

Commercial
Vehicles

The Amarok

Uncompromising off-road. Spirited on the asphalt
The Amarok combines everything that you expect from an exclusive, premium, class leading vehicle.

Unique drive combination

The enhanced grip of the Permanent 4x4 (4MOTION) system paired with an 8-speed automatic gearbox. Selectable 4X4 system with high and low range available with variants fitted with the 6 speed manual gearbox

Powerful Diesel engines

Choice of three engines - a responsive 2.0L 4-cylinder engine with 132kW of power and up to 420Nm of torque (400Nm for manual transmission) and two V6 3.0L engines - 165kW with 550Nm of torque (500Nm for manual transmission) or 190kW and 580Nm of torque

Overboost

Unique to Amarok V6 models you can have more overtaking power on tap with a quick burst delivering up to 180kW for TDI500 and TDI550 variants or 200kW for TDI580

Striking exterior design

An aggressive exterior look, combined with alloy wheels, makes the Amarok range everything you expect from a premium, class leading vehicle

Modern interior design

Redesigned dash panel, including air-vents and upper dash storage space

Advanced infotainment systems

New audio and navigation system, along with App-Connect™ and voice recognition

Multi-Collision Braking System*

This new system triggers braking post collision to help prevent secondary collisions

Largest tray in its class

With a load area over 2.5m² in area and able to fit a pallet between the wheel arches

Stopping Power

Unique to the Amarok V6 models are 332mm disc brakes up front and 300mm disc brakes in the rear

High level of grip on every terrain

Outstanding off-road ABS and Hill Descent Assist

Pretty

~App-Connect is compatible for selected apps with the latest smartphone versions of iOS and Android, active data service, and connection cable (sold separately).

*Safety technologies are designed to assist the driver, but should not be used as a substitute for safe driving practices.

y, Rugged

Amarok V6 Range

Standard equipment Amarok Core 4x4

Exterior

- 16-inch 'Korama' alloy wheels
- Halogen headlights with LED daytime running lights
- Park distance control rear with reverse camera
- Black rear bumper with step

Interior

- Austin cloth seat upholstery
- Instrument cluster with multi-function Plus display
- Leather-covered multi-function steering wheel
- Cruise control
- Single zone air conditioning system
- Composition Media audio system
- App-Connect™ USB interface
- Rear parking sensors with Rear View Camera*
- Multi-Collision Braking system*

Standard equipment Amarok Core V6

Exterior

- 17-inch Posadas alloy wheels
- Radiator grille with chrome element
- Extended wheel arches
- Front fog lights

Interior

- Austin cloth seat upholstery
- Instrument cluster with multi-function Plus display
- Leather-covered multi-function steering wheel
- Cruise control
- Single zone air conditioning system
- Composition Media audio system
- App-Connect™ USB interface
- Rear parking sensors with Rear View Camera*
- Multi-Collision Braking system*

Standard equipment Amarok Sportline V6

Core V6, plus:

Exterior

- 18-inch Manaus alloy wheels
- Radiator grille with chrome elements
- Comfort closing lockable rear tailgate
- Colour-coated exterior mirrors, partially chromed
- Rear privacy glass
- Rear bumper, chromed, with integrated step
- Tinted tail lights

Interior

- Salipra cloth seat upholstery
- Dash panel with decorative inserts in bright silver
- Dual-zone Climatronic air conditioning system
- Four 12V sockets, (three in cabin and one in tray)
- Front and rear parking sensors with Rear View Camera*

~App-Connect is compatible for selected apps with the latest smartphone versions of iOS and Android, active data service, and connection cable (sold separately).

*Safety technologies are designed to assist the driver, but should not be used as a substitute for safe driving practices.

Standard Equipment Amarok Highline V6 TDI580

Sportline V6, plus:

Exterior

- 18-inch Rawson alloy wheels
- Bi-xenon headlights with LED daytime running lights
- Stainless steel styling bar
- Stainless steel side steps
- Front fog lights with cornering function

Interior

- Discover Media navigation system
- Alarm with interior monitoring
- Safelock (deadlocking) system

Standard equipment Amarok Aventura V6 TDI580

Highline V6 580, plus:

Exterior

- Silver 20-inch Talca alloy wheels
- Moulded styling bar (body coloured)
- Stainless steel side steps with illumination
- Special cargo area coating

Interior

- Nappa leather appointed upholstery* in black
- ergoComfort seats for driver and front passenger (14-way electric, 2-way manual)
- Instrument cluster with Premium Colour multi-function display
- Leather-covered multi-function steering wheel with paddle shifters
- Stainless steel pedals
- Tailored carpet mats

*Leather appointed seats have a combination of genuine and artificial leather, but are not wholly leather.

