

# LandCruiser 200

King off the Road.

**TOYOTA**

[toyota.com.au](http://toyota.com.au)

*Oh what a feeling!*

# There's a spirit that runs through Toyota. It's a feeling of achievement. It pushes us. Inspires us.

— It's what saw us mass produce the first dedicated hydrogen fuel cell vehicle, the Mirai, and what will see us define the very future of movement. Our Japanese founders called it 'Kaizen,' but we simply call it 'continuous improvement.' A relentlessness to always move forward, never settle for good enough.

And here's the exciting part, this feeling of achievement is yours to experience. Life changing moments, just waiting to be told. Whether it's the thrill of experiencing the latest in technology, venturing somewhere completely new or simply spending more time with your family. That sense of achievement, whatever form it comes in, will be a feeling you never forget.

This is a journey for which we don't know the destination, but looking back at how far we've come, it's safe to say tomorrow looks exciting beyond imagination.

“

*We are a group of passionate perfectionists who can't let well enough alone...*

*That's Toyota.*

*That's the spirit.*

*And that's our contribution to the world.  
We will be the best we can.*

*And we will help as many as  
we can to be the best they can...*

— Eiji Toyoda

# All hail the King.

Way back in 1958, our very first LandCruiser helped build the Snowy Mountains Hydro-Electric Scheme, reliably carrying workers to and from the job in unforgiving and unrelentingly hard conditions. Since those back-breaking 'survival tool' days, LandCruiser has stamped its authority as the tough, uncompromising WorkHorse that's

come to be known as the 4WD that built Australia. Now, sixty years on, LandCruiser 200 is a true Australian icon.

Even as it has evolved to incorporate the very latest cutting edge technology and luxury, the rich heritage of the job hardened, proven DNA is still at the heart of every 200 Series.

Bi-LED headlamps – Sahara model shown

# Toughness never looked so good.

When driving in some of the world's hardest conditions, you need proven strength and clever thinking to go the distance. Which is why a group of the world's finest four-wheel drive engineers crafted LandCruiser 200 to be both rugged in purpose and refined in intent. One look at the broad, uncompromising stance and meticulous attention to detail tells you LandCruiser 200 is more than ready to dominate. Whether on the road, crawling through muddy rivers or battling in the bush, you'll quickly appreciate LandCruiser 200 is seriously engineered to handle the hard stuff.

As well as looking bold and ready for action, the aggressive grille, protruding hood and radiator also add to the airflow of the engine. Sturdy roof rails are fitted as standard on GXL models and up, and the streamlined chrome side protection on Sahara variants not only looks good, but also protects against side by side door opening damage.

With LandCruiser 200, you've got rock solid appeal to match its hard-earned reputation as 'King off the Road.'

## The way ahead is more than clear.

Echoing its uncompromising history, the bold headlamp styling on the 200 Series has been inspired by LandCruiser's past – even down to the LandCruiser logo in the corner. These distinctly styled projector headlamps on GXL models feature a LED low-beam and halogen hi-beam, rising to Bi-LED headlamps on VX and Sahara models that automatically

switch on in low or dusk levels of light. The Sahara also features Automatic High Beam<sup>1</sup> (AHB) that automatically switches between high beams and low beams when it detects headlights or tail lights of vehicles ahead to assist with optimum night time visibility.

Each time you start a GXL, the auto-levelling feature will adjust the headlamps to match the pitch angle of the car for optimum performance. While the dynamic auto-levelling in VX and Sahara models constantly adjusts the headlamps whilst

you're in motion, so whatever you're carrying and in all conditions, the light beam will always point in the optimum direction.

The Sahara and VX models also feature LED Daytime Running Lamps (DRLs), plus an integrated headlamp cleaning device. LED fog lamps feature on the GXL, VX and Sahara and are set in chrome surrounds to add extra style and further enhance visibility. While the back door garnish blends with the tail lamps to provide an added touch of sophistication on GXL, VX and Sahara models.

## Wide open comfort and space inside.

The LandCruiser 200 might be tough as nails outside, but inside you'll be treated to a luxurious expanse of creature comforts.

So wherever your LandCruiser 200 takes you, you'll always feel reassuringly removed from the rigours of the outside world. On the VX and Sahara models you'll find steering wheel controls for audio functions along with Multi Information Display (MID), telephone and voice recognition controls to help make it an effortless journey.

From the country to the inner city, the satellite navigation<sup>2</sup> makes it easier to reach your

destination and head back home again. In the VX and Sahara, this operates via an Electro Multi-Vision (EMV) system that also controls the 9-speaker audio system and the pollen filtered air conditioning with 4-zone climate control.

