QX50

INFINITI.

EMPOWER THE DRIVE™

INFINITI

EMPOWER THE DRIVE

We are like you. We push ourselves beyond our comfort zone. While others might be content with making better machines, we are driven to go beyond—to design cars that push human potential. We build technology to enhance your senses, striking design that demands a response and performance that makes you feel more alive. Prepare to experience the road as it was intended.

INFINITI QX50

Empower the drive with confidence. The body of a crossover and the soul of a coupe, this machine combines fast with nimble. A traction-optimizing Intelligent All-Wheel Drive and a transmission equipped with a manual shift mode for enhanced driver control. QX50. Master the open road.

U.S. model shown.

EXTERIOR DESIGN

A STATEMENT OF REFRESHING STYLE

Dramatic, sculpted contours give the QX50 the confident stance of a crossover and the elegant profile of a coupe.

INTUITIVE FRONT LIGHTING Illuminates where you truly need to be. The Adaptive Front lighting System (AFS) with auto-leveling headlights improves visibility at intersections and around curves by sensing your steering and turning the headlights. Together with Xenon HID headlights, AFS helps you see not just ahead but around as well.¹

ILLUMINATE THE WAY FORWARD The stylish front fascia integrates LED daytime running lights for a signature look and increased visibility. The LED fog lights run more efficiently and brighter than halogen bulbs to help keep you focused on what's ahead.

ATHLETIC STANCE Large 19-inch alloy wheels not only complement the sporty proportions of the QX50, they are designed to make handling more responsive.¹ The lightweight construction inherently reduces unsprung weight and helps contribute to quicker turn-ins.

ELEVATED VIEW The inherent ride height of the QX50 gives it an advantage in practicality and capability. Find yourself exploring more of your world with confidence.

PERSONAL ATTENTION

CELEBRATING YOUR ARRIVAL

You live by your instincts, and the QX50 will feel like an extension of yourself—looking ahead, acting to assist, customizing comfort—all without you having to think about it.

ROOM TO PLEASE The long wheelbase of the QX50 offers 896 mm of rear legroom and allows your passengers to enter and exit with ease.

INVITING YOU IN For added convenience and safety, Welcome Lighting responds to your presence automatically with a sequence of exterior then interior lights. The puddle lights illuminate the ground below, and then the interior lights glow to help you settle in. The choreographed sequence ends with the Start/Stop button pulsing, waiting for you to bring it to life.

IMMEASURABLE VERSATILITY The second row of the QX50 can effortlessly rise with a touch of a button located inside the cargo area or on the centre console.¹ Loading and unloading has never been easier.²

PERSONALIZED ACCESS Recognizing you upon your approach, the INFINITI Intelligent Key[®] lets you unlock the doors and rear liftgate, then start the engine without taking the key out from your pocket or purse. And as you enter, it slides your seat back for you, then adjusts your steering wheel and outside mirrors automatically to your preferences.³

THOUGHTFUL ACCOMMODATIONS Located on the back of the driver's seat, the integrated head-restraint-mounted coat hanger is a personal touch you're sure to appreciate.³ It's the perfect place to hang your coat without blocking your view.

U.S. model shown.

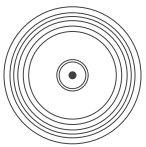

U.S. model shown.

CONNECTIVITY

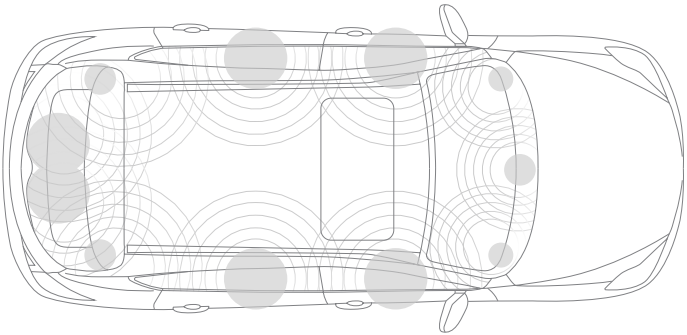

TECHNOLOGY THAT UNLOCKS A SHARED EXPERIENCE

Connect to your music, those around you, or just the one you're with.

 11 SPEAKER
BOSE® AUDIO

HIGH-QUALITY SOUND With 11 speakers, including two subwoofers, the Bose® Premium Audio System delivers your music with captivating depth and astonishing clarity. Listen to your favourite music through one of many ways. You can play CDs, stream music from a compatible Bluetooth® device or SiriusXM Satellite Radio, or connect and control your iPod® via the USB port.^{1,3,4,5}

LISTENS TO YOU The INFINITI Voice Recognition system allows you to set a destination on the navigation system, call a contact from your phone, play an audio track and much more without lifting your hands from the wheel or taking your eyes off the road. The system recognizes a wide variety of commands, making your life that much simpler.¹

U.S. instrumentation shown.

U.S. instrumentation shown.

EMPOWER YOUR TOUCH The INFINITI Controller puts simple, intuitive control of your technology systems at your fingertips. It allows you to interact via the inputs most intuitive to you—turning ring, touch-screen, input buttons, and even steering wheel controls—responding to you rather than you adjusting to it.

