SIMPLY CLEVER

THE ŠKODA SCALA

AMBITION | MONTE CARLO | SIGNATURE

AMBITION

A BRAVE NEW WORLD

The ŠKODA SCALA is a bold step forward for the brand. Its sophisticated shapes create a striking play of light and shadow that blend timeless design with sporty character. Its dynamic silhouette is embraced by a practical spirit that makes the car the perfect partner for every stage of life.

The SCALA range also offers abundant technologies uncommon in the compact hatchback segment. Advanced assistance systems and a new generation of infotainment mean you can stay safe without compromising on fun, on every journey.

That's Simply Clever. That's ŠKODA.

5 YEAR WARRANTY^ UNLIMITED KMS

^Conditions and exclusions apply, see https://www.skoda.com.au/owners/warranty
Your rights under this warranty are provided in addition to, and in some cases overlap with, consumer guarantees under Australian Consumer Law and do not limit or replace them.

STYLE WITH FUNCTIONALITY

The SCALA Ambition brings you a 110TSI engine, the essential tech/safety features and its stylish interior, all at an affordable entry price.

EXTERIOR DESIGN

The sleek exterior look features black window surrounds, privacy glass and full LED rear lights with dynamic indicators, rounded off with 18" VEGA Silver alloy wheels.

INTERIOR FEATURES

The Ambition interior includes a multifunctional leather sports steering wheel and 8" Bolero infotainment system, combined with Ambition Grey upholstery and glossy black hotstamping.

MONTE CARLO

FEELS COSY AND COMFORTABLE

Who said that being sporty rules out staying cosy? The SCALA Monte Carlo features front sports seats, specific red/black upholstery and instrument panel in Monte Carlo design. In the interior you will also find leather features. The multifunctional sports steering wheel comes in perforated leather with distinguished red stitching. The standard equipment also includes black ceiling, pedal covers in alloy design and LED ambient lighting in red.

SCALA Monte Carlo shown with optional Travel Pack, available at extra cost.

LOOKS SPORTY AND SPICY

The dynamic silhouette and sporty spirit of the SCALA fits perfectly with the Monte Carlo design. The black exterior features add more ferocity to the look of the car and underline its sporty charisma.

EXTERIOR STYLE

The Monte Carlo version features a longer roof spoiler in black, panoramic roof and black rear diffuser.

BLACK FRONT AND SIDE

The black front grille frame gives the Monte Carlo version a ferocious expression. The car is also characterised by other black features such as an add-on part on the front bumper, door sill covers and external side-view mirror caps. The 18" VEGA Black alloy wheels come as standard.

SIGNATURE

EXTERIOR DESIGN

Good design agrees with the heart and the head. Like in the SCALA. This compact hatchback with a sporty spirit represents the next phase of ŠKODA's design language, while emphasising the strong relationship this brand has with its own tradition and history.

FRONT VIEW
Distinguished exterior features like the front grille or sharply cut headlights in the shape of an arrow give the car an authentic look with a strong identity. Crystalline elements etched on the headlights allude to Czech crystal craftsmanship, a declaration of the brand's proud lineage.

SIDE VIEW
Characteristic lines on the sides of the car enhance its dynamics as shaped by ŠKODA's design language. The impression is even stronger with SunSet tinted windows, which not only accentuate the attractiveness of the exterior, but also protect rear passengers from glare.

REAR VIEW
As a badge of honour, the ŠKODA name proudly embraces the 5th door. This marks the confidence of a brand that has transformed its design philosophy.

REMAIN IN THE SPOTLIGHT

Light doesn't just illuminate. It inspires. The unique headlights and slim long rear lights make the car instantly recognisable. The crystalline light design with integrated LEDs represents a perfect blend of Czech crystal tradition and modern technology.

FULL LED REAR LIGHTS
The SCALA features horizontally designed rear lights where the familiar C-shape illumination has been updated with a modern twist. This original light signature is accompanied by perfect functionality. All variants come with the full LED rear lights, which are fitted with animated turn indicators – for the first time ever on any ŠKODA. These not only indicate where the driver is about to turn, but also add dynamism to the car.

FULL LED HEADLIGHTS
Is all about LED technology including corner function. The strip of LEDs for daylight driving positioned at the upper part of the headlight lends the car its sporty charisma.

Available with the optional Tech Pack on Ambition at extra cost. Standard on Monte Carlo and Signature.

