ŠKODA
SIMPLY CLEVER

THE ŠKODA SUPERB

STYLE | SPORTLINE 4x4

STYLE

WHAT MAKES THE SUPERB, SUPERB

With a sophisticated design, comfortable technologies and endless practicality, the SUPERB is a car that impresses with everything that matters.

That's Simply Clever. That's ŠKODA.

5 YEAR WARRANTY^ UNLIMITED KMS

^Conditions and exclusions apply, see https://www.skoda.com.au/owners/warranty
Your rights under this warranty are provided in addition to, and in some cases overlap with, consumer guarantees under Australian Consumer Law and do not limit or replace them.

SUPERB Style, shown in current colour Quartz Grey (Metallic), will be replaced by Graphite Grey (Metallic), with the new replacement colour being available to order by Q4 2021.

MAKE A BOLD UNDERSTATEMENT

Elegance meets harmony in the SUPERB Style. The front, with its distinctive bumper, grille, and headlights, presents a dynamic, yet determined look.

STYLE AND FUNCTIONALITY
With the unmistakable ŠKODA inscription in the back, the SUPERB Style proudly declares its roots. The composition of the elements on the 5th door is complemented by a chrome strip that comes exclusively in combination with full LED rear lights.

Overseas model shown, local specification may apply.

SUPERB Style, shown in current colour Quartz Grey (Metallic), will be replaced by Graphite Grey (Metallic), with the new replacement colour being available to order by Q4 2021.

QUALITY AS A STANDARD FEATURE

Every interior feature has been designed to make travelling comfortable. Enjoy the feeling of luxury with attractive décor, upholstery, door armrest stitching, chrome details and the LED ambient lighting running along the inside of the interior.

FULL LED HEADLIGHTS*
Advanced technology is made beautiful in the light design of the SUPERB Style. The car comes with full LED Matrix headlights with AFS and LED daytime running lights, offering improved road lighting.

*Feature currently not available as it is a semi-conductor impacted item. Please contact your ŠKODA Dealer for more information.
SUPERB Style, shown in current colour Quartz Grey (Metallic), will be replaced by Graphite Grey (Metallic), with the new replacement colour being available to order by Q4 2021.

COMFORT AND FUNCTIONALITY
For your maximum comfort, the SUPERB Style comes with a combination of black Alcantara® and leather/leatherette° upholstery as standard. The electrically-adjustable driver seat with built-in memory also comes standard.

°Leather appointed seat upholstery have a combination of genuine and artificial leather, but are not wholly leather.

SPORTLINE 4x4

SUPERB SportLine 4x4 Sedan shown with optional sunroof, available at extra cost.

TIME TO GET SOME SPORTY CLOTHING

Elegance can also be daring. Dynamic details in glossy black design give the SUPERB SportLine 4x4 a vigorous attitude. The sports chassis improves the car's aerodynamics as well as your driving pleasure.

BADGE
As proof of the car's sports style there's a badge included on the front wing fenders.

SUPERB SportLine 4x4 Sedan shown with optional sunroof available at extra cost.

DYNAMIC DESIGN
This car can't be overlooked. A glossy black front grille and features to the sides of the air intake in the front bumper are accompanied by darkened fog lamps. The sporty look of your car is also underlined with 19" VEGA anthracite alloy wheels. The SUPERB SportLine 4x4 also features full LED Matrix headlights which offers enhanced road lighting.

REAR VIEW
While the ŠKODA inscription in the back declares the car's roots, the glossy black strip between the full LED rear lights comes exclusively with the SUPERB SportLine 4x4. The liftback version also features the glossy black 5th door spoiler.

LIGHTS DON'T SHOW, THEY REVEAL

Advanced technology is made beautiful in the light design of the SUPERB SpotLine 4x4.

HEADLIGHTS AND FOG LAMPS
Using a windscreen camera, the full LED Matrix headlights of the SUPERB SportLine 4x4 can detect a car in front of you or in oncoming traffic. Based on this, the high beam adjusts itself incrementally. This ensures you get the best view without blinding other drivers. The excellent functionality of the fog lamps is powered by LED technology.