WIRELESS POSSIBILITIES Pair your Bluetooth®-compatible smartphone with your QX50 for hands-free convenience.³ Receive and place calls. Stream your favourite playlists from portable music players.¹ All with the touch of a steering wheel button.

ENGINEERING

POWER THAT ENABLES. BALANCE THAT BUILDS TRUST

Feel your confidence rise as you move with technologies that do more than give you capability—they elevate your driving experience.

A CONTINUOUS RUSH By precisely tuning the engine to unleash torque at a broader rev range, the force you feel seems to increase the faster you go. So Acceleration Swell feels more like a limitless rush than a momentary thrill.

SHARP SHIFTING When choosing a lower gear, Downshift Rev Matching blips the throttle like a performance driver to ready the engine for smoother, quicker shifts.

SIGNATURE EXHAUST NOTE The unmistakable tone of the specially tuned exhaust shapes sound to create a heightened acceleration experience. The signature low growl accentuates every trip through the gears.

INTUITIVE TRACTION Intelligent All-Wheel Drive adjusts for better traction by sending anywhere from zero to 50% of the power to the front wheels when you need it, and 100% to the rear wheels for sporty response when you don't. You get all-wheel drive traction without sacrificing rear-wheel drive feel.

NATURALLY SMOOTH SHIFTING The 7-speed automatic transmission offers a wide selection of gears for versatile performance, and enhanced fuel economy. A driver-adaptive learning algorithm familiarizes with your driving style and adjusts shifting for responsiveness or efficiency to suit you.

INHERENTLY RESPONSIVE BALANCE The Front-Midship Platform of the QX50 places the engine's centre of mass just behind the front wheel centreline. A sports car-inspired approach for near-equal front-to-rear weight ratio and inherent balance you feel with every turn.

325
HP

267
LB-FT

3.7-LITRE V6 ENGINE A potent blend of exciting response and intelligent efficiency, the 3.7L engine benefits from exclusive Variable Valve Event and Lift (VVEL®) technology. The engine continually adjusts not just when intake valves open but also how much. The result is a powerful 325 horsepower at your command.

U.S. instrumentation shown.

INTERIOR DESIGN

METICULOUS IN EVERY DETAIL

Everything you see and touch is finely crafted from luxurious materials and designed to focus on the individual seated inside the cabin.

PLEASING TO THE EYE The soothing glow of the Fine Vision electroluminescent gauges has been designed to be brighter, so the contrast delivers information clearly, even at a glance.

OPTICAL PERFECTION Where the dashboard meets the door or centre console, the interior components are not only assembled to be perfect to a measurement but also to look perfect to your eye. This requires an exacting manufacturing process that tightens the space in order to achieve a seamless design from the driver's point of view.

SEATS WITH STYLE The unique design of the driver and front-passenger seats exudes opulence, style and comfort. While getting inspiration from the fit and drape of a finely tailored kimono, the result is an impeccable combination of form and function.

FINER FABRICS The seat belt is one of the few surfaces you continually touch, so we use a variable herringbone weave that is 20% softer than standard fabrics. This makes it more comfortable to wear and easier to pull out.

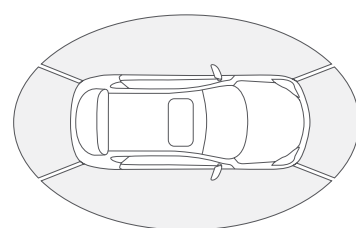

U.S. instrumentation shown.

CONVENIENCE

A NATURAL EXTENSION OF YOU

The QX50 intuitively helps you reach further with innovations that help you see more clearly, be more aware and breathe easier.

