

NEW THINKING. NEW POSSIBILITIES.

Every year Hyundai vehicles continue to exceed expectations, surprising and delighting critics and car owners alike. Challenging the status quo is the essence of progress, and it's exactly why Hyundai is an emerging leader in the automotive industry. It's this striving for the highest quality and innovation in engineering that keeps us propelling forward. Focused on building the most innovative technology in the industry – this is how we create New Thinking. New Possibilities.

SMALL CAR. BIG CHALLENGE.

The 2013 Accent challenges the small car category by giving drivers everything they need while not holding back on the extras they want. With the 2013 Accent you get more space, style and safety, while still getting exceptional fuel efficiency. Best of all, driving an Accent is fun. At Hyundai, we believe that purchasing a small car is no longer about making compromises – and this is what separates the Accent from the rest.

**2012
BEST NEW SMALL CAR
(UNDER 21K)**

AN ELEMENT OF DESIGN.

One of Mother Nature's most simple, elegant, and powerful examples of movement, wind, is the inspiration for Hyundai's Fluidic Sculpture design principle. Even at rest, the Accent is a marvel to look at. Its dynamic lines with deep grooves create a sporty profile. Strong, defining wheel arches and a distinctive hexagonal grille give the impression of movement even when standing still.

SMALL EXTERIOR. LARGE INTERIOR.

The 2013 Accent is anything but small when it comes to the interior. The intelligent design creatively maximizes space and within it you'll find plenty of conveniences which include the available Bluetooth® Hands Free phone system, automatic temperature control, and iPod®/USB/auxiliary input jacks (standard on all models). There's more interior space for the driver, passengers and cargo than seems possible. That means more space for you, family, friends, and all your stuff.

PREPARE FOR THE WORST WITH THE BEST.

What others believe are premium safety features, we believe should be standard. Safety is not a luxury, but a necessity. Every Accent comes standard with six airbags¹, Vehicle Stability Management (VSM), Electronic Stability Control (ESC), Traction Control System (TCS)², and front active head restraints. One of the most important aspects of safety is prevention – and that's why so much research has been put into our class-leading braking technology. The Accent is the only car in its class to offer 4-wheel disc brakes as standard (sub-compact class). Also standard is Anti-lock braking with Electronic Brake-force Distribution (EBD) and Brake Assist. EBD recalibrates the braking force between front and rear wheels to maximize stopping ability, and Brake Assist ensures that maximum braking force is applied when you need it most.

EVERY LAST DROP.

The primary measure of a small car is fuel consumption, and the Hyundai Accent is at the top of its game. With superior Gasoline Direct Injection (GDI) engine technology, the Accent is able to precisely control the injection of fuel and delivers an impressive 138 horsepower, 123 lb-ft of torque and 5,2L/100 km (AT) highway fuel economy. If it can make you go further, we've incorporated it: an offset crankshaft design, an electronic throttle control, and even low-rolling resistance silica tires that reduce friction with the road. It all adds up to greater fuel efficiency.

Bluetooth® Hands Free Phone System.

Staying in touch means being able to talk to friends and colleagues whenever you want to. With available Bluetooth® Hands Free functionality, you can make and receive phone calls hands free through the car's stereo system, keeping things safe and convenient.

4-Wheel Disc Brakes.

4-wheel disc brakes add that extra level of safety by using the back wheels as well as the front to make for faster, effective stops.

Power Sunroof.

Add a wide open swatch of sky to your driving experience with an available power tilt-and-slide, one-touch glass sunroof.

Heated Seats.

A welcomed luxury to the 2013 Accent are front heated seats that makes staying warm easier than ever. (Standard on GL and GLS models.)

Mirror-Mounted Turn Signal.

With large side-view mirrors, the Accent offers drivers a wide view of rear and side-rear traffic for added safety, while available side repeater lights alert other drivers to your intentions when turning or changing lanes.

iPod® Connectivity.¹

Thanks to standard USB connectivity you can plug in an iPod® and control your favourite tunes through the audio system while simultaneously charging your player or, connect your MP3 player through the standard auxiliary input.

Active ECO System.

It's as simple as pushing a button. Standard on all automatic transmission models, the Active ECO System modifies engine and transmission control for smoother and smarter accelerations to help improve fuel economy.

Automatic Temperature Control.

A new feature for the 2013 Accent, this automatic temperature control system provides ultimate comfort and convenience by maintaining the temperature selected by the driver or passenger. By monitoring temperature levels and controlling air flow, the cabin temperature stays exactly where you want it, no effort required.

