 HYUNDAI™

GLS MODEL IN EBONY BLACK

Discover the 2009 Accent.

The 2009 Accent, Hyundai's fun-to-drive small car, brings you the best of small in a stylish package. With the reliable, affordable and fuel-efficient Accent, you can take the city by storm with enough room for your friends to tag along.

We all want more for less. We go to extremes in search of it. Unfortunately, we rarely get it. The Accent fits into more parking spots and goes further on less gas. Discover a vehicle that gives you more bang for your buck. Discover the 2009 Accent.

It's fun time.

GLS MODEL IN SPACE SILVER

exterior design

YOUNG AT HEART. Sleek or sporty – sedan or hatchback – you choose.

Whichever you choose, the Accent's fresh, youthful appearance is evident from its rounded front end and chrome-accented front grille (4-door only), to its available fog lights (GLS and GL with Sport Package) and stylish Euro-inspired roof-mounted antenna design. Standard body colour exterior door handles, bumpers and mirrors give the Accent sleek, uninterrupted lines. And, while it's spacious on the inside, its small exterior is just the right size for manoeuvring around the city.

ATTRACTIVE ALUMINUM ALLOYS. The GLS comes standard with 15-inch aluminum alloy wheels, while the GL with Sport Package is equipped with 16-inch alloys – among the largest in its class. They not only add style, they improve performance.

HATCHBACK VS. SEDAN? 3 DOORS VS. 4?

No matter which style best fits your lifestyle, isn't it nice to know you have a choice? Choose the Accent that satisfies your needs. The easy loading capabilities of the sporty hatchback or the roomy design of the passenger-friendly sedan let you choose what's right for you.

ACCENT

performance

LET THE GOOD TIMES ROLL. Today, producing a superior product means making the environment a priority. The Accent gives you spirited performance without having you spend your savings at the pump. The Accent's 110 horses – in the form of an inline, DOHC, 1.6L, 4-cylinder engine with Continuously Variable Valve Timing – provide impressive levels of efficiency, acceleration and added torque, meeting your driving needs without compromising real-world responsibilities. The Accent is equipped with a responsive, yet fuel-efficient, 5-speed manual transmission or the optional 4-speed automatic transmission to deliver invigorating performance while ensuring superior fuel economy.

WHY CVVT? The Accent comes equipped with Continuously Variable Valve Timing (CVVT) – a technology that allows cylinders to breathe efficiently at both low and high RPMs – resulting in improved performance, reduced emissions and better fuel economy.

MANUAL OR AUTOMATIC? The choice is yours. The Accent's 5-speed manual transmission gives you optimal control, while the optional 4-speed automatic offers reduced driver involvement.

Small, yet spacious.

GL WITH SPORT PACKAGE IN BLACK CLOTH

interior styling

USER-FRIENDLY DESIGN. The result of intelligent engineering and design, the Accent offers a space-maximizing interior with a wealth of features, including ergonomically designed gauges and controls. The Accent's overall roominess extends to the backseat as well. Its wide track and long wheelbase has contributed to an enlarged cabin and sure-footedness on the road. Even the little things – like a rubberized, anti-slip pad that holds your PDA or cell phone to keep it from taking flight as you take that next sharp corner – prove that the Accent is designed for your needs. Get the most from your sound system with the Accent's 4-speaker AM/FM/CD/MP3/Aux. Plug audio system (L, GL) or available 6-speaker system for enhanced sound (GL with Sport Package and GLS only).

AUXILIARY AUDIO INPUT JACK. This convenient input jack lets you plug in your favourite MP3 player so you can take thousands of tunes on the road, without lugging along a bunch of CDs.

POWER SUNROOF. The Accent's available power tilt-and-slide sunroof brings fresh air in on sunny days and summer nights (GL with Sport Package only).

PREPARED. EVEN IF YOU'RE NOT. From its steel-constructed safety cage to child-friendly features, including rear child safety door locks (4-door only) and Hyundai's LATCH child-seat system, the Accent puts you and your passengers' safety first. With front disc and rear drum, power-assisted braking and the responsiveness of power-assisted rack-and-pinion steering, the Accent achieves impressive control and dependable braking. ABS Braking with Electronic Brake Force Distribution is standard on the Accent GLS while a 3-point seatbelt with front-seat pretensioners, force limiters and adjustable rear-seat head restraints (3-door only) provide protection in unforeseen circumstances.

SUPER-STRONG STEEL PROTECTION. The Accent's high-tensile steel safety cage construction combines steel, side-impact door beams and built-in front and rear crumple zones, underlining the fact that this subcompact has nothing to do with compromising your safety.

SAFE SURROUNDINGS. Dual Airbags¹ are standard in both the 3- and 4-door Accent, while the GLS is equipped with an additional two front seat-mounted side-impact bags and two roof-mounted side-curtain airbags for added peace of mind.