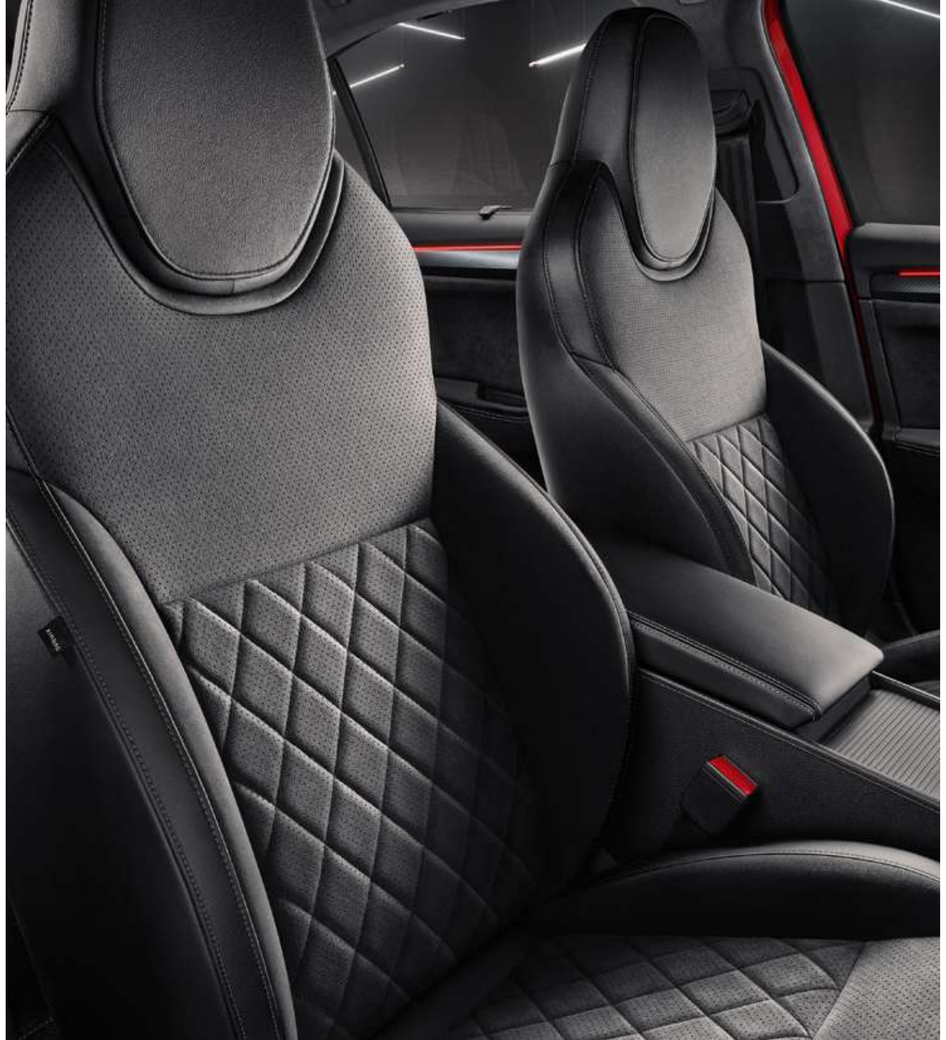
REAR LIGHTS
The full LED rear lights are fitted with animated turn indicators, which not only reveal where the driver is about to turn, but also add dynamism to the car. The rear lights also feature C-shaped illumination, typical for the ŠKODA family, but updated with a modern twist.

FOR PILOTS AND CO-PILOTS

The dynamic design continues inside the SUPERB SportLine 4x4. The interior offers the atmosphere of the sports cockpit as well as maximum comfort. The car features attractive décor and upholstery, Alcantara® covered ceiling in black, multifunctional sports steering wheel in perforated leather, Virtual Cockpit and LED ambient lighting running along the inside of the interior.

SPORTS STEERING WHEEL
The multifunctional sports steering wheel in black perforated leather with silver stitching allows you to control the radio, phone and alternatively DSG.

LED AMBIENT LIGHTING
You can choose your favourite colour, or complement each day with one of ten amazing colour options.



STYLE AND FUNCTIONALITY
Front and rear sports seats, upholstered in a combination of black Alcantara® and leather/leatherette° with silver stitching, provide maximum comfort even during a dynamic drive. The electrically-adjustable front seats with built-in memory come as standard. The Alcantara® upholstery is also incorporated in the door panelling.

