POWERFUL
CLEVER

THE NISSAN NAVARA

Nissan have a long history of building strong, dependable pickups. With each new model the boundaries of innovation have been pushed, providing you with everything you need to get the job done. And now it's time to experience the next generation Navara. It combines a tough, working pedigree, with premium ride comfort, smart technologies, and sleek, modern styling. All of which means you can step from a day on the job to weekend activities without missing a beat. The Nissan Navara. Powerful made clever.

ST-X Dual Cab model shown.

THE PICKUP YOU CAN TRUST, RIGHT DOWN TO ITS CORE

Don't let the sleek exterior of the Nissan Navara fool you. Underneath, it's as tough as they come. Its full-length, fully boxed ladder frame provides solidity and strength you can rely on. With generous ground clearance; approach and departure angles plus a lateral tilt angle of up to 50 degrees, you'll have the confidence to tackle any challenge. And thanks to the steel double-wishbone front suspension and underslung rigid 5-link rear suspension*, you're sure to experience a smooth and comfortable ride on the road, and off it.

**ANGLE OF
APPROACH**
32.4 Degrees*

**ANGLE OF
DEPARTURE**
26.7 Degrees*

**GROUND
CLEARANCE**
228 MM*
(rear axle)

FULLY BOXED. FULLY CAPABLE.

Enclosed on all four sides, the fully boxed ladder frame is reinforced in strategic areas with high-tensile strength steel for improved structural rigidity. Stronger than conventional steel, it provides increased torsional stiffness, offering a marked improvement over traditional steel C-section frames. All of which ensures it performs impressively in the toughest driving conditions. In addition, all cross members are welded, not riveted, which helps resist flexing and increases durability. This sturdy frame underpins the entire drive line, ensuring the Nissan Navara stays on track no matter what the conditions.

*Only available on Dual Cab Pickup variants.
*Figures based off unladen ST-X 4x4 with no accessories fitted.

CLIMB, CRAWL AND POWER YOUR WAY THROUGH

Seems like every adventure comes with its own special gear. In the Nissan Navara you're equipped to keep on going, no matter the conditions.

Shift-on-the-fly 4 Wheel-Drive

The Nissan Navara's 4WD system is electronically controlled via an easy to reach rotary switch on the dash. At your command is the shift-on-the-fly 4WD system that switches between 2WD and high range 4WD (4H) with the twist of a dial at speeds of up to 100 km/h. The vehicle must not be reversing or turning when 4WD is engaged. You can also select low range 4WD (4LO) for mud or sandy terrain. Switching from 4H to 4LO must be done when stationary and whilst in 4LO, speeds should not exceed 50km/h.

Only available on 4WD models.

4-Wheel Active Brake Limited Slip (ABLS)

Active Brake Limited Slip (ABLS) individually controls each of the four wheels to optimise traction in challenging conditions. ABLS is designed to simulate the advantages a limited slip differential provides. The biggest advantage of ABLS is that it works on all four wheels, not just the two primary drive wheels.

Only available on 4WD models.

Electronic Locking Rear Differential

When 4WD isn't enough, push the button to activate the electronic locking rear differential, which delivers equal power to both rear wheels to boost traction and help keep you moving forward.

Available on ST 4WD and ST-X 4WD models.

Hill Start Assist and Hill Descent Control

Tackling hilly terrain? Now you can do it with more confidence and control. Hill Start Assist can help keep you from rolling backwards when you're accelerating up a hill from a stop. And Hill Descent Control helps you maintain steady speed and braking, so you get down a steep grade more safely.

Only available on ST-X 4WD model.

ST-X Dual Cab model shown.

SHOW YOUR FINESSE THROUGH EVERY TURN

What if the most rugged ute off-road could ride as smoothly as many sedans do on the highway? Load up tools, your family or grab a few mates and find out. Experience the smooth and comfortable ride that comes with the 5-link rear suspension found in the Dual Cab pickup. It's as capable off-road as it is smooth on the paved ones. So go ahead and detour with confidence.

ST-X Dual Cab model shown.

DEVOURS ROADS, SIPS FUEL

The sign of a truly modern ute? One that shows how power, acceleration and fuel efficiency cannot just coexist, but thrive. The Nissan Navara offers three engines that do just that, thanks to advanced technology that helps squeeze the most performance out of every drop of fuel. ST and ST-X variants are powered by an advanced twin-turbo diesel engine, with a small turbo to get you moving and a larger one to keep you going strong.