In Sahara, the Rear Seat Entertainment system features two 11.6" screens installed behind the driver's and front passenger's headrests. GXL models and up offer dual-zone climate control for passengers in the front seats and additional cooler controls in the rear seats, whilst the GX has air conditioning fitted as standard.

## Goes where others fear to tread.

LandCruiser has always been ready for the toughest conditions, and the 200 Series raises its already legendary capability.

The Torsen®LSD has a front-to-rear torque distribution structure of 41:59 to ensure greater stability and control when accelerating.

On slippery, uneven surfaces the crawl control<sup>4</sup> allows you to maintain a low constant speed by automatically and independently controlling both engine power and brake input to each wheel. This feature also includes Turn Assist to help manage you through the tightest of low-speed corners.

On GXL petrol models, VX and Sahara (optional on GXL diesel) the Kinetic Dynamic Suspension System (KDSS) hydraulically controls the anti-roll bar and makes intelligent adjustments depending on whether greater off road wheel articulation or more competent on road handling is required. The VX and Sahara models are also fitted with a five setting Multi-Terrain Select (MTS) system that allows you to choose the specific grip assistance to match the terrain.

# Take charge of the situation.

With a smart entry and start system on the GXL, VX and Sahara, it's easy to jump in and get started, even with your keys still in your pocket or bag. When reversing, the integrated reversing camera<sup>6</sup> in the GXL, VX and Sahara models helps make it easier to see what's behind. In tight spaces, front and rear parking sensors<sup>6</sup> on the VX and Sahara models use audible warnings to help you squeeze in and out with ease. The Sahara is also equipped with a Multi-Terrain Monitor<sup>7</sup> (MTM) that uses four cameras to help give you a close look at the conditions right around the vehicle.

In all models you'll find a 12V outlet and in Sahara models there's also an integrated wireless phone charger.<sup>8</sup>

Even with such an abundance of technological innovations, the 200 Series is still 100% LandCruiser tough. When faced with the steepest terrain, Hill-start Assist Control<sup>6</sup> (HAC) will help ensure a smooth take-off and the Multi-Terrain Anti-lock Braking System (ABS) is also fitted as standard on all models. You'll have Active Traction Control system (A-TRC) to automatically distribute the power to the tyres with the best grip while Electronic Brake-force Distribution (EBD) automatically increases the brake force to the wheel(s) that need it most.

Crawl control<sup>4</sup> is available as standard, while GXL petrol models, VX and Sahara (optional on GXL diesel) enjoy the added benefit of Kinetic Dynamic Suspension System (KDSS).

# Power to reach further than ever before.

LandCruiser's reputation has been built on rock solid performance and as 'King off the Road,' LandCruiser 200 gives you the choice of two awesome engines.

The 4.6 litre V8 Petrol engine is seriously powerful, producing a massive 227kW<sup>9</sup> and combined with a maximum torque of 439Nm<sup>9</sup> at 3400rpm<sup>9</sup>, it pulls like a train too. It also meets strict EURO V emissions regulations to deliver improved fuel efficiency<sup>10</sup> and performance.

The 4.5 litre V8 Twin Turbo diesel engine with intercooler and direct injection is a serious beast in its own right. Muscling up with 200kW<sup>9</sup> of power and 650Nm<sup>9</sup> of heavy duty torque at 1600 – 2600rpm<sup>9</sup>, it delivers all the grunt you'll ever need across this wide brown land.

Whichever engine you choose, the power will be smoothly delivered by an automatic 6-speed Electronically Controlled Automatic Transmission (ECT). It features the latest technology to improve performance and efficiency while remaining surprisingly quiet.

## Tough on the outside, safe on the inside.

No matter how rough and tumble it gets the safety features are engineered to provide you with maximum protection. In the event of a collision, the safety frame and impact absorbing structure works with the upper body reinforcement to absorb and redistribute the impact. All models feature dual-stage SRS airbags along with knee and front side airbags for the driver and front passenger, plus curtain shield airbags for the first and second row.

In GXL, VX and Sahara, full-length curtain shield airbags help protect passengers in the third row. In the VX and Sahara additional second row side airbags have also been added.

On Sahara, Toyota Safety Sense+ delivers advanced driver assistance functions. These include Pre-Collision Safety system<sup>1</sup> (PCS) which applies the brakes and tensions seatbelts when it senses a collision is imminent. Lane Departure Alert<sup>1</sup> (LDA) provides an audible warning should you drift out of your lane and Active Cruise Control<sup>1</sup> (ACC) helps maintain a constant distance between you and the vehicle in front. Additionally Automatic High Beam<sup>1</sup>

(AHB) automatically switches between high beams and low beams to assist with optimum night-time visibility.

