

ELANTRA N

2023

Performance to the power of **N.**

N is our high-performance brand inspired by motorsport. Every N model is the result of decades of experience from our R&D centre in Namyang, Korea, and endless testing at the Nürburgring in Germany, one of the world's most demanding racetracks. Through this painstaking process, N performance, design and technology are born. Experience highly concentrated performance in a precise package designed to elevate driver engagement to a whole new level.

Performance and fun.

For those who love to drive, here comes a new breed of high-performance sedan worthy of the N badge.

Race-worthy. Street-legal.

The motorsport-inspired ELANTRA N takes performance to an entirely new level. Its powerful 2.0L Turbocharged, flat-power GDI engine with 276 hp and 289 lb.-ft. torque will take you enthusiastically from 0 to 100 km/h in 5.3 seconds with launch control*.

Its Electronically Controlled Suspension helps you take on every corner with ease.

And you get to choose between its spirited 6-speed, close-ratio manual transmission and the quick-shifting 8-speed Wet Dual Clutch Transmission. Both options put the power of N in your hands.

Electronic Limited-Slip Differential (e-LSD)

The ELANTRA N provides world-class cornering ability with an electronically controlled, mechanical limited-slip differential. This system uses true torque vectoring to intelligently and precisely distribute torque where it's needed most. This increases cornering speed and reduces understeer for enhanced handling agility.

Electronically Controlled Suspension (ECS)

Allows optimal control of damping force of suspension to suit the driving situation and offers a clearly differentiated ride feel according to drive mode.

Available 8-speed Wet Dual Clutch Transmission with paddle shifters (N DCT)

The N 8-speed Wet Dual Clutch Transmission (N DCT) is an automated manual transmission with two separate clutches for increased efficiency, faster shifting and driving convenience. The wet clutch system offers better cooling and copes with high torque; it comes with a simple gear lever arrangement, so you can push forward to downshift and pull back to upshift. With three high-performance functions enhancing the fun, you get full control over your drive.

“N Power Shift” provides a dynamic shifting style, giving you a push-feel when upshifting, designed to mimic the sensation of manual transmission.

“N Grin Shift” will put a grin on your face with the push of a button, giving you a max-power turbo boost for 20 seconds.

“N Track Sense Shift” senses when road conditions are optimal for dynamic driving and automatically activates, selecting the right gear and shift timing for optimal performance, allowing you to focus on steering.

*For DCT model only.

The look of **N.**

The ELANTRA N doesn't just turn corners, it turns heads. From its race car-inspired N front fascia with stunning red lip* to its parametrically sculpted side body with N logo engraved side moulding with red accents* to its wing-type rear spoiler and N rear bumper and diffuser, everything about the exterior of the ELANTRA N exudes performance.

N front fascia with unique red front lip*

N 19" alloy wheels with Michelin Pilot Sport 4S summer tires
N logo engraved side moulding with red accents*

Wing-type rear spoiler
N rear bumper and diffuser
Variable exhaust valve system with dual outlets

Side body with sculpted Parametric surfaces

Power tilt-and-slide sunroof

LED projection-type headlights
LED daytime running lights
LED mirror-mounted turn signals

Full LED tail lights

Rear strut bar offers an enhanced body rigidity increase of 29%, compared to the standard ELANTRA model

*Red accents not applicable to Fiery Red exterior colour. Dark grey accents will be applicable for Fiery Red exterior colour.

Stay seated for the performance.

Settle into the ELANTRA N's lightweight, microsuede sport bucket seats with illuminated N logo, wrap one hand around the N-badged steering wheel and the other on the specially designed N gear shift knob. Press the start button and immediately feel the power beneath your feet through its alloy sport pedals.

The ELANTRA N surrounds its driver in complete comfort, style and safety, including heated front seats and steering wheel, distinctive aluminum N door scuffs and high-performance sport bucket seats designed for improved passenger stability during high-speed driving and cornering.

A high-tech high performer.

The ELANTRA N has been engineered to perform, and that extends to its connectivity features. With Apple CarPlay™ and Android Auto™ smartphone connectivity, you can seamlessly stream your favourite playlist, use voice commands for text messages and interact with your favourite apps on the 10.25" touch-screen.

When you're not enjoying the sound of the perfectly tuned engine of the ELANTRA N, you can listen to your music library on its eight-speaker Bose® premium audio system.

And stay connected to your vehicle and the world with Bluelink® and a three-month trial of SiriusXM™ satellite radio.

Specifications.

