

2017
EXPLORER

EXPAND YOUR HORIZONS. Whether chasing waves or soaking up the sunshine, we are all adventure seekers. And so much more. The destinations continually change. What really matters is the confidence to go. As well as the memory-making experiences shared along the way. Life is a Sport. This is your Utility. Be Unstoppable. The 2017 Ford Explorer.

Platinum in Blue Jeans Metallic with available equipment.

WELCOME THE UNPLANNED.

Last-minute road trips. An unforeseen detour. You never know what each day will serve up. It's these unexpected thrills that make life interesting. So be ready for it with a partner that plays like you do. Explorer Sport. With its fully independent sport-tuned suspension and Intelligent 4WD with Terrain Management System,TM Explorer Sport welcomes what comes with an adventurous spirit and confident capability.

Earning Explorer Sport its performance stripes is a 365-horsepower¹ 3.5L EcoBoost[®] engine. Wide 20" machined aluminum wheels help keep all that power in contact with ever-changing road surfaces. Painted pockets on the wheels and a unique blackout treatment on its headlights and tail lights deliver a signature Sport look. Inside, the slick Ebony leather-trimmed interior with red accent stitching, and Satin Chrome and Carbon Sport accents, looks ready for action. Explorer Sport. Dressed and always ready to play.

Sport in Ruby Red Metallic Tinted Clearcoat with available equipment.
¹Horsepower and torque ratings achieved with 93-octane fuel.

GETTING THERE IS MORE THAN HALF THE FUN.

ENGINES

3.5L Ti-VCT

Twin independent variable camshaft timing (Ti-VCT) helps the standard 3.5L engine deliver a robust 290 horsepower while also contributing to efficiency. By allowing intake and exhaust valves to adjust independently for precise valve timing control, Ti-VCT helps optimize performance on every trip — whether you're headed to the store or shore. Sport-inspired paddle shifters on the standard 6-speed SelectShift® automatic transmission give you the option of shifting gears yourself, or leaving it up to Explorer.

*Fuel consumption ratings:
13.9L/100 km city and 9.7L/100 km hwy
(20 mpg city/29 hwy),¹ FWD*

2.3L EcoBoost^{®2}

With 280 hp and 310 lb.-ft. of torque,³ you've got the power to make plenty of memories along the way. As well as a fuel consumption rating of 8.6L/100 km highway.¹ Even if you don't feel like stopping, give your crew a break to experience the local colour and stretch their legs.

*Fuel consumption ratings:
12.6L/100 km city and 8.6L/100 km hwy
(22 mpg city/33 hwy),¹ FWD*

3.5L EcoBoost²

Having the means to do what you want. When you want to do it. That's power. And with best-in-class⁴ V6 horsepower (365 hp),³ the standard engine on Sport and Platinum allows you to say yes to any road trip, and take the lead as well.

*Fuel consumption ratings:
14.8L/100 km city and 10.7L/100 km hwy
(19 mpg city/26 hwy),¹ 4WD*

Sport in Ruby Red Metallic Tinted Clearcoat with available equipment.
¹Fuel consumption ratings based on Government of Canada approved test methods. Actual fuel consumption will vary for all ratings. ²Available feature. ³Horsepower and torque ratings achieved with 93-octane fuel. ⁴Class is Large Utilities based on Ford segmentation.

Normal

Intelligent 4WD with Terrain Management System™¹ helps Explorer give you the seamless shift-on-the-fly confidence to keep right on going. Normal is ideal for everyday driving on wet or dry paved roads. Hill Descent Control™¹ (centre button) regulates your speed on steep declines, so you can concentrate on manoeuvring.

