PROOF THAT PRECISION MATTERS: THE ALL-NEW 2017 ACADIA.

It matters in every pound-foot of torque, every millimetre of fit and finish and every decibel of quiet. That's what drives us to reimagine solutions and create rewarding driving experiences. Your daily life—and your expectations—inspired us to precisely craft the all-new 2017 Acadia. It easily moves you through your day, your week and your life. You and up to six companions will enjoy up to three premium rows of versatile seating along with the latest technology. And with the new Acadia All Terrain, we've enabled your off-road travels as well. This is what you've been waiting for. This is Professional Grade.

ACADIA DENALI

THE SUV THAT MOBILIZES YOUR LIFE.

We designed the 2017 Acadia to help you accomplish more, all while enjoying a premium experience.

DENALI

THE PEAK. THE PINNACLE. THE NAME SAYS IT ALL.

Acadia Denali is the highest elevation of Professional Grade. Its all-new styling includes a unique dimensional grille, sculpted wheel openings, distinctive roof rails, body-colour lower cladding and chrome-accented door handles. This is Denali, so it doesn't stop there.

- + NEW HID HEADLAMPS WITH LED SIGNATURE LIGHTING
- + EXCLUSIVE DENALI GRILLE
- + DUAL SKYSCAPE SUNROOF (AVAILABLE)
- + 20" BRIGHT ALUMINUM WHEELS WITH MIDNIGHT SILVER ACCENTS
- + DENALI-EMBOSSSED CHROME LOWER BODYSIDE MOULDING
- + HANDS-FREE POWER LIFTGATE

ACADIA DENALI IN CRIMSON RED TINTCOAT
shown with available equipment.

REFINEMENT: THE NEXT LEVEL.

Acadia Denali accommodates family and friends in refined, quiet and comfortable surroundings. It offers premium materials such as authentic wood accents and warm-tone burnished aluminum trim. Refinements continue with Denali-embroidered head restraints, supportive heated and vented leather-appointed front seats and heated second-row seats accentuated with French seam stitching. The Denali-specific leather provides a smooth, premium feel. Denali also offers an easy second-row pass-through to the third row.

- + SEATING FOR UP TO SEVEN WITH GENEROUS INTEGRATED STORAGE
- + KEYLESS ENTRY AND PUSH-BUTTON START
- + PREMIUM LEATHER APPOINTMENTS
- + CUSTOMIZABLE DRIVER DISPLAY
- + HAND-STITCHED HEATED, LEATHER-WRAPPED STEERING WHEEL
- + SAFETY ALERT DRIVER SEAT

+

+

shown with available equipment.

SLT

THE ART OF UTILITY.

You'll appreciate how Acadia SLT's style fits in everywhere. Its all-new design introduces itself with a new dimensional grille and nearly seamless wraparound rear window glass. To help Acadia SLT maintain its style over time, lower door cladding adds a rugged, durable finish. And for more refined aerodynamics, we finely tuned Acadia's sleek design to help increase efficiency and reduce interior noise.

+ REIMAGINED EXTERIOR WITH SCULPTED THREE-DIMENSIONAL GRILLE

+ NEW 20" BRIGHT ALUMINUM WHEELS WITH LIGHT ACCENTS (AVAILABLE)

+ BODYSIDE CLADDING ADDS A PRACTICAL AND AESTHETIC DETAIL

+ PROGRAMMABLE POWER LIFTGATE

P. 9 | SLT | EXTERIOR

THE LAP OF PREMIUM.

You spend a lot of time behind a steering wheel. Acadia is designed to ensure it's the most comfortable, sophisticated, quiet and accommodating time of your day. Acadia SLT begins with seats that support your body for exceptional ride enjoyment no matter how far you travel. Acadia also features available heated front and second-row seats. And getting to the third row is simple with just one hand thanks to new easy-to-use second-row Smart Slide seats.

+ SMART SLIDE SECOND-ROW SEATS

+ TRI-ZONE AUTOMATIC FRONT AND REAR CLIMATE CONTROLS

+ DRIVER MEMORY SEAT AND MIRRORS (AVAILABLE)

+ CENTRE CONSOLE STORAGE WITH REAR STORAGE DRAWER

+

ALL TERRAIN

OUR NEWEST FRONTIER: THE FIRST-EVER ALL TERRAIN.

