# VALUE. FOR MUMMY.

When the priority is to move up to seven people in comfort, step into space with the new Stavic. With seven full size seats and a massive luggage compartment, the Stavic has been designed to maximise comfort and flexibility. From growing families to commercial commuting, it's the comfort AND luggage convenience that really matters, and the Stavic offers both in spades.

The new Stavic is equipped with heaps of modern safety gear, including an advanced multi-function Anti-lock Braking System with Electronic Stability Programming and Anti-Rollover Protection. There is effortless power and diesel economy, which means less time and money spent at the petrol station. It's feature packed too, with dual-zone air-conditioning, Bluetooth and music streaming, speed sensitive door locks, privacy glass for the back seat passengers, automatic headlights, alloy wheels, front and rear fog lights, reverse sensors, plus lots more.

Come in and see the value for yourself, and feel free to bring some passengers...
