ŠKODA

ŠKODA OCTAVIA RS 230

Limited Edition

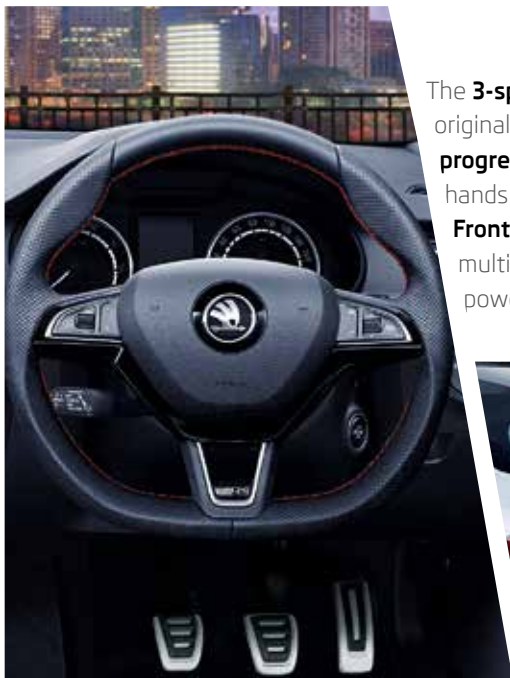

Introducing the new sporty ŠKODA **Octavia RS 230**, with a powerful **169kW turbocharged engine** and offered in manual transmission. Feel the adrenaline zipping down your veins as you unleash **two hundred and thirty horses** at the push of your right foot. It is the first ŠKODA to be fitted with **electronically controlled front axle inter-wheel lock (VAQ)**, allowing you to enjoy the thrills of having power under your complete control.

The striking exterior design is highlighted by its **19" alloy wheels, rear spoiler, door mirrors, front grille and exhaust tailpipe** all in a **black glossy design**. It also offers a stylish interior, featuring **black leather appointed sports seats** and **3-spoke multi-functional sports steering wheel**.

The **3-spoke multifunction sports steering wheel** wrapped in perforated leather with red stitching is adorned with an original **RS plaque**. The exceptional design goes hand in hand with advanced technology, represented by **electromechanical, progressive power steering**. Based on the steering wheel position, the progressive steering reduces the need to move your hands around the wheel when cornering and increases comfort when parking. Furthermore, the **Electronically Controlled Front Axle Inter-wheel Lock (VAQ)** improves traction and reduces the tendency to understeer. The electronically controlled multiplate clutch is located between the differential and the right-hand side powered axle. When needed, 100% of the power can be directed to one front wheel, providing the vehicle with more traction and grip to exit a corner

The **exhaust tailpipe** and **rear spoiler** in a glossy black finish have been specially produced to add to the sporty aesthetics of the Octavia RS 230. The rear sports spoiler also increases the stability of the vehicle at faster speeds.

The decorative **door sill strips** with RS inscription accentuate the sporty character of the car, whilst adding to practicality.

Stainless steel pedals fitted with rubber inserts stop the driver's foot from slipping even in the most complex of driving manoeuvres, yet another stylish addition to the sporty interior.

The colour **multi-function display** also offers a **lap timer** function, which further adds to the feel of a sports drive experience.

The exclusive **19" Xtreme alloy wheels** in a black glossy design further enhance the strong appearance of the Octavia RS 230.

The Octavia RS 230 offers a stylish interior with **black leather appointed seat upholstery**[^], red stitching and decorative trimmings. The electrically-adjustable front seats are equipped with memory function and can store different positions of the seats and exterior side-view mirrors. **The 3-spoke sports multi-functional steering wheel**, wrapped in perforated leather with red stitching and marked with an original RS plaque, enables complete control of the radio and phone.

Hosting one of the best technology offerings in its class, the Octavia RS 230 comes standard with **Adaptive Cruise Control**⁺, **8" touchscreen Columbus Satellite Navigation** including **SmartLink**^{*} smartphone connectivity and **Dual-Zone Climatronic Air-Conditioning**.

Model	OCTAVIA RS 230- 2.0 TSI/169 kW (Sedan & Wagon)
Engine type	Turbocharged petrol engine, in-line, liquid cooling system, DOHC, transverse in front
Cylinders/Displacement (cm ³)	4/1984
Max. engine performance/revs (kW at rpm)	169/6200 kw/min
Max. torque/revs (Nm at rpm)	350/1500 - 4600 Nm/min
Fuel quality	98
Air Pollution regulation	EU6
Performance*	
Maximum speed (km/h)	250 km/h (247 km/h)
Acceleration 0-100 km/h	6.7s (6.8s)
Consumption (l/100 Km/h) (ADR 81/02)[~]	
- combined	6.3 l/100 km (6.4 l/ 100 km)
- urban	7.8 l/100 km (7.9 l/100 km)
- extra-urban	5.4 l/100 km (5.5 l/100 km)
Transmission	
Driven wheels	Front Wheel Drive
Clutch	Hydraulic single dry clutch disc with membrane spring, asbestos free
Transmission	Manual 6-speed fully synchronised
Weight	
Tare Mass (kg)	1391 kg (1425 kg)
Max.Roof load (kg)	75 kg
Max. Trailer load w/o brakes (kg)	730 kg (740 kg)
Max. Trailer load with brakes (kg)	1600 kg
Body	
Drag coefficient Cw	0.306 (0.324)

Please note: Information in brackets are relevant to Octavia RS 230 Wagon.

#Please note figures are sourced from overseas data where equipment levels by model variant may vary. ~Fuel consumption figures according to Australian Design Rule (ADR) 81/02 derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted, will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

[^]Leather appointed seat upholstery have a combination of genuine and artificial leather, but are not wholly leather. ^{*}SmartLink is compatible for selected apps with the latest smartphone versions of iOS and Android. ⁺Safety technologies are not a substitute for the drivers responsibility of the vehicle.
