# VALUE. FOR MUMMY.

When the priority is to move up to seven people in comfort, why settle for anything other than a full size people mover for the ultimate in space and convenience. Offering seven full size seats and a massive luggage compartment, the Stavic People Mover is built for purpose. From growing families to commercial commuting, when comfort AND luggage space really matters, the Stavic offers both in spades.

The new Stavic is equipped with heaps of modern safety gear, including an advanced Anti-lock Braking System with Electronic Stability Programming and Anti-Rollover Protection. There is effortless power and diesel economy, which means less time and money spent at the petrol station. Stavic is feature packed too, with dual-zone air-conditioning, Bluetooth and music streaming, speed sensitive door locks, privacy glass for the back seat passengers, alloy wheels, front fog lights, reverse sensors, plus lots more. There is also the option of the Stavic SPR with additional luxury features like leather appointed upholstery, automatic lights, rain sensing wipers and electric driver's seat.

Come in and see the amazing seven seat Stavic People Mover for yourself, and experience what real space and convenience feels like!

See the Stavic specification sheet for more details.
