

SANTA FE

Wise and Wide Care

No matter what kind of day lies ahead of you, Santa Fe will always give you a great start. Whether you face your usual routine or a special occasion to surprise your family or a long-planned trip, Santa Fe will let you and your family move easily, comfortably and stylishly. Things are always better with Santa Fe, in all ways.

Rediscovering happiness.

Every new detail in the new Santa Fe, both visible and hidden, is geared towards one goal: family. Rediscover your family's happiness with upscale designs that brighten up daily routines, interior spaces big enough to accommodate all types of lifestyles and advanced technology that keeps everyone safe at all times. Stay focused on your family's happiness. Santa Fe will do the rest.

Making every day upscale.

Santa Fe's wide, distinctive grille merges seamlessly with the main headlamps while dynamic side proportions lead to the rear lamps, delicately wrapped around the edges of the vehicle. Santa Fe's perfectly-balanced stance will ensure an unrivaled presence on the road, helping you make every moment of your day brilliant.

Making every day comfortable.

Santa Fe's interior isn't just bigger – it's filled with more thoughtfulness for the entire family. The high center console's soft and plush leather surface offers the comfort of an armchair the moment you sit down, while the neatly-aligned buttons allow hassle-free control of various functions. The state-of-the-art digital cluster and LCD screen are visually attractive to watch as they provide you with meticulous care while you drive.

A button-type gear shift lever is located conveniently on the center console, while video images of the vehicle's side rear blind spots can be seen on the cluster, making tricky lane changes safe and easy. Different drivers can also conveniently select previously-saved profiles for preferred GPS settings, air conditioning, radio and other features.

Bridge-type High Console & Shift-By-Wire Automatic Transmission

12.3" Full LCD Cluster & Blind-Spot View Monitor (BVM)

10.25" Display & Personal Profile / Wireless Smartphone Charging System

Don't worry about extra family members or distances with the Santa Fe. A wide choice of seat variations and convenient features will accommodate everyone, everywhere. A simple button is all it takes to fold and slide the second row seats forward for easier access to the third row seats, while Santa Fe's new platform and layout design provides more room in the second row and cargo area, ensuring a comfortable journey for all. When both hands are full, thoughtful details like the Smart Power Tailgate will take a load off your shoulders.

2nd and 3rd Row Seats & Space

One-Touch Walk-in & Folding / Smart Power Tailgate

Smart technology used wisely.

Simply adding a lot of technology to a car won't make it safer. Rather, Santa Fe is designed to smartly minimize the dangers in our everyday driving environment to ensure safety. So the next time you feel at ease backing out of a tight space or parking in a tricky spot, just know that Santa Fe's got your back.

Reverse Parking Collision-Avoidance Assist (PCA)

This warns the driver if a collision risk is detected while reversing. If the risk increases even after the warning, it helps to automatically stop the vehicle.

Surround View Monitor (SVM)

4 HD cameras mounted on the front, sides, and rear of the vehicle show the surroundings in real time.

Diverse power options controlled easily.

Santa Fe's powerful driving performance boasts not only eye-catching numbers, but a wide range of options such as dynamic or comfortable driving, depending on the road conditions. Santa Fe also automatically recognizes the core driving tendencies of different family members, offering optimal driving modes for each driver.

2.5 MPi Gasoline Engine

180 Maximum Power
ps/6,000 rpm

23.7 Maximum Torque
kg-m/4,000 rpm

2.2 CRDi Diesel Engine

202 Maximum Power
ps/3,800 rpm

45.0 Maximum Torque
kg-m/1,750~2,750 rpm

Drive Mode

Simply turn knob to select the mode that suits you best: COMFORT for everyday driving, ECO for optimal fuel efficiency, SPORT for quicker acceleration, or SMART which automatically adjusts gear shift intervals based on recent driving patterns.

Multi Terrain Control

When the going gets tough, Snow, Mud and Sand modes assure optimal tire traction over different types of rough terrain. A quick glance at the center cluster or AVN will confirm terrain mode status.

Equipped with diverse driving capabilities and a new platform that provides a spacious interior, the new Santa Fe's power and flexibility make it a family SUV ready for any situation. Features such as its AWD system, which optimally distributes power to the front and rear wheels depending on the driving conditions, and enhanced cargo space and leg room in the second and third rows will ensure a comfortable ride for any journey.

HTRAC All-Wheel Drive

This system automatically senses slippery or unstable driving conditions that even the driver may not detect and proactively balances power between the front and rear wheels to ensure stability at all times.

Cornering

Slippery Road

New Body Platform

A new, next-generation platform has been applied to the Santa Fe, maximizing vehicle stability and creating more cargo space and legroom in the second and third rows. The new platform also brings with it significant improvements in collision safety, thanks to the increased usage of Advanced High-Strength Steel and hot stamping.

2nd Row Leg Room (7seats)

1,040mm

3rd Row Leg Room

746mm

Cargo Capacity (7seats, 3rd row folded)

max 782ℓ
