

The Ultimate  
Driving Experience.®

**ADVENTURE<sup>x</sup> AND PRESENCE<sup>x</sup>.  
TO THE POWER OF X.**

**THE BMW X5 AND THE BMW X6.**

# LIFE IS AN ADVENTURE.

The latest BMW X5 Sports Activity Vehicle® and BMW X6 Sports Activity Coupé® exceed expectations and deliver outstanding luxury and comfort. Whether your journey takes you through the city or off road, you'll benefit from BMW's relentless commitment to innovation, efficiency and safety.

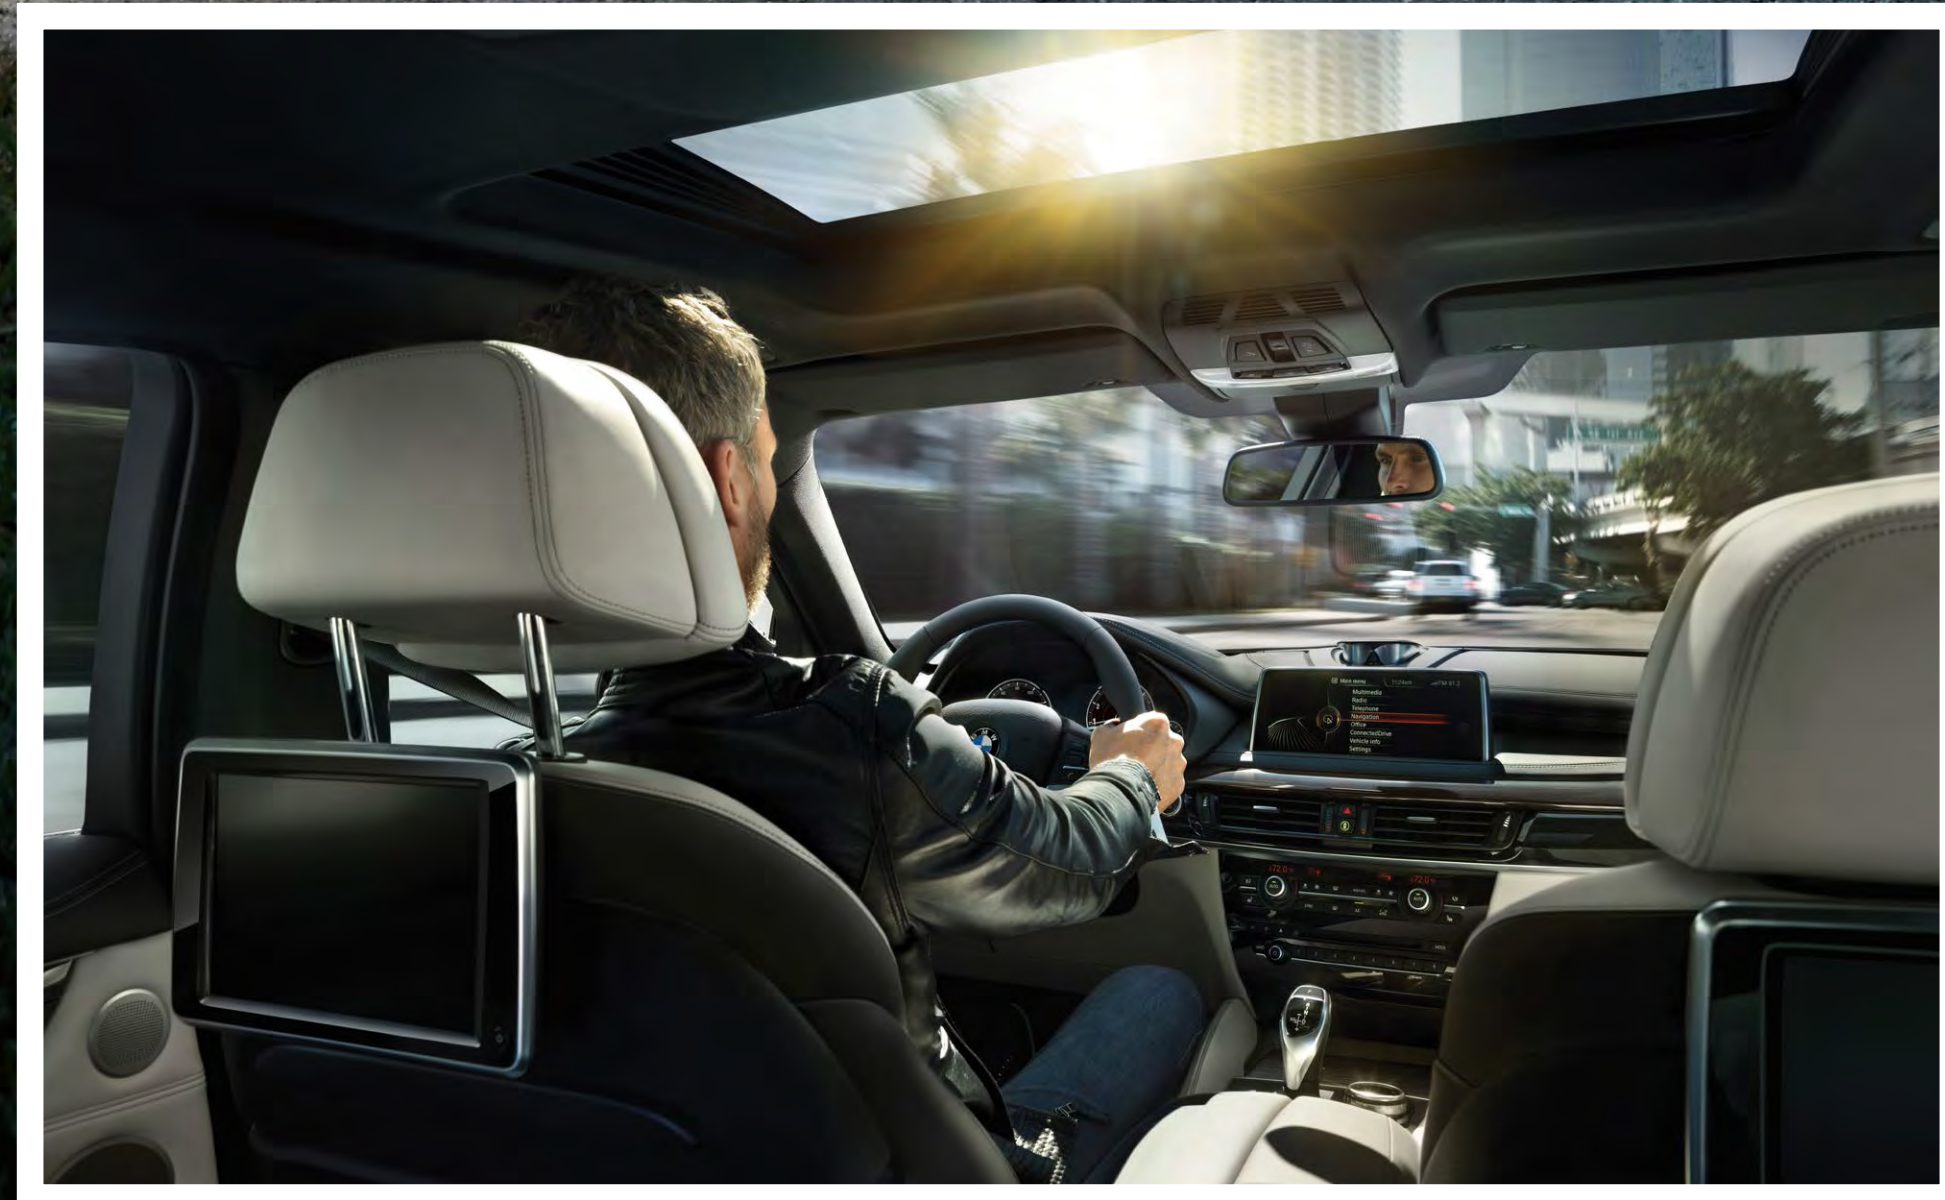

# MAKE A POWERFUL IMPRESSION.

## THE BMW X5.

The BMW X5's design excellence is evident in the vehicle's dynamic proportions, athletic side contours and an expressive front end with imposing kidney grille and Active LED Headlights. With its supple leather, refined surfaces, generous storage and atmospheric lighting, the X5 interior is sporty and comfortable. It is also versatile: a two-part tailgate provides easy access to smaller pieces of luggage, and the rear seat can be completely folded down via a 40:60:40 split. An optional third row seat can add two more passengers, accommodating room for up to seven people. For an extra boost of efficiency, the X5 xDrive40e offers all the quintessential X5 attributes while adding an electric motor for increased range. Travel up to 28 kilometres on electric power alone.