TRAVEL COMFORT CLASS

Whatever comfort means to you, you'll find it right inside the SCALA. Travel in total ease with smart details like power connectors and sophisticated infotainment with GPS. In other words, unmatched comfort in its class.

HEATED SEATS / USB
In cold weather, your friends and family will appreciate the heated rear seats (on selected variants), which are regulated by a separate control on the rear side of the front armrest. Two USB-C slots enable universal mobile phone charging.

Available with the optional Driver Support Pack on Ambition and optional Travel Pack on Monte Carlo at extra cost. Standard on Signature.

RETRACTABLE MIRRORS
The automatically retractable external side-view mirrors fold in when the car is locked, thus protecting them against damage.

KESSY (ADVANCED KEYLESS ENTRY INCLUDING SMART START)
With KESSY, you can lock/unlock your car and start or stop the engine completely key free.

Available with the optional Tech Pack on Ambition at extra cost. Standard on Monte Carlo and Signature.

ELECTRICALLY-ADJUSTABLE DRIVER SEAT
For the best feeling behind the steering wheel, we offer you the electrically-adjustable driver seat.

Available with the optional Tech Pack on Ambition and optional Travel Pack on Monte Carlo at extra cost. Standard on Signature.

IT'S WHAT'S ON THE INSIDE THAT COUNTS

Stepping inside the SCALA is equally impressive. The well-appointed interior radiates with sleek design cues, exceptional spaciousness and cutting-edge digital technology.

AMUNDSEN 9.2" INFOTAINMENT
Attractive design is accompanied by perfect functionality.
The new generation of infotainment comes with a display that's positioned high up on the dashboard, in the driver's immediate field of view. Below the display, it also provides an ergonomic wrist rest when operating the screen.

Available with the optional Tech Pack on Ambition and optional Travel Pack on Monte Carlo at extra cost. Standard on Signature.

VIRTUAL COCKPIT
The Virtual Cockpit displays on-board computer specifications in combination with other information such as navigation. You can choose from five layouts (extended view shown) controlled via the 'View' button on the steering wheel. The SCALA's Virtual Cockpit features a 10.25" display.

AMBIENT LIGHTING
Make your space more cosy and comfortable with LED ambient lights running along the dashboard.

STYLE AND FUNCTIONALITY
The SCALA's interior is furnished with quality materials and great craftsmanship. Multiple combinations of upholstery and décor mean you can give your car a unique personality. Attractive design is also accompanied by perfect functionality. The dashboard as well as panels in the door have a special soft surface resembling crystalline structures. This unique detail can prevent objects from slipping and in the future will become a typical ŠKODA feature.

WIRELESS CONNECTIVITY

SCALA FEATURING APPLE CARPLAY® & WIRELESS ANDROID AUTO™+
Combining our smart car with your smartphone was always going to be a good idea. SCALA featuring wireless Apple CarPlay® & wireless Android Auto™+ seamlessly connects compatible apps from your smartphone to your ŠKODA. So, whether you want to listen to music or receive turn-by-turn directions, you can do it all without touching your phone.

Available with the optional Tech Pack on Ambition and optional Travel Pack on Monte Carlo at extra cost. Standard on Signature.
+ SCALA featuring wireless Apple CarPlay® & wireless Android Auto™ is compatible for selected apps with the latest smartphone versions of iOS and Android, active data service required, optional connection cable (sold separately).

WIRELESS CHARGING/USB
The SCALA comes with an enlarged phone box which creates an amplified signal for your mobile device and, at the same time, wirelessly charges your phone while driving. This compartment is not only easily accessible, but is also suitable for large display devices. Two USB-C ports located in a centre console allow you to easily connect your external devices without the need for dongles or adapters.

SIMPLY CLEVER

The SCALA is equipped with a range of Simply Clever details that can handle all your needs. From loading your luggage or folding your towing device to adjusting the interior space to find room for big and small things, these thoughtful features take the headache out of travelling.

UMBRELLA STORAGE COMPARTMENT
An ingenious compartment with original ŠKODA umbrella is fitted inside the driver's door. It is designed to let water drain away from the car, keeping the interior dry.

LIQUID RESERVOIR
You will never spill a single drop when refilling the washer fluid. The liquid reservoir is not only easily accessible, but also has an integrated funnel.

AUTOMATIC TAILGATE
It opens and closes at the mere touch of a button on the remote control or in the driver's door, especially handy in unfavourable weather. You can also adjust the upper door position to suit your needs. A button for closing the 5th door is also located on the door itself.