Some of the best areas of our country have no paved roads. But now, that won't stop you thanks to the new Acadia All Terrain. In true GMC dedication, style didn't lose out to rugged capability. In fact, refinement is quickly apparent in All Terrain's stealthy, sporty design. Its unique tone-on-tone look utilizes black chrome and dark accents to create a distinctive appearance, as do the All Terrain grille, badge, skid plates, roof rails and mirror caps.

+ EXCLUSIVE ALL TERRAIN EXTERIOR DESIGN

+ INTEGRATED ASSIST STEPS (AVAILABLE ACCESSORY)

+ UNIQUE ALL TERRAIN ALUMINUM WHEELS

+ ADVANCED AWD SYSTEM WITH ACTIVE TWIN-CLUTCH

ACADIA ALL TERRAIN IN EBONY TWILIGHT METALLIC
shown with available equipment.

GET AWAY WITHOUT ROUGHING IT.

Creating the Acadia All Terrain meant balancing its obvious rugged capabilities with a premium, ultra-supportive environment. We began by designing a cabin and seat environment inspired by outdoor gear. Then we added front seats that are comfortable even when the going gets tough. With seating for up to five, All Terrain adds two covered under-floor bins to store your gear in a safe, secure, easily accessible location.

- + DISTINCTIVE ALL TERRAIN INTERIOR
- + CARGO MANAGEMENT SYSTEM (AVAILABLE)
- + SEATING FOR UP TO FIVE
- + GENEROUS UNDER-FLOOR STORAGE BINS
- + HILL DESCENT CONTROL

+

+

ACADIA ALL TERRAIN INTERIOR IN JET BLACK/KALAHARI
shown with available equipment.

YOUR ULTIMATE MOBILE DEVICE.

When it comes to keeping us connected, informed and entertained, we believe the smarter the technology, the more mobile, intuitive and easy to use it has to be. The all-new Acadia is all about that.

PHONE INTEGRATION Acadia offers Apple CarPlay™ and Android Auto compatibility.³ With Apple CarPlay™, the select apps you love on your iPhone® come alive through Siri® Eyes Free or the built-in display, while Android Auto easily integrates the power and functionality of your Android phone into Acadia. Just plug into the USB⁴ outlet and go.

4G LTE WI-FI® HOTSPOT¹ The 4G LTE built-in Wi-Fi (3-month or 3 GB data trial, whichever comes first) means a fast Internet connection for Web-enabled devices when Acadia is running. It's reliable, powerful and easy to use, and can connect up to seven devices² up to 15 metres around Acadia.

CUSTOMIZED DRIVER DISPLAY Denali's reconfigurable gauge cluster allows you to personalize the new 203 mm diagonal colour Driver Information Centre to control what you see and how you see it.

VOICE AND TOUCH-SCREEN NAVIGATION⁵ In response to your voice or touch, Acadia's available Navigation System displays 2-D or 3-D map graphics. Also included, NavTraffic⁶ (with 3 trial months of SiriusXM) incorporates real-time traffic and road conditions.

SURROUND VISION CAMERA On Denali models, the available system provides a bird's-eye view around Acadia. It's helpful for reducing blind spots and enhancing your view of the general surroundings.

INTELLILINK[™] WITH 178 MM OR 203 MM SCREEN

GMC IntelliLink features full-colour, 178 mm or 203 mm diagonal screens for easy viewing and hands-free, voice-activated control of your smartphone. The available 203 mm screen offers advanced connectivity and an intuitive experience to help minimize distractions. Stream Internet radio,⁸ sync MP3 music, receive vocalized text messages, enjoy HD radio, benefit from Siri[®] Eyes Free assistance, connect libraries from multiple devices and store frequently used phone contacts.

BOSE[®] PREMIUM SOUND SYSTEM The optional Bose eight-speaker system with subwoofer is engineered to give you the realism and presence of a live performance.