When Power Is Everything

The legendary Volkswagen 2.0L TDI engine The 2.0L TDI 4-cylinder engine

With up to 132kW of power and 420Nm of torque, the 2.0 TDI has proven itself as worksite and bush trail ready. With not one but two turbo-chargers, this Bi-turbo unit delivers power and torque from super low revs ensuring a smoother and more enjoyable driving experience.

2.0L TDI400 (132kW, 400Nm)

Fuel consumption 8.4L / 100km**

CO₂ emissions: 220 g/km

2.0L TDI420 (132kW, 420Nm)

Fuel consumption 8.9L / 100km**

CO₂ emissions: 234 g/km

3.0L TDI500 (165kW, 500Nm) Overboost function up to 180kW

Fuel consumption: 9.7L / 100km**

CO₂ emissions: 254 g/km

3.0L TDI550 (165kW, 550Nm) overboost function up to 180kW

Fuel consumption: 9.1L / 100km**

CO₂ emissions: 240 g/km

3.0L TDI580 (190kW, 580Nm) overboost function up to 200kW

Fuel consumption 9.5L / 100km**

CO₂ emissions: 250 g/km

**Fuel consumption figures according to Australian Design Rule (ADR) 81/02 derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted, will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

ng V6

Powerful like no other The V6 3.0L TDI engine

Available in three power outputs producing 165kW and 550Nm of torque (500Nm for manual transmissions) or 190kW and 580Nm of torque. The V6 turbodiesel engine has more than enough power reserves even in the most demanding situations. With Overboost, you can ramp up the power even more when you need it most with a quick burst of either up to 180kW or 200kW, depending on your engine, while also prolonging maximum torque delivery. Optimised in 3rd and 4th gear, the Overboost function increases the engine's output for up to ten seconds, making it ideal for overtaking.

Permanent 4MOTION

Selectable 4MOTION

01 Permanent 4x4. This always-on 4x4 system with Torsen differential excels on all surfaces. Torque is mechanically distributed from front to rear (40:60) with the ability to drive distribution to each wheel optimised by traction control intervention (available with automatic transmission only).

02 Selectable 4x4. The 4x4 drive system with a transfer case enables the front wheels to be electrically engaged and disengaged while driving. On steep inclines or longer stretches of challenging terrain an additional reduction gear set can also be engaged (available with manual transmission only).

8-speed automatic gearbox

03 8-speed automatic gearbox. The Amarok is the only vehicle in its class that offers the flexibility and performance of the 8-speed automatic transmission. The 1st gear is designed for off-road driving, whereas the 8th gear is optimised for economy driving at highway speeds.

04 6-speed manual gearbox and Selectable 4x4 4MOTION (not illustrated). The robust 6-speed manual gearbox offers responsive and smooth gear changes for all driving conditions. The manual transmission is combined with the dual range Selectable 4x4 system (available on Core models only).

01 Side slope angle. The broad track of the Amarok provides enormous stability even when driving along slopes with up to a 50° incline.¹

02 High-climbing ability. The Amarok handles 100% (45°) grades with up to maximum payload.¹

03 Off-road ABS. Once activated, the wheels lock when braking on loose surfaces with a larger interval, essentially creating a wedge which significantly reduces the braking distance. This noticeably increases the driving safety.

04 Approach/departure angle and wading depth. The maximum slope angle for the Amarok is 28.0° at the front and 23.6° at the rear. It can handle pools with a wading depth of 500 mm.

King

100% incline, 50° gradient
and off-road ABS
**Outstanding all terrain
performance**

Asphalt, dirt, gravel. In the Amarok you will experience the ultimate in driving capability on almost any terrain. It combines high ground clearance with rigid body stability along with the proven 4MOTION all-wheel drive system. This vehicle also comes into its own on the road, with the Torsen® differential significantly increasing traction while cornering.

¹ Figures may vary depending on the equipment line and engine type. Please note that these are statically calculated figures.

Of The Hill

Highline model shown

Premium equipment

The only vehicle in its class with ergoComfort seats

The Amarok Aventura (shown) offers a premium leather appointed upholstery seats[#] with additional under-seat storage, rear grab handles and individual map lamps. In addition, the Amarok Aventura offers a leather-wrapped multi-function steering wheel with shift paddles as well as front 14-way adjustable ergoComfort seats.

[#] Leather appointed seats have a combination of genuine and artificial leather, but are not wholly leather.