DON'T PACK LIGHT

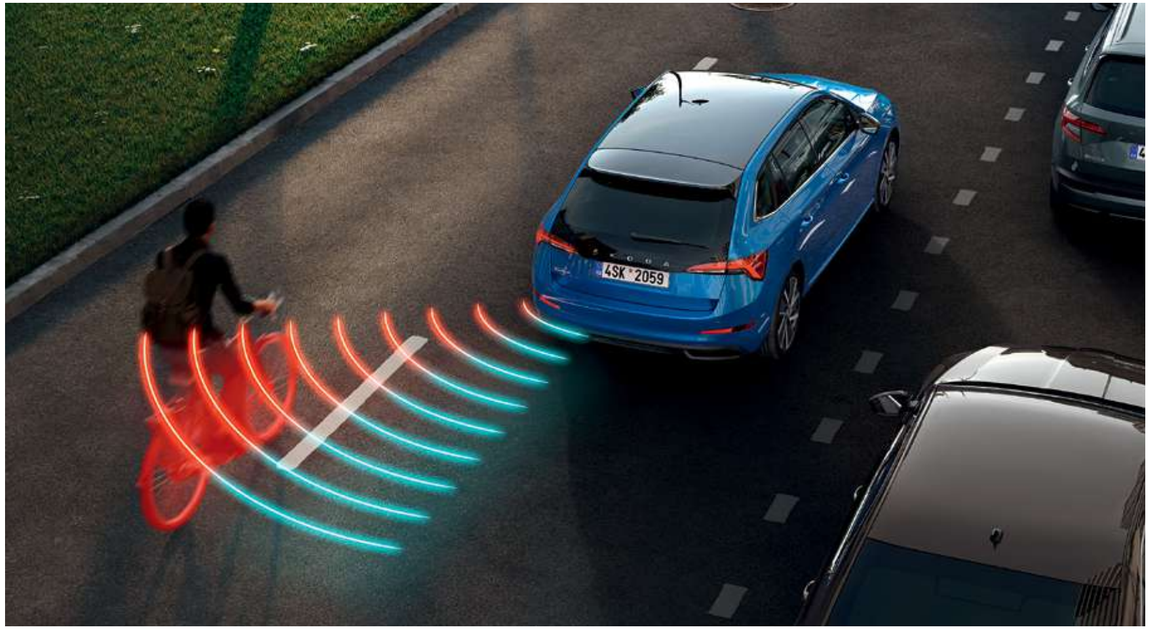
Don't think twice about what to take or not. The generous luggage compartment capacity of 467 litres, and 1,410 litres after folding down the rear seats, puts this car at the top of its class. In addition there are many options for ensuring your stuff stays in its place, without damaging the car.

HOOKS
The robust hooks on the sides of the luggage compartment make your bags easier to transport and more secure.

DOUBLE SIDED MAT
You can use the mat with the elegant fabric side up when not transporting anything that might make your car dirty, and can easily turn it over to utilise the washable rubber side when required.

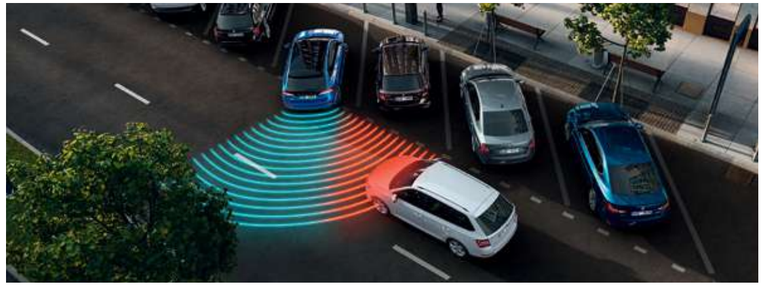
WE'LL WATCH YOUR BACK

Embark on any adventure with complete confidence. The SCALA comes with plenty of assistants supporting your driving skills on the road, helping you with parking and even preventing collisions, or the severity of it.



SIDE ASSIST◊*
Using radar sensors in the rear bumper, Side Assist which can detect other vehicles and even less detectable objects like cyclists up to 70 m away, monitors the areas behind and beside your car. Based on the distance and speed of the surrounding vehicles, it decides whether or not it should warn the driver.