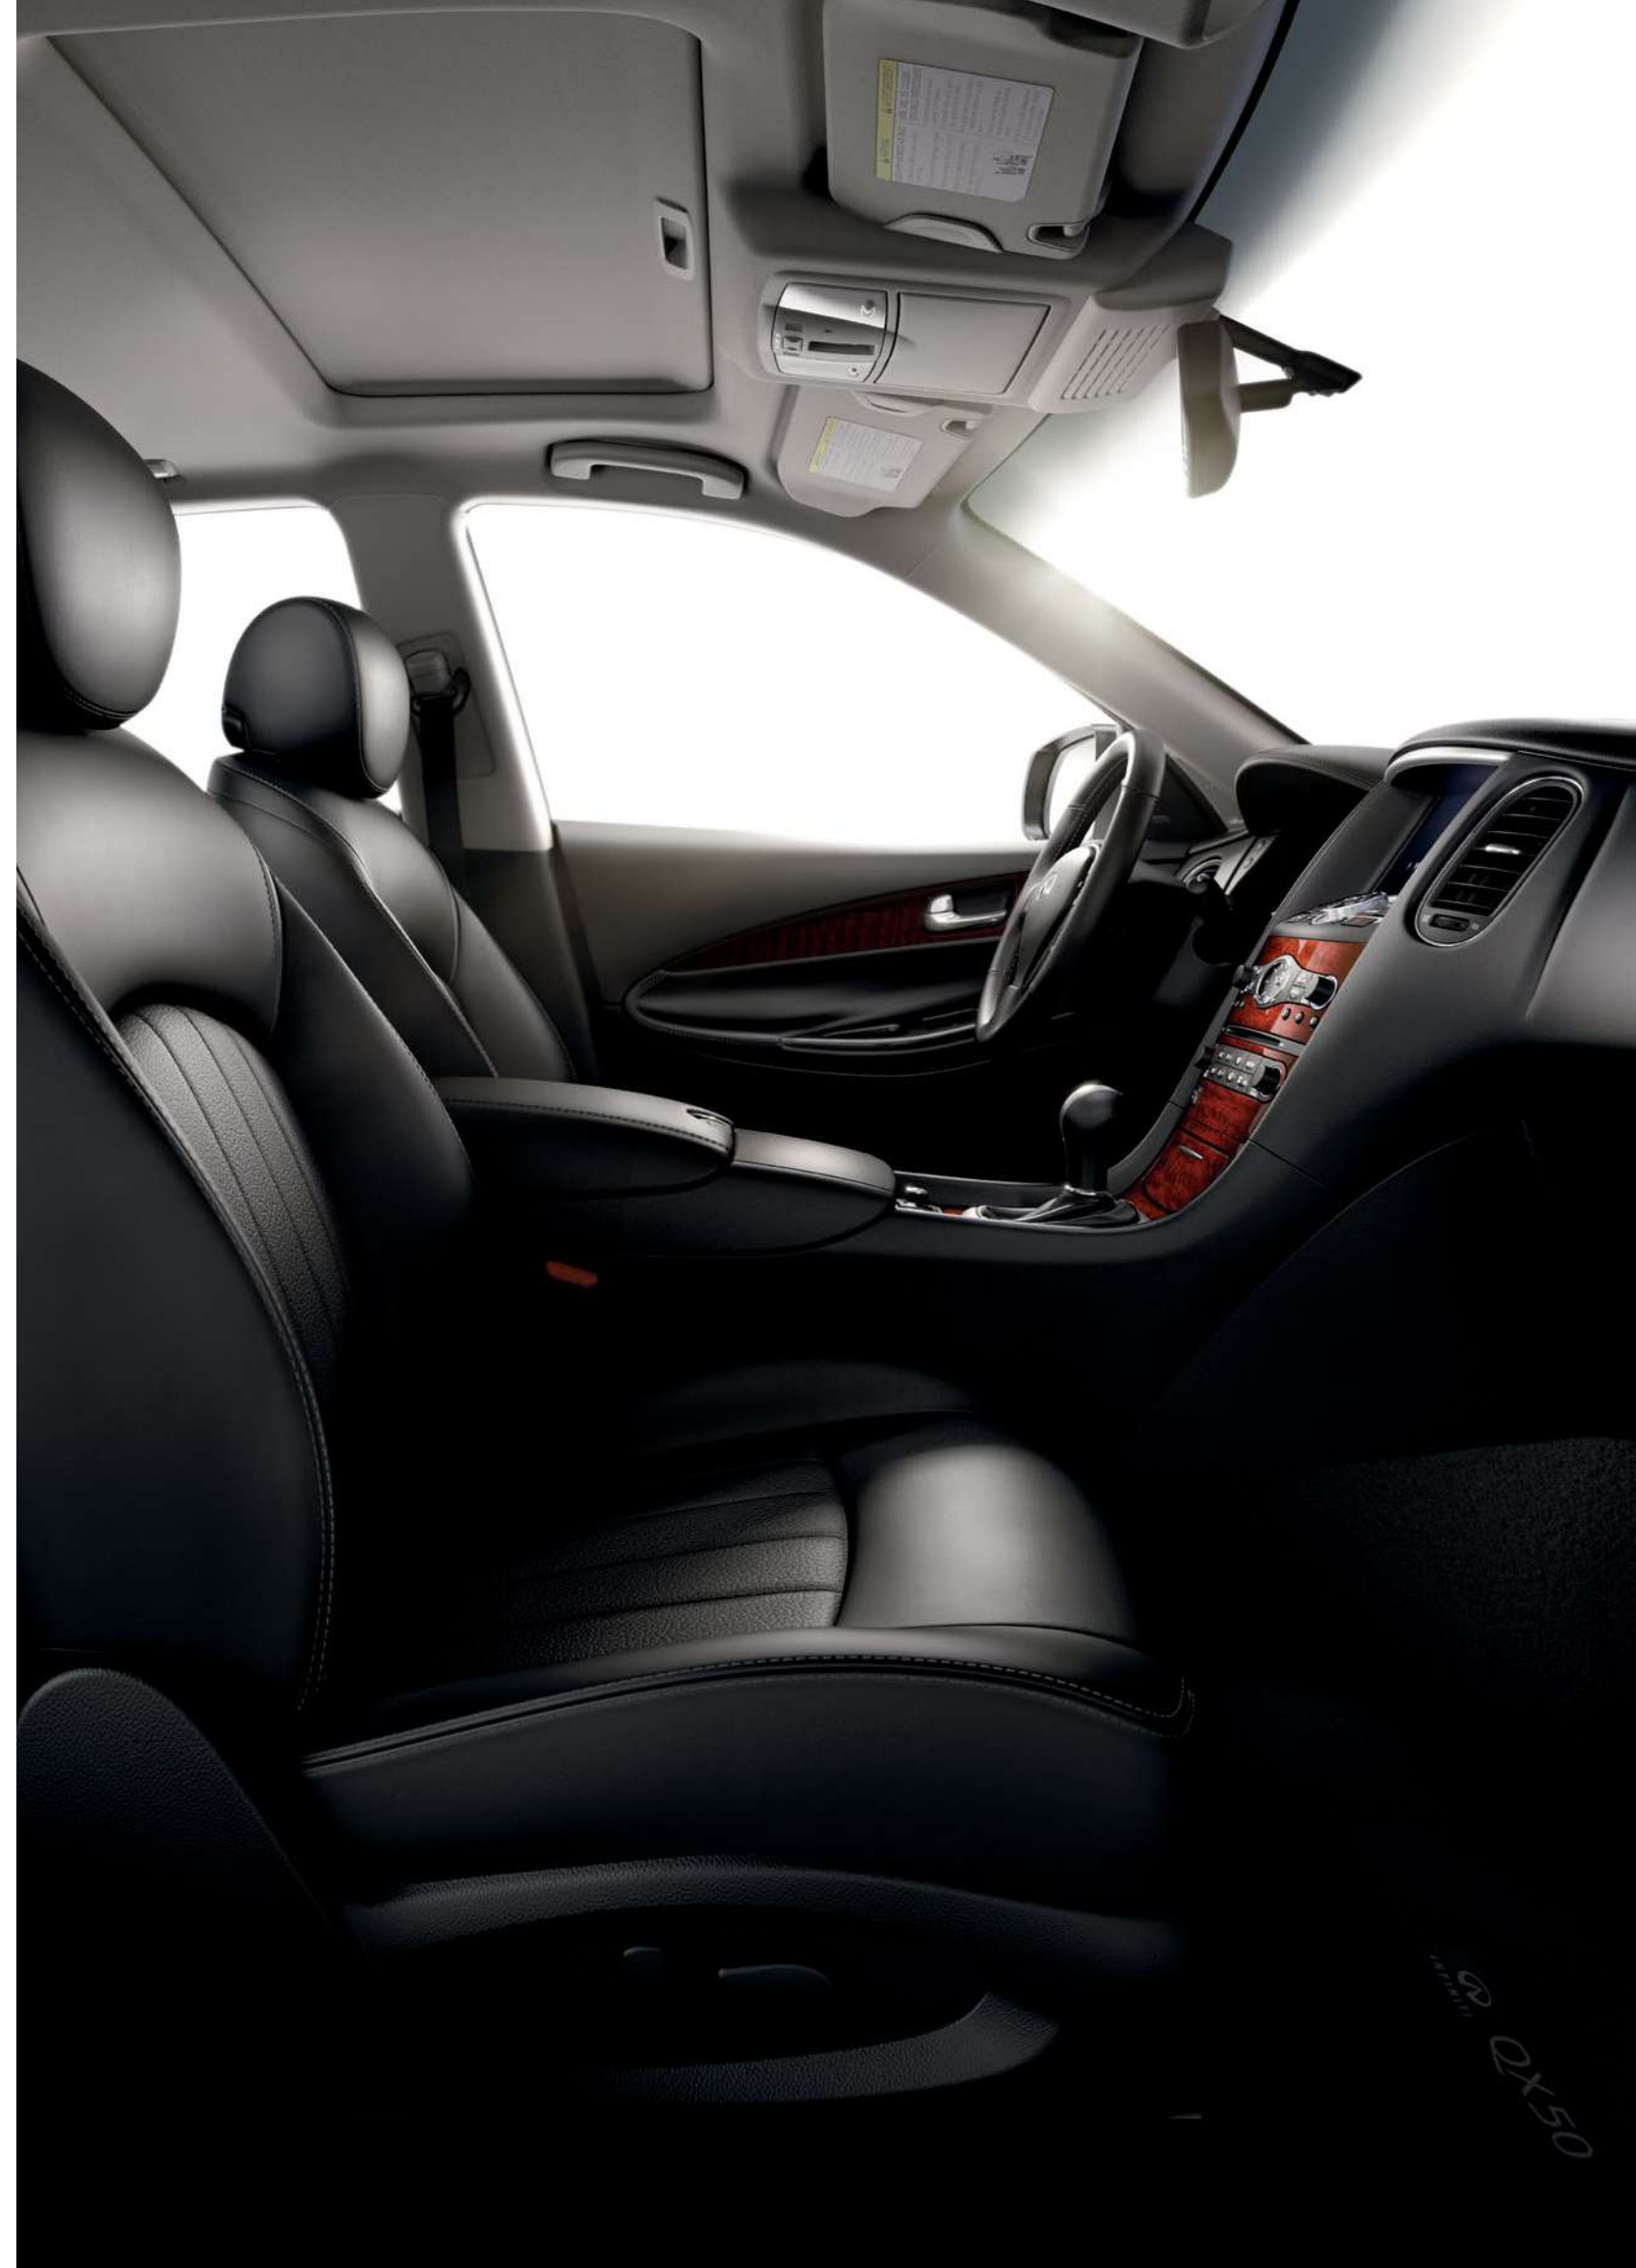

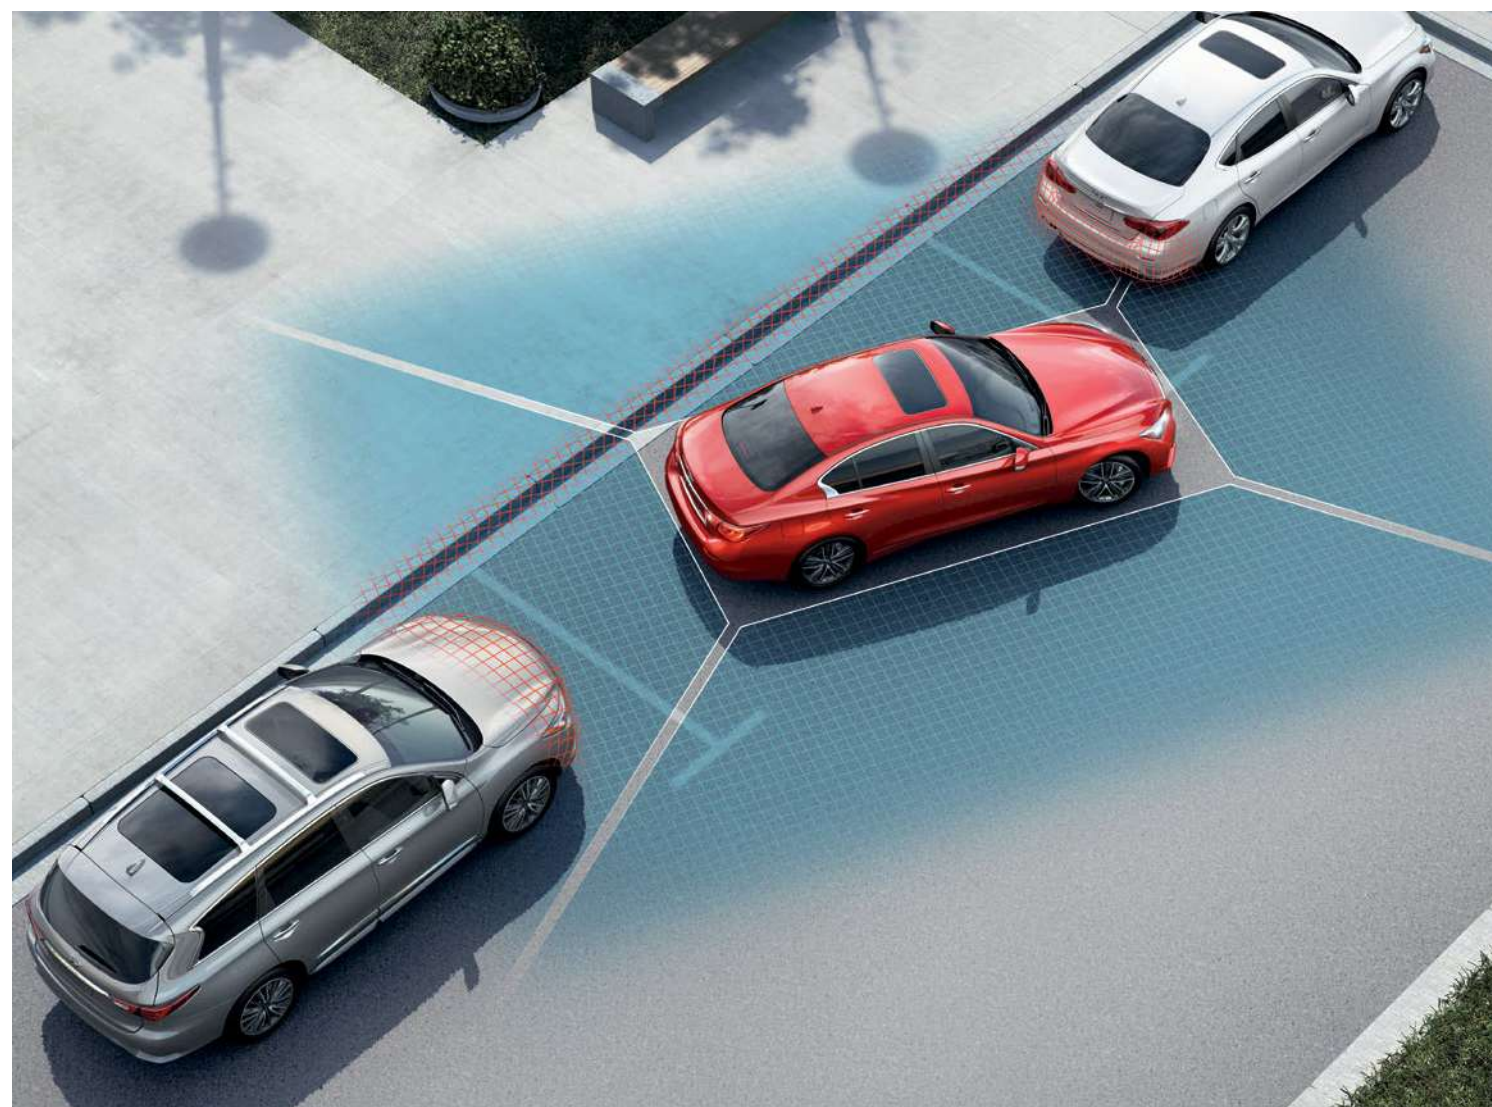

360°
VIEW

SEE EVERY SIDE Gain a new perspective on what's around you. With the Around View® Monitor,^{1,6} it's easier to see and manoeuvre in even the tightest spaces. Four cameras and one virtual 360° composite view from above elevate your parking expertise.

