

The Rio

Movement that inspires

Capability and charm on the road to discovery

Welcome to the world of everyday possibility. The Kia Rio hits the sweet spot, combining efficiency, space, and performance. Equally at home on trendy streets or quiet country lanes, the Rio lives up to the sporty style of its exterior every time you set out to explore.

A red Kia Rio is shown driving on a city street. The car is in the foreground, moving towards the right. The background features a mix of modern and older buildings, trees, and pedestrians. The license plate is KYB 0929.

Striking at rest, tantalizing in motion

Attractive new aerodynamic contours are just part of what makes the Kia Rio so striking. Its smooth ride, agile handling and invigorating performance bring excitement to life.

A red Kia Rio is shown from a rear three-quarter view, driving on a city street. The car is moving towards the left, as indicated by the motion blur on the background. The street is lined with trees and buildings. In the distance, a large white arch bridge is visible. The sky is blue with some clouds. The car's license plate is KYB 0929.

A new style for everyday excursions

Sometimes beauty runs deep and endures. With winning style, as well as ample seating and cargo capacity, the Kia Rio lets you set out every day feeling like the world is yours to explore.

A vibrant red Kia Rio is parked on a city street. The car is positioned in the center-right of the frame, facing right. Behind it is a row of urban buildings, including a shop with large glass windows displaying various items. In the background, several tall skyscrapers rise against a blue sky with scattered white clouds. A tree with green leaves is on the left side of the frame, partially obscuring the view. The overall scene is bright and sunny, suggesting a clear day in a city.

Bigger, bolder and poised for adventure

Get ready for excitement. With a new look, more interior space, and lively performance, the Kia Rio has charm that deepens when you get behind the wheel. It's more than a city car. It's an everyday travel companion.

Logical ergonomic control for any situation

The cockpit prioritizes information and limits visual and manual distractions. The cluster presents driving data, while a center floating display simplifies access to a range of entertainment and comfort controls.

Stay informed, aware and totally focused

Technology has transformed daily life. But the devices and services we depend on have their time and place. The Rio offers a simple presentation of the information you need to see as you focus on driving.

Bluetooth multi-connection Pair one or two phones at once. Stream music from one phone and access Bluetooth functions via two phones.

Color 8" LCD touch-screen audio The 8" TFT-LCD touch-screen audio system displays artist and track names, station information and more, and can be controlled with the tap of a finger. The system is MP3-compatible.

USB audio input Flash drives and other compatible audio devices can be linked via the USB connection and accessed using the audio controls.

Supervision cluster with 4.2" LCD screen A tasteful, intelligently designed and customizable supervision cluster provides outside temperature and vehicle and trip data. Steering wheel audio remote control Adjust audio settings using just your thumb for enhanced driving safety.

Cruise control The cruise control can be activated using steering wheel-mounted controls, making it easy to set your desired speed in a safe manner.

A wide-angle photograph of the interior of a red car, viewed from the passenger side. The car features black leather seats with horizontal stitching. The front passenger seat has an "AIRBAG" label on the side. The dashboard is dark with a central infotainment screen and air vents. The steering wheel is black with a silver logo. The car is parked in a lot with buildings and trees visible through the windows.

Relax all the way there... and back

Up to five people can ride in comfort with plenty of room to stretch thanks to a longer wheelbase. Automatic air conditioning adds to the experience.

All the room needed to live out your dreams

Whether it's just another day or the trip of a lifetime, the Rio puts the good life that much more within reach. Get familiar with its clever approaches to stowing cargo and putting people at ease.

Full-folding 2nd row seats Rear seats fold fully flat, so when you need to, you can accommodate long or bulky items in the extended cargo space.

60:40 split-folding rear seats The rear seats split 60:40 and fold flat, giving you utmost flexibility in managing cargo and passenger space.

Luggage net An elasticized luggage net keeps luggage and other items from moving around in the cargo space.

Covering shelf A rear shelf keeps cargo out of view. Attached to the rear tailgate by cords, it lifts out of the way when the tailgate is opened.

The power to pull ahead of the pack

The Rio combines fuel saving efficiency with a constant reserve of power. Its handling around town is smooth and agile. And when speed is called for, you'll love the punch of performance it offers.

Engine	1.4 MPI	1.2 MPI
Displacement (cc)	1,368	1,248
Max. power (ps/rpm)	100/6,000	84/5,500
Max. torque (kg.m/rpm)	13.6/4,000	12/3,750
Mated transmission	6 M/T, 6 A/T	5 M/T

Automatic transmission A smooth-shifting 6-speed automatic transmission tranfers the engine's torque output to the wheels.

Manual transmission An efficient 6-speed or 5-speed manual transmission offers quick, smooth shifts and gear ratios matched to fit the engine's torque curve.