THERE'S NO SUBSTITUTE FOR PEACE OF MIND.

The quality of our vehicles is equally matched by the quality of our warranty. Rest assured we stand proudly and confidently behind our vehicles to give you the ultimate peace of mind with a 5 year/ 100,000KM comprehensive limited warranty, one of the best backed warranties in Canada. And now we also provide a Road Trip Planner service, helping you prepare worry free trips. You're covered with Hyundai.

ACCESSORIES

Accessory Frame.

An accessory frame makes it quick and easy to attach hitch-mounted cargo equipment, such as bike and ski racks. Frame not intended for towing.

Cargo Net.

A custom-fit cargo net ensures everything you're transporting remains organized and in place by preventing items from sliding around.

Rubber Floor Mats.

Protect the interior of your Hyundai from everyday dirt and debris with custom-made floor mats. Remove carpet mats prior to installation.

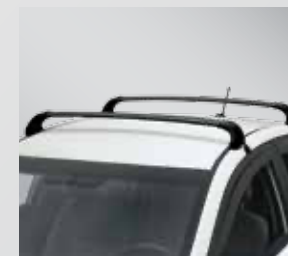

Cargo Tray.

Add years to the interior of your Hyundai by protecting it from spills and messy loads with a durable, custom-fit cargo tray.

Roof Racks.

This durable, quick-locking roof rack system lets you transport cargo easily, without sacrificing interior room. Remove when not in use.

Remote Starter.

Leaving the house on winter mornings doesn't have to be an unpleasant experience. Equip your Hyundai with a remote starter and get on the road in comfort. Complete with factory style remotes this feature is fully integrated with your vehicle alarm system. ATM only.

Side Visors.

Compliment your vehicle with a sleek and durable set of side visors that will help reduce glare while providing you with fresh air. Custom made for your vehicle using high quality reinforced tinted acrylic plastic, these visors will look good on your vehicle for years to come.

Mud Guards.

Custom-fit mud guards keep the dirt and debris of everyday driving where it belongs.

Plastic Hood Protector.

Prevent dents and scratches caused by road and vehicle debris with an attractive plastic hood protector.

Air Conditioning.

Stay cool all summer long with environmentally friendly air conditioning.

SPECIFICATIONS

4DR L

Standard Equipment Includes:

1.6L GDI Engine ■ 6-speed Manual Transmission ■ 14" Steel Wheels with Full Cover ■ 4-Wheel Disc Brakes ■ AM/FM/CD/MP3 Audio System ■ iPod®/USB/Auxiliary Input Jacks ■ Anti-lock Braking System (ABS) with Electronic Brake-force Distribution (EBD) and Brake Assist (BA) ■ Driver and Front Passenger Vanity Mirror ■ Driver's Seat Height Adjustment ■ Driver's Seat Armrest ■ Airbags (6)*: Dual Front, Front Seat-mounted Side Impact and Roof-mounted Side Curtain ■ Eco Shift Indicator (M/T only) ■ Electronic Stability Control System (ESC) with Traction Control System (TCS)² and Vehicle Stability Management (VSM) ■ Front Active Head Restraints ■ Power Door Locks ■ Trip Computer ■ Optional: 6-speed Automatic Transmission with Active ECO System

4DR GL

Includes Standard 4DR L Equipment Plus:

60/40 Folding Rear Seats ■ Cloth Interior Door Trim ■ Deluxe Centre Console with Armrest ■ Heated Front Seats ■ Keyless Entry with Panic Alarm ■ Manual Air Conditioning ■ Power Heated Exterior Mirrors ■ Power Windows with Driver's Side Auto-down ■ Steering Wheel-mounted Audio and Cruise Controls ■ Sunglass Holder ■ Optional: 6-speed Automatic Transmission with Active ECO System

4DR GLS

Includes Standard 4DR GL Equipment Plus:

6-speed Automatic Transmission with Active ECO System ■ 16" Alloy Wheels ■ Automatic Temperature Control ■ AM/FM/XM®/CD/MP3 Audio System ■ Bluetooth® Hands Free Phone System ■ Chrome-coated Interior Door Handles and Parking Brake Button ■ Fog Lamps ■ Leather-wrapped Steering Wheel and Gear Shift Knob ■ Side Mirror-mounted Turn Signals ■ Power Sliding Sunroof

5DR L
