ONE SERIOUS 4WD.

The new Rexton is one serious 4WD, and proudly carries on the tradition as Korea's flagship SUV. Featuring an ultra-rigid ladder frame chassis and selectable 4WD with high and low range, the Rexton is built for those that need true off road driving and towing capability.

The Rexton represents the height of practicality, allowing you to do more and carry more, including up to seven people in style and comfort. The standard 5-speed E-tronic automatic transmission built with Mercedes-Benz technology provides smooth and quiet gear changes with optimal performance and fuel efficiency, and the advanced Euro-5 turbo diesel engine provides up to 360Nm of torque allowing 2.6 tonne towing capability with a braked trailer.

The Rexton is also packed with features, like luxurious leather appointed upholstery, easy access driver's seat with position memory, power windows and mirrors, climate control air conditioning, CD/MP3 with Bluetooth and music streaming, cruise control, 16" alloy wheels, protective side steps, front and rear park sensors, 4-channel anti-lock brakes (ABS) with electronic stability control (ESC), brake assist (BA), hill descent control (HDC) and active roll-over protection (ARP)... plus lots more.

So if you're looking for a stylish, versatile and feature packed SUV with seven seats, this serious Rexton 4WD is the perfect choice.