01 Composition Media system

The crystal clear 6.33" colour touch screen is packed with the latest multimedia functions, including App-Connect™ and Bluetooth®. For added convenience the telephone functions can be voice activated.

| CE | CE6 | SL |

02 App-Connect™

With this function, selected apps are mirrored from your smart phone to the touch screen of the radio or navigation system display via the USB port and controlled using the touchscreen.

| CE | CE6 | SL | HL | AV |

03 Discover Media navigation system.

In addition to the functions of the Composition Media radio system with six loud speakers, there is a second integrated SD-card slot which is compatible with the SD-card with the map data.

| HL | AV |

04 Voice Control.

You are free to operate the telephone and audio functions without taking your hands off the steering wheel. Furthermore, you can call up virtually all menus and notifications on the radio using voice control.

| CE | CE | CE6 | SL | HL | AV |

05 Climatronic air conditioning. This system offers 2-zone temperature control for the driver and front passenger. Depending on the intensity of the sun's rays and the outside temperature, the air conditioning adds more or less cool air accordingly.

| SL | HL | AV |

*App-Connect is compatible for selected apps with the latest smartphone versions of iOS and Android, active data service, and connection cable (sold separately).

01

01 Cargo area coating. The UV-resistant special coating in anthracite provides excellent protection against mechanical and chemical wear. | AV |

02

02 Load light. The exterior load light helps illuminate the tray, ideal for early starts or late finishes.

| CE | CE6 | SL |

The smoothest moving tailgate. The comfort feature makes opening and closing the tailgate a breeze, while still rated to carry up to 200kg. | SL | HL | AV |

12V socket (not illustrated). A 12V socket is fitted on the inside of the left side panel. | SL | HL | AV |

Packs a pallet

The widest tray in its class

No other pickup provides so much space between the wheel arches: the loading width of 1,222 mm even enables Euro pallets to be loaded crosswise. The spacious cargo box with a 2.52 m² load surface features convincing dimensions – such as the 508 mm high side panels and the low loading sill height of 780 mm.

Safety systems*.

03 Automatic Post-Collision Braking System. Triggers braking after a collision, with the aim of preventing secondary collisions. After a short delay, the vehicle begins phased braking action down to 10 km/h. | CE | CE6 | SL | HL | AV |

Electronic Stability Programme (not illustrated). Prevents under or over-steering via targeted braking of individual wheels. | CE | CE6 | SL | HL | AV |

Front and head/thorax airbags (not illustrated) for the driver and front passenger. | CE | CE6 | SL | HL | AV |

Height-adjustable head restraints (not illustrated) and 3-point seatbelts are featured throughout, with pretensioners on the front seats. | CE | CE6 | SL | HL | AV |

332mm disc brakes in the front, 300mm disc brakes in the rear (not illustrated). Offer an optimum performance during high brake loads. | CE6 | SL | HL | AV |

Trailer Stabilisation (not illustrated). Configured for the Genuine Volkswagen tow bar wiring to compliment the Electronic Stability Programme, helping to reduce trailer sway. | CE | CE6 | SL | HL | AV |

Driver assistance systems*.

04 Static cornering light. Ensures optimal visibility in poor weather conditions. The fog light nearest to the corner illuminates the roadside when turning. | HL | AV |

05 Rear View Camera. Simplifies reversing by showing a limited view of the area behind the vehicle on the display. Static guidelines facilitate the parking process. | CE | CE6 | SL | HL | AV |

Hill Start Assist (not illustrated). Prevents the vehicle from rolling back on inclines and makes it easier to start off on uphill slopes. | CE | CE6 | SL | HL | AV |

Hill Descent Assist (not illustrated). Allows you to drive down slopes in a safe, controlled way by governing the engine speed and applying the brakes, if necessary. | CE | CE6 | SL | HL | AV |

Park Pilot (not illustrated). Emits audible warnings when obstacles are detected behind the vehicle when parking. | CE | CE6 | Emits audible warnings at the front and rear of the vehicle when parking. | SL | HL | AV |

Cruise control (not illustrated). As of a speed of 30 km/h, it maintains the set speed depending on uphill and downhill inclines. | CE | CE6 | SL | HL | AV |

Tyre Pressure Monitoring System (not illustrated). Warns when there is a deviation in tyre pressure and indicates the driver to check tyre pressure as soon as possible. | HL | AV |

Mechanical rear differential lock (not illustrated). When activated ensures both rear wheels receive the same amount of power and rotations. This offers optimal traction on sandy or slippery surfaces. | CE | CE6 | SL | HL | AV |

Tough Not

Sporty and distinctive
Create a strong impression

With its stainless steel styling bar and side steps, striking front design and 18-inch Rawson alloy wheels, the Amarok Highline model creates a strong impression.

The frontal design features two double chrome strips, honeycomb grille highlights and a more aggressive fog light design.

Please note that Metallic and Pearl effect paint are optional at additional cost. The print process does not allow for exact reproduction of the exterior or the upholstery colours. Not all colours are available with optional body coloured bumpers and/or roof height increases.

Please contact your Volkswagen Dealer for further information on colours and upholstery combinations.