ELANTRA N

Standard equipment includes:

Performance features:

- 2.0L Turbocharged Gasoline Direct Injection “flat-power” 4-cylinder engine
- 6-speed manual transmission with rev-matching
- Driver-adjustable active exhaust with large bore dual outlets
- Electronic Limited-Slip Differential
- Electronically Controlled Suspension
- Rear strut bar
- Drive Mode Select (Eco, Normal, Sport, N, Custom)
- Launch control
- 19" x 8.0J alloy wheels
- P245/35R19 high-performance summer tires (Michelin Pilot Sport 4S)
- Tire mobility kit

Exterior features:

- N-exclusive bumpers (front and rear)
- N-exclusive front grille
- N-exclusive side sill mouldings
- N-exclusive wing-type rear spoiler, glossy black
- Power tilt-and-slide sunroof
- LED headlights and tail lights
- LED daytime running lights
- LED side mirror turn signal repeaters

Interior features:

- N-exclusive sport bucket seats with microsuede insert and leatherette bolsters (N Light Seats)
- N-exclusive leather-wrapped heated sport steering wheel
- 10.25" full digital instrument cluster
- 10.25" touch-screen navigation system with Apple CarPlay™^Δ and Android Auto™[◊]
- Bose® AM/FM/SiriusXM™[±]/MP3/HD audio system with 8 speakers and external amplifier
- Wireless charging pad▼
- Bluelink® connected vehicle system[◊]
- Ambient lighting (64 colours)
- 6-way manually adjustable driver's seat
- 4-way manually adjustable front passenger's seat
- Heated front seats
- Air conditioning, dual-zone automatic climate control with window auto-defogger
- Proximity keyless entry with push-button ignition
- Bluetooth® hands-free phone system with voice recognition
- Performance Blue accents
- Leather-wrapped shift knob with N logo
- Door scuff plates, metal
- Power windows, driver's auto-up/down with pinch protection

Safety features:

- Forward Collision-Avoidance Assist with Pedestrian Detection
- Blind-Spot Collision-Avoidance Assist
- Rear Cross-Traffic Collision-Avoidance Assist
- Safe Exit Warning
- Lane Keeping Assist
- Lane Following Assist
- Driver Attention Warning
- High Beam Assist
- Parking Distance Warning - Reverse
- Rearview camera with dynamic guidelines
- 6 airbags
- Vehicle Stability Management, Electronic Stability Control with Traction Control System
- Anti-lock Braking System with Electronic Brake-force Distribution

Optional:

- 8-speed Wet Dual Clutch Transmission with paddle shifters (N DCT)

Accessories.

Premium all-weather floor liners

Premium all-weather floor liners were designed to cover the interior carpet providing maximum protection against the elements that other mats cannot offer. Their unique and durable design features a non-slip surface for added comfort and a long-lasting premium look. Remove carpet mats prior to installation.

Side visors

Complement your vehicle with a sleek and durable set of side visors that will help reduce glare while providing you with fresh air. Custom made for your vehicle using high-quality reinforced tinted acrylic plastic, these visors will look good on your vehicle for years to come.

Premium all-weather cargo tray

Protect your interior cargo area with style. This durable, custom-fit premium cargo tray protects from spills and messy loads while helping keep your cargo area looking new for years to come.

Winter wheel and tire packages

Winter tires have specialized rubber and tread to handle the cold temperatures resulting in better traction, handling and braking. Mount your tires on a set of Hyundai steel wheels and spare your alloy wheels from the corrosion caused by salt and slush.

Plastic hood protector

Help prevent dents and scratches caused by road and vehicle debris with an attractive plastic hood protector.

Trunk lip protector

Help protect the paintwork on your rear bumper from scuffs and scrapes when loading and unloading cargo.

One of the best-backed warranties in Canada.

You will see that a number of our vehicles have received multiple awards from the most reputable third-party organizations, so you can take their word when it comes to the quality of our vehicles. This quality is equally matched by the quality of our warranty. We stand confidently behind our products to give you ultimate peace of mind with a 5-year/100,000 kilometre Comprehensive Limited Warranty¹. We also provide a 5-year/Unlimited kilometre Roadside Assistance Program¹¹ featuring flat tire changing, lockout service and more. Just one toll-free call away, 24 hours a day.

For more on details and limitations, visit hyundaicanada.com or your authorized Hyundai dealer.¹Forward Collision-Avoidance Assist (FCA) is designed to detect vehicles or pedestrians (depending on the specific FCA type with which the vehicle is equipped) that are directly in front of the vehicle. FCA will not detect all vehicles, pedestrians or other objects (as applicable). FCA will not work on winding or hilly roads, or during certain weather conditions, such as rain, snow, fog and any other times of limited visibility. The speed at which FCA initiates full braking depends on the type of FCA system equipped on the ELANTRA N. FCA initiates full braking at speeds between 10 and 60 km/h (vehicle detection) or 10 and 60 km/h (pedestrian detection) if the ELANTRA N is equipped with the FCA "camera type" system. FCA initiates full braking at speeds between 10 and 75 km/h, and 10 and 85 km/h (vehicle detection, depending on whether vehicle ahead is in motion) or 10 and 65 km/h (pedestrian detection) if the ELANTRA N is equipped with the FCA "camera and radar type" system. FCA will not detect all vehicles and pedestrians under certain conditions. See Owner's Manual for detailed descriptions of example conditions in which FCA may not detect a vehicle or pedestrian. FCA is not a substitute for safe driving. Always check your surroundings when driving. See Owner's Manual for further details and limitations.¹Not all devices will be compatible.