## LOVE AT FIRST SIGHT. THE BMW X6.

The BMW X6 is an imposing presence on the road, combining a solid SAV stance with the sportiness of a coupé. The kidney grille and large air inlets convey a commanding look, while horizontal contours in the rear highlight the wide, sporty stance. The interior was designed with the driver in mind. Step into the cockpit for an elevated seating position with a superior view of surrounding traffic. Enjoy intuitive controls and a multi functional instrument display. The cabin's soft leather seating, expertly detailed stitching and fine wood trims provide a sense of extravagance for driver and passengers alike.

## RULE THE ROAD.

Whether you're stuck in traffic, cruising along a highway or out on an open country road, you'll enjoy agile handling and a dynamic driving experience. The powerful V8 engine, with BMW TwinPower Turbo technology and 8-speed Sport Automatic Transmission, offers thrilling acceleration and responsiveness. BMW EfficientDynamics ensures driving pleasure while reducing fuel consumption and emissions.

### Dynamic Digital Instrument Cluster

Change your display based on the current Driving Dynamics mode engaged. The display will also change colours and automatically adjust to lighting conditions as you drive.

### Sport Automatic Transmission

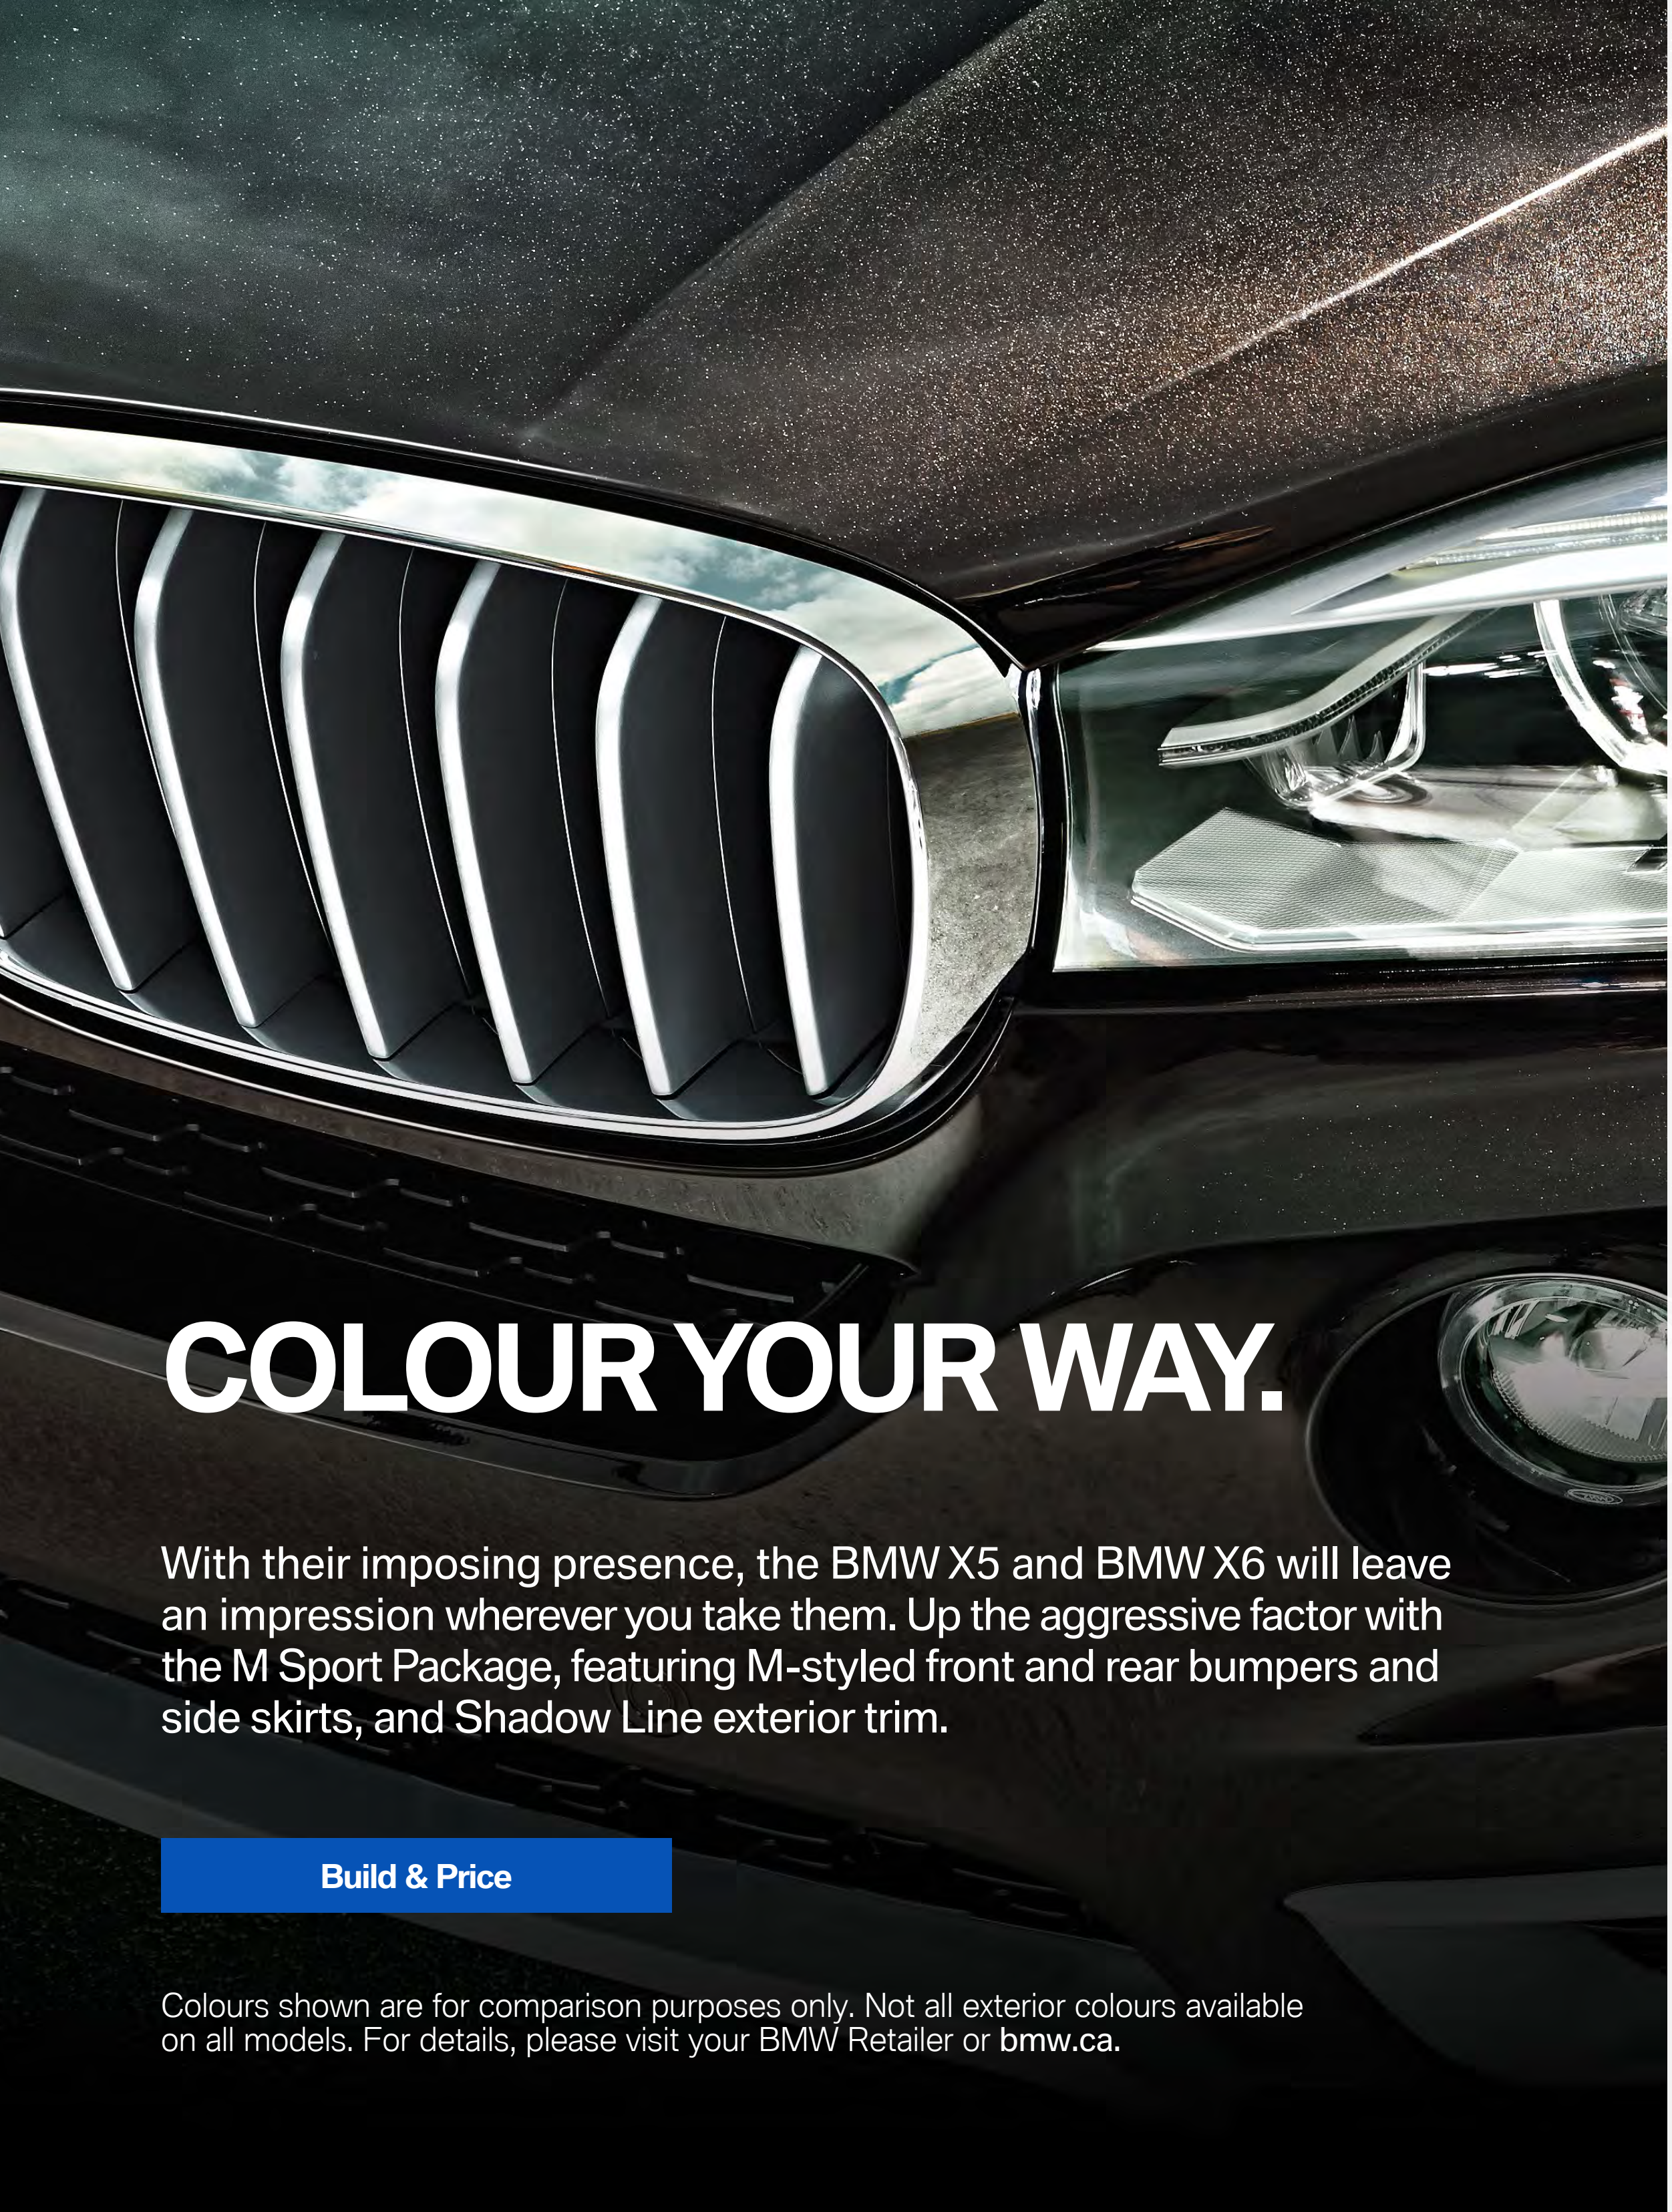

The 8-speed transmission features adaptive learning based on how you drive. Shift paddles behind the steering wheel offer lightning-fast response.

## ALWAYS CONNECTED.

Cutting-edge technology means you're always prepared for the road ahead. With a wide range of intelligent services and driver assistance systems, BMW ConnectedDrive™ provides convenience and safety. Communicate by telephone or email, request local weather information, access online entertainment, and keep up with work and family. The BMW Head-up Display projects critical information – like speed, traffic information and navigation directions – onto the front windshield, so you can drive without distraction.