RECIRCULATE. REFRESH. RELAX. Just as you don't think about breathing, the Advanced Climate Control System^{1,7} adjusts without you asking. Constantly monitoring the incoming air, it senses outside fumes and automatically closes the vents, recirculating purified air throughout the interior. The system actively cleans the air, helping remove up to 99.5% of allergens.

ENHANCED AWARENESS The Front and Rear Sonar System^{1,8} alerts you by emitting a beeping tone and displays an icon on the RearView Monitor⁶ when approaching a detected obstacle near either bumper. It intuitively puts you in total control while simultaneously putting you at ease.

GUIDANCE AND ASSISTANCE ON EVERY DRIVE

Whether traffic is clear or chaotic, intelligent technologies help guide you through every moment.

MANAGE YOUR PACE

Set your desired speed and distance, and Intelligent Cruise Control (Full-Speed Range)^{1,9} can automatically adjust your speed in slowing traffic. When traffic speeds resume, Intelligent Cruise Control can bring you back up to your preset speed and distance.

MAINTAIN YOUR LANE

The Lane Departure Warning and Lane Departure Prevention Systems^{1,10} monitor lane markings and will help warn you if you start to drift. If the drift continues, the Lane Departure Prevention System can help ease your vehicle back towards the centre of your lane by applying the brakes on the opposite side of the vehicle.

SENSES WHERE YOU CAN'T SEE

The Blind Spot Warning System^{1,11} uses sensors to help alert you to a detected vehicle entering the blind spot area in an adjacent lane. First, the warning light illuminates. Then, if the turn signal is activated, a warning sounds.

KNOW YOUR WAY

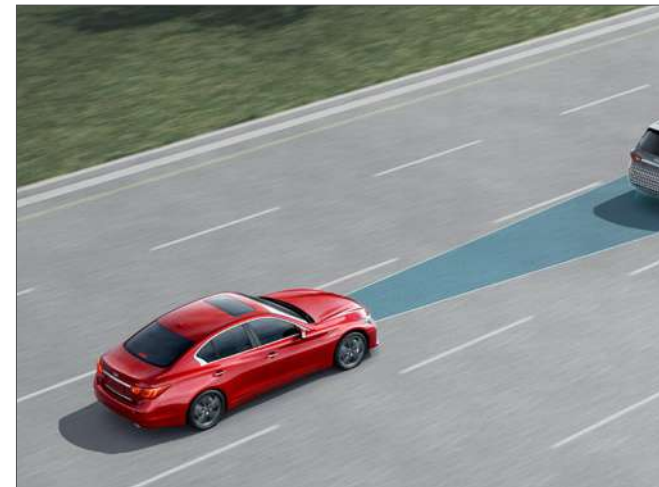

Find your way through busy streets and unfamiliar territory. The INFINITI Navigation System^{1,12} lets you choose a view that's most intuitive to you—a 2D overhead view or a 3D Birdview perspective. Lane Guidance will also help escort you exactly where you need to be for exits and interchanges.

SAFETY

INNOVATIVE TECHNOLOGY HELPS YOU SEE AND AVOID

Empowering technologies are on alert, ready to help you respond and acting to help protect.

RECOGNIZING DANGER Forward Collision Warning¹⁻¹³ looks ahead, and if your distance to the vehicle in front is too close, it can warn you visually and audibly.

REDUCE HARM Intelligent Brake Assist¹⁻¹⁴ uses sensors to monitor the closing speed to the vehicle ahead, and if a collision is unavoidable, it can automatically engage the brakes to reduce impact speed.

BETTER DIRECTIONAL STABILITY WHILE STOPPING Electronic Brake force Distribution adjusts the amount of pressure applied to the front and rear wheels to improve braking performance and reduce front-end dive.

STRONGER AND LIGHTER Ultra high-strength steel is twice as strong as conventional steel and is built around you to enhance your safety in case of a collision.

THE SUPPORT YOU NEED In certain rear-end collisions, the Front-seat Active Head Restraints can move forward to help cushion the head.

ENHANCED PROTECTION Based on the severity of the crash and seat belt usage, the INFINITI Advanced Air Bag System adjusts inflation in the dual-stage front supplemental airbags. Also featured are front seat-mounted side-impact supplemental airbags and roof-mounted curtain side-impact supplemental airbags.¹⁵

