2017
FLEX

MOVES YOU. IN EVERY WAY.

Progressive design that's strikingly unique – and effortlessly cool. Intelligent technologies that help make the most of every drive. Spacious seating for up to 7. Plus, EcoBoost® power.¹ A standard rear view camera. And SYNC® 3 enhanced voice-activated technology^{1,2} that helps you stay connected to what's important to you. The 2017 Ford Flex combines them all to move you in every way that matters.

On Flex Limited, as long as your smart key is tucked away in your pocket or purse, just one touch of its chrome-finished door handle gets you in. Then, press the brake pedal, push the start button – and get moving. Recall comfort on each drive with a 10-way power, leather-trimmed heated driver's seat and power-adjustable pedals, both with memory. At your destination, activate the power liftgate any of 4 ways. Life is a Sport. This is your Utility. Be Unstoppable. The 2017 Ford Flex.

Limited in Blue Jeans Metallic with Oxford White roof and available equipment. ¹Available feature. ²Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out when the vehicle is in motion. Not all features are compatible with all phones. SYNC voice recognition and screens available in English, French and Spanish. Message and data rates may apply.

PERFORMS. BEYOND EXPECTATIONS.

ENGINES

3.5L EcoBoost®¹

Get best-in-class² horsepower when equipped with the twin-turbocharged, direct-injection, 3.5L EcoBoost engine.¹ Paired with Intelligent all-wheel drive (AWD) and steering wheel-mounted paddle shifters, this 365-hp³ EcoBoost delivers spirited performance.

*Fuel consumption ratings:
15.7L/100 km city and 11.2L/100 km hwy
(18 mpg city/25 hwy);⁴ AWD*

3.5L Ti-VCT

Twin independent variable camshaft timing helps the standard engine produce 287 hp. And with the standard 6-speed SelectShift[®] automatic transmission, you can shift for yourself or leave its fully automatic operation to Flex. An unconventional blend of style, space and smarts, the 2017 Ford Flex is the modern way to move.

*Fuel consumption ratings:
14.7L/100 km city and 10.2L/100 km hwy
(19 mpg city/28 hwy);⁴ FWD*

Limited AWD in Shadow Black with Ingot Silver Metallic roof and available equipment. ¹Available feature. ²Class is Large Utilities based on Ford segmentation. Excludes other Ford products. ³Horsepower rating achieved with 93-octane fuel. ⁴Fuel consumption ratings based on Government of Canada approved test methods. Actual fuel consumption will vary for all ratings.

COMFORTS. WITH ROOM FOR UP TO 7. Flex impresses all around. Up front, there's a heated steering wheel¹ for added comfort. Passengers in the 2nd and 3rd rows enjoy best-in-class leg room. In that spacious 2nd row, you can choose from a 3-person bench seat or bucket seats¹ with a pass-through to row 3. You can also add a 2nd-row console¹ for more storage, or the refrigerated console¹ for that extra "cool" factor. Plus, all 3 rows can enjoy a view of the sky with the multipanel Vista Roof.^{®1}

The class-exclusive one-touch PowerFold[®] and tumble 3rd-row split bench seat with tailgate feature² is activated with a button in the rear cargo area. That seat, and either side of the 60/40 split 2nd-row bench seat, can be folded to fit passengers and long cargo items. With 2nd- and 3rd-row seats folded flat, there is over 2,356 litres (83 cu. ft.) of cargo space. Behind the 50/50 split 3rd-row seat, Flex offers up to 566 litres (20 cu. ft.)³ of cargo space, thanks to the extra room provided by its deep storage well.

Limited with Appearance Package in Dark Earth Grey Leather with Light Earth Grey Perforated Inserts and available equipment. ¹Available feature. ²Do not drive vehicle when the 3rd row is in the tailgate position. ³Includes 141.5-litre (5.0-cu-ft.) rear cargo storage well. ⁴SiriusXM subscriptions sold after 6-month prepaid period expires. Subscriptions are governed by SiriusXM Customer Agreement; see siriusxm.ca. Data rates may apply.

SiriusXM^{®1}

Listen to your favourites all across Canada. Your 6-month prepaid subscription gets you the best in audio entertainment including 100% commercial-free music from every genre, world-class news, sports, comedy and entertainment. Plus listen anywhere online and on the SiriusXM app.⁴

SYNC 3

In addition to all the voice-activated benefits of SYNC® – placing and answering calls, and controlling music from your devices – you'll love the easy-to-use interface of SYNC 3.^{1,2} An 8" colour LCD screen displays phone, audio and navigation¹ features. Enhanced voice recognition lets you give simple commands. A capacitive touchscreen includes a convenient swipe feature, as well as pinch-to-zoom functionality within navigation.¹ SYNC 3 also brings you the options of Apple CarPlay^{TM3} and Android Auto.^{TM4}

Voice-Activated Navigation System

Find your destination easily with help from the voice-activated Navigation System.¹ Zoom and scroll through interactive maps complete with available 3-D mapping and receive voice-guided turn-by-turn directions. Easy destination entry helps you locate your favourite restaurants, nearest ATM, closest fuel station and more.

SYNC AppLink

Use your voice to control select compatible mobile apps, thanks to standard SYNC AppLink.^{TM5}

Siri Seamless Integration

Bring the power of Siri® into Flex with Siri Eyes Free,⁶ your paired iPhone® and a long press of the voice recognition button on the steering wheel.

Automatic Updates Over Wi-Fi

Keep SYNC 3 current with the latest software as new updates become available.⁷ All you need is a Wi-Fi® connection.

¹Available feature. ²Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in motion. Not all features are compatible with all phones. Message and data rates may apply. SYNC voice recognition and screens available in English, French and Spanish. ³Requires phone with compatible version of Apple iOS and active data service. SYNC does not control Apple CarPlay while in use. Apple is solely responsible for their functionality. Message and data rates may apply. ⁴Requires phone with compatible version of Android Auto and active data service. SYNC does not control Android Auto while in use.

Google and other third parties are responsible for their functionality. Message and data rates may apply. ⁵SYNC AppLink is compatible with select smartphone platforms and requires compatible apps to be installed and running on a capable smartphone while connected to SYNC. Commands may vary by phone and AppLink software. Message and data rates may apply. ⁶Requires SYNC 3. ⁷Optional Navigation System map updates cannot be received via Wi-Fi and require a separate update. Data rates may apply.

REFINES. THE ROAD.

Active Park Assist¹

Makes parallel parking easier by taking the stress away. First, the system can help by identifying parking spots that are the right size. Then, it actually steers Flex into place. All you need to do is follow the on-screen prompts as you control the gear shifter, and brake and accelerator pedals.

Adaptive Cruise Control

Helps maintain your choice of speed and preset gap from the vehicle in front of you. It can also alert you to a potential collision. If one is detected, adaptive cruise control & forward collision warning with brake support¹ flashes a warning via a heads-up display on the windshield, sounds an alarm, and can pre-charge the brake system to provide full responsiveness when you do brake.

BLIS (Blind Spot Information System)

Notifies you with a light in either sideview mirror² if its radar sensors detect a vehicle in the corresponding blind spot. Cross-traffic alert, part of the system, warns you with a beep and a warning light in your sideview mirror if it detects a vehicle approaching either side as you slowly back Flex out of a parking space. Either way, BLIS[®] with cross-traffic alert¹ helps keep you aware of things that may be just out of your line of sight.

Limited in Ruby Red Metallic Tri-coat with Appearance Package and available equipment. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ¹Available feature. ²BLIS replaces standard integrated blind spot mirrors.
