TRACTION SELECT SYSTEM

Acadia's available Traction Select System provides added confidence by allowing you to switch from among up to five specific modes to tailor your ride to differing road conditions and functions such as trailering.

ADAPTIVE RIDE CONTROL

Newly enhanced Adaptive Ride Control, available on Acadia Denali, uses a Continuous Damping Control Suspension system to adjust damping forces every 2 milliseconds—delivering a quiet and comfortable ride.

Safety or driver-assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

SEE IT, SENSE IT, AVOID IT

STANDARD:

- LANE CHANGE ALERT WITH SIDE BLIND ZONE ALERT
- REAR CROSS TRAFFIC ALERT
- REAR PARK ASSIST
- HIGH DEFINITION REAR VISION CAMERA

AVAILABLE:

- ADAPTIVE CRUISE CONTROL—ADVANCED (DENALI ONLY)
- FORWARD COLLISION ALERT
- AUTOMATIC EMERGENCY BRAKING
- FRONT PEDESTRIAN BRAKING
- FRONT AND REAR PARK ASSIST

Acadia is engineered for road awareness with safety and driver-assistance features that help warn you of potential dangers. Its comprehensive collection of available driver-alert technologies helps you and your companions feel safe and secure. After all, we believe the best way to handle a collision is to avoid it.

GMC CONNECTED SERVICES⁵

Your new Acadia offers a host of in-vehicle benefits. Connected Access⁶ offers the latest technology to help you make the most of every drive—and you get standard connectivity for 10 years, giving you access to current features like monthly diagnostic emails and the ability to order and pay for takeout food and purchase fuel through your vehicle's in-dash infotainment system with Marketplace. You can also take your ownership experience to new levels by upgrading to other GMC Connected Services.

myGMC APP⁷

When you download the available myGMC app, you have access to features like scheduling service, getting tips to help improve your driving, instant offers from select nearby merchants and other ways to simplify your ownership experience. When you upgrade to Remote Access,⁸ you can remotely start and stop the engine (if properly equipped), check fuel levels and even set and share notifications for vehicle arrivals and departures with Vehicle Locate.⁹

THE REWARDS OF OWNERSHIP

As rewarding as driving an Acadia is, the rewards start long before getting behind the wheel. With My GMC Rewards,¹ you can earn and redeem points on a wide array of GMC products and services, including the purchase of a new Professional Grade GMC vehicle. To enroll and learn more, visit mygmc.com/rewards or use the myGMC app.² Then once you're behind the wheel, a GMC Certified Service dealer is there to help your Acadia live up to its performance promise. GM-trained technicians build upon their meticulous skill with Vehicle Diagnostics³ and connected technologies to deliver the authentic expertise your GMC deserves.

¹Must be 18 years or older. Points may be earned and redeemed only at participating GM entities, dealers or third-party retailers in the United States (excluding Puerto Rico, the U.S. Virgin Islands or Guam). Points are not earned on taxes or certain fees and expire 5 years from when points are earned. Any unused amount of the voucher will be forfeited. Some restrictions apply. Visit mygmc.com/rewards to view program terms and conditions. ²Available on select Apple® and Android devices. Service availability, features and functionality vary by vehicle, device and the plan you are enrolled in. Terms apply. Device data connection required. See onstar.com for details and limitations. ³Diagnostic capabilities vary by model and plan. Message and data rates may apply. Requires contact method on file and enrollment to receive alerts. Not all issues will deliver alerts. See onstar.com for details and limitations.

NEW VEHICLE LIMITED WARRANTY

3-YEAR/36,000-MILE BUMPER-TO-BUMPER LIMITED WARRANTY GMC will warrant each 2020 Acadia from bumper to bumper for 3 years/36,000 miles (whichever comes first; see dealer for details), with no deductible, from the original in-service date of the vehicle, for warrantable repairs that are required as a result of defects due to materials and/or workmanship. Cosmetic corrosion resulting from defects is also covered under the Bumper-to-Bumper Limited Warranty. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first; see dealer for details).

POWERTRAIN LIMITED WARRANTY Every 2020 GMC Acadia comes with a 5-year/60,000-mile (whichever comes first) transferable Powertrain Limited Warranty. 24/7 Roadside Assistance and Courtesy Transportation are also offered for the duration of the Powertrain Limited Warranty. Please see your GMC dealer for details.

ONSTAR® AND GMC CONNECTED SERVICES

Connected vehicle services require a paid connected vehicle services plan or trial, connected hardware, vehicle electrical system (including battery), wireless service and GPS satellite signal to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Visit onstar.com for coverage map, details and system limitations.

GMC CERTIFIED SERVICE

To help your Acadia live up to its performance promise, GMC Certified Service—found exclusively at your GMC dealer—is there. With all the engineering excellence in Acadia, GM-trained technicians have the expertise to help care for it.

ADDITIONAL NOTES

A NOTE ON CHILD SAFETY Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See the Owner's Manual and the child safety seat instructions for more safety information.

TRAILERING AND OFF-ROAD DRIVING INFORMATION Please go to gmc.com and carefully review the vehicle Owner's Manual for important safety information about trailering or off-road driving in your vehicle.

FLEET ORDERS Some standard content may be deleted on fleet orders. See dealer for details.

ENGINES GMC products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in GMC products may also be used in other GM makes and models.

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your GMC dealer for complete details. GMC reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Mid-SUV segment and latest available competitive information available at the time of printing. Excludes other GM vehicles.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design, features, materials or workmanship of any alterations by such employers.

ASSEMBLY GMC vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce GMC vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

GMMOBILITY.COM (1-800-323-9935) GM Mobility offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.