°Leather appointed seat upholstery have a combination of genuine and artificial leather, but are not wholly leather.
Overseas model shown, local specification may vary.

WIRELESS CONNECTIVITY

SUPERB FEATURING WIRELESS APPLE CARPLAY® & ANDROID AUTO™⁺
Combining our smart car with your smartphone was always going to be a good idea. SUPERB featuring wireless Apple CarPlay® & wireless Android Auto™⁺ seamlessly connects compatible apps from your smartphone to your SUPERB. So, whether you want to listen to music or receive turn-by-turn directions, you can do it all without touching your phone.

+ SUPERB featuring wireless Apple CarPlay® & wireless Android Auto™ is compatible for selected apps with the latest smartphone versions of iOS and Android, active data service required, optional connection cable (sold separately).

WIRELESS CHARGING/USB
The SUPERB comes with an enlarged phone box which wirelessly charges your phone while driving. This compartment is not only easily accessible, but is also suitable for large display devices. Two USB-C ports located in the centre console allow you to connect your external devices without the need for dongles or adapters.

CARRY EVERYTHING THAT MATTERS

Maximising space is nothing without maximising practicality. That's why we have Simply Clever solutions to keep your belongings safe. The SUPERB wagon also offers a roomy 660 litres or 1,950 litres after folding down the rear seats, while the sedan offers 625/1,760 litres.

POCKETS ON THE BACKREST
Storage pockets on the insides of the front seat backrests can hold a mobile phone, for example, or other small items.

BOTTLE HOLDER
You will find a 1.5-l bottle holder in a spacious compartment in the front doors and 0.5-l holder in the rear doors.

JUMBO BOX
The spacious Jumbo Box storage compartment is housed in the front armrest. A dual drinks holder with easy-open function can also be found on the centre console.

GLOVE COMPARTMENT
The storage compartment in the dashboard on the front passenger side can also be cooled when the air conditioning is on.

Overseas model show, local specification may vary.

NET SYSTEM
The set of nets increases the flexibility of the luggage space while tightly securing objects.

SUPERB Style, shown in current colour Quartz Grey (Metallic), will be replaced by Graphite Grey (Metallic), with the new replacement colour being available to order by Q4 2021.

COMFORT AT YOUR COMMAND

Technology is nothing if it doesn't simplify your driving experience. Loaded with thoughtful features and sophisticated assistant systems, the SUPERB will indulge you in absolute comfort and support your driving confidence, whether keeping you relaxed on longer journeys or being entertained on the go.

KESSY
With the new version of the KESSY (Keyless Entry, Start and exit System) all doors can be used to unlock or lock the car.

SUPERB Style, shown in current colour Quartz Grey (Metallic), will be replaced by Graphite Grey (Metallic), with the new replacement colour being available to order by Q4 2021.

ELECTRICALLY-CONTROLLED 5TH DOOR AND VIRTUAL PEDAL
The electrically-controlled 5th door opens and closes at the mere touch of the button on the remote control, central panel or directly on the 5th door. You can also adjust the upper door position to suit your needs. The door can be equipped with a virtual pedal enabling contact-free access.

Available in optional Premium Pack on Style, at extra cost. Standard on SportLine 4x4.

VIRTUAL COCKPIT
A perfect overview is provided by the Virtual Cockpit, which can display on-board computer specifications in combination with other information such as navigation, for example.

ELECTRICALLY-ADJUSTABLE DRIVER'S SEAT
The electrically-adjustable driver's seat with built-in memory can store three different positions.

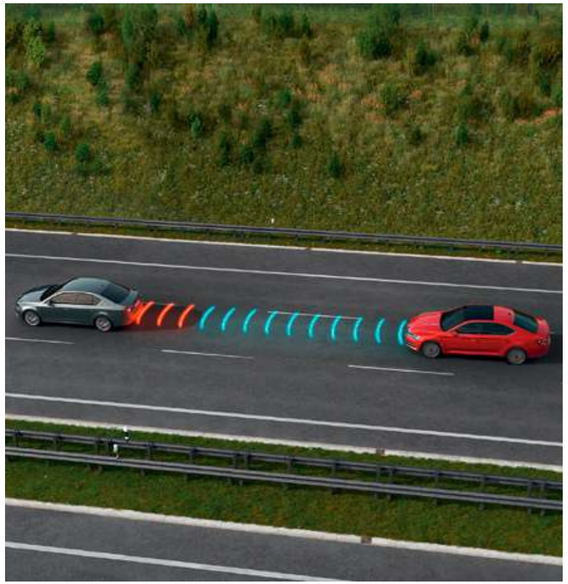
COMFORT IN THE BACK
In cold weather, your friends and family will appreciate the heated rear seats, which are regulated by a separate control on the rear side of the front armrest. Rear seat passengers can also control their temperature zone thanks to 3-zone Climatronic air conditioning.