¹Visit onstar.ca for coverage map, details and system limitations. Available 4G LTE Wi-Fi requires compatible mobile device, active OnStar service and data plan. Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. After the trial period (if applicable), an active OnStar service plan is required. ²Devices must be WPA2-compliant with an active OnStar service plan and data plan. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Vehicle must be started or in accessory mode to access Wi-Fi. Visit onstar.ca for system details and limitations. ³Vehicle user interfaces are products of Apple[®] and Google, and their terms and privacy statements apply. Requires compatible smartphone. Data plan rates apply. ⁴Not compatible with all devices. ⁵At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. ⁶Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-877-209-0079 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See SiriusXM "Terms & Conditions" and complete details at siriusxm.ca. ⁷Full functionality requires compatible Bluetooth[®] and smartphone, and USB connectivity for some devices. Visit intellilink.gmc.gm.ca for more details. ⁸Data plan rates apply.

ACADIA DENALI INTERIOR IN COCDA/SHALE
shown with available equipment.

DESIGNED AROUND YOU.

Slide into the 2017 Acadia and discover it's made for you. We set out to create unsurpassed levels of fit, finish and overall craftsmanship. Precision matters in everything that carries the GMC name, and it's the key to an outstanding level of refinement throughout Acadia.

PREMIUM SEATING To enhance ride enjoyment, newly designed seats provide exceptional comfort. Acadia offers the choice of available heated or heated and vented (on Denali) front seats and available second-row heated seats.

AUTHENTIC MATERIALS The satin-finish aluminum trim is inspired by today's refined products and furnishings. Cabin accents feature linear patterns and low-gloss finishes for a sophisticated appearance. Denali presents authentic wood accents and embroidered front head restraints and its own warm-tone burnished aluminum for a distinctive style.

INTEGRATED STORAGE Ingeniously positioned storage bins don't interrupt cabin flow. In the second row, a rear-facing console drawer (not available on All Terrain) is the ideal place to secure small electronics. There's even a rubber-lined compartment under the climate controls that is removable and dishwasher-safe.

INSTRUMENT PANEL DESIGN To provide the best ergonomics, Acadia presents information and controls in an easy, at-a-glance style, while a soft-touch surface offers a premium feel.

RELAXED CABIN LIGHTING Acadia offers blue and white lighting on the instrument panel and touch-screen display. This combination creates a calming atmosphere that forms the centerpiece of Acadia's interior style.

PRECISE FIT AND FINISH Throughout the cabin, elements come together precisely—from the way the aluminum integrates with trim panels to how the centre console and the doors flow smoothly into the instrument panel.

ACADIA DENALI INTERIOR IN COCOSA/SHALE
shown with available equipment.

ADAPTS AS EASILY AS YOU DO.

Because your life is all about being productive during the day and enjoying a night out with family and friends, Acadia is here to accommodate. Perhaps the best enabler of this versatility is the new second-row Smart Slide seats that require just one hand to easily access the third row.

NEW SMART SLIDE SEATS The latest innovation in seats known for innovations allows the second-row passenger Smart Slide seat to tip, pitch and slide for easy third-row access—even when a car seat is attached. The pitch/slide option on the driver's side of the seat folds and slides the second row, offering ample room for entry and exit. And it can all be done using just one hand.

NUMEROUS SEATING/CARGO ARRANGEMENTS Acadia's remarkable versatility ensures comfortable accommodations for all passengers while still providing expansive cargo capacity. A new innovation is a flat 50/50 split-folding third-row bench seat that makes cargo loading easier while preventing items from sliding around. Also new are release levers that allow you to easily fold the second-row seat from the rear of Acadia.

HANDS-FREE POWER LIFTGATE Acadia Denali features the convenience of a foot-activated power liftgate. Non-Denali models also benefit from a key fob-operated programmable and height-adjustable power liftgate.

PROTECTION

PRECISELY FOCUSED ON SAFETY.