On Sahara there's also a Blind Spot Monitor<sup>6</sup> to help alert you of any vehicles in blind spots, Rear Cross Traffic Alert<sup>6</sup> helps alert you of any vehicles approaching from the side when reversing out of a parking spot.

The safety features on LandCruiser 200 also do more than just help protect people. When towing, the Trailer Sway Control (TSC) uses sensors to help suppress sway triggered by various elements including wind, bumpy roads and the steering operation.

# Toyota Safety Sense

The road is an unpredictable place – you can never be certain of what dangers may lie ahead. Which is why we developed Toyota Safety Sense+ (TSS+),<sup>1</sup> a multi-feature active safety package to help keep you and your passengers out of harm's way.

TSS+ incorporates Lane Departure Alert, Pre-Collision Safety system,

Automatic High Beam and Active Cruise Control.

With automated pre-collision warning and braking at its core, TSS+ uses intuitive technology to sense danger, providing greater reassurance to the driver and extra protection for passengers across a varying range of driving speeds and conditions.

## Lane Departure Alert<sup>1</sup>

In the event that your car drifts from its lane, this presents a serious safety hazard. This is where Lane Departure Alert (LDA) helps. It provides a visible and audible alert should you inadvertently deviate from your lane, helping keep you, your passengers and other vehicles safe.

## Pre-Collision Safety system<sup>1</sup> with pedestrian detection<sup>12</sup>

Pre-Collision Safety system (PCS) with pedestrian detection employs Forward Collision Warning (FCW) to alert you to threats ahead. During braking, Brake Assist (BA) applies additional force, and if necessary, Autonomous Emergency Braking (AEB) activates to reduce speed and mitigate impact for vehicles and pedestrians.

## Automatic High Beam<sup>1</sup>

Leaving your headlights on high beam can be a hazardous distraction to other drivers. By using a camera to sense either approaching headlights or the taillights ahead, Automatic High Beam (AHB) will switch between high and low beam as needed to help you maintain safe and considerate driving.

## Active Cruise Control<sup>1</sup>

Keeping a constant distance between vehicles helps make driving safer. By using a millimeter wave radar to constantly monitor the gap, Active Cruise Control (ACC) will maintain a set space from the vehicle in front, automatically accelerating or slowing down to compensate for the vehicle in front varying its speed.

# LandCruiser GX

Vertically hinged barn door tailgates

Snorkel

- 6-speed automatic transmission
- 17" steel wheels
- Snorkel (standard)
- Fabric seat material and vinyl floor covering
- Full time 4WD
- Vehicle Stability Control (VSC)
- Active Traction Control (A-TRC)
- Tilt and telescopic adjustable steering column
- 12V accessory connector
- 6.1" touchscreen display, MP3 compatibility<sup>3</sup>, single CD, Bluetooth<sup>®13</sup> connectivity and 4 speakers
- Emergency Brake Signal
- Manual seat adjustment and driver's seat power adjustable lumbar support
- 138L total fuel tank capacity (93L main and 45L sub tank)
- Engine immobiliser
- Power adjustable windows and mirrors
- Driver and front passenger SRS front, knee and side airbags; Front row and second row curtain shield airbags
- Multi Terrain Anti-lock Braking System
- Crawl control with Off-Road Turn Assist
- Vertically hinged barn door tailgates
- Trailer Sway Control
- Diesel particulate filter
- Satellite navigation<sup>2</sup>

Satellite navigation<sup>2</sup>

# LandCruiser GXL

## In addition to, or in replacement of, GX features:

- 17" alloy wheels
- 4.6L V8 Petrol engine option
- Privacy glass
- Body coloured mirrors
- Driver and passenger illuminated vanity mirrors
- Dual-zone automatic climate control
- Premium steering wheel with steering wheel switches
- LED low beam headlamps with auto-levelling and LED clearance lamp
- 1 x 12V accessory connector and 220V rear accessory connector
- Horizontal split tailgate
- Smart entry and start system
- Reversing camera<sup>6</sup>
- Variable intermittent wiper
- Kinetic Dynamic Suspension System (KDSS) (available as option on GXL Turbo diesel)
- LED front fog lamps
- 6.1" touchscreen display, MP3 compatibility<sup>3</sup>, single CD, digital radio<sup>14</sup> functionality, Bluetooth<sup>®13</sup> connectivity and 6 speakers
- Aluminium side steps
- 8 seats with cloth trim
- Roof rails
- Alarm
- Carpet floors
- Rear spoiler