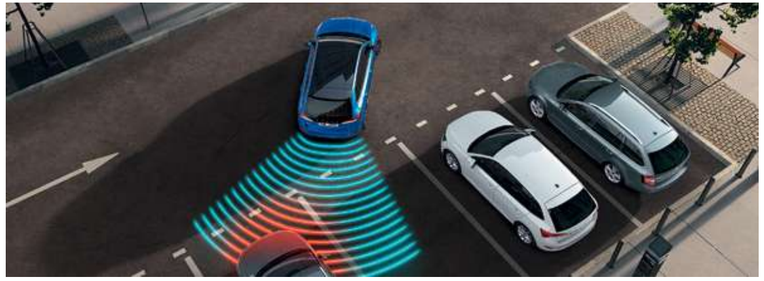
Overseas Model shown for illustrative purposes only.
◊ Safety technologies are designed to assist the driver, but should not be used as substitute for safe driving practices.
* Feature currently not available as it is a semi-conductor impacted item. Please contact your ŠKODA Dealer for more information.



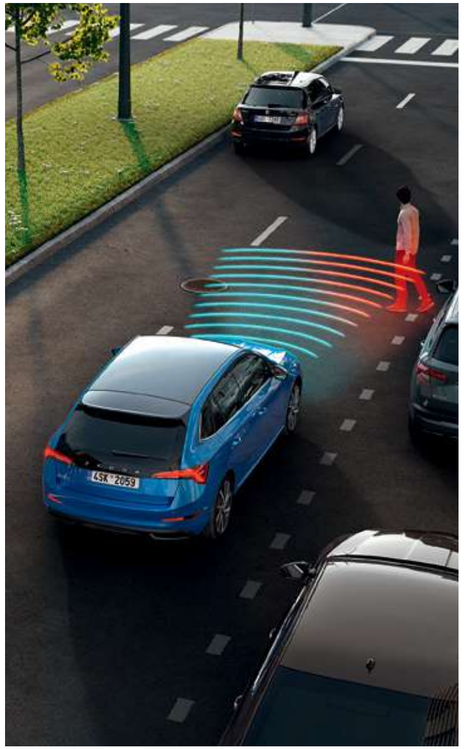
REAR TRAFFIC ALERT◊*
This assistant, which comes as part of the Side Assist system, helps you reverse safely from a parking space during poor visibility. It can even engage the brakes automatically if it detects imminent danger.

*Feature currently not available as it is a semi-conductor impacted item. Please contact your ŠKODA Dealer for more information.

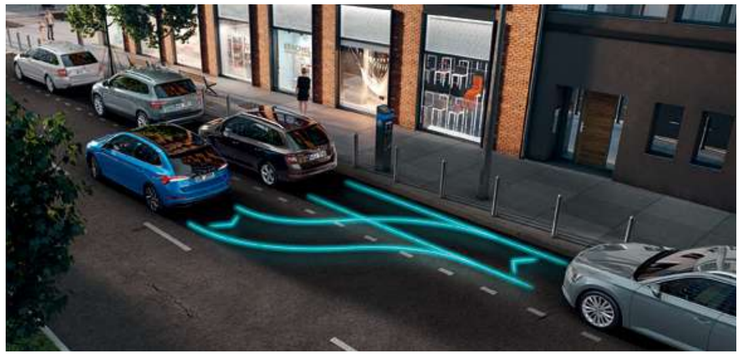
MANOEUVRE ASSIST◊
Using the park sensors', this system offers protection from obstacles within driving distance of the car (at speeds of up to 8 km/h). If an obstacle is detected, based on the distance from the obstacle and the car's speed, the system engages the emergency braking.



REAR PARKING SENSORS◊
Parking the SCALA is easier and safer with the parking sensors integrated in the rear bumper, which check the car's distance from any obstacles.

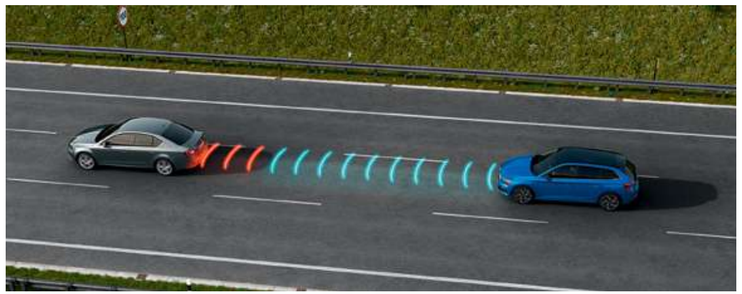


FRONT ASSIST WITH PREDICTIVE PEDESTRIAN PROTECTION◊
The Front Assist system, using a radar device in the front grille, is designed to monitor the distance from the vehicle ahead, including emergency braking function. The SCALA comes with Front Assist expanded with predictive pedestrian protection, which warns the driver via an audio/visual signal as well as a gentle jolt of the brakes.