SPECIFICATIONS

		QX50 AWD
POWER		
Engine		
3.7-litre (3,696cc) 24-valve V6, aluminum-alloy block and heads		•
Valvetrain		
Double overhead camshaft (DOHC), 4 valves per cylinder with microfinished camshafts. Continuously Variable Valve Timing Control System (CVTCS) optimizes opening of intake valves. Variable Valve Event and Lift (VVEL [®]) for intake valves improves performance, emissions and fuel efficiency		•
Intake System		
High-flow tuned induction system		•
Fuel Economy		
Estimated Fuel Economy L/100 km (mpg) ¹⁶ – City		13.7 (21)
Estimated Fuel Economy L/100 km (mpg) ¹⁶ – Highway		9.8 (29)
Horsepower		
325 HP @ 7,000 rpm		•
Torque		
267 lb-ft @ 5,200 rpm		•
Transmission		
Electronically controlled 7-speed automatic with Adaptive Shift Control. Manual shift mode offers sequentially selectable manual gearshifts and Downshift Rev Matching		•
Drive Type		
Snow mode helps driver control throttle response		•
Intelligent All-Wheel Drive (AWD)		•
HANDLING		
Steering		
Type	Vehicle-speed-sensitive power steering	•
Turning diameter	11.8 metres/38.8 feet	•
Suspension		
Front	Independent, double-wishbone with coil springs over shock absorbers, stabilizer bar	•
Rear	Independent, multi-link with coil springs over shock absorbers, stabilizer bar	•
Brakes		
Front/Rear	12.6 x 1.3-inch ventilated discs/12.1 x 0.6-inch discs; 4-wheel, 4-channel ABS	•
Wheels and Tires		
Standard	18 x 8.0-inch, 8-spoke aluminum-alloy wheels with 225/55R18 all-season tires	•
Premium Package	19 x 8.5-inch, split 5-spoke aluminum-alloy wheels with 245/45R19 all-season tires	◦
Spare tire	Temporary use	•

EXTERIOR

Features	
Automatic on/off headlights	•
Integrated LED front fog lights	•
LED rear brake lights and centre high-mounted stoplight	•
Power sliding tinted glass moonroof with one-touch auto-open/close, tilt feature and sliding sunshade	•
Aluminum roof rails	•
Integrated rear spoiler	•
UV-reducing solar glass	•
Power adjustable, heated outside mirrors with courtesy light under driver's mirror	•
Outside mirrors with reverse tilt-down feature	◦
Speed-sensitive flat-blade front windshield wipers	•
Rear window intermittent wiper	•
Rear window defroster with indicator light and timer	•
Stainless steel front doorsill plates	•
Rear doors open a full 80 degrees for easier rear-seat entry and exit	•
Dual exhaust with polished finishers	•

INTERIOR

Features	
INFINITI Intelligent Key [®] with Illuminated Push Button Ignition	•
Dual Zone Automatic Temperature Control system	•
Advanced Climate Control System with auto-recirculation, Plasmacluster [®] air purifier and Grape Polyphenol Filter ⁷	◦
Rear-seat heating and cooling vents in centre console and ducts under front seats	•
Power windows with illuminated switches and front-window one-touch auto-up/down with auto-reverse feature	•
Power door locks with automatic locking feature	•
Retained accessory power for windows and moonroof	•
Sequential welcome lighting illuminated entry system and overhead ambient light	•
Front sun visors with illuminated vanity mirrors and extensions	•
Coat hanger on driver's head restraint	◦
Overhead sunglasses storage	•
Dual overhead front map lights, rear-seat reading lights	•
Front seatback map pockets	•
Dual front and rear cup holders	•
Front centre console with armrest, dual-level storage compartment and 12-volt power outlet	•
Front and rear carpeted floor mats	•
Cargo net tie-down anchors in cargo area	•
Tonneau Cover	•
Seating and Trim	
Leather-appointed seating	•
8-way power driver's seat with manual lumbar support	•
4-way power front-passenger's seat	•
8-way power front-passenger's seat	◦
Dual-occupant memory system for driver's seat, steering wheel and outside mirrors, linked to individual Intelligent Keys	◦
Entry/exit assist for driver's seat and steering wheel	◦
Heated front seats	•
60/40-split folding rear seatbacks	•
Power up-folding second-row seats	◦
Black lacquer and aluminum interior trim	•
Maple interior accents	◦
Leather-wrapped steering wheel and shift knob	•

INFINITI Navigation System with 8-inch touch-screen display, Lane Guidance and 3-D building graphics ¹²	◦
INFINITI Voice Recognition for audio, navigation and vehicle-information systems	◦
XM NavTraffic® with Real Time Traffic information provided by SiriusXM ⁴	◦
RearView Monitor ⁶	•
Around View® Monitor ⁶ and Front and Rear Sonar System ⁸	◦
Auto-dimming inside mirror with HomeLink® Universal Transceiver	◦
Cruise control with steering wheel-mounted switches	•
Intelligent Cruise Control (Full-Speed Range) ⁹	◦
Analog clock	•

