ALL NEW
MG GT

**BORN A
REBEL**

ALL-POWERFUL PERFORMANCE

A sleek, sporty sedan should deliver a smooth performance, and the MG GT exceeds expectations. Available in two variants, it impresses from the moment you ignite the engine. Choose the 1.5 Turbo model for a powerful, sporty drive; producing 162 HP and 250 Nm maximum torque, it propels you from 0-100km/h in only 8.5 seconds*. The 1.5L engine, meanwhile, is a high-efficiency option matched to an eight-speed iCVT gearbox, which can achieve a fuel economy of 5.7l/100km*. With a carefully developed sports chassis underpinning the model, you'll experience a drive that is stable, comfortable and above all, responsive.

SNAZZY INTERIOR

The MG GT blends the high levels of comfort you'd expect from a compact Sedan yet evokes the feeling of a fighter jet. Alongside the soft padded materials and Piano Theme-inspired dashboard aesthetics are bucket seats that envelop the body, providing optimum comfort and support on even the longest journeys. The fighter jet style glossy gear knob and aviation grade aluminum accents enhances the athletic quality further, while a wide sunroof complements the spaciousness of the cabin, flooding it with natural light.