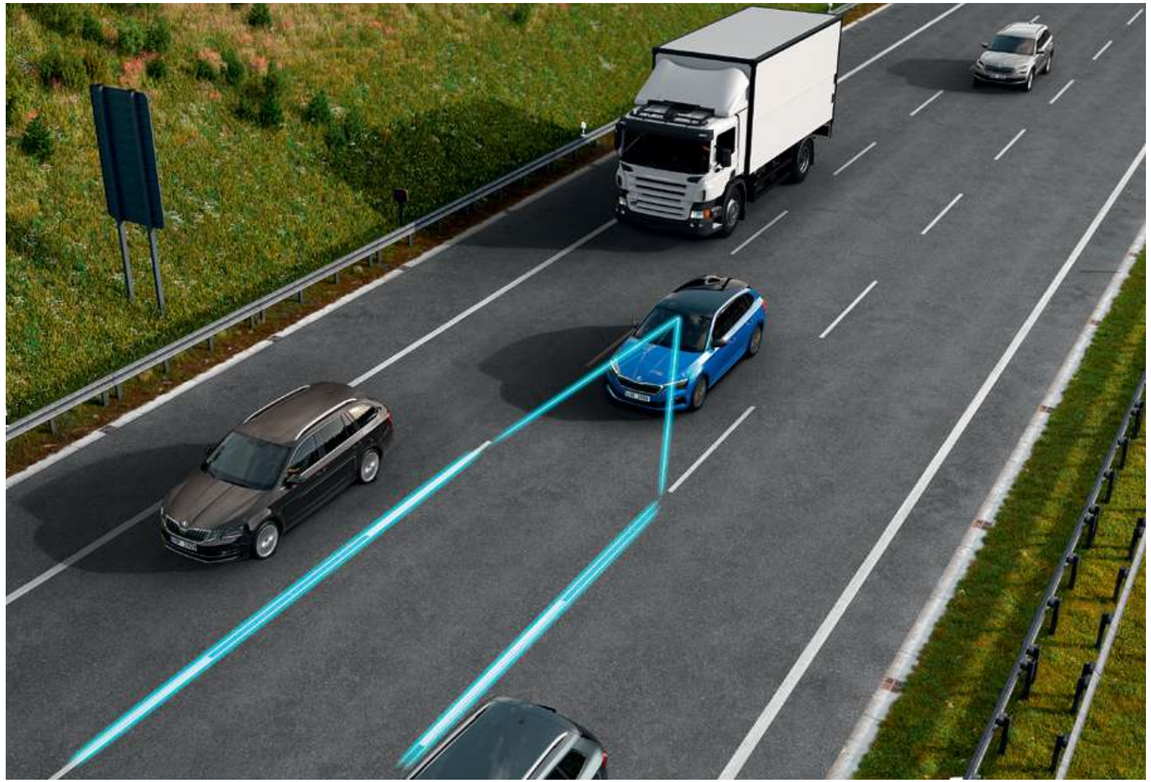
PARK ASSIST◊
Minimise the hassle of parking in tight spots with Park Assist. It automatically selects an appropriate parking spot in a row of parallel or perpendicularly parked vehicles.

Available with the optional Driver Support Pack on Ambition and optional Travel Pack on Monte Carlo at extra cost. Standard on Signature.



ADAPTIVE CRUISE CONTROL◊
Using a radar device in the front grille, in addition to its basic cruise control function, this assistant system, which operates up to speeds of 210 km/h, maintains a safe distance from vehicles in front of you.

Overseas model shown for illustrative purposes only.
◊ Safety technologies are designed to assist the driver, but should not be used as a substitute for safe driving practices.



ADAPTIVE LANE ASSIST◊
Operating at speeds above 65 km/h, this system can help to keep the car in the correct lane.

HIDDEN BODYGUARDS

In extreme situations, where the driver cannot actively influence the outcome, the car's passive safety elements take over – like the airbags.

