Ample Boot Space

With the rear seats down, there's 1,187L of boot space, and 359L with the seats up. This represents one of the largest boots in the ZS's class.

Full Virtual Instrument Cluster delivers clarity, sophistication, and a premium view of your car's performance.

Panoramic Stargazer Sunroof opens up to reveal one of the largest Panoramic Sunroofs in the small-SUV segment for added elegance, luxury, and practicality.

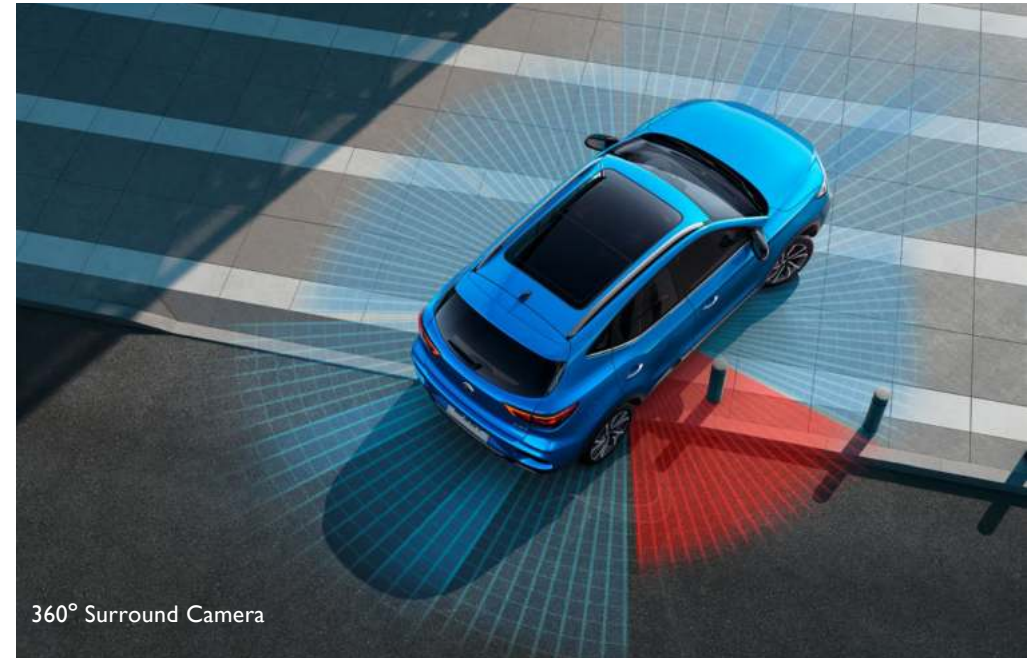

THE NEW BENCHMARK IN THE SAFETY ARENA

At MG, innovation runs deep.

So, when it comes to safety, we've gone above and beyond in the all new ZS by incorporating all the latest safety technologies into a single platform we call 'MG PILOT'.

With its 10 Active Driver Safety features as standard, MG PILOT is constantly sensing your surroundings, on the lookout for unseen hazards. With the ability to react autonomously in situations where driver safety is at risk, take comfort in the knowledge that you and your family are backed by a high-calibre safety intelligence system.

With 6 SRS airbags, standard on the ZS & ZST, this competitive SUV is the new benchmark in the safety arena.