Smart entry and start system

Aluminium side steps

Reversing camera<sup>6</sup>

# LandCruiser VX

Moonroof

Black anodized look side steps

## In addition to, or in replacement of, GXL features:

- Leather accented seats
- 18" alloy wheels
- Rain sensing wipers
- Power retractable mirrors
- Moonroof
- Black anodized look side steps
- Woodgrain-look interior highlights
- Bi-LED headlamps with dynamic auto-levelling and LED Daytime Running Lamps (DRLs)
- Dusk sensing headlamp (with auto-off)
- Front and rear parking sensors
- Electroluminescent combimeter and Multi Information Display
- 40/20/40 folding second row seats
- Multi-Terrain Select
- 7-seat capacity for Turbo diesel models
- Stainless steel window moulding
- 4-zone climate control air conditioning
- 9-speaker 9" Electro Multi-Vision (EMV) audio with USB<sup>3</sup>, AUX<sup>3</sup> input, digital radio<sup>14</sup> and Bluetooth<sup>®13</sup>
- Power adjustable driver and front passenger seats

4-zone climate control air conditioning (Overseas model shown)

# LandCruiser Sahara

## In addition to, or in replacement of, VX features:

- Power back door
- Side mirror (heated exterior mirrors with Electro-Chromatic and Memory features)
- 4-camera Multi Terrain Monitor<sup>7</sup> with Back Guide Monitor
- Cool box
- Ventilated front seats
- Front and second row outer heated seats
- Illuminated scuff plates
- Active headrests
- 3-position driver seat memory
- Electrically adjustable woodgrain-look steering wheel
- Dual 11.6" Rear Seat Entertainment system
- Wireless phone charger<sup>8</sup>
- Blind Spot Monitor<sup>6</sup> with Rear Cross Traffic Alert<sup>6</sup>
- Toyota Safety Sense+ including Lane Departure Alert<sup>1</sup> (LDA), Pre-Collision Safety system<sup>1</sup> (PCS) with pedestrian detection,<sup>1,2</sup> Automatic High Beam<sup>1</sup> (AHB) and Active Cruise Control<sup>1</sup> (ACC)

# Colours fit for the King.

The LandCruiser 200 is available in ten colours,<sup>15</sup> each a regal finish to an imposing presence. All you need to do is choose the one that best suits your purpose and personal style.

# Legendary, any way you want it.

As Australia's proven 'King off the Road,' LandCruiser is ready for any challenge. That's why you can choose from a huge range of Toyota Genuine Accessories<sup>17</sup> to help make your mission even easier. These are the only accessories available for your LandCruiser 200 that have been specifically designed and manufactured

by Toyota to fit and function perfectly. And each and every one of them is made legendary LandCruiser tough and backed by our Toyota Warranty.<sup>18</sup>

To find out more, go to  
[www.toyota.com.au/landcruiser-200/accessories](http://www.toyota.com.au/landcruiser-200/accessories)

Sahara in Onyx Blue<sup>16</sup> shown accessorised with alloy bullbar,<sup>19</sup> driving lights, bonnet protector, weathershields, 18" alloy wheels<sup>20</sup> and roof racks. All accessories sold separately.

Alloy bullbar<sup>19</sup>

Bonnet protector

Nudge bar<sup>19</sup>

Steel bullbar<sup>19</sup>

Tow bar tongue, tow ball and trailer wiring harness<sup>21</sup> (Each sold separately)

Rear parking sensors

Roof racks (2-bar set)

Alloy roof tray (Roof racks sold separately)

Weathershields (Sold separately)

All-weather rubber cargo mat  
(GXL model shown. Dimensions of accessory may vary depending on the model)

Cargo barrier (GXL model shown. Dimensions and design of Cargo barrier may vary depending on the model)

Rubber and carpet floor mats  
(Carpet floor mats not available on GX)

Canvas seat covers  
(Only available on GX model)

## The Toyota Advantage.

Every Toyota gives you a lifetime of advantages. That's what makes it a Toyota. You'll enjoy legendary Toyota value from the moment you drive away, and you'll continue to appreciate the quality, safety and innovation that's engineered into each model, every day you drive.