Peace of Mind

5 years Unlimited Kilometre Warranty

At Volkswagen, we pride ourselves on the highest quality standards that come with German engineering.

We back this commitment with a 5 year unlimited kilometre warranty on all new Volkswagen vehicles*.

1 year Roadside Assist

Every new Volkswagen comes with a 1 year Roadside Assist membership^.

That's 24 hour roadside assistance, emergency accommodation, car rental and towing as well as property and other assistance, all included for added peace of mind.

Volkswagen Care Plans

Volkswagen Care Plans† have you covered for your first 3 or 5 scheduled services, providing you savings off the total Assured Service Pricing RRP. It's convenient, hassle-free scheduled servicing easily available for purchase at your local Volkswagen Dealer.

Assured Service Pricing

Assured Service Pricing# gives you the transparency of knowing how much your service will cost up front.

Our Volkswagen Dealers have access to the latest diagnostic equipment and tools. Plus, they use Volkswagen Genuine Parts® to ensure your Volkswagen stays a Volkswagen.

You're in safe hands at your Volkswagen Dealer when it comes to servicing.

*Conditions and exclusions apply, see <https://www.volkswagen.com.au/en/owners-service/warranty.html>. Your rights under this warranty are provided in addition to, and in some cases overlap with, consumer guarantees under the Australian Consumer Law and do not limit or replace them.

^Volkswagen Roadside Assist is provided by AWP Australia Pty Ltd ABN 52 097 227 177 trading as Allianz Global Assistance, under an arrangement with Volkswagen Group Australia Pty Limited ABN 14 093 117 876. Conditions and exclusions apply, see <https://www.volkswagen.com.au/en/owners-service/roadside-assist.html>.

†Volkswagen Care Plans are available at participating Volkswagen Dealers for all models and covers standard items as contained in each scheduled service interval only. These Care Plans can only be purchased prior to the first scheduled service and up to 22,500 km/15 months (whichever occurs first) for all models except Volkswagen Crafter models, which is 30,000 km/15 months (whichever occurs first). The time frame takes effect from when the vehicle is first reported in our system as 'sold'. Discount structure varies by model. For details of what is not included in a scheduled service, see <https://www.volkswagen.com.au/en/owners-service/care-plans.html>.

#Assured Service Pricing applies to the first 5 standard scheduled services of your vehicle which are scheduled to occur at every 15,000 km/12 month interval (whichever occurs first) or for Volkswagen Crafter models only, 20,000 km/12 month interval (whichever occurs first). On or before 31 December each year, Volkswagen will publish the maximum price for a specified Scheduled Service that will be applicable from, and remain fixed for, the following calendar year only. For details on the Eligible Model List, pricing, items not included and for full terms and conditions, please see <https://www.volkswagen.com.au/app/locals/service-pricing-guide>.

Volkswagen Choice

Guaranteed Future Value

Naturally we understand that your Volkswagen represents a valuable investment, so we understand that you want to maintain it in premium condition. Volkswagen Choice[^] is a finance program tailored to the requirements of Volkswagen owners by providing assurance around your Volkswagen's future value[^], whilst offering simple monthly instalment financing options.

Whether you are selecting your new Volkswagen for business or personal use, you can choose the contract term that best suits your requirements. Enjoy the confidence that comes from having locked in a minimum value up front to be attributed to your vehicle at the end of your contract[^]. There are also no account keeping fees with a fixed interest rate.

*GFV terms offered subject to change.

[^]Volkswagen Guaranteed Future Value consists of an option to return your vehicle to Volkswagen Financial Services (VFS) ABN 20 097 071 460, Australian Credit Licence 389344, at the end of the term and requires VFS to purchase the vehicle at an agreed price determined by VFS, known as the Guaranteed Future Value (GFV). At the end of the term, you can elect to: (1) trade-in; (2) return; or (3) retain the vehicle by paying the GFV, which is a lump sum owed to VFS at the end of the loan term after all repayments have been made. You will be liable for any loan contract deficit and additional charges if you exceed the nominated kilometre allowance and/or the vehicle is not in an acceptable condition. Available on new and demonstrator Volkswagen vehicles for selected models. Contact your Official Volkswagen Dealer to verify eligible vehicles for this program. Fleet, government, rental buyers, hire car and chauffeur companies excluded.

Leather seat upholstery* | Black with seams in Ceramique

#Leather appointed seats have a combination of genuine and artificial leather, but are not wholly leather.

+Matte paint requires special care. If matte paint is not cleaned and maintained properly, the finish may be altered or damaged.

Please note that Metallic, Matte and Pearl affect paint are optional at additional cost. The print process does not allow for exact reproduction of the exterior or the upholstery colours. Not all colours are available with optional body coloured bumpers and/or roof height increases. Please contact your Volkswagen Dealer for further information on colours and upholstery combinations.