		TWIN TURBO [*] DIESEL ENGINE • 140kW OF POWER • 450Nm OF TORQUE	SINGLE TURBO [*] DIESEL ENGINE • 120kW OF POWER • 403Nm OF TORQUE	PETROL ENGINE 2.5L [*] • 122kW OF POWER • 238Nm OF TORQUE

Actual fuel consumption depends on factors such as traffic conditions, vehicle condition, how you drive and any accessories fitted.

TOWS ANYTHING, ANYWHERE

Of course the boat can come along. Because capable towing is engineered right into the Nissan Navara, starting with its full-length, fully boxed ladder frame. Add to that heavy-duty components, including braking and cooling systems, plus plenty of power and low-end torque, and you're ready to pull some serious weight. Up to 3,500kg braked towing capacity* for all diesel variants. The Nissan Navara is ready for almost any job you can think of.

*Towing capacity is subject to towbar/towball capacity. The capacity may be reduced if a non-genuine Nissan towbar is fitted.

DUAL CAB

WEIGH UP YOUR OPTIONS

With a range of cabin and body configurations, the Nissan Navara can meet the needs of any business. Whatever vehicle you choose, you're sure to find one that suits both your work and play requirements.

DX Single Cab cab-chassis shown with optional Nissan Genuine aluminium tray, ST-X King Cab pickup shown and ST-X Dual Cab pickup shown.

LOAD IT UP

The ample tray in the Nissan Navara gives you loads of carrying options to carry absolutely anything and everything for work and play. All Dual and King Cab pickup models feature a long, deep and wide rear cargo bed, giving you a huge and versatile load space. The ST-X Dual and King Cab model features an ingenious 2 Channel Utili-track™ system to make loading faster and easier. This system includes two channels and four heavy-duty forged aluminum cleats that lock anywhere along the channel so you're ready to roll with even the trickiest load firmly secured.

ST-X Dual Cab model shown.

The image shows the interior of a Nissan Navara, a dual-cab pickup truck. The view is from the passenger side looking towards the driver's seat. The front seats are black leather with horizontal stitching. The dashboard and center console are also visible. The windows show a city skyline at night with many lights. The interior is well-lit, highlighting the leather seats and the dashboard.

RIDE FIRST CLASS EVERY DAY

Even in the toughest conditions, the Nissan Navara delivers luxurious interior comfort. Every seat is spacious and comfortable. In the front, the fatigue-reducing all day comfort seats create a neutral posture that improves blood flow to make long rides considerably more pleasant. In the back, passengers will enjoy plenty of legroom plus their own air conditioning. And if you'd rather opt for a little fresh air, there's the press button sunroof* and a rear power sliding window.†

*Available as an option on ST-X Dual Cab model only. †Not available in DX model and Single Cab variants. ST-X Dual Cab 4x4 manual with optional sunroof model shown.

SMART TECH YOU NEED

Nissan Intelligent Key® with remote keyless entry* allows you to lock and unlock the doors without taking the key out of your pocket. Once you're inside the Nissan Navara, you can take control of your environment with a few smooth moves - everything just seems to be in exactly the right spot.

Smart technologies such as: Satellite Navigation[#], Bluetooth® Audio Streaming, Reversing Camera[†] and Advanced Drive-Assist™ Display[†] work seamlessly to put you in full control. And a cleverly designed, flexible interior with loads of storage makes it easy for both work and play.

SATELLITE NAVIGATION.[#]
3D mapping on a 7" integrated colour display touch screen keeps you on track whether it's for work or play.

REVERSING CAMERA.[†]
Reversing Camera helps you avoid any hard to see obstacles.

*Available on ST-X models only.
†Available on ST Dual Cab and ST-X models only.
†Available on SL, ST and ST-X models only. Reversing Camera is a driver assistance device only and should not be used as a substitute for safe driving practices. Always check surroundings before moving your vehicle.

STORE IT. HIDE IT. LOCK IT. LOVE IT.

A thoughtfully designed, flexible interior with lots of storage is as important for work as it is for play.

STORAGE.
Oversized pockets located in the driver and passenger doors offer ample, easy-to-access storage.

Cup and bottle holders have your water bottle always in reach.

NISSAN ADVANCED DRIVE-ASSIST DISPLAY

INNOVATION THAT'S RIGHT
IN FRONT OF YOU

With so much going on around you, it's crucial you keep sight of what's important. The Navara Advanced Drive-Assist Display* (ADAD) serves up all the driving information you need in one place. From fuel economy to song tracks and turn-by-turn navigation*, the intuitive 3D depth and tilt design lets you take it all in at a glance. Which helps you spend more time with your eyes where they belong - on the road.