Available in optional Premium Pack on Style, at extra cost. Standard on SportLine 4x4.

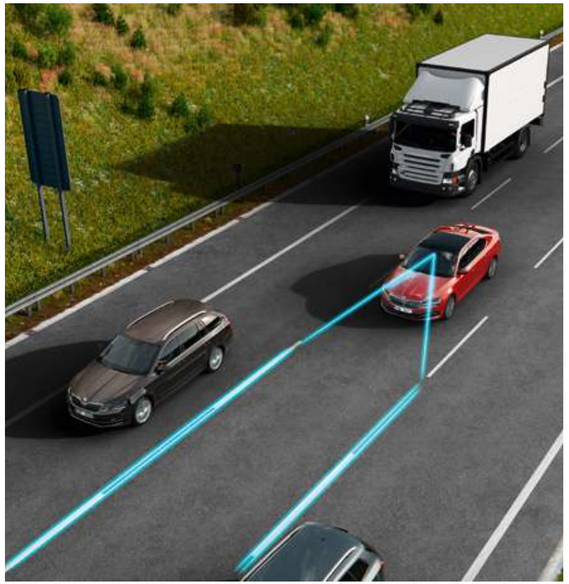
CANTON SOUND SYSTEM*
Enjoy absolute sound clarity, whether it's music or the spoken word, on the CANTON Sound System with twelve speakers, including a speaker in the dashboard and subwoofer in the luggage compartment.

*Feature currently not available as it is a semi-conductor impacted item. Please contact your ŠKODA Dealer for more information.

SAFETY
PROTECT YOUR PRECIOUS CARGO



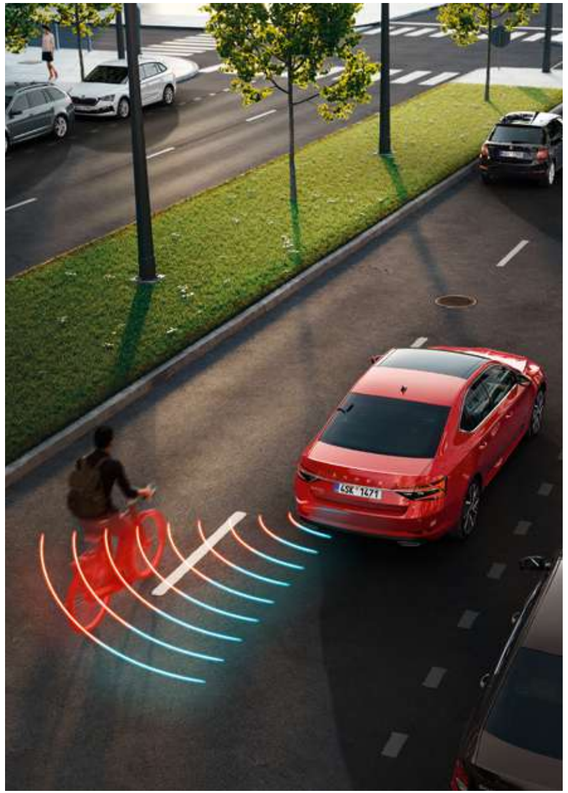
ADAPTIVE CRUISE CONTROL◊
Never get too close for comfort. This system maintains a safe distance from vehicle in front of you, in addition to its basic cruise control function.