FRONT AIRBAGS
While the driver airbag is enclosed in the steering wheel, the passenger airbag is located in the dashboard.

SIDE CURTAIN AIRBAGS
Upon activation, head airbags create a wall protecting the front and rear occupants against head injury.

DRIVER KNEE AIRBAG
This airbag, which is located under the steering wheel column, protects the driver's knees and shins.

FRONT SIDE AIRBAGS
These two airbags protect the pelvis and chest of the driver and other passengers in the event of a side collision.

POWERFUL, NOT POWER HUNGRY

ENGINES
The SCALA range offers a 110 kW petrol engine with excellent acceleration and high torque with exceptional low fuel consumption.

GENUINE ACCESSORIES

Accessories aren't just fashion fads. With ŠKODA Genuine Accessories, you can transform your car by expanding its practicality, safety and purpose, and make it a lot more suitable for your specific needs.

SMART HOLDER – CLOTHES HANGER
The clothes hanger, which can be mounted on the front seat headrests, is an extremely practical accessory, especially for those who travel to work wearing a suit.

SMART HOLDER – MULTIMEDIA HOLDER
The holder for an external device, which can also be mounted on the front seat headrests, will definitely be appreciated by the rear seat passengers.

SMART HOLDER – HOOK
Handbags or backpacks don't have to take up space on the back seats. Hang them from the smart holder hook fixed to the front headrests.

DOG SAFETY BELT / BACK SEAT PROTECTION
If one of your usual passengers is a dog, we recommend equipping your car with a special safety belt (size S - XL). You will also appreciate the back seat protection.

18" SIRIUS alloy wheels

Overseas models are shown for illustrative purposes only. Optional accessories, at extra cost. Please note that the above accessories may have an effect on fuel efficiency. Items such as sports equipment are for illustration purposes only and are not available for purchase from ŠKODA Australia or its dealers.

BICYCLE RACK
You can securely attach the lockable bicycle rack with carbon/aluminium profile onto the basic roof rack.

DOOR SILL COVERS WITH BACKLIGHT
The side door sill covers with backlight and SCALA inscription, which perfectly follow the contours of the vehicle, are an original feature with aesthetic as well as practical functions.

Due to global component shortages, certain standard and optional equipment is not currently available on certain ŠKODA model vehicles. Please note that the features highlighted in this Specification Guide are affected by the shortage and are not currently available to order.

WELCOME TO CARE-FREE OWNERSHIP

ŠKODA Care is about making sure that same level of attention to detail remains long after you've made your purchase, making owning a ŠKODA as fantastic as buying one.

5 YEAR WARRANTY^ UNLIMITED KMS

After getting behind the wheel of a ŠKODA, it's not hard to see why they're so beloved by their owners. Quite simply, ŠKODA vehicles are made to be driven and we want to keep your journey a long and happy one. And the way it works is simple. ŠKODA Australia provides a 5 Year/Unlimited Kilometre Warranty^ on all new vehicles. Every new ŠKODA vehicle includes one year ŠKODA Assist± (Roadside Assistance), from the warranty start date. To thank you for your loyalty, complimentary Service Initiated Roadside Assistance (SIRA for short) will be activated if the vehicle is returned to an authorised ŠKODA Dealer for scheduled service, as per the ŠKODA Service Schedule milestones. For more information and eligibility, please visit www.skoda.com.au/owners/roadside-assistance

ŠKODA Service Pricing

Buying a car is one thing, but owning a car is something else entirely. We're sure you'll want to know the costs of any service before you book it in. The cogs in our heads have been turning and we've come up with a solution we think is pretty clever. Our handy online service calculator can help you find the cost of your next service, scheduled to occur every 12 months/15,000 kms (whichever occurs first)*. No hidden expenses, no nasty surprises.

Genuine Parts

You don't have to be a genius (AKA a ŠKODA technician) to know that non-genuine parts aren't as good as using genuine ones. Our philosophy towards fixing your car is simple; the parts we use are identical to the parts used in the production of your car originally. Genuinely. And with a nationwide, two year, unlimited kilometre warranty^ on all genuine parts, peace of mind comes easily too.

Service Packs

Why worry about handling the payment of your services on an ad-hoc basis when you already know you need to get them annually? Conveniently, you can save time by pre-paying your servicing with a 3 Year/45 000km (whichever occurs first) or a 5 year/75 000km (whichever occurs first) ŠKODA Service Pack† at any of our ŠKODA dealers. That way you can simply book a service time that suits you, and the costs are already covered. Your car, serviced at your convenience.

