

SONATA

2023

Because of you.

At Hyundai, we believe that only with you in mind will we be able to provide progress, innovation, sustainability and mobility that evolves the driving experience.

We prioritize research and development in connected and clean mobility solutions, continuing to push boundaries and challenge conventional thinking to bring you a connected experience and a sustainable vision for the future.

We are inspired to build platforms and technology that provide you with more ways to enjoy quality time with our vehicles. To live a comfortable and connected life where you enjoy the journey, not just the destination.

We also tailor our vehicles with features that meet the demands of our Canadian landscape, so you can take on our extreme winters and amazing summers in comfort and with confidence. And, of course, we back our vehicles with one of the best automotive warranties in the industry.

We do all of this because of you.

Fashionably smart.

The 2023 SONATA embraces the aggressive curves and sharp lines of a 4-door coupe while delivering a sleek and modern cabin designed around your every need. Surround yourself with advanced technology, like the available 12.3" full digital instrument cluster and a suite of standard and available Hyundai SmartSense™ safety features.

Drive fashionably and drive smart with the SONATA.

Exterior excellence.

Our engineers created an unmistakable lighting signature unique to the SONATA that incorporates the very latest in lighting technology. Formed to the SONATA's body, the hidden LED daytime running lights appear chrome when turned off, and then dramatically brighten when turned on. The wide, horizontal LED tail lights at the rear connect to the brake lights on each side, creating a striking visual design at night.

Enjoy the power of choice.

The 2023 SONATA offers a range of four engine options throughout the model lineup, from our most powerful 2.5L Turbocharged engine equipped on the N Line model to the fuel-efficient Smartstream 2.0L Hybrid engine on our Ultimate Hybrid model.

Push the boundaries of efficiency and performance.

Discover the SONATA N Line.

The available N Line model is equipped with a 2.5-litre Turbocharged engine and outfitted with sport-tuned suspension and steering designed to elevate on-road dynamics, responsiveness and feel — which makes cornering a true pleasure.

Exclusive N Line model features:

Drive Mode Select

At the press of a button find your preferred powertrain, steering and stability control settings. Choose from four different modes: Normal, Sport, Custom and the N Line exclusive Sport + mode.

N 8-speed Wet Dual Clutch Transmission (N DCT)

The N DCT is an automated manual transmission with two separate clutches for increased efficiency, faster shifting and driving convenience. The wet clutch system offers better cooling and coping in high-torque scenarios.

Launch control

Launch control is an electronic aid that manages engine torque when starting from a standstill for a spirited feel.

N Line sport bucket seats

Embossed with an “N” logo, the Dinamica® suede sport seats with Nappa leather bolsters are lined with red contrast stitching and piping.

Ultimate Hybrid model shown.

An interior built for comfort.

Sink into the available plush leather seats and stretch out in the spacious cabin. Heated front seats and a leather-wrapped heated steering wheel help you embrace Canadian winters, and once temperatures warm up, go from the comfort of heat to the cool satisfaction of ventilated front seats, all while soaking in the sunshine with the available panoramic sunroof that spans above the cabin. Pair this with the automatic climate control with three levels of airflow intensity and the cabin really will be your oasis.

Standard heated front seats and available ventilated front seats

Technology that takes you further.

The 2023 SONATA undoubtedly makes every drive an exceptional one.

Step inside and access standard personalized profile settings for up to three drivers for ultimate convenience. The technology will keep settings for the driver's seat and side mirror positions, multimedia, drive mode, head-up display settings and more, all stored and accessible at the press of a button.

Standard 10.25" touch-screen display with navigation system and available surround view monitor

Accessories.

Accessory frame

An accessory frame makes it quick and easy to attach hitch-mounted cargo equipment, such as bikes and ski racks. Frame not intended for towing.

Winter wheel and tire packages

Winter tires have specialized rubber and tread to handle the cold temperatures, resulting in better traction, handling and braking. Mount your tires on a set of Hyundai steel wheels and spare your alloy wheels from the corrosion caused by salt and slush.

Premium all-weather cargo tray

Protect your interior cargo area with style. This durable, custom-fit premium cargo tray protects from spills and messy loads while helping keep your cargo area looking new for years to come.

Premium all-weather floor liners

Premium all-weather floor liners were designed to cover the interior carpet providing maximum protection against the elements that other mats cannot offer. Their unique and durable design features a non-slip surface for added comfort and a long-lasting premium look. Remove carpet mats prior to installation.

Plastic hood protector

Help prevent dents and scratches caused by road and vehicle debris with an attractive plastic hood protector.

Roof racks

This durable, quick-locking roof rack system lets you transport cargo easily, without sacrificing interior room. Remove when not in use.