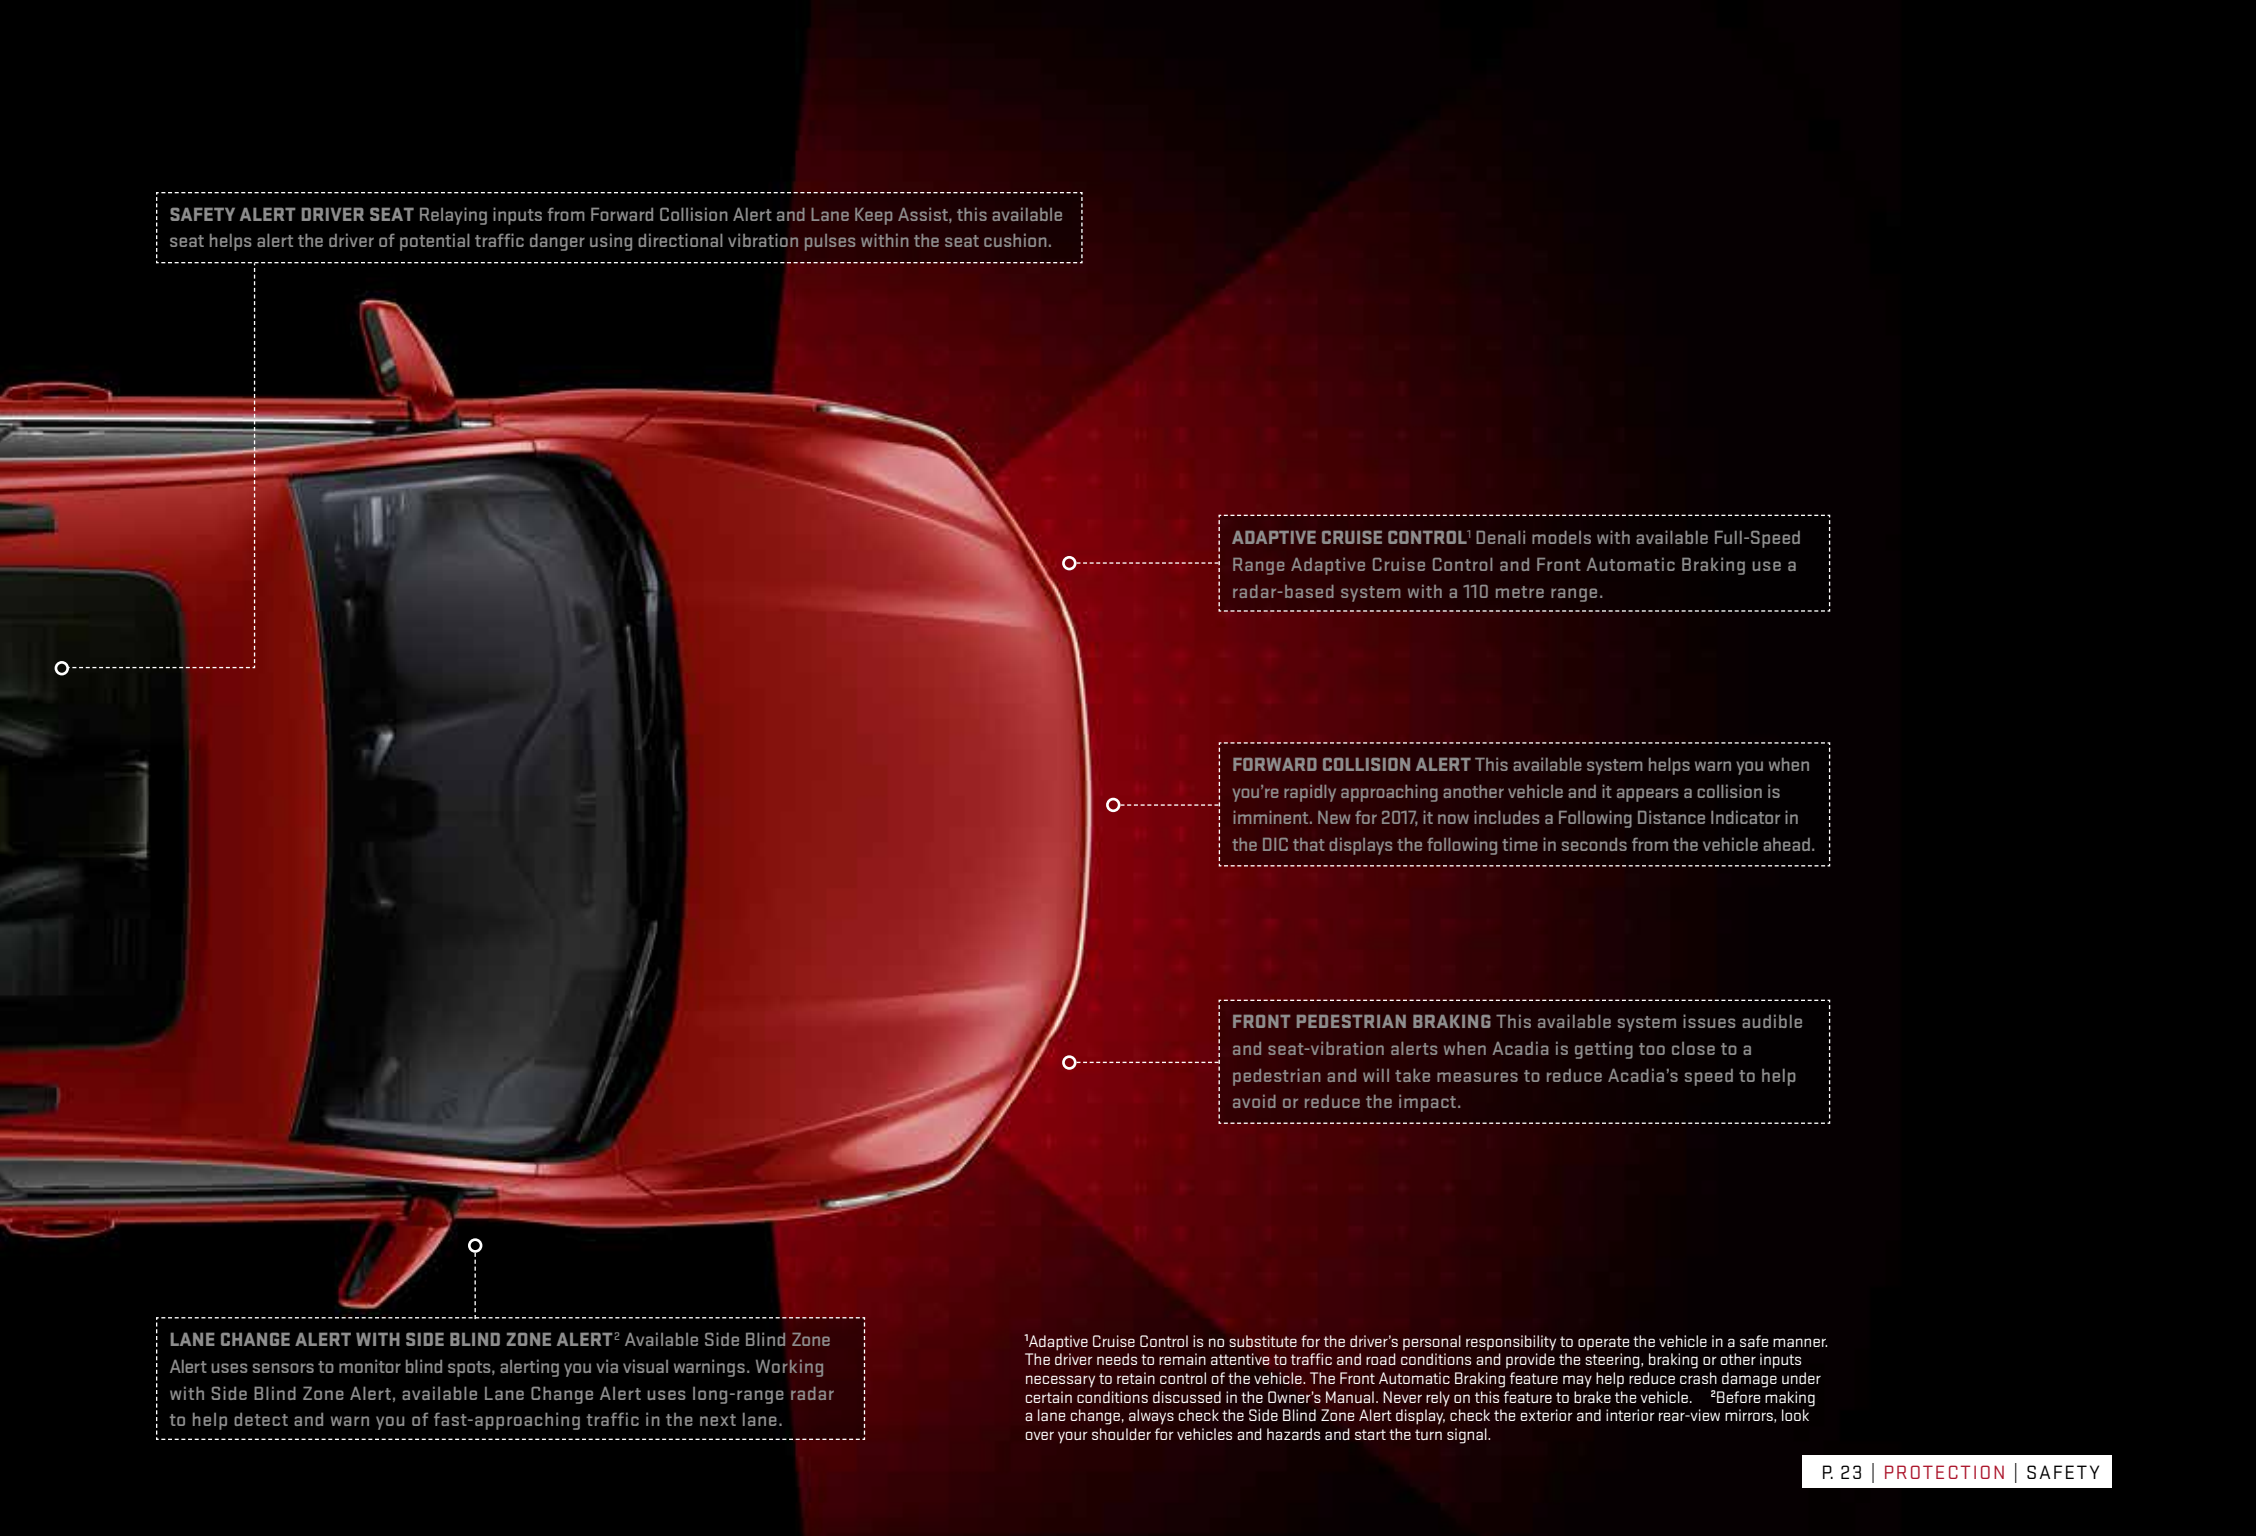

Since we only have eyes in the front of our heads, Acadia Denali offers GMC's first-ever use of an available Surround Vision Camera. It gives you a bird's-eye view of the area surrounding your Acadia. Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for more important safety information.

SURROUND VISION CAMERA On Denali models, an available Surround Vision Camera replaces the Rear Vision Camera to offer a view around Acadia. It is helpful for reducing blind spots and viewing pavement markings, other vehicles, curbs and general surroundings.

