

ALL NEW MG HS

Quality speaks for itself.

ALL NEW MG HS MADE FOR FAMILY LIVING

With purposeful, sporty looks and a spacious interior filled with comfort and intelligent features, it's easy to just get in and get away for the perfect escape. Relax in the generous seats as our smart tech smooths out the ride.

- **3 years or 60,000km warranty**
For complete peace of mind.
- **Spacious interior**
Class-leading room in the front, reclining seats in the rear.
- **Superior materials**
Soft-touch fabrics with leather options on Exclusive models.
- **Innovative technology**
Keyless entry, colour touchscreen, Apple CarPlay™, Android Auto and much more for added convenience.
- **MG Pilot**
Driver assistance suite to make your journey smoother and safer.

STYLE NEVER SHOUTS

All New MG HS has the bold lines and statement features of a thoroughbred SUV. At the front our stellar field grille perfectly frames our largest MG badge yet. Travel down the sleek lines, past the gleaming alloys, and to the rear you'll find the twin tailpipes and aluminium bumper exuding dynamic confidence.

THE MARK OF QUALITY LED daytime running lights

Bi-Function LED headlights with auto-dipping high beam

Front and rear LED sequential indicators

Electrically adjustable, folding, heated, body colour door mirrors

Panoramic opening sky roof

Silver roof rails

Power tailgate (DCT only)

18" diamond cut alloy wheels

Rear parking sensors and camera

THE SPECIFICATION SPEAKS VOLUMES

Life feels better when it's less effort. That's why comfort is paramount whenever you open the door and ease yourself into the soft touch seats of your All New MG HS. No other car in its class offers more shoulder, hip and head room in the front; while reclining rear seats, clever storage, folding cup holders and other clever features make sure you and your family want for nothing.

THE MARK OF QUALITY

Panoramic opening sky roof

Soft touch interior

Everything you touch from the dashboard and interior door trim to the leather seats, is created in rich, soft touch materials, in optional Black or Red/Black*.

Ambient lighting

Set a softer mood or create a sportier feel with the full spectrum ambient lighting options.

Superior seating

The carefully designed leather seats provide comfort and support in all the right places. With a one piece back, the sports seats are heated with electric six-way adjustment.*

Intuitive dashboard

Designed with style and simplicity, the All New MG HS dashboard is focused around a bold 10.1" colour infotainment touchscreen, compatible with Apple CarPlay™ and Android Auto™.

Actual BD specification may vary from vehicle shown.

MG PILOT

The MG Pilot suite of high-tech driver assistance technology gives you added confidence on the road. A selection of warning and alert features assist the driver, maintaining safety and simplifying everyday driving.

Adaptive Cruise Control (ACC)

Adaptive Cruise Control monitors the road ahead. As long as the road ahead is clear, ACC maintains the speed set by the driver. If the system spots a slower vehicle within its detection range, it gently reduces speed by releasing the accelerator or actively engaging the brake control system. If the vehicle ahead speeds up or changes lanes, ACC automatically accelerates back to the driver's desired speed.

Intelligent speed limit assist

The car will actively detect speed limit signs and alert the driver of the current speed limit by way of a symbol on the driver's instrument cluster. The symbol acts as a reminder to the driver, reducing the risk of exceeding the speed limit.

Active Emergency Braking (AEB)

At speeds below 12mph, the car will automatically apply its brakes to avoid a collision with a vehicle, bicycle or pedestrian. At speeds above 12mph, AEB will reduce the likelihood or mitigate the severity of an accident.

Blind Spot Detection (BSD)

This system keeps a lookout to help you change lanes safely. A radar sensor serves as BSD's electronic eye, registering objects in hard-to-see areas. Whenever there is a vehicle in the driver's blind spot, a visual signal will show next to the door mirror.

Traffic Jam Assist (TJA)

When Adaptive Cruise Control is turned on, Traffic Jam Assist continuously analyses the speed of the surrounding vehicles and compares it with its own driving speed. If the system detects dense traffic or a traffic jam at speeds below 35mph, the driver can activate TJA. The car will automatically follow the vehicle in front, controlling its acceleration, braking and steering within the same lane.

Intelligent high beam assist

When the headlight high beam is set to the AUTO position, the system automatically switches to low beam when it detects a vehicle ahead. This enables drivers to maximise the use of high beam, making night-time driving safer, without the risk of dazzling oncoming traffic.

Lane Keep Assist (LKA)

Lane Keep Assist uses a camera to detect lane markings ahead and monitors the vehicle's position in its lane. When the function detects the vehicle is about to unintentionally move out of its lane, it warns the driver by means of a visual, audible and steering wheel vibration. The car will also control the steering to keep within its lane.

CONNECTED COMMUNICATION

The innovative technology in All New MG HS is designed with people in mind. From the colour touchscreen to the integrated speaker system, this SUV is bristling with intelligent touches to keep you comfortable, connected and in complete control.

KEY FEATURES

- 10.1" colour touchscreen
- DAB audio
- Satellite navigation
- Apple CarPlay™
- Android Auto™
- 6-speaker audio system

AFTERCARE

Look after your car and your car will look after you... With an MG HS Service Plan, you can continue the care-free driving without the worry of unforeseen service costs. Your MG HS will be covered for up to three years or 60,000km mileage choices. RANCON British Motors Ltd. offers genuine parts, skilled service staff and the peace of mind that your MG HS is in a safe pair of hands. From oil changes to the batteries in your key fob, the MG HS Service Plan will keep your new car covered and you on the road.

3 year warranty

Built to the highest standards in our state-of-the-art factories, we are so confident of the quality and reliability of MG HS that we give it a 3-years manufacturer's warranty. Our warranty is for bumper to bumper and lasts for up to 3 year or 60,000km, whichever comes first. So, from day one, you can be sure that MG is right beside you!