SAFETY FEATURES

Safety	
INFINITI Advanced Airbag System (AABS) includes dual-stage front supplemental airbags with seat belt sensors and an occupant-classification sensor. Airbag inflation rate is adjusted depending on crash severity and seat belt usage. If the front-passenger's seat is empty, a sensor will deactivate the airbag ¹⁵	•
Driver and front-passenger side-impact supplemental airbags ¹⁵	•
Roof-mounted curtain side-impact supplemental airbags for front and rear-seat outboard occupant head protection ¹⁵	•
Front-seat Active Head Restraints (AHR)	•
3-point height-adjustable front seat belts with pretensioners and load limiters, driver's seat Emergency Locking Retractor (ELR) and passenger's seat ELR and Automatic Locking Retractor (ALR)	•
Second-row 3-point seat belts with ELR and ALR	•
Zone Body construction with reinforced passenger compartment and front and rear crumple zones	•
LATCH System (Lower Anchors and Tethers for CHildren) helps simplify proper installation of compatible child restraint seats	•
Electronic Brake force Distribution (EBD)	•
Brake Assist (BA) ¹⁷	•
4-wheel Anti-lock Braking System (ABS)	•
Blind Spot Warning (BSW) helps alert the driver to a vehicle detected in the blind spot area ¹¹	◦
Forward Collision Warning (FCW). Using the QX50's sensors, this available feature helps alert the driver of an imminent collision by providing a visual and an audible warning ¹³	◦
Intelligent Brake Assist (IBA). This available active safety feature continuously monitors and analyzes closing speeds to a vehicle ahead or to a stationary obstacle. If the driver does not adequately respond to the Forward Collision Warning and a collision cannot be avoided, IBA can automatically engage the brakes to help reduce collision speed and impact, thus mitigating the consequences of the accident ¹⁴	◦
Lane Departure Warning (LDW) and Lane Departure Prevention (LDP) Systems. LDW sounds an audible warning when you start to drift out of your lane, and LDP lightly applies the opposite-side brakes to help ease you back into the travel lane ¹⁰	◦
Traction Control System (TCS)	•
Vehicle Dynamic Control (VDC) ¹⁸	•
Slide-away brake pedal assembly	•
Tire Pressure Monitoring System (TPMS) ¹⁹	•
Security	
Remote keyless entry system with selective unlocking of driver's door or all doors	•
Remote power-opening of windows; closing via exterior door lock	•
INFINITI Vehicle Immobilizer System embeds an encoded transponder chip in the INFINITI Intelligent Key.® The engine control computer will not allow the engine to start without the correct key and transponder	•
Vehicle Security System	•
HomeLink® Universal Transceiver offers control for compatible garage doors and home security systems	◦

Interested parties should confirm the accuracy of any information in this brochure as it relates to a vehicle directly with INFINITI a Division of Nissan Canada, Inc., before relying on it to make a purchase decision. INFINITI a Division of Nissan Canada, Inc., reserves the right to make changes, at any time, without prior notice, in prices, colours, materials, equipment, specifications, and models and to discontinue models or equipment. Due to continuous product development and other pre- and post-production factors, actual vehicle, materials and specifications may vary from this brochure. Some vehicles shown with optional equipment. See the actual vehicle for complete accuracy. Availability and delivery times for particular models or equipment may vary. For additional information on availability, options or accessories, see your INFINITI Retailer or contact INFINITI a Division of Nissan Canada, Inc.

1 Available on select models. **2** Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect handling and stability of the vehicle. **3** Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by INFINITI is under licence. **4** XM® and SiriusXM® Satellite Radio is available in the 10 Canadian provinces and the 48 contiguous United States. Basic monthly subscription required and sold separately after trial period. NavTraffic®/SiriusXM® Traffic is available in select North American markets. In Canada, at time of printing, incident and flow data is available for 12 metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Toronto, Ottawa, Montreal, Quebec City, Hamilton, St. Catharines, Kitchener, Guelph, and London). Subscription sold separately after trial period. All subscriptions subject to customer agreement at siriusxm.ca/terms. All fees and programming subject to change. © 2016 Sirius XM Canada Inc. The Sirius, XM, and SiriusXM names and all related marks and logos are trademarks of Sirius XM Radio Inc. All other trademarks are the property of their respective owners. **5** Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. iPod is a registered trademark of Apple Inc. All rights reserved. iPod not included. **6** Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. **7** The Advanced Climate Control System with Plasmacluster air purifier helps scrub the air in the vehicle's interior. The system senses exterior odors, suppresses unpleasant interior odors, stops the inflow of external odors and helps keep the cabin smelling fresh, but does not always eliminate odors. Plasmacluster is a registered trademark of Sharp Corporation. **8** The Sonar System is a convenience, not a substitute for proper parking and/or backing procedures. Always check that it is safe to do so before moving vehicle. May not detect every object. **9** Intelligent Cruise Control is not a collision avoidance or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident. **10** The Lane Departure Warning/Lane Departure Prevention Systems operate only when the lane markings are clearly visible on the road. Speed limitations apply. See your Owner's Manual for more details. **11** Blind Spot Warning/Blind Spot Intervention Systems are not a substitute for proper lane change procedures. The systems will not prevent contact with other vehicles or accidents. They may not detect every vehicle or object around you. **12** Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. **13** Forward Collision Warning is intended to warn you before a collision occurs; it cannot prevent a collision. Speed and other limitations apply. See Owner's Manual for details. **14** Intelligent Brake Assist is not a collision avoidance system. It may not provide warning or braking in certain conditions. Never rely solely on Intelligent Brake Assist. **15** Airbags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents; see your Owner's Manual for more details. **16** 2017 Fuel Economy Estimates. Actual mileage may vary with driving conditions. Use for comparison only. **17** Brake Assist is only an aid to assist the driver and is not a collision warning or avoidance device. It is the driver's responsibility to be in control of the vehicle at all times. **18** Vehicle Dynamic Control, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. **19** Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. **20** May require additional options or option packages.
