 EXTERIOR

THE ONLY WAY IS
THROUGH

Red (3R3)

EXTERIOR

REAR COMBINATION LAMPS

Tail lamps with a surface light emitting inner lens have been used to realize more uniform linear illumination, emphasizing the advanced impression and precision feel befitting the high grade.

*high grade only

WHEELS*

A distinctive machined graphic featuring the spokes blended with the rim expresses an agile impression.

OUTER MIRRORS

The outer mirrors are mounted on the door, thus ensuring excellent driver's visibility around the front pillar.

EXCELLENT REAR STANCE

The solid forms of the rear fenders are fused to the body and flared outwards, and the contrast with the aerodynamically tapered cabin expresses an imposing stance.

POWERFUL PUSHED-FORWARD FRONT

A form that passes through the fenders and connects with the grille emphasizes the pushed forward impression of the center. Together with the stable form of the lower bumper, this boldly expresses a 'Double Trapezoid' design.

 INTERIOR

INTERIOR

CABIN COMFORT

The roof headlining cross-section has been optimized to ensure ample head clearance, thus contributing to creating a spacious interior characteristic of an SUV.

SEAT DESIGN

Design features a unique silhouette with a sense of unity between the headrest and seat shoulder, and U-shaped sections on the seat cushion.

INSTRUMENT PANEL

The generous instrument panel cross-section is wrapped around to the door trims to give the impression of the space opening out, and its structure is supported by the console pillars and door grips, expressing the toughness of an SUV.

LUGGAGE COMPARTMENT

487L of storage volume without seats fold, ensuring practical car usage

SEAT MATERIAL*

A strong hubbly grain and perforations have been applied to genuine leather, giving the interior a premium impression.

*High grade only

*High grade only

ILLUMINATION LAMPS*

Illumination that gives the interior space a high-quality feel and an advanced impression has been adopted in consideration of convenience and comfort.

 **FEATURES**

Metal Stream (1K0)

FEATURES

COMBINATION METER

Ergonomically designed meters achieve excellent visibility. Large color Multi-information Display makes a range of information easy to read for intuitive operation. Functions can be used easily without having to remember procedures.

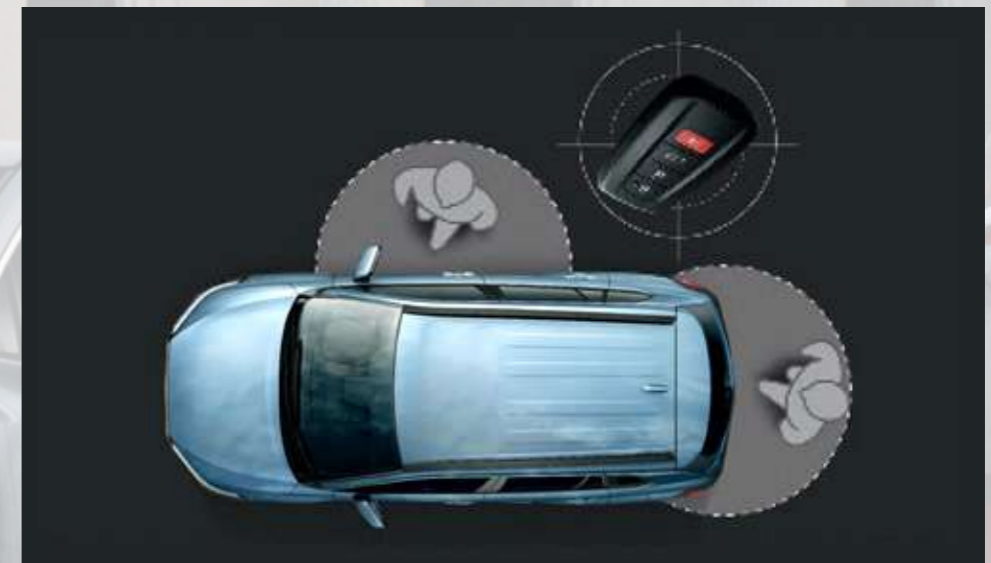

POWER BACK DOOR*

A highly convenient power back door equipped with an opening angle adjustment function and a kick sensor is available.

TOYOTA 7" TOUCH SCREEN INFOTAINMENT

Seamlessly transit from your mobile device to your car with this advanced touch screen system that lets you access your music, and answer phone calls.

SMART ENTRY SYSTEM

Enables driver to unlock & lock the vehicle without taking out the key.

 PERFORMANCE

Graphite (4x7)

PERFORMANCE

EXCELLENT DYNAMIC PERFORMANCE
AND "FUN TO DRIVE" CHARACTERISTICS

ENGINE

4-cylinders, in-line, 16-Valve DOHC, chain drive with Dual VVT-i. Improved with friction reduction and optimal heat management achieve excellent fuel efficiency.

TRANSMISSION

Torque converter with lock-up function

Achieved superb driving performance and boasting fuel efficiency with its lightweight design. The Sequential Shiftmatic control results in highly responsive gear changes.

5.2m

MINIMUM TURNING RADIUS

A class-leading minimum turning radius of 5.2 meters results in responsive handling

TNGA PLATFORM WITH DOUBLE WISHBONE REAR SUSPENSION

The optimal weight balance, torsion beam rear suspension and stronger vehicle body provide the stability, agility and visibility you need for a better driving performance.

Architecture

TNGA

AGILITY

TNGA is also designed for enjoyment in the All-New Cross that's easy to handle, with effortless and stable turning characteristics.

VISIBILITY

Narrowed pillars and strategically placed outer mirrors on the All-New Cross give a greater sense of wideness and space.

STABILITY

The All-New Cross has a lower centre of gravity for less roll during cornerings and enhanced vehicle stability.

 SAFETY

Celestite Gray (1K3)

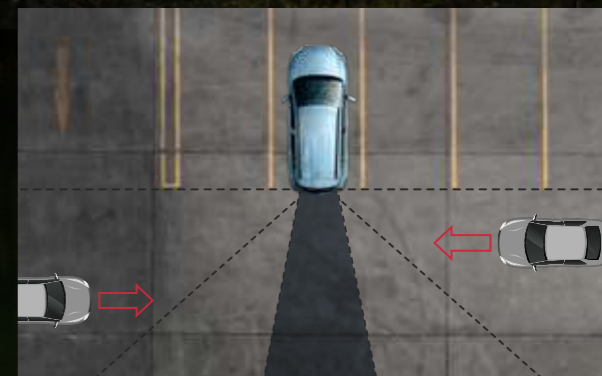

SUPPLEMENTAL RESTRAINT SYSTEM (SRS) AIRBAGS

7 SRS (Supplemental Restraint System) airbags available throughout the vehicle in consideration of occupant protection.

ENGINE IMMOBILIZER SYSTEM

The equipped engine immobilizer system prevents the vehicle from being started by any key other than the registered key.

BLIND SPOT MONITOR (BSM)*

Blind Spot Monitor supports the driver in visual confirmation when changing lanes by detecting other vehicles driving in or approaching the blind spot of the outer mirrors and alerting the driver of those vehicles.

*High grade only

REAR CROSS TRAFFIC ALERT (RCTA)*

RCTA detects approaching vehicles in the back with radar sensors and alerts the driver to presence of those vehicles.

*High grade only

CLEARANCE SONAR*

Clearance/back sonar available for notifying the distance from obstacles at the front and rear of the vehicle to enhance checking support and ease of use.

*High grade only