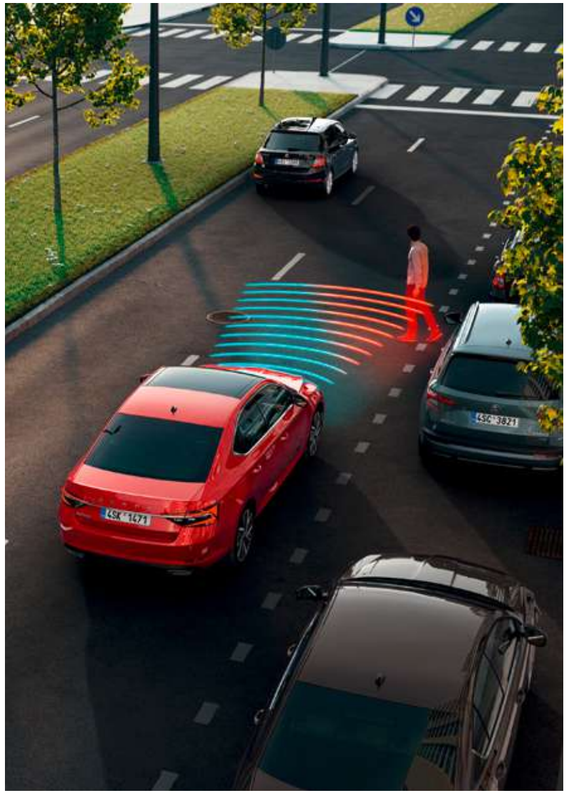
ADAPTIVE LANE ASSIST◊
Operating at speeds above 60km/h, this system can help to keep the car in the correct lane.

◊ Safety technologies are designed to assist the driver, but should not be used as a substitute for safe driving practices.
Overseas Model shown for illustrative purposes only.

TRAFFIC JAM ASSIST◊
This function is designed to facilitate driving in traffic jams. By controlling the engine brakes, and steering, it makes the vehicle pull away, brake, and turn to copy the movement of the surrounding vehicles (at speeds of up to 60 km/h). If lanes are not detected at speeds of up to 30 km/h, or only one lane (line) is detected at speeds of up to 60 km/h, the Follow Drive system follows the trajectory of the vehicle in front of you until lane markings are available again.



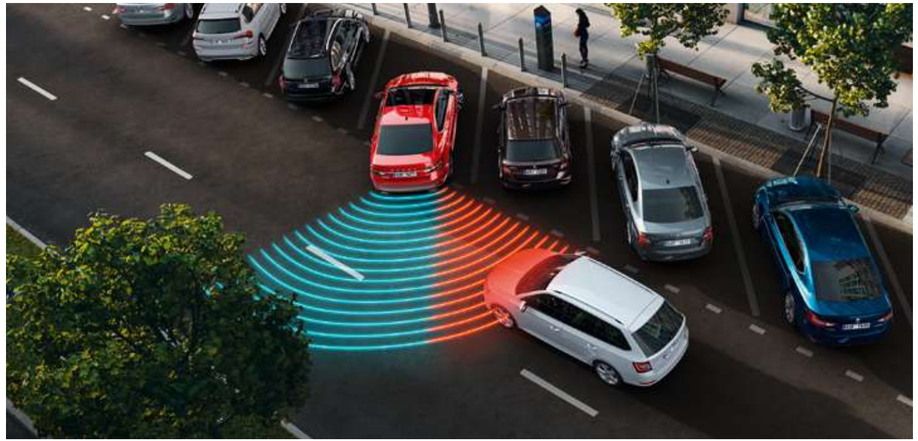
SIDE ASSIST - BLIND SPOT DETECTION◊
Using radar sensors in the rear bumper, Side Assist (which can detect other vehicles and harder to see objects like cyclists up to 70 m away) monitors the areas behind and beside your car. Based on the distance and speed of the surrounding vehicles, it decides whether or not it should warn the driver.



FRONT ASSIST - PREDICTIVE PEDESTRIAN◊
The Front Assist system, using a radar device in the front grille, is designed to monitor the distance from the vehicle ahead, including emergency braking function. The SUPERB comes with Front Assist expanded with predictive pedestrian protection, which warns the driver via an audio/visual signal as well as a gentle jolt of the brakes.

