CHALLENGE EVERYTHING.

CHALLENGE. IT'S IN OUR DNA, AND IT'S EXACTLY WHY HYUNDAI HAS BECOME A LEADER IN THE AUTOMOTIVE INDUSTRY. WE BELIEVE THAT BEING A LEADER MEANS VENTURING AWAY FROM THE MAINSTREAM AND CHALLENGING CONVENTION. THIS ATTITUDE IS THE DRIVING FORCE THAT HAS LED US TO MANUFACTURE OUR OWN STEEL, DESIGN VEHICLES WITH FLUIDIC SCULPTURE, AND MOVE MORE FEATURES FROM THE OPTIONAL LIST TO THE STANDARD LIST ON ALL OUR VEHICLES. WE CHALLENGE OURSELVES. WE CHALLENGE PHYSICS. WE CHALLENGE THE STATUS QUO. AT HYUNDAI, WE CHALLENGE EVERYTHING, AND IT'S THIS THINKING, A **NEW KIND OF THINKING** THAT LEADS TO **NEW POSSIBILITIES** FOR YOU.

CHALLENGING SMALL

The 2014 Accent challenges the compact car category. It gives you what you need and does not hold back on the extras you want. With the 2014 Accent you get tons of space, beautiful styling, and top safety features while still getting exceptional fuel efficiency. Best of all, driving an Accent is fun. At Hyundai, we believe that purchasing a compact car is no longer about making compromises – and this is what separates the Accent from the rest.

AN ELEMENT OF DESIGN

One of Mother Nature's most simple, elegant, and powerful examples of movement, wind, is one of the inspirations for the Hyundai design principle called Fluidic Sculpture. Even at rest, the Accent is a marvel to look at. Its dynamic lines with deep grooves create a sporty profile. Strong, defining wheel arches and a distinctive hexagonal grille give the impression of movement even when standing still.

SMALL EXTERIOR. LARGE INTERIOR

The intelligent design of the interior creatively maximizes space and is packed with plenty of conveniences, like the multiple features located on the steering wheel. These include the available tilt and telescopic options to adjust its position, available audio/cruise control settings, and an available Bluetooth® Hands-free phone system – all at your finger tips. There's also standard iPod®/USB/auxiliary input jacks to play your favourite music. With beautiful, space saving design, the Accent looks great and provides more space for the driver, passengers and cargo than seems possible. That means more space for you, family, friends, and all your stuff.

Not exactly as shown.

ACTIVE AND PASSIVE SAFETY

There are two types of safety: active and passive. The former works to prevent accidents, while the latter helps to protect the passengers in an accident. The 2014 Accent comes loaded with both types. Every Accent comes standard with six airbags¹, Vehicle Stability Management (VSM), Electronic Stability Control (ESC), Traction Control System (TCS)², and front active head restraints. For better accident avoidance, the Accent is equipped with standard 4-wheel disc brakes and an Anti-lock Braking System (ABS) with Electronic Brake-force Distribution (EBD) and Brake Assist. When it comes to safety, the 2014 Accent is prepared.

EVERY LAST DROP

The primary measure of a small car is fuel consumption. With superior Gasoline Direct Injection (GDI) engine technology, the Accent is able to precisely control the injection of fuel and delivers an impressive 138 horsepower, 123 lb-ft of torque and 5.2L/100 km (A/T) highway fuel economy. We've also incorporated an offset crankshaft design, an electronic throttle control, and even silica tires that help reduce friction with the road. It all adds up to greater fuel efficiency.

ACCENT FEATURES

SMART STORAGE.

Traveling with lots of stuff? Chances are the Accent has a spot for it. Take a seat inside and you'll find available features such as overhead sunglass storage, front map pockets with bottle holders, a storage tray, dual front cupholders, a sliding armrest storage console, and a front glove compartment – all to help keep you organized. For larger and longer items you need to store, the Accent also offers available 60/40 split fold-down rear seatback.

HEATED SEATS.

A welcomed luxury to the 2014 Accent are front heated seats that makes staying warm easier than ever (standard on GL and GLS models).

POWER SUNROOF.

Add a wide open swath of sky to your driving experience with an available power tilt-and-slide, one-touch glass sunroof.

IPOD® CONNECTIVITY AND AVAILABLE SIRIUSXM™ RADIO.

A 6-speaker, 172-watt audio system provides great sound. Standard iPod®/USB auxiliary input jacks let you listen to your favorite music, or tune into the available SiriusXM™ Satellite Radio, with 130 digital channels, for even more music options.

BLUETOOTH® HANDS-FREE PHONE SYSTEM.

Staying in touch means being able to talk to friends and family whenever you want to. With available Bluetooth® Hands-free functionality, you can make and receive phone calls hands-free through the car's stereo system, which helps keep things safe and convenient (available on GL and GLS models).

ACTIVE ECO SYSTEM.

It's as simple as pushing a button. Standard on all automatic transmission models, the Active ECO System modifies engine and transmission control for smoother and smarter accelerations to help improve fuel economy.

4-WHEEL DISC BRAKES.

Standard 4-wheel disc brakes add that extra level of safety by using the back wheels as well as the front to make for faster, effective stops.

AUTOMATIC TEMPERATURE CONTROL.

The available automatic temperature control system provides ultimate comfort and convenience by maintaining the temperature selected by the driver or passenger. By monitoring temperature levels and controlling air flow, the cabin temperature stays exactly where you want it, no effort required.

THERE'S NO SUBSTITUTE FOR PEACE OF MIND.

The quality of our vehicles is equally matched by the quality of our warranty. Rest assured, we stand proudly and confidently behind our vehicles to give you the ultimate peace of mind with a 5 year/100,000km comprehensive limited warranty, one of the best backed warranties in Canada. We also provide a 3 year/Unlimited km Roadside Assistance Program^{††} featuring flat tire changing, lockout service and more. Just one toll-free call away, 24 hours a day.