REAR CROSS TRAFFIC ALERT It's available to help alert you to oncoming traffic, especially in parking lot situations. Using radar technology, it looks about 20 metres to the left and right behind Acadia and uses the Rear Vision Camera screen and Safety Alert Driver Seat (if equipped) to issue warnings.

LANE KEEP ASSIST This new available feature helps the driver keep Acadia in its lane to avoid unintentional lane changes. It assists by gently turning the steering wheel if Acadia approaches a detected lane marking without the turn signal being activated.

SAFETY ALERT DRIVER SEAT Relaying inputs from Forward Collision Alert and Lane Keep Assist, this available seat helps alert the driver of potential traffic danger using directional vibration pulses within the seat cushion.

ADAPTIVE CRUISE CONTROL¹ Denali models with available Full-Speed Range Adaptive Cruise Control and Front Automatic Braking use a radar-based system with a 110 metre range.

FORWARD COLLISION ALERT This available system helps warn you when you're rapidly approaching another vehicle and it appears a collision is imminent. New for 2017, it now includes a Following Distance Indicator in the DIC that displays the following time in seconds from the vehicle ahead.

FRONT PEDESTRIAN BRAKING This available system issues audible and seat-vibration alerts when Acadia is getting too close to a pedestrian and will take measures to reduce Acadia's speed to help avoid or reduce the impact.