51%

AHSS application

The Rio uses more than 51% Advanced High Strength Steel (AHSS), which is a more than 54% increase from the previous model. This equates to phenomenal body rigidity that enhances cabin protection as well as dynamic performance.

8

zones with hot-stamped components

The Rio features hot-stamping of components in 8 core stress areas. The strengthened body structure helps provide improved crash protection.

97m

of structural adhesive

With almost three times the structural adhesive applied compared to the previous generation, the Rio is more rigid yet lighter, and features improved noise, vibration and harshness management.

A single-minded obsession with everything that could go wrong

We believe that a car has one paramount duty: to protect the people inside it and around it. The Rio features intelligent active safety technologies and substantial passive safety enhancements for your peace of mind.

6 airbags Protection includes front air bags for the driver and front-seat passenger, two air bags at the sides, and two curtain airbags running the length of the cabin.

Parking Distance Warning (PDW) For utmost confidence and peace of mind when maneuvering into and out of tight parking spaces, PDW uses ultrasonic sensors mounted on the front and rear bumpers to warn you of any nearby obstacles.

Rear View Monitor (RVM) Rear View Monitor with Parking Guidance gives you a live view of what's behind you. Lines superimposed on the image help you know how much space you have.

Breeze through your daily commute

The fluid lines of the Rio harmonize with the wind and help enhance fuel economy. Its nimble handling makes it the ideal vehicle for the quick turns and unexpected detours that are part of modern urban driving.

Practicality has never looked so good

Whether you choose it for aesthetics or practicality, the Rio makes versatility look alluring, while offering true enjoyment to anyone with a deep passion for driving. Take it to all the places you've been waiting to go.

The details that make the difference

Your car should deliver everything you expect and more.
Choose the options and accessories that will make it yours and yours alone.

Bi-function headlamps
High and low beams are integrated into the same lighting element, which is tastefully mounted within the clear protective housing.

Electric folding mirrors
The outside mirrors can be folded and unfolded conveniently with the push of a button.

Radiator grille
A sporty new grille design employs a smooth black insert that visually connects the light assemblies. Most of the airflow for cooling the engine now enters through the lower intake.

Aero blade wipers
Aerodynamic wiper blades maintain contact with the windshield even at high speeds.

Rear spoiler garnish
A rear spoiler improves the air vortex around the C-pillar for enhanced aerodynamics and downforce on the rear tires.

Rear Occupant Alert
Don't leave anyone in the rear seats when you park. Rear Occupant Alert tracks door-latch use, and reminds you with a message in the cluster.

Telescopic & tilt steering wheel
Adjust the steering column up and down, and in and out, to find just the right position for you.

Auto defog system
The auto defogger detects mist on the windshield and automatically deploys the fans to clear the glass rapidly.

ECM rear-view mirror
The Electro-Chromic Mirror automatically controls the glare from the headlamps of the car behind you at night.

Sunvisor illumination lamps
The bulb lamp above the vanity mirror on the driver-side sunvisor lights up to help you see yourself better in the mirror.

Manual climate control
Simple soft-touch switches and dials let you adjust the temperature quickly with minimal distraction.

Full Auto Temperature Control (FATC)
FATC lets you set a desired temperature for a comfortable ride in any weather condition.

Adjustable seatbelt anchor
The height-adjustable seatbelt anchors allow for seatbelts to be raised and lowered to achieve a perfect fit.

Front & rear door bottle holders
Drink bottles are easily on hand thanks to holders in both the front and rear door panels.

Rear USB charging port
Rear passengers can charge their electronic devices via the USB port mounted on the back of the center console.

Designed to fit your mood

Choose from a variety of appealing color and fabric treatments that make the interior of the Rio uniquely comfortable and refreshing.

Black One-tone Interior

EX optional grade Saturn Black artificial leather
Soft, bolstered seats with half-perforated Saturn Black artificial leather trim offer long-lasting comfort. Matching trim on the doors and dash give the interior a welcoming ambience.

EX standard grade Black cloth
The interior is upholstered in a combination of soft tricot and honeycomb-pattern, embossed tricot. Matching tones on the doors and the dash provide a consistently appealing look.

LX standard grade Black cloth
The interior is upholstered in a combination of soft tricot and woven cloth with a subtle triangular pattern. Matching tones on the doors and the dash provide a consistently appealing look.

Red Package Interior

Red can excite. A tasteful dark red livens up the dash, the door armrests and the seat edges, complementing the dominant black and gray tones with a hint of exotic sports car style.

Exterior colours and wheels

Nine enticing colour choices and four striking wheel styles complement the bold, aerodynamic exterior design of the Rio.

Exterior Colours

Clear White (UD)

Silky Silver (4SS)

Urban Green(URG)

Most Yellow (MYW)

Signal Red(BEG)

Sporty Blue (SPB)

Smoke Blue (EU3)

Perennial Grey (PRG)

Aurora Black Pearl(ABP)