*Available on SL, ST and ST-X models only. *Available on ST Dual Cab and ST-X models only.

NissanConnect **YOUR WORLD, SERVED UP**

With NissanConnect™, your Nissan Navara becomes your smartphone's best friend. Which means no more separation anxiety for you. Because now, your own hand-picked music, Facebook, Pandora, and more all come along for the ride, working seamlessly together through your smartphone and the 7-inch* colour touch-screen on your dash. Your Nissan Navara also keeps you in the loop with the Nissan Navigation System*, Bluetooth® handsfree calling plus Bluetooth® audio streaming, an iPod/USB input and a lot more.

Pandora® radio capability: Looking for something new? Explore the latest tunes using Pandora® radio capability. Connect your Pandora®-equipped smartphone through the audio system to listen to Pandora® free internet radio and use the 'thumbs up' or 'thumbs down' icons to rate songs.

Online search* - powered by Google®. Based on the latest information, Google® Online Search helps you pinpoint your desired destination, even if you don't know the name or category - so you can find that new restaurant or brilliant beach in a snap.

Facebook® Launch the Facebook® app and your Nissan Navara has room for more than 200 friends - stay connected.

*Only on SL, ST and ST-X, features vary by grade. *Available on ST Dual Cab and ST-X models only. Driving is serious business. Only use NissanConnect™ services when safe to do so and in accordance with local Road Rules. Never program while driving. Use of NissanConnect™ services is subject to agreeing to a Subscription Agreement containing important restrictions, terms and conditions (see nissan.com.au/nissanconnect for details). Complimentary 36 month subscription starts on vehicle registration date, subsequently a paid subscription is required at the then current rate. Standard data usage charges apply. Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone owner's manual for details. Google® is a registered trademark of Google Inc. Pandora® is a registered trademark of Pandora Media Inc.

NISSAN SAFETY SHIELD® PHILOSOPHY

SURROUND YOURSELF WITH CONFIDENCE

Wouldn't it be smart if you had all the confidence you need for every part of your drive? Nissan Safety Shield technologies are a comprehensive approach to safety that guide the engineering and development of every vehicle we make. They keep an eye on your vehicle's systems and the surroundings, assist in handling unexpected situations and work to help keep you safe in the unfortunate event of an accident. It's our way of looking out for you.

MONITOR

Smart technologies are designed to help monitor conditions. The reversing camera* and rear sensors* help you notice what's directly behind the vehicle – or what you might have missed – for added peace of mind.

RECOVER

Whether you need to hit the brakes hard or manoeuvre around an unexpected obstacle, standard technologies help you respond to a potentially harmful situation.

PROTECT

Nissan's Zone Body Concept helps absorb the impact and protect the passenger compartment during a collision. It features a high-intensity cabin structure with crossmembers and reinforcements, front and rear crumple zones, and an energy-absorbing steering column.

With a maximum five-star ANCAP safety rating across the range.

7 STANDARD AIRBAGS

7 Standard Airbags. Two in the front, two side-impact air bags mounted in the front seats, two side-impact curtain air bags mounted in the roof plus the Nissan Navara has an air bag for the driver's knees.

Vehicle Dynamic Control helps you maintain your steered path.

Anti-lock Braking System helps you maintain steering control around obstacles while braking heavily.

Electronic Brakeforce Distribution sends extra force to the rear brakes when you have additional weight of passengers or cargo in the back. Brake Assist helps apply maximum braking force if it detects hard braking and senses you are in an emergency situation.

*Available on SL, ST and ST-X models only. Reversing Camera and sensors are a driver's assistance device only and should not be used as a substitute for safe driving practices. Always check surroundings before moving the vehicle.
^Available on ST-X only.

ST-X Dual Cab 4x4 model shown.

my nissan

A BEAUTY THAT'S STILL A BEAST

ST-X Dual Cab model shown.

KING CAB RULES

If you need flexibility with a more secure storage space, a more generous load area and occasionally carry mates around, you need a Nissan Navara King Cab. You can fold down the back seats for a couple of extra workmates. Or fold them up and carry around heaps more stuff. Plus, keep it all secure behind those wide-opening, easy-access rear doors. For extra flexibility, choose either a pickup or a cab chassis.

SUPERIOR SINGLE CAB COMFORT

The DX Single Cab has the longest tray of all Navara body styles. So you can lug around work gear from Monday to Friday and all your weekend gear as well. It comes with a powerful diesel engine that doesn't give up, and an interior that doesn't withhold any of the comforts of its dual cab cousins.