LANE CHANGE ALERT WITH SIDE BLIND ZONE ALERT² Available Side Blind Zone Alert uses sensors to monitor blind spots, alerting you via visual warnings. Working with Side Blind Zone Alert, available Lane Change Alert uses long-range radar to help detect and warn you of fast-approaching traffic in the next lane.

¹Adaptive Cruise Control is no substitute for the driver's personal responsibility to operate the vehicle in a safe manner. The driver needs to remain attentive to traffic and road conditions and provide the steering, braking or other inputs necessary to retain control of the vehicle. The Front Automatic Braking feature may help reduce crash damage under certain conditions discussed in the Owner's Manual. Never rely on this feature to brake the vehicle. ²Before making a lane change, always check the Side Blind Zone Alert display, check the exterior and interior rear-view mirrors, look over your shoulder for vehicles and hazards and start the turn signal.

PERFORMANCE

TRAVEL AT THE SPEED OF LIFE.

For all its premium refinements, adaptive versatility and life-enhancing technologies, Acadia is still about your ride. That's why our engineers precisely tuned the 2017 Acadia to seamlessly integrate a multitude of available advanced technologies. From effortless acceleration to powerful braking, and from easily selectable drive modes to a new, highly capable off-road all-wheel-drive system—they all result in a premium driving experience.

+ 2.5L 4-CYLINDER ENGINE WITH STOP/START TECHNOLOGY

+ 3.6L V6 WITH ACTIVE FUEL MANAGEMENT (AVAILABLE)

+ ELECTRONICALLY CONTROLLED DRIVE MODE SELECTOR (AVAILABLE)

+ CONTINUOUSLY VARIABLE RIDE CONTROL (AVAILABLE)

IMPORTANT WORDS

PEACE OF MIND, STANDARD WITH EVERY GMC MODEL

When you build them with quality, you can back them with confidence. That's why General Motors of Canada backs every GMC model with the best coverage in Canada. Program highlights include:

- 2-year/48,000 km Lube-Oil-Filter Maintenance¹
- 3-year/60,000 km New-Vehicle Limited Warranty²
- 5-year/160,000 km Powertrain Limited Warranty, with \$0 deductible on repairs and the warranty is fully transferable at no charge²
- 5-year/160,000 km Courtesy Transportation²
- 5-year/160,000 km 24/7 Roadside Assistance²
- 6-year/160,000 km rust-through perforation coverage²
- 8-year/130,000 km coverage on catalytic converters and Powertrain Control Modules (PCMs)²

OTHER OWNERSHIP PRIVILEGES AND PROGRAMS:³

- **GM Protection Plan (GMPP)** – The only extended service plan backed by the resources and commitment of General Motors, GMPP may be purchased at the time of sale or subsequently during the New-Vehicle Limited Warranty period.
- **Certified Service** – With GM-certified technicians and GM-approved parts, nobody knows your GM vehicle better.
- **GMC Owner Centre** – As an owner, take advantage of the GMC Owner Centre. This online owner's destination gives you access to coupons, contests, current offers and the latest driving and maintenance tips. Find out more at gmcowner.ca.

TO HELP YOU PURCHASE OR LEASE A NEW VEHICLE:

- **Purchase Financing and Leasing** – On-the-spot financing, see dealer for full details.⁴
- **GM Student Bonus Program** – Students or recent graduates of high school, college or university³ may be eligible to receive a Student Bonus vehicle redemption allowance of \$500 or \$750⁵ (tax inclusive) (purchased vehicle dependant) to use toward the purchase, lease or finance of one eligible new GMC vehicle.
- **GM Card** – Cardholders may redeem Earnings toward the total purchase price or lease down payment of an eligible new GMC truck, SUV or crossover. Restrictions and limitations apply.⁵ For full program details, visit gmc card.ca.

INFORMATION RESOURCES:

You can find more information about these programs from your GMC dealer, or at these information centres:

- The GM website at gm.ca
- The GM Customer Care Centre at 1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830 for TDD users)

A WORD ABOUT THIS BROCHURE

Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been adapted since the time of printing, please check with your GMC dealer for complete details. General Motors of Canada Company reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times.

A WORD ABOUT ASSEMBLY

GMC vehicles are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers to GM worldwide. We sometimes find it necessary to produce GMC vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.