QUALITY *There are a lot of companies that claim to build a quality product, making it hard for consumers to know when they're confronted with the real thing. By definition, quality refers to the highest standards. At Hyundai Auto Canada Corp., we are committed to bringing you the highest standards in everything we do. That's why we have invested billions of dollars into research, design, safety, testing, and manufacturing. And it's how we have the confidence to give you one of the best warranties in the industry.*

From our R&D Technical Center in South Korea to our ISO manufacturing plant in Alabama, our commitment to quality is rooted in our belief in craftsmanship. Craftsmanship cannot be achieved by robots alone. It requires the expertise, artistry and creativity of people. Together, our state-of-the-art facilities and dedicated human resources ensure our vehicles are built with integrity from the first to the final detail. And, together, they deliver on Hyundai's promise to Canadians – to create a lineup of vehicles that meets the harshest critics' highest standards – yours.

DRIVE DEFECTS TO ZERO. Hyundai embarked on its quality mission in 1999, when it launched its "Zero Defects" program. This initiative involves everyone – from design engineers to the factory workers on the line – and every aspect of the company's culture in a devout commitment to quality manufacturing across the board. The results are obvious.

ONE OF CANADA'S BEST WARRANTIES. Have the peace of mind that comes with Hyundai Auto Canada's standard 5-year/100,000 km Comprehensive Limited warranty[†] along with a 5-year/100,000 km Powertrain warranty – standard with every Accent. We also provide a 3-year/Unlimited km Roadside Assistance Program which includes fuel delivery service, flat tire changing, lock-out service, towing service, and more. Just one toll-free call away, 24 hours a day. There are no deductibles and warranties are transferable. For further details on your warranty coverage, including terms and limitations, please consult the Service Passport that accompanies all new Hyundai vehicles or see your local Hyundai dealer.

ACCESSORY SOLUTIONS THAT SUIT YOU.

Hyundai is making its name on delivering unprecedented quality and value, offering Canadians a wide variety of lifestyle-friendly vehicles loaded with outstanding packages of standard features and premium extras. Individual needs call for individual solutions. That's why Hyundai goes out of its way to offer you a line of accessories designed to suit specific demands. With Hyundai's line of authorized parts and accessories, you are able to customize and adapt your vehicle to your lifestyle. From versatile, quick-locking roof racks to stylish side visors, custom-fit your Accent your way.

1 CARGO NET. A custom-fit cargo net ensures everything you're transporting remains organized and in place by preventing items from sliding around.

3 RUBBER FLOOR MATS. Protect the interior of your Hyundai from everyday dirt and debris with custom-made floor mats.

5 EXHAUST TIP. A European-inspired polished stainless steel exhaust tip will give your vehicle an exciting sporty look.

2 PLASTIC HOOD PROTECTOR. Prevent dents and scratches caused by road and vehicle debris with an attractive plastic hood protector.

4 MUD GUARDS. Custom-fit mud guards keep the dirt and debris of everyday driving where it belongs.

6 BLOCK HEATER. Engineered for your Hyundai, a block heater will help ensure fast starts and reduce engine wear in extreme weather.

7 SIDE VISORS. Sleek and sporty, these side visors let you enjoy fresh air even when it's raining.

9 REAR SPOILER (3-DOOR ONLY). Add a touch of style and sportiness to your vehicle with an aerodynamic rear spoiler.

11 WINTER WIPER BLADES. Designed for Canadian winters, Hyundai winter wiper blades ensure you see the road ahead.

8 AIR CONDITIONING. Stay cool all summer long with environmentally friendly air conditioning.

10 WHEEL LOCK NUTS. Help protect your valuable wheels and tires from theft with a set of Hyundai wheel lock nuts.

12 STEEL WHEEL. Mount your winter tires on a set of Hyundai steel wheels and spare your alloy wheels from the corrosion caused by salt and slush.

Some vehicles are shown with optional equipment. All Hyundai warranties have no deductible.

Fuel economy figures are based on manufacturer's testing and are used for comparison purposes only. Actual fuel efficiency may vary based on driving conditions and the addition of certain vehicle accessories.

[†] Hyundai's Comprehensive Limited Warranty coverage covers most vehicle components against defects in workmanship under normal use and maintenance conditions.

^{††} Includes fuel delivery service, flat tire changing, lock-out service, towing service and more. Just one toll-free call away. 24 hours a day.

¹ The Supplemental Restraint (Airbag) System (SRS) is designed to work with the 3-point seatbelt system. The SRS deploys in certain frontal and/or side-impact conditions where significant injury is likely. The SRS is not a substitute for seatbelts, which must still be worn at all times. Children under the age of 13 should be securely restrained in the rear seat. NEVER place a child-seat in the front seat of a Hyundai vehicle.

^{**} CAN/ULC S338-98 compliant immobilizer may reduce insurance costs in some instances.

² Hyundai Accent received the lowest number of problems per 100 vehicles among compact multi-activity vehicles in the proprietary J.D. Power and Associates 2008 U.S. Vehicle Dependability StudySM. Study based on responses from over 52,000 original U.S. owners of 2005 model-year vehicles, measuring more than 250 models.