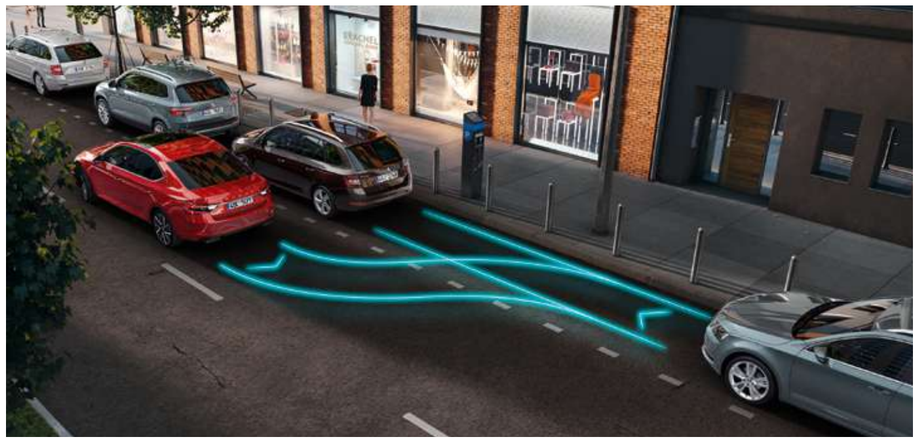
◊ Safety technologies are designed to assist the driver, but should not be used as a substitute for safe driving practices.
Overseas Model shown for illustrative purposes only.

REAR TRAFFIC ALERT◊
The system warns the driver of rear traffic as they pull away from a row of perpendicularly parked vehicles (visually on the infotainment display/ onboard computer display or acoustically), or, if the case so requires, intervenes proactively, i.e., stops the car.



PARK ASSIST◊
Minimise the hassle of parking in tight spots with Park Assist. It automatically selects an appropriate parking place in a row of parallel or perpendicularly parked vehicles.

Available in optional Premium Pack on Style, at extra cost. Standard on SportLine 4x4.



ADDITIONAL EXPERTS ON BOARD

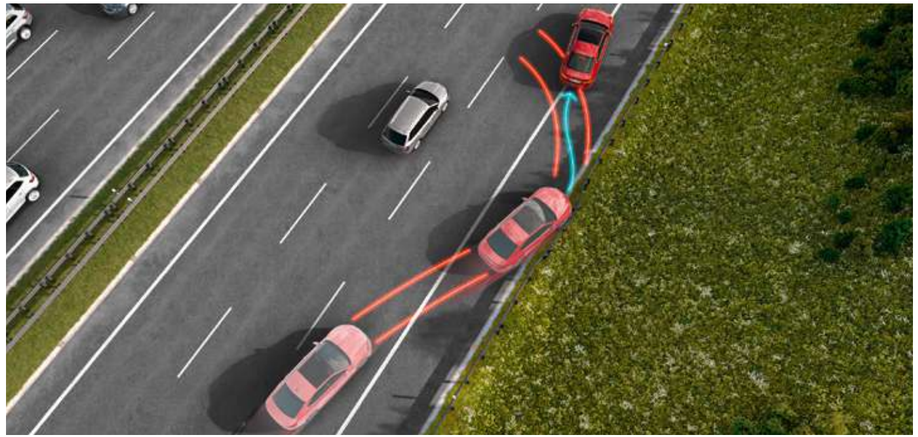
You can encounter various things on the road. To ensure that the car is ready to handle all situations that may occur on route, additional assistants with multiple functions are on hand to help or fill in for the driver.

MATRIX BEAM FUNCTION*
The full LED Matrix headlights feature matrix beam function. This allows you to use the high beams continuously, without blinding other drivers. Using a windscreen camera, the matrix beam function responds to the traffic situation and turns off only some segments of the light. Other segments are turned on and illuminate the road. The matrix beam function also uses information from the navigation system. Thanks to it, the high beams will only turn on when you are out of a built-up area.

* Feature currently not available for SUPERB Style as it is a semi-conductor impacted item. Please contact your ŠKODA Dealer for more information.
◊ Safety technologies are designed to assist the driver, but should not be used as a substitute for safe driving practices.
Overseas Model shown for illustrative purposes only.

PASSENGER PROTECT ASSIST◊
This assistance system provides increased protection for front-seat passengers in critical situations that could lead to a crash or overturning by closing the side windows to leave only a 5 cm gap, shutting the roof window, and tightening seatbelts.

MULTI-COLLISION BRAKE◊
In case of an accident, the Multi-Collision Brake starts braking to prevent further uncontrolled movement of the vehicle, thus reducing the likelihood of further collisions.



