balance of 36 months or 100,000km (whichever occurs first) from date of vehicle delivery; or - 12 months or 20,000km (whichever occurs first) from date of fitment. Pictures shown for illustration purpose and may not be product specific. Please check with your Mitsubishi dealer for specific model application.

ADVANTAGE

WHEN ALL SCHEDULED SERVICES ARE COMPLETED AT A MITSUBISHI DEALERSHIP

All Mitsubishi Motors vehicles come with the Mitsubishi Diamond Advantage[#] – 10 Years Warranty* and 10 Years Capped Price Servicing[^] and Roadside Assistance so that no matter where the road takes you, we will be there with you. Ask your Dealer or visit mitsubishi-motors.com.au to find out more.

[#]Conditions apply. Excludes Government, Rental and National Business customers. See Mitsubishi-motors.com.au for further details. *10 Year/200,000km New Car Warranty (whichever occurs first and when all scheduled services are completed at a Mitsubishi Dealership). [^]10 Year/150,000km Capped Price Servicing (whichever occurs first). Includes the first 10 regular services (at 15,000km/12 month scheduled intervals). Some items excluded or subject to separate warranty. Any non-regular service/repair items are at an additional cost. Servicing must be completed by a Mitsubishi Dealer within 7,500kms or 6 months of the service due date. Valid from date of vehicle registration. Always consult your authorised Mitsubishi Dealer for the latest details, options, availability and conditions on New Vehicle warranty. All product illustration and specifications referred to herein are believed to be correct at the time of publication approval. Subject to any applicable Federal, State or Territory Laws or ordinances, which may apply from time to time. Mitsubishi Motors Australia Limited reserves the right, without notice, or obligation, to discontinue or make changes to designs, specifications, colours and material of the options and products referred herein at any time without incurring any liability to any purchase thereof.
