

The Audi A3

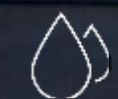

Distinct and sporty
Made to stand out from the crowd.

Introducing the Audi A3

 150hp

 232km/h

 5.4- 6.0L
/ 100km

At first sight, your eyes are drawn to the wide Audi Singleframe with its striking radiator grille in honeycomb look. The continuous should line extends to the rear door to emphasize the length of the Audi A3 with its wide track emphasizing it's athletic character.

The compact size of the Audi A3 provides easy maneuverability when around town without having you worrying about whether or not you'll fit into a space.

Matrix LED headlights is fitted into the car to help ensure that the road ahead is illuminated as much as possible without dazzling other drivers. The lights are able to function as cornering lights by shifting the focal point of the light along a curve.

Best in class spacious interior. The Audi A3 provides more space The spacious interior of the Audi A3

At the front of the driver sits the Audi virtual cockpit plus, the digital driver's display that will show you all sorts of information including a full screen map for easier navigation.

Centre of the Audi A3 sits the 10-inch Audi MMI display for your infotainment needs such as navigation, Bluetooth, Apple CarPlay and Android Auto or more

Set the mood in the Audi A3 with ambient lighting plus.

A choice of 30 colours to set the right ambience.

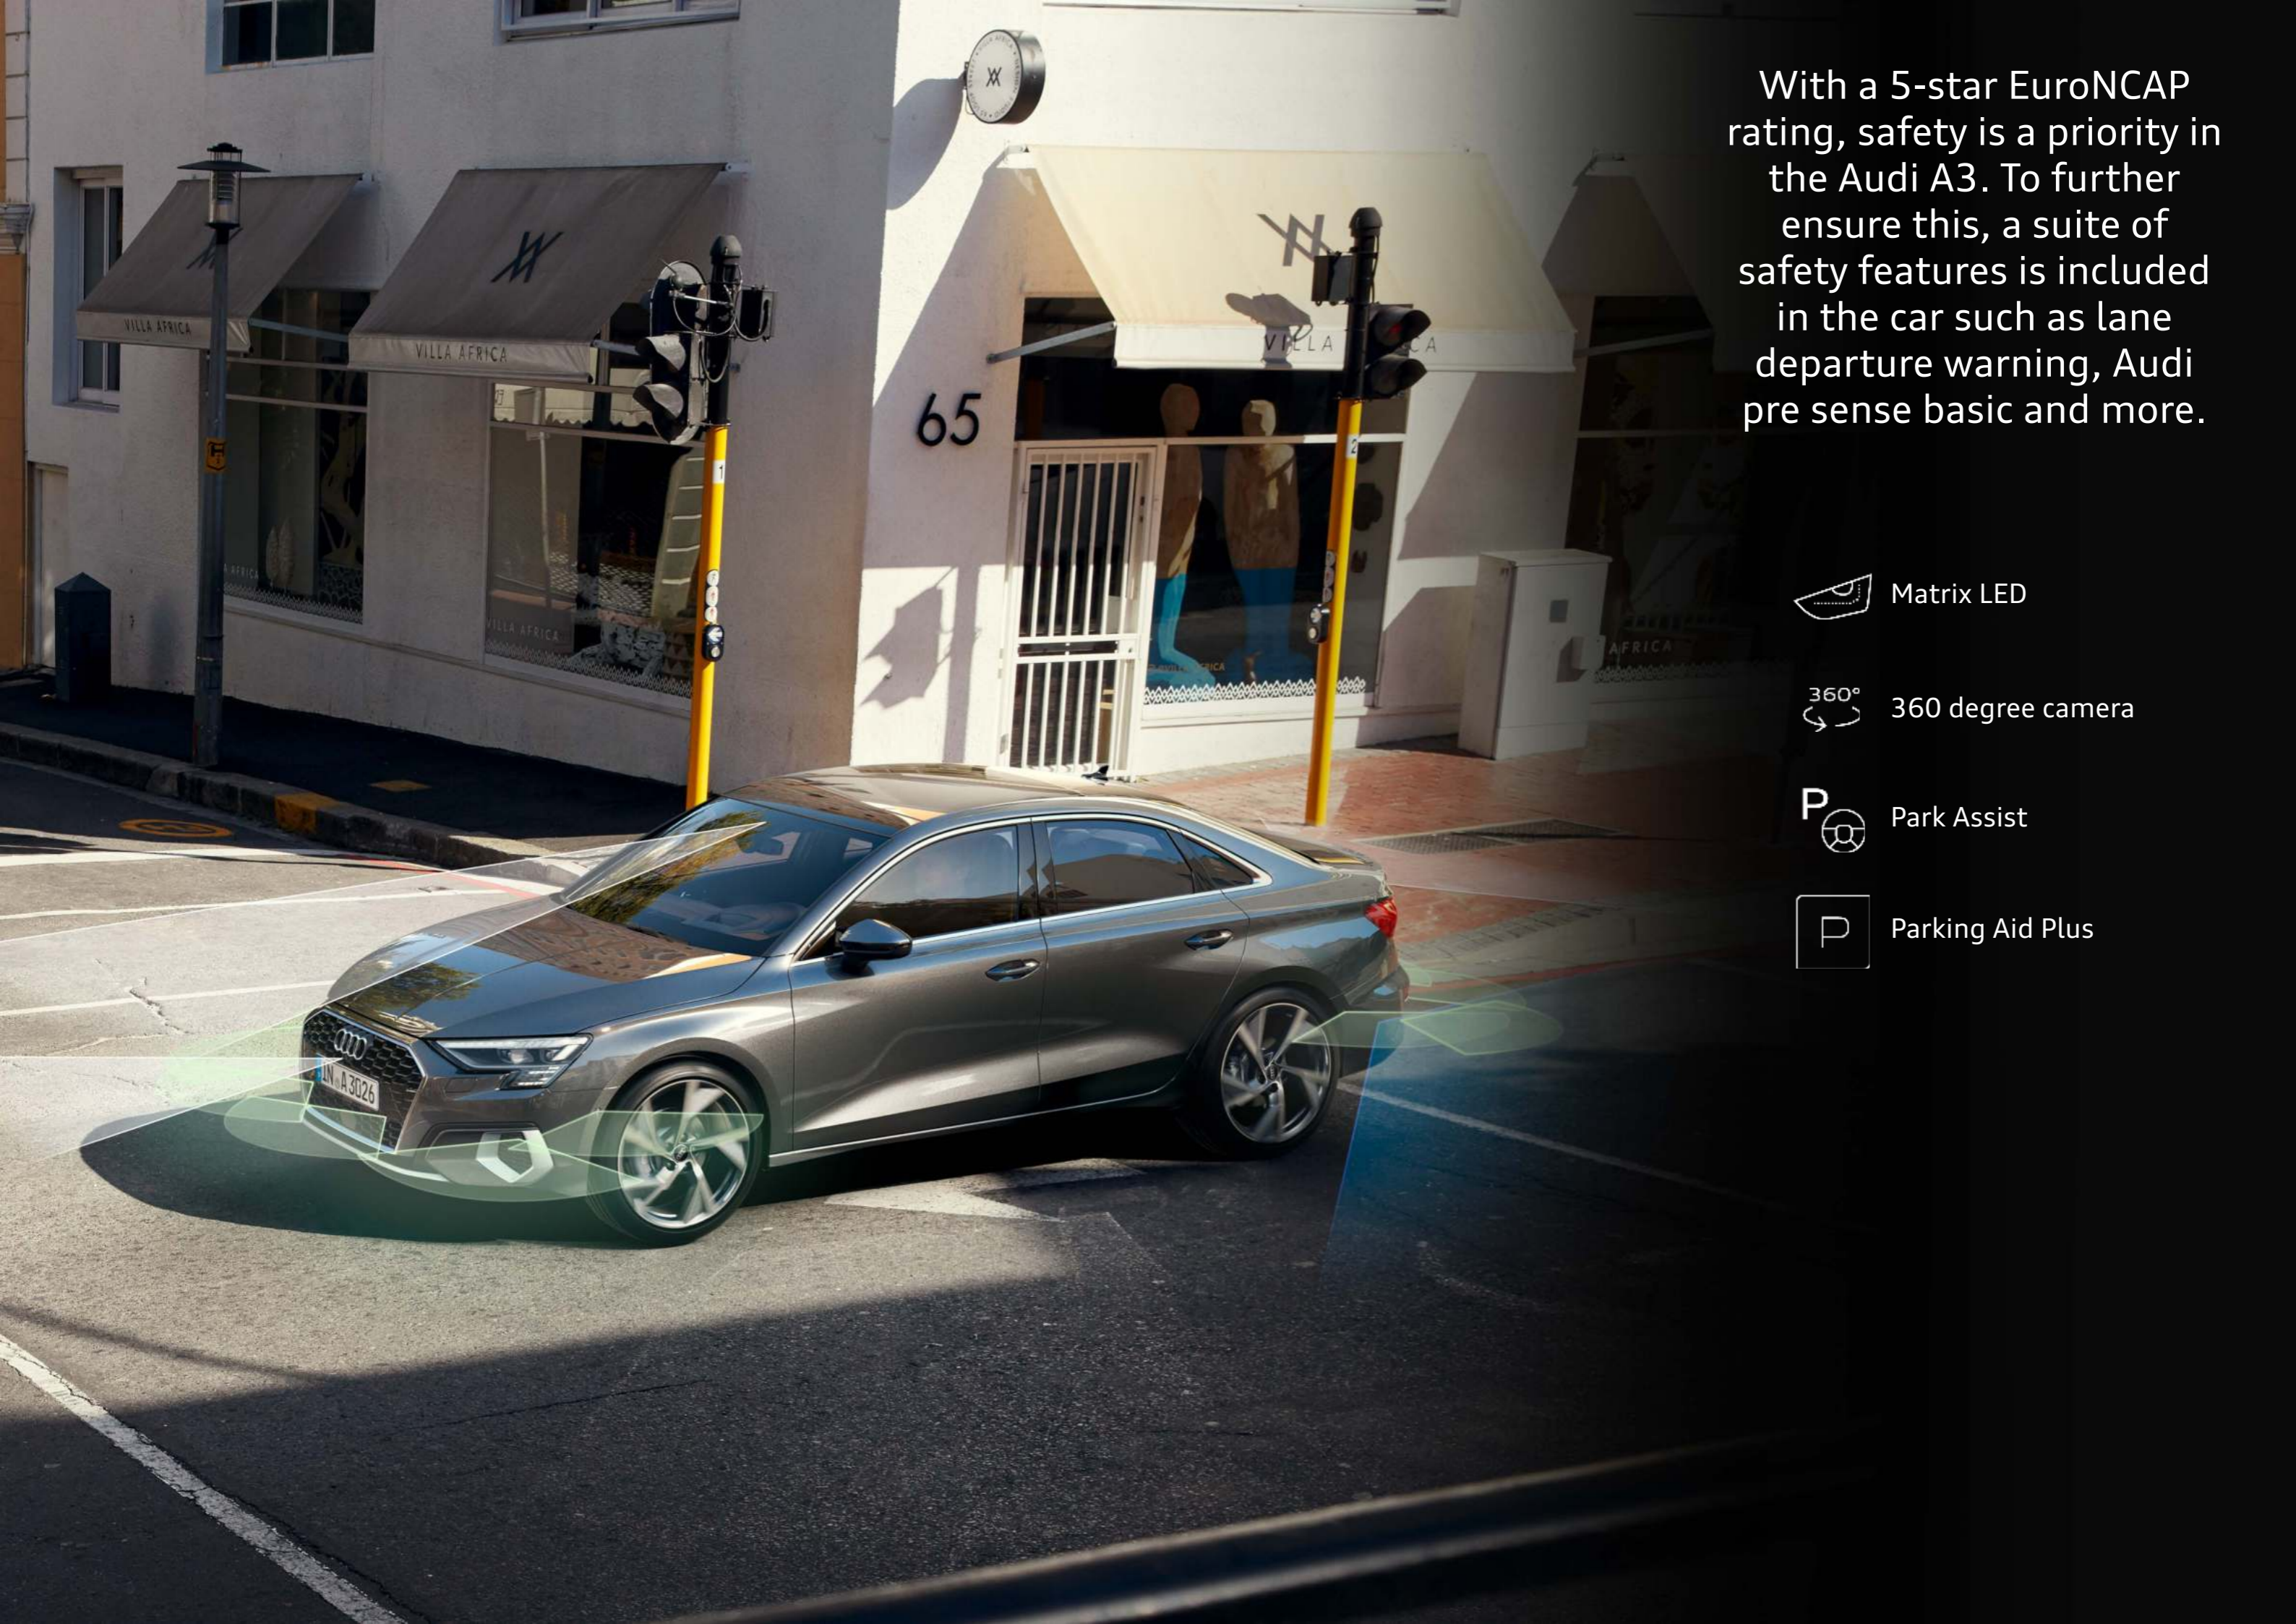

With a 5-star EuroNCAP rating, safety is a priority in the Audi A3. To further ensure this, a suite of safety features is included in the car such as lane departure warning, Audi pre sense basic and more.