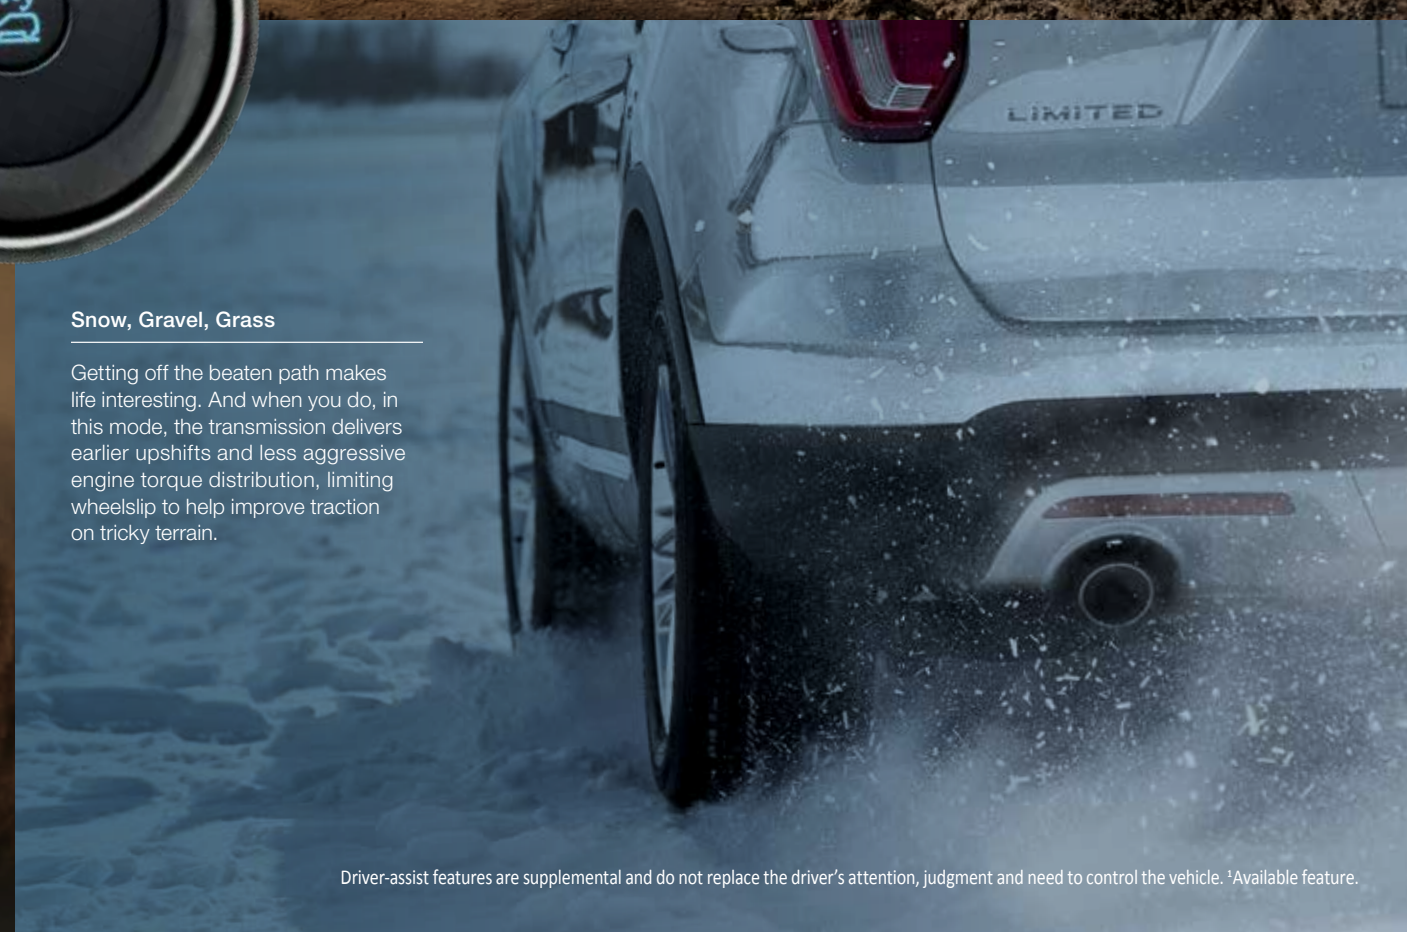

Mud, Rut

Things might get muddy heading to the cottage after a rain. In this mode, powertrain torque is a bit more aggressive, limiting transmission upshifts and letting the wheels spin to get you through the thick stuff.

Sand

A day at the beach or on the dunes is a blast in a vehicle that takes charge when the going gets soft. In this mode, more aggressive throttle progression and holding gears longer helps transfer optimized torque to the wheels. They can then spin aggressively to maintain momentum and get you as close to the fun as possible.

Snow, Gravel, Grass

Getting off the beaten path makes life interesting. And when you do, in this mode, the transmission delivers earlier upshifts and less aggressive engine torque distribution, limiting wheelslip to help improve traction on tricky terrain.