A SAFE BET

In extreme situations, where the driver cannot actively influence the outcome, the car's passive elements take over – like airbags.

FRONT DRIVER AND PASSENGER AIRBAG
While the driver airbag is enclosed in the steering wheel, the passenger airbag is located in the dashboard.

SIDE CURTAIN AIRBAGS
Upon activation, side curtain airbags create a wall, which protects the front and rear occupants against head injury.

FRONT AND REAR SIDE AIRBAGS
These four airbags protect the pelvis and chest of the driver and other passengers in the event of a side collision.

KNEE AIRBAG
The knee airbag, which protects the driver's knees and shins, is located under the steering wheel.

Overseas model show, local specification may vary.
SUPERB Style, shown in current colour Quartz Grey (Metallic), will be replaced by Graphite Grey (Metallic), with the new replacement colour being available to order by Q4 2021.

PERFORM MIRACLES

The engines offer outstanding comfort without compromising on performance or the environment. The impressive handling of the car can be further enhanced with progressive steering. Requiring smaller steering input by the driver results in a much more dynamic driving experience, especially around corners.

ADAPTIVE CHASSIS CONTROL WITH DRIVING MODE SELECTION
The Adaptive Chassis Control, continuously evaluates and responds to various driving situations – braking, acceleration, turning – and adapts to the decreases in speed and steering characteristics. Using the infotainment menu, you can select one of five modes – Normal, Comfort, Eco, Sport and Individual – tailored to your specific requirements. Adaptive dampers are fitted to the suspension and can be adjusted to your preference via the different modes.

Available with the optional Premium Pack on Style at extra cost. Standard on SportLine 4x4. Overseas model shown for illustrative purposes only.

ENGINES
Our 2-litre petrol engine on the SUPERB Style offers 162kW. The SUPERB SportLine 4x4 packs an impressive 206kW punch with 4-wheel drive.

SUPERB Style, shown in current colour Quartz Grey (Metallic), will be replaced by Graphite Grey (Metallic), with the new replacement colour being available to order by Q4 2021.

WHEELS & UPHOLSTERY

WELCOME TO CARE-FREE OWNERSHIP

ŠKODA Care is about making sure that same level of attention to detail remains long after you've made your purchase, making owning a ŠKODA as fantastic as buying one.

5 YEAR WARRANTY^ UNLIMITED KMS

After getting behind the wheel of a ŠKODA, it's not hard to see why they're so beloved by their owners. Quite simply, ŠKODA vehicles are made to be driven and we want to keep your journey a long and happy one. And the way it works is simple. ŠKODA Australia provides a 5 Year/Unlimited Kilometre Warranty^ on all new vehicles. Every new ŠKODA vehicle includes one year ŠKODA Assist± (Roadside Assistance), from the warranty start date. To thank you for your loyalty, complimentary Service Initiated Roadside Assistance (SIRA for short) will be activated if the vehicle is returned to an authorised ŠKODA Dealer for scheduled service, as per the ŠKODA Service Schedule milestones. For more information and eligibility, please visit www.skoda.com.au/owners/roadside-assistance

ŠKODA Service Pricing

Buying a car is one thing, but owning a car is something else entirely. We're sure you'll want to know the costs of any service before you book it in. The cogs in our heads have been turning and we've come up with a solution we think is pretty clever. Our handy online service calculator can help you find the cost of your next service, scheduled to occur every 12 months/15,000 kms (whichever occurs first)*. No hidden expenses, no nasty surprises.

Genuine Parts

You don't have to be a genius (AKA a ŠKODA technician) to know that non-genuine parts aren't as good as using genuine ones. Our philosophy towards fixing your car is simple; the parts we use are identical to the parts used in the production of your car originally. Genuinely. And with a nationwide, two year, unlimited kilometre warranty^ on all genuine parts, peace of mind comes easily too.

Service Packs

Why worry about handling the payment of your services on an ad-hoc basis when you already know you need to get them annually? Conveniently, you can save time by pre-paying your servicing with a 3 Year/45 000km (whichever occurs first) or a 5 year/75 000km (whichever occurs first) ŠKODA Service Pack† at any of our ŠKODA dealers. That way you can simply book a service time that suits you, and the costs are already covered. Your car, serviced at your convenience.

