MEET THE PROTON S16

It is made for your journey. Elegant design, fuel-saving next-generation engine, and many more innovative features, the S16 is built for the people.

Spacious enough for family trips with a grand 413L boot capacity.

The CamPro now has Integrated Air Fuel Module (IAFM) technology.

The S16's cabin is designed to be quieter and smoother.

Ongoing savings with the economical fuel consumption

The legendary Lotus ride & handling gives you greater control and stability.

Convenient cup holders at every seat, that's right 5 cup holders.