Discover the full range of products and services and find your nearest Dealer at [toyota.com.au](https://toyota.com.au)

### **A smarter way to buy.**

Toyota Access puts you in complete control when buying a new car.<sup>22</sup> Drive out of the Dealership with a clear road ahead then drive back a few years later with more options at your disposal than ever before. Whatever stage you're at in life, Toyota Access puts you in the driver's seat with ongoing flexibility and assurance. To discover Toyota Access for yourself visit [toyota.com.au/access](https://toyota.com.au/access)

### **Capped price servicing<sup>23</sup>**

A new Toyota means you don't have to worry about unexpected service costs. Every Toyota comes with a low, capped price service cost for a set number of years/kilometres. Pay the same low capped price from one eligible logbook service to the next for up to three years or 60,000km, whichever occurs first (including Genuine parts, labour and fluids). For the full benefits consult a Toyota Dealer or visit [toyota.com.au/advantage](https://toyota.com.au/advantage)

### **We've got your back.**

Every new Toyota is built to exceptional standards, backed by a three year/100,000km<sup>24</sup> warranty, giving you the peace of mind to feel confident for years to come. In the unlikely event that you need them, every Toyota Service Centre is committed to providing any warranty repairs you may need. They have the technology, the tools, and the skilled personnel to keep your Toyota in excellent condition.

### **Finance to get you going.**

If you need a little help, Toyota Finance<sup>25</sup> can offer you a wide range of vehicle financing. With Toyota Finance, you'll have the peace of mind of dealing with one of Australia's leading vehicle finance corporations with over 30 years experience. And with a range of flexible products and services to suit almost every need and circumstance, Toyota Finance can help find the right package for you or your business.

### **Even more protection.**

Our Comprehensive Motor Vehicle insurance policy is packed with great benefits including; agreed value cover, new vehicle replacement if your Toyota is written off within the first 3 years, Genuine Parts Promise and a Lifetime Repair Guarantee on repairs authorised by Toyota Insurance.<sup>26</sup> And our Toyota Insurance Factory Approved Extended Warranty Insurance provides protection that continues after your Toyota New Vehicle Warranty ends.

### **Extend your peace of mind.**

Whether it's a flat tyre, lost keys or a flat battery, Toyota Extra Care Roadside Assist is never more than a phone call away. Available 24 hours a day, seven days a week, every day of the year, you'll have peace of mind, whatever your emergency.<sup>27</sup>

- 14 Digital radio station coverage dependant on vehicle location.
- 15 Toyota Australia reserves the right to vary and discontinue the current interior and exterior colours, trims and colour/trim/model combinations. Colours and trims displayed here are a guide only and may vary from actual colours due to printing/display process. See your Toyota dealer to confirm colour/trim/model availability when ordering your vehicle. Metallic/mica pearlescent paint is optional and subject to additional charges on most models.
- 16 Paint featured is an optional extra at additional cost.
- 17 Toyota Genuine Accessories are not applicable to all models/grades. Consider the mass of your load to ensure you will not exceed the maximum allowable individual axle capacity, Gross vehicle Mass and/or Gross Combined Mass of the vehicle. Refer

## IMPORTANT NOTICE – PLEASE READ:

Toyota Australia uses its best endeavours to ensure material is correct when published. Check with your authorised Toyota dealer when ordering to ensure the vehicle with your chosen specifications, equipment and colour is available and can be delivered within the timeframe suitable to you. When ordering accessories, check with your authorised Toyota dealer to ensure the accessory's design, features and colours are available and fit your vehicle. Ensure the mass of your load does not exceed the maximum allowable individual axle capacity, Gross Vehicle Mass and/or Gross Combined Mass of the vehicle. Refer to [toyota.com.au](http://toyota.com.au) for further details. Colours displayed are a guide only and may vary from actual colours due to printing/display processes. Certain accessories when fitted will require the removal of standard equipment, which may be retained by Toyota Australia or

to the current Accessories brochure or visit [toyota.com.au](http://toyota.com.au) for details on warranty and [toyota.com.au/vehiclepayload](http://toyota.com.au/vehiclepayload) for details on vehicle payload to help determine Accessories suitable for your vehicle. Accessory colours shown may vary from actual colour due to the printing process.

- 18 All Toyota Genuine Accessories purchased and fitted to a Toyota are warranted for the remainder of the New Vehicle Warranty or 12 months, whichever is greater. Toyota Genuine Accessories purchased from an authorised Toyota Dealer over the counter are warranted from the date of purchase for one year. Conditions apply. The Toyota Genuine Accessories Warranty does not limit and may not necessarily exceed your rights under the Competition and Consumer Act 2010.
- 19 For vehicles fitted with front cameras, fitment of a Nudge Bar, Bull bar will reduce the field of vision.
- 20 Not available on GX models.
- 21 Towing capacity is subject to regulatory requirements, tow bar, vehicle design and towing equipment limitations. Ask your Dealer for Toyota Genuine Tow bar capacity and availability details.