SYNC 3

In addition to all the voice-activated benefits of SYNC® – placing and answering calls, and controlling music from your devices – you'll love the easy-to-use interface of SYNC 3.^{1,2} An 8" colour LCD screen displays phone, audio and navigation¹ features. Enhanced voice recognition lets you give simple commands. A capacitive touchscreen features a convenient swipe feature, as well as pinch-to-zoom functionality within navigation.

Voice-Activated Navigation System

Find your destination easily with help from the voice-activated Navigation System.¹ Zoom and scroll through interactive maps complete with available 3-D mapping and receive voice-guided turn-by-turn directions. Easy destination entry helps you locate your favourite restaurants, nearest ATM, closest fuel station and more.

SYNC AppLink

Use your voice to control select compatible mobile apps, thanks to standard SYNC AppLink.^{TM3}

Siri Seamless Integration

Bring the power of Siri® into Explorer with Siri Eyes Free,⁴ your paired iPhone® and a long press of the voice recognition button on the steering wheel.

Automatic Updates Over Wi-Fi

Keep SYNC 3 current with the latest software as new updates become available.⁵ All you need is a Wi-Fi® connection.

¹Available feature. ²Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in motion. Not all features are compatible with all phones. Message and data rates may apply. SYNC voice recognition and screens available in English, French and Spanish. ³SYNC AppLink is compatible with select smartphone platforms and requires compatible apps to be installed and running on a capable smartphone while connected to SYNC. Commands may vary by phone and AppLink software. Message and data rates may apply. ⁴Requires SYNC 3. ⁵Optional Navigation System map updates cannot be received via Wi-Fi and require a separate update. Data rates may apply.

OUT THERE IS BETTER FROM IN HERE. Wherever you're heading, you're as much in control of your comfort as your ride with Explorer Platinum. Front-row multicontour seats adjust your seat contour at the touch of a button and serve up lumbar region and upper leg-area massage, thanks to class-exclusive Active Motion.[®] Even if you'll be in a tent at your destination, you can enjoy driving in luxury. Real Brown Ash Swirl wood, as well as quilted inserts make you feel pampered. And with the most standard 2nd-row head room and 3rd-row leg room in its class, Explorer spreads the love to up to 7 passengers. On a long road trip, your crew gets to share in the fun by plugging their devices into smart-charging USB ports that are nearly 2 times faster than previous generation ports.

Platinum premium leather-trimmed seating in Medium Soft Ceramic. ¹Available feature. ²SiriusXM subscriptions sold after 6-month prepaid period expires. Subscriptions are governed by SiriusXM Customer Agreement; see siriusxm.ca. Data rates may apply.

SiriusXM¹

Listen to your favourites all across Canada. Your 6-month prepaid subscription gets you the best in audio entertainment including 100% commercial-free music from every genre, world-class news, sports, comedy and entertainment. Plus, listen anywhere online and on the SiriusXM[®] app.² An industry-exclusive 500-watt Audio System from Sony[®] with Clear Phase[™] and Live Acoustics[™] technology elevates the sound even further.

OFF THE BUCKET LIST. INTO THE WATER. With the 3.5L Ti-VCT or 3.5L EcoBoost® engine, Explorer can tow up to 5,000 lbs. (2,268 kg) of fun.² So that boat you've always dreamed of can become a reality. And if you're a towing novice, these features will help put you at ease: A standard rear view camera that helps you see what's behind you and makes hooking up a trailer simple, and trailer sway control that automatically reduces engine speed and selectively applies the brakes if trailer sway is detected.³

Best of all, for every twist and turn the road serves up, there's AdvanceTrac® with RSC® (Roll Stability Control™).³ This system helps maintain control when it detects wheelslip, understeer, oversteer or roll motion, and gives you more control in the rain or on ice or gravel. In addition, its Curve Control feature helps slow you down if you're heading into a curve too quickly. In Explorer, you can venture out with confidence.

XLT in Smoked Quartz Metallic Tinted Clearcoat with XLT Sport Appearance Package and available equipment. Driver-assist features are supplemental and do not replace the driver's attention, judgment or need to control the vehicle. ¹Available feature. ²When properly equipped. ³Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

ALERTS YOU TO TAKE ACTION.

Adaptive Cruise Control

Helps maintain your choice of speed and preset gaps from the vehicle in front of you. It can also alert you to a potential collision. If one is detected, adaptive cruise control and forward collision warning with brake support¹ flashes a warning via a heads-up display on the windshield, sounds an alarm, and can pre-charge the brake system to provide full responsiveness when you do brake.