Service & Maintenance Subscription Plans

Say goodbye to unwelcome surprises. By signing up for the ŠKODA Service and Maintenance Monthly Subscription Plan, you're covered for all standard scheduled services as well as your maintenance repairs#. Even better, all your service and maintenance requirements are pre-approved# - quotes are a thing of the past. Simply select the option that suits your drive style, and sign up at your local dealer today so that you can have real peace of mind knowing that the work is carried out by ŠKODA technicians – factory trained to ensure your ŠKODA gets the right treatment.

^Conditions and exclusions apply, see www.skoda.com.au/owners/warranty. Your rights under this warranty are provided in addition to, and in some cases overlap with, consumer guarantees under the Australian Consumer Law and do not limit or replace them. ±ŠKODA Assist (roadside assistance) is provided by AWP Australia Pty Ltd ABN 52 097 227 177 trading as Allianz Global Assistance, under an arrangement with Volkswagen Group Australia Pty Limited ABN 14 093 117 876. Conditions and exclusions apply, see www.skoda.com.au/owners/roadside-assistance. *ŠKODA Service Pricing applies to the first 6 standard scheduled services of your vehicle which are scheduled to occur at every 15,000 km/12 month interval (whichever occurs first). On or before 31 December each year, ŠKODA will publish the maximum price for a specified Scheduled Service that will be applicable from, and remain fixed for, the following calendar year only. For details on pricing, items not included in the Service Price and for full terms and conditions please see www.skoda.com.au/skoda-care/service-pricing. †ŠKODA Service Pack are available at ŠKODA Dealers for all models and covers standard items as contained in each scheduled service interval only. Discount structure varies by model. For details of what is not included in a scheduled service, please refer to the program terms and conditions available here: www.skoda.com.au/skoda-care.

REMOVE ANY DOUBT WITH ŠKODA CHOICE.

ŠKODA Choice± is a flexible finance program that allows you to guarantee your vehicle's minimum future value± at the time of purchase, giving you peace of mind knowing the value of your ŠKODA is secured.

- ✔ Freedom to tailor your contract term and kilometre allowance to suit your lifestyle.
- ✔ Fixed interest rate for the life of your Loan with no account keeping fees.
- ✔ At the end of your ŠKODA Choice contract you can select from three simply clever options – trade-in, retain or return.
- ✔ Opportunity to upgrade your ŠKODA more often, enjoying the latest model with the best innovations and technology.

HOW IT WORKS

Step 1 Choose your favourite ŠKODA model.

Step 2 Choose your preferred term from between 12 and 48 months, along with an annual km allowance and repayment options that suit your lifestyle.

Step 3 At the end of your chosen term, select from one of the three end of term options:

Trade in

If you wish to trade-in your ŠKODA for a new vehicle, all you need to do is return it to the dealership. If the trade-in value is higher than the Guaranteed Future Value±, you can use this equity towards your new vehicle.

Retain

If you prefer to retain your ŠKODA, simply let us know. Provided that you also meet the relevant payment obligations under your contract, you can purchase your vehicle outright for the Guaranteed Future Value amount locked in at the start of the contract±. Then your ŠKODA is yours to keep. Or you can choose to refinance your balloon at the end of the term.

Return

All you need to do is hand your car back and, if the vehicle meets the agreed kilometre and fair wear and tear requirements±, you will have no more to pay.

For more information on our Guaranteed Future Value program, visit **https://www.skoda.com.au/finance/skoda-choice**

±ŠKODA Choice consists of an option to return your vehicle to ŠKODA Financial Services (SFS) ABN 20 097 071 460, Australian Credit Licence 389344, at the end of the term and requires SFS to purchase the vehicle at an agreed price determined by SFS, known as the Guaranteed Future Value (GFV). At the end of the term, you can elect to: (1) trade-in; (2) return; or (3) retain the vehicle by paying the GFV, which is a lump sum owed to SFS at the end of the loan term after all repayments have been made. You will be liable for any loan contract deficit and additional charges if you exceed the nominated kilometre allowance and/or the vehicle is not in an acceptable condition. Available on new and demonstrator ŠKODA vehicles for selected models. Contact your nearest ŠKODA dealer to verify eligible vehicles for this program. Fleet, government, rental buyers, hire car and chauffeur companies excluded.