Service & Maintenance Subscription Plans

Say goodbye to unwelcome surprises. By signing up for the ŠKODA Service and Maintenance Monthly Subscription Plan, you're covered for all standard scheduled services as well as your maintenance repairs#. Even better, all your service and maintenance requirements are pre-approved# - quotes are a thing of the past. Simply select the option that suits your drive style, and sign up at your local dealer today so that you can have real peace of mind knowing that the work is carried out by ŠKODA technicians – factory trained to ensure your ŠKODA gets the right treatment.

^Conditions and exclusions apply, see www.skoda.com.au/owners/warranty. Your rights under this warranty are provided in addition to, and in some cases overlap with, consumer guarantees under the Australian Consumer Law and do not limit or replace them. ±ŠKODA Assist (roadside assistance) is provided by AWP Australia Pty Ltd ABN 52 097 227 177 trading as Allianz Global Assistance, under an arrangement with Volkswagen Group Australia Pty Limited ABN 14 093 117 876. Conditions and exclusions apply, see www.skoda.com.au/owners/roadside-assistance. *ŠKODA Service Pricing applies to the first 6 standard scheduled services of your vehicle which are scheduled to occur at every 15,000 km/12 month interval (whichever occurs first). On or before 31 December each year, ŠKODA will publish the maximum price for a specified Scheduled Service that will be applicable from, and remain fixed for, the following calendar year only. For details on pricing, items not included in the Service Price and for full terms and conditions please see www.skoda.com.au/skoda-care/service-pricing. †ŠKODA Service Pack are available at ŠKODA Dealers for all models and covers standard items as contained in each scheduled service interval only. Discount structure varies by model. For details of what is not included in a scheduled service, please refer to the program terms and conditions available here: www.skoda.com.au/skoda-care.

REMOVE ANY DOUBT WITH ŠKODA CHOICE.

ŠKODA Choice± is a flexible finance program that allows you to guarantee your vehicle's minimum future value± at the time of purchase, giving you peace of mind knowing the value of your ŠKODA is secured.

- ✔ Freedom to tailor your contract term and kilometre allowance to suit your lifestyle.
- ✔ Fixed interest rate for the life of your Loan with no account keeping fees.
- ✔ At the end of your ŠKODA Choice contract you can select from three simply clever options – trade-in, retain or return.
- ✔ Opportunity to upgrade your ŠKODA more often, enjoying the latest model with the best innovations and technology.

HOW IT WORKS

Step 1 Choose your favourite ŠKODA model.

Step 2 Choose your preferred term from between 12 and 48 months, along with an annual km allowance and repayment options that suit your lifestyle.

Step 3 At the end of your chosen term, select from one of the three end of term options:

Trade in

If you wish to trade-in your ŠKODA for a new vehicle, all you need to do is return it to the dealership. If the trade-in value is higher than the Guaranteed Future Value±, you can use this equity towards your new vehicle.

Retain

If you prefer to retain your ŠKODA, simply let us know. Provided that you also meet the relevant payment obligations under your contract, you can purchase your vehicle outright for the Guaranteed Future Value amount locked in at the start of the contract±. Then your ŠKODA is yours to keep. Or you can choose to refinance your balloon at the end of the term.

Return

All you need to do is hand your car back and, if the vehicle meets the agreed kilometre and fair wear and tear requirements±, you will have no more to pay.

For more information on our Guaranteed Future Value program, visit **https://www.skoda.com.au/finance/skoda-choice**

±ŠKODA Choice consists of an option to return your vehicle to ŠKODA Financial Services (SFS) ABN 20 097 071 460, Australian Credit Licence 389344, at the end of the term and requires SFS to purchase the vehicle at an agreed price determined by SFS, known as the Guaranteed Future Value (GFV). At the end of the term, you can elect to: (1) trade-in; (2) return; or (3) retain the vehicle by paying the GFV, which is a lump sum owed to SFS at the end of the loan term after all repayments have been made. You will be liable for any loan contract deficit and additional charges if you exceed the nominated kilometre allowance and/or the vehicle is not in an acceptable condition. Available on new and demonstrator ŠKODA vehicles for selected models. Contact your nearest ŠKODA dealer to verify eligible vehicles for this program. Fleet, government, rental buyers, hire car and chauffeur companies excluded.