Lane-Keeping System¹

Helps maintain your lane by using a forward-facing camera to detect lane markings, and can apply torque to the steering wheel if it senses your vehicle drifting unintentionally out of its lane. If needed, the system can also send gentle vibration pulses to the wheel to prompt you to steer back toward centre.² If it detects you've come too close to – or crossed – the markers multiple times, a Driver Alert System¹ displays a coffee cup icon to suggest taking a break from driving.

BLIS (Blind Spot Information System)

Notifies you with a light in either sideview mirror³ if its radar sensors detect a vehicle in the corresponding blind spot. Cross-traffic alert, part of the system, warns you with a beep and a warning light in your sideview mirror if it detects a vehicle approaching either side as you slowly back Explorer out of a parking space. Either way, BLIS[®] with cross-traffic alert¹ helps keep you aware of things that may be just out of your line of sight.

Platinum in White Platinum Metallic Tri-coat with available equipment. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ¹Available feature. ²Lane-Keeping System does not control steering. ³BLIS replaces standard integrated blind spot mirrors.

STORAGE SPACE AS FLEXIBLE AS YOUR PLANS.

When you have an impressive 2,314 litres (81.7 cu. ft.)¹ of cargo space with both the 2nd- and 3rd-row seats folded, there's a good chance your hands are going to be full when you're loading the cargo area. So with the Intelligent Access² key fob on you, just kick your foot under the rear bumper and let the foot-activated hands-free power liftgate² do the work. The versatility doesn't stop there, with a 60/40 split 2nd-row and 50/50 split-folding 3rd-row seat, you can bring all your gear. You'll even have room to shop along the way because, with the touch of a button, the PowerFold[®] 3rd-row seat² folds giving you 1,243 litres (43.9 cu. ft.) of storage. Even with all seats occupied, there is a generous 595 litres (21 cu. ft.) of cargo space behind the 3rd row.³

Limited in Magnetic Metallic with available equipment. ¹Weight of passengers and cargo must not exceed the limit shown on the Tire Information Label. ²Available feature. ³Including rear seat well.

TAME THE PARKING SPOT. With its front 180-degree camera! Explorer helps out with visibility and allows you to see around corners. A spritz of the lens washer helps your view stay clear. When you return to civilization, Explorer also offers assistance. Its Enhanced Active Park Assist System¹ makes parking easy so you can move on to more important things. Whether you're backing into a perpendicular spot or slowing down to parallel park, ultrasonic sensors can identify a parking space that's the right size, then the system steers the vehicle into it. All you do is follow on-screen prompts, and operate the accelerator, brake and gear shifter as needed.

Limited in Smoked Quartz Metallic Tinted Clearcoat with available equipment. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ¹Available feature.

PROTECTS YOUR SENSE OF ADVENTURE.

Along with your loved ones and luggage, Explorer carries a sophisticated suite of safety features to help keep you safe along the way. The security of 7 standard airbags includes the Safety Canopy® System with rollover sensing and side-curtain airbags that deploy to cover all 3 rows of the vehicle. They are joined by industry-first 2nd-row outboard inflatable safety belts.¹ To help the driver stay focused, class-exclusive MyKey® technology allows you to program ignition keys with reminders to drive at appropriate speeds, keep the audio volume low and more. And when you need to see what's behind you, you'll have a clear view with the full-colour rear view camera when in Reverse.

Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ¹Available feature.

Ford Protect plans. Help protect your investment and add to your peace of mind by complementing your vehicle purchase or lease with a Ford Protect plan. Ford Protect offers you protection against unexpected repair costs after your Basic Coverage in the New Vehicle Limited Warranty expires by covering many vehicle components. Enjoy the drive even more by complementing your Ford Protect plan with a prepaid maintenance plan, which covers all required scheduled maintenance for your vehicle, plus eight wear items. Ask your dealer for a Ford Protect plan, the only service contract backed exclusively by Ford and honoured at all Ford Lincoln dealerships.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your local Ford of Canada Dealer for details or check us out at fordcredit.ca.

Ford Original Accessories that are properly installed by the authorized Dealer that sold the accessory will be warranted for whichever provides you the greatest benefit: 24 months/unlimited distance, or the remainder of your 3-year/60,000-km New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your local Ford of Canada Dealer for details and/or a copy of all limited warranties.

For prompt, courteous answers to your questions:
