QX60

INFINITI

EMPOWER THE DRIVE™

INFINITI

EMPOWER THE DRIVE

We are like you. We push ourselves beyond our comfort zone. While others might be content with making better machines, we are driven to go beyond—to design cars that push human potential. We build technology to enhance your senses, striking design that demands a response and performance that makes you feel more alive. Prepare to experience the road as it was intended.

INFINITI QX60

Empower the drive with versatility. We gave it an ingenious, sliding and tilting second-row seat, for easy access to the third row. Intelligent All-Wheel Drive¹ to empower drivers with command and control. Family-friendly features like dual 8-inch monitors¹ and wireless headphones.¹ And a 295-horsepower V6 to keep the driver happy, too. QX60. Enjoy the drive, no matter the seat.

EXTERIOR DESIGN

REFINED TO STAND OUT

The prominent front and rear of the QX60 distinguishes itself with a striking balance of function with bold form.

ELEVATED STYLE The unmistakable front and rear fascias of the QX60 display signature INFINITI design. From the double-arch grille to the LED taillights that accentuate the D-pillar, the confident curves captivate attention not usually given to a 7-passenger SUV.

IMMEDIATE SHINE Stylish and functional, Xenon HID headlights on the QX60 emit a brighter light over halogen bulbs, while the INFINITI eye-inspired LED daytime running lights provide another level of awareness with its increased visibility.

ILLUMINATE THE DARK See the road more clearly and securely. Utilizing LED technology, the fog lights on the QX60 run more efficiently and brighter than halogen bulbs to help keep you focused on what's ahead.

ATHLETIC STANCE Large 20-inch alloy wheels¹ not only complement the sporty proportions of the QX60, they are designed to make handling more responsive. The lightweight construction inherently reduces unsprung weight and helps contribute to quicker turn-ins.

PERSONAL ATTENTION

CELEBRATING YOUR ARRIVAL

The QX60 extends a welcome to you—and everyone you're with—thanks to thoughtful conveniences that anticipate passengers' needs on arrival.

HANDS-FREE ENTRY Full arms are no barrier to entry. With a swing of your foot under the rear bumper, the all-new Motion Activated Liftgate¹ automatically opens. No reaching for a button. No fumbling for a key. Just hands-free convenience.

CREATE YOUR IDEAL CLIMATE The Tri-Zone Automatic Temperature Control with microfilter indulges those inside with personal comfort. For the driver and front-seat passenger, individual climate controls are located on the instrument panel, while rear passengers can adjust the temperature through controls on the back of the centre console.

PERSONALIZED ACCESS As you approach, the INFINITI Intelligent Key[®] lets you unlock the doors and liftgate—and even start the engine without taking the key out of your pocket or purse. As you enter, it slides your seat back for you, then adjusts your steering wheel, outside mirrors, climate, audio and driver settings automatically to your preferences.¹

SEATING WITH COMFORT Every aspect of your journey is personal. Climate-controlled front seats actively circulate cool or warm air through the seat bottoms and heated second-row seats contribute to keeping everyone in their comfort zones.¹

TOUCH OF WARMTH During winter months or cold nights, the heated steering wheel system will warm up the steering wheel to greet your chilly hands. Simply push a button and feel comfort in the palm of your hands.

INVITING YOU IN For added convenience and safety, Welcome Lighting responds to your presence automatically with a sequence of exterior then interior lights. Door handle lights illuminate the ground below, then the interior lights glow to help everyone settle in.

U.S. instrumentation shown.

INTERIOR DESIGN

METICULOUS IN EVERY DETAIL

From every seat, the surfaces you see and touch are finely crafted from modern materials and are dedicated to comfort.

OPTICAL PERFECTION Where the dashboard meets the door or centre console, the interior components are assembled to look perfect to your eye. This requires an exacting manufacturing process that tightens the space in order to achieve a seamless design from the driver's point of view.

DISTINCTIVE STYLE The first- and second-row leather-appointed seats feature a unique quilting pattern design that runs on both seat back and bottom of the seats, raising the level of sophistication.¹

UNIQUE INTERIOR ACCENT The QX60 offers a well-appointed and inviting interior with high-quality materials. Maple interior accents give the cockpit a distinctive look and merge elegant luxury with modern aesthetics.¹

PLEASING TO THE EYES The soothing glow of the Fine Vision electroluminescent gauges has been designed to not only be brighter, but the contrast delivers information clearly, even at a glance.

U.S. instrumentation shown.

FLEXIBILITY

VERSATILITY OPENS UP POSSIBILITIES

The ease and intelligence of the QX60 interior design adapts to everyone and everything you bring with you.

WIDE OPEN VIEW The second- and third-row glass panoramic roof elevates your passengers' viewing pleasure, streaming natural light into the cabin. For added comfort, a lightweight sunshade opens and closes with the touch of a button.¹

EASING ADAPTABILITY The seat backs of the third row can effortlessly rise with a touch of a button located inside the cargo area. Loading and unloading has never been easier.^{1,2}

ACCOMMODATING ACCESS The ingenious, sliding second-row seats maximize legroom comfort, making the QX60 the only vehicle in its class with the ability to tilt and slide the seat forward on one side, even with a child seat installed.³ Enjoy easy access to the third row while experiencing exceptional levels of versatility.

PERSONAL ENTERTAINMENT With larger dual 8-inch headrest monitors,¹ rear-seat passengers can enjoy playing their own movies or games, while those in front can relax to their own music. A new HDMI port in the rear console expands the possibilities even further.

MAXIMIZE VERSATILITY The expansive interior was intelligently designed to adapt its volume to your needs. Optimize your cargo capabilities with 60/40-split second-row seats and 50/50-split third-row seats that fold virtually flat, providing a surface big enough to accommodate almost everything for your journeys.²

CONNECTIVITY

IN TOUCH WITH YOUR CONNECTED WORLD

INFINITI InTouch™ makes your world flow. Your life is always moving, and INFINITI InTouch™ with Navigation and INFINITI InTouch™ Services seamlessly bring your world into your car. Stay ahead and in contact with voice, text, calendar, navigation and music.^{1,4}

INFINITI INTOUCH™ SERVICES

-  **REPORT STOLEN VEHICLE**
-  **SCHEDULED MAINTENANCE NOTIFICATION**
-  **REMOTE DOOR LOCK/UNLOCK**
-  **REMOTE ENGINE START/STOP⁵**
-  **MAINTENANCE ALERT**
-  **REMOTE HORN AND LIGHTS**
-  **ALARM NOTIFICATION**
-  **ENHANCED ROADSIDE ASSISTANCE**
-  **EMERGENCY CALLING**

To learn more about INFINITI InTouch™ Services, please visit www.infiniti.ca/infinitiintouch

A PREMIUM CONNECTION Every time you get into the QX60, experience a seamless connection with technology that responds like the technology you hold in your hand. Connecting your smartphone to INFINITI InTouch™ with Navigation and INFINITI InTouch™ Services^{1,4} brings your world into your car. Hear text messages read to you. Listen to your playlists. Navigate unfamiliar streets or call your friends. When you're away from your vehicle, you're still connected through the INFINITI InTouch™ Services companion app with features like Remote Engine Start/Stop⁵ and Remote Door Lock/Unlock.

EMPOWER YOUR TOUCH The INFINITI Controller puts simple, intuitive control of your technology systems at your fingertips. It allows you to interact via the inputs most intuitive to you—turning ring, touch-screen, input buttons, and even steering wheel controls—responding to you rather than you adjusting to it.

HIGH-QUALITY SOUND The Bose® Cabin Surround®¹ sound system boasts 15 speakers, including 2 subwoofers. Each has been custom-tuned to deliver rich and realistic 5.1 surround sound. Active Noise Cancellation¹ intelligently detects road or wind noise and neutralizes it with opposing sound waves for a more serene driving experience.

SPEAK YOUR DESIRE INFINITI Voice Recognition allows you to set a destination on the navigation system, call a contact from your phone, choose a radio station and much more—without removing your hands from the wheel. The system recognizes a wide variety of commands, making your life that much simpler and more elegant.

WIRELESS POSSIBILITIES Pair your Bluetooth®-compatible smartphone with your QX60, and a hands-free world opens up.⁶ Receive and place calls. Stream your favourite playlists from portable music players. All with the touch of a steering wheel button.⁷

DRIVER AIDS

EFFORTLESSLY EXTEND YOUR ABILITIES

Cruise smarter. Navigate easier. Steer truer. View clearer. Follow steadier. With available driver-enhancing technologies, you can now move with a new level of ease.

CRUISE SMARTER

Set your desired speed and distance, and Intelligent Cruise Control (Full-Speed Range)^{1,8} can automatically adjust your speed in slowing traffic. When traffic speeds resume, Intelligent Cruise Control can bring you back up to your preset speed and distance.

SEE FARTHER

The Adaptive Front lighting System (AFS) improves visibility at intersections and around curves by sensing your steering and turning the headlights. Together with LED auto-leveling headlights, AFS helps you see not just ahead, but around as well.¹

NAVIGATE EASIER

Find your way through busy streets and unfamiliar territory. INFINITI InTouch™ with Navigation and INFINITI InTouch™ Services^{1,4} let you choose a view that's most intuitive to you—3D building graphics or 3D Birdview perspective. Lane Guidance will also help escort you exactly where you need to be for exits and interchanges.

VIEW CLEARER

Gain a new perspective on what's around you. With the Around View® Monitor with Moving Object Detection and Front and Rear Sonar System,^{1,10,11} it's easier to see and manoeuvre in even the tightest spaces. Four cameras and one virtual 360° view from above elevate your parking expertise while also alerting you whether a moving or stationary object is detected close by.

STEER TRUER

The Lane Departure Warning and Lane Departure Prevention Systems^{1,9} monitor lane markings and can warn you if you start to drift. If the drift continues, the Lane Departure Prevention System can ease your vehicle back towards the centre of your lane by applying the brakes on the opposite side of the vehicle.

FOLLOW STEADIER

Distance Control Assist^{1,12} looks ahead and warns you if your following distance becomes too short. If detected, and you do not take your foot off the accelerator pedal, the system can apply partial braking power and push back on the pedal.

SAFETY

EFFORTLESSLY EXTEND YOUR AWARENESS

A unique combination of active and passive safety innovations enhance your ability to respond instinctively.

RESPOND TO YOUR SURROUNDINGS Forward Emergency Braking with Pedestrian Detection^{1,13} monitors vehicles in the lane ahead of you, and if deceleration is required, the accelerator pedal can be pushed up and the brakes can be applied to help minimize a collision—or even help prevent one. It also adds another dimension of security by looking out for pedestrians that enter your vehicle's path.

SENSES WHERE YOU CAN'T SEE The Blind Spot Warning and Blind Spot Intervention® Systems^{1,14} use sensors to help alert you to a vehicle detected entering the blind spot area in an adjacent lane and helps you avoid it. First, the warning light illuminates—then, if you begin moving toward the occupied lane, a warning sounds. The system can even apply opposite side brakes to help you guide your vehicle back toward the centre of your current driving lane.

MORE CONFIDENT IN REVERSE Backup Collision Intervention^{1,15} increases your awareness and ability to react. As you back up, the system warns you if approaching vehicles and large stationary objects are detected behind your vehicle and can help you avoid a collision by applying the brakes.

SOUND OF SAFETY When the QX60 Hybrid is driven at low speeds, it emits almost no noise. Here, the Approaching Vehicle Sound for Pedestrians¹ system uses an audible sound to help ensure the safety of other road users.

RECOGNIZING DANGER Predictive Forward Collision Warning^{1,16} uses radar to enable your QX60 to continuously monitor not only the vehicle directly ahead of you but also the vehicle in front of that one. If your QX60 detects a potential risk, it provides an audible and visual alert.

PREPARED TO PROTECT During emergency braking situations, the Front-seat Pre-Crash Seat Belts are automatically tightened.¹

ENHANCED PROTECTION Based on the severity of the crash and seat belt usage, the INFINITI Advanced Air Bag System adjusts inflation in the dual-stage front supplemental air bags. Also featured are front seat-mounted side-impact supplemental air bags and roof-mounted curtain side-impact supplemental air bags with rollover sensor.¹⁷

STRONGER AND LIGHTER Ultra high-strength steel is twice as strong as conventional steel and is built around you to enhance your safety in case of a collision.

UNITE POWER WITH CONTROL

Experience performance that's innately in tune to the conditions so you'll feel more in command.

MAXIMIZE YOUR DESIRE INFINITI Drive Mode Selector allows you to select a driving experience that fits your needs of the moment, with four options: Standard Mode, appropriate for everyday conditions; Eco Mode, which helps increase fuel economy; Sport Mode, which allows for sportier acceleration; and Snow Mode, helping you maintain control and avoid spinning wheels in snowy conditions.

KEEP YOU IN PLACE Navigate over hilly terrain effortlessly. The Hill Start Assist system allows you to get started without rolling backward. Brakes are automatically applied to help prevent your vehicle from moving and will hold it momentarily until the accelerator is applied.

EXCEPTIONALLY SMOOTH The QX60 changes the way you feel power without ever changing gears, thanks to a Continuously Variable Transmission. CVT replaces traditional gears with a continuously adjusting belt, meaning you'll always have the optimum setting for responsive acceleration, fuel efficiency and the feeling of effortless smoothness.

INTUITIVE TRACTION Intelligent All-Wheel Drive¹ adjusts for better traction by sending anywhere from zero to 50% of the power to the rear wheels, enhancing available traction and control when conditions are compromised. When all-wheel drive is not needed, 100% of the power is channelled to the front wheels.

A CONTINUOUS RUSH Dedicated to delivering a shape and feel to acceleration, INFINITI engines are precisely tuned to unleash torque over a broader rev range. The force you feel seems to increase the faster you go and continually pushes you back into your seat.

ASSISTING EFFICIENCY To help improve fuel economy, the Eco Pedal¹ system counteracts with the pedal push-back control mechanism if an excess of pressure on the accelerator is detected. An indicator on the instrument panel will also indicate the optimal level for fuel-efficient driving.

295	270
HP	LB FT

3.5-LITRE V6 ENGINE A paragon of power and efficiency, the new V6 features advanced direct injection technology to help increase power and torque while retaining its legendary smoothness and response.

250	243
HP	LB FT

2.5-LITRE SUPERCHARGED ENGINE The 2.5-litre supercharged four-cylinder engine with INFINITI Direct Response Hybrid[®] defies everything you think about hybrids. It has a combined system power of 250 horsepower that responds with stirring quickness.

SAFETY FEATURES

Safety

INFINITI Advanced Air Bag System (AABS) includes dual-stage front supplemental airbags with seat belt sensors and an occupant-classification sensor. Airbag inflation rate is adjusted depending on crash severity and seat belt usage. If the front-passenger's seat is empty, a sensor will deactivate the front-passenger airbag ¹⁷	•	•
Driver and front-passenger seat-mounted side-impact supplemental airbags ¹⁷	•	•
Roof-mounted curtain side-impact supplemental airbags with rollover sensor for first-, second- and third-row outboard occupant head protection ¹⁷	•	•
3-point height-adjustable front seat belts with pre-tensioners and load limiters, driver's seat Emergency Locking Retractor (ELR) and passenger's seat ELR and Automatic Locking Retractor (ALR)	•	•
Rear 3-point seat belts with ELR and ALR	•	•
Zone Body construction with reinforced passenger compartment and front and rear crumple zones	•	•
LATCH System (Lower Anchors and Tethers for CHildren) helps simplify proper installation of compatible child restraint seats (Second-row outboard only)	•	•
Child-seat top tether anchors for second-row centre seat and third-row passenger's side seat	•	•
Electronic Brake force Distribution (EBD)	•	•
Brake Assist (BA) ²³	•	•
4-wheel Anti-lock Braking System (ABS)	•	•
Blind Spot Warning (BSW) and Blind Spot Intervention® (BSI®) help alert the driver to a vehicle detected in the blind spot area ¹⁴	◦	◦
Backup Collision Intervention (BCI) ¹⁵	◦	◦
Lane Departure Warning (LDW) and Lane Departure Prevention (LDP) Systems. LDW sounds an audible warning when you start to drift out of your lane, and LDP selectively applies the appropriate brakes to help ease your vehicle back toward the centre of the travel lane ⁹	◦	◦
Intelligent Cruise Control (Full-Speed Range) ⁸	◦	◦
Predictive Forward Collision Warning ¹⁶	◦	◦
Forward Emergency Braking with Pedestrian Detection ¹³	◦	◦
Traction Control System (TCS)	•	•
Vehicle Dynamic Control (VDC) ²⁴	•	•
Approaching Vehicle Sound for Pedestrians (VSP)		•
Slide-away brake pedal assembly	•	•
LED taillights. Lighting faster than conventional taillights, they help give drivers behind you a quicker indication of your braking	•	•
Tire Pressure Monitoring System (TPMS) provides specific information for each tire and low pressure warning ²⁵	•	•
Security		
Remote keyless entry system with selective unlocking of driver's door or all doors	•	•
Remote power-opening of windows; closing via exterior door lock	•	•
INFINITI Vehicle Immobilizer System embeds an encoded transponder chip into the INFINITI Intelligent Key®. The engine control computer will not allow the engine to start without the correct key and transponder	•	•
Vehicle Security System sounds alarm if intrusion is detected	•	•
HomeLink® Universal Transceiver offers control for compatible garage doors, estate gates and certain home/office lights	•	•
Auto Hazard Warning Signal	•	•

• Standard ◦ Available

Fuel capacity (litres/gallons)	74/19.5	74/19.5

This brochure is intended for general descriptive and informational purposes only. It is subject to change and does not constitute an offer, representation or warranty (express or implied) by INFINITI a Division of Nissan Canada, Inc. Interested parties should confirm the accuracy of any information in this brochure as it relates to a vehicle directly with INFINITI a Division of Nissan Canada, Inc., before relying on it to make a purchase decision. INFINITI a Division of Nissan Canada, Inc., reserves the right to make changes, at any time, without prior notice, in prices, colours, materials, equipment, specifications, and models and to discontinue models or equipment. Due to continuous product development and other pre- and post-production factors, actual vehicle, materials and specifications may vary from this brochure. Some vehicles shown with optional equipment. See the actual vehicle for complete accuracy. Availability and delivery times for particular models or equipment may vary. For additional information on availability, options or accessories, see your INFINITI Retailer or contact INFINITI a Division of Nissan Canada, Inc.

1 Available on select models. **2** Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. **3** Slide-forward function should not be performed with the CRS occupied. **4** Driving is serious business. Only use services when safe to do so. Services, including automatic crash notification and SOS, require an active subscription, and are dependent upon the telematics device being in an operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data, and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach Customer Care or receive support. Services require compatible cellular network provided by independent cellular companies. Cellular network not available in all areas and/or available at all times. Cellular technology is evolving, and changes to cellular networks provided by independent companies are not within INFINITI's or Sirius XM Connected Vehicle Services Canada's ("Sirius XM CVS Canada") control. Like other devices that rely on network coverage, once the network service is discontinued, INFINITI InTouch services will not function unless equipment replacements, upgrades, or alternative network coverage are available at that time, which neither INFINITI nor Sirius XM CVS Canada can guarantee. INFINITI and Sirius XM CVS Canada are not responsible for associated costs that may be required for continued operation due to cellular network turnaround or discontinuation (including equipment upgrades, if available, or roaming charges on alternative networks). Certain vehicle services and features, including Google® compatible services, provided by independent companies are not within INFINITI's or Sirius XM CVS Canada's control and are subject to change without notice or liability to INFINITI or Sirius XM CVS Canada and either of their affiliates and agents. Standard text rates and/or data usage may apply. Certain services require a PIN for activation. Complimentary 12 month subscription begins on your date of purchase. Subsequently, your credit card (if on file) will be charged at the then current subscription rate and your service will continue for 1 year periods under the terms of your Subscription Agreement, unless cancelled. Terms and conditions of subscription agreement apply. See infiniti.ca/infinitiintouch for more information. **5** Provincial laws may apply; review local laws before using. **6** Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by INFINITI is under licence. **7** Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. **8** Intelligent Cruise Control is not a collision avoidance or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident. **9** The Lane Departure Warning/Lane Departure Prevention Systems operate only when the lane markings are clearly visible on the road. Speed limitations apply. See your Owner's Manual for more details. **10** Around View Monitor with Moving Object Detection cannot completely eliminate blind spots and may not detect every object. Moving Object Detection operates at vehicle speeds below 8 km/h. Always check surroundings and turn to look behind you before moving vehicle. **11** The Sonar System is a convenience, not a substitute for proper parking and/or backing procedures. Always check that it is safe to do so before moving vehicle. May not detect every object. **12** Distance Control Assist helps maintain a distance to the vehicle in front of you under certain conditions. Not a collision avoidance system. Failure to apply the brakes could result in an accident. **13** Forward Emergency Braking with Pedestrian Detection is not a replacement for responsible driving. May not provide braking or pedestrian detection in certain conditions. Limitations apply. See Owner's Manual for details. **14** Blind Spot Warning/Blind Spot Intervention Systems are not a substitute for proper lane change procedures. The systems will not prevent contact with other vehicles or accidents. They may not detect every vehicle or object around you. **15** Backup Collision Intervention will not detect every object, and speed limitations apply. Always check surroundings and turn to look behind you before moving vehicle. See Owner's Manual for details. **16** Predictive Forward Collision Warning is intended to warn you before a collision occurs; it cannot prevent a collision. Speed and other limitations apply. See Owner's Manual for details. **17** Airbags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, in addition to any other requirement of applicable law, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents; see your Owner's Manual for more details. **18** 2017 Fuel Economy Estimates. Actual mileage may vary with driving conditions - use for comparison only. **19** See INFINITI Towing Guide and Owner's Manual for proper use. **20** XM® and SiriusXM® Satellite Radio is available in the 10 Canadian provinces and the 48 contiguous United States. Basic monthly subscription required and sold separately after trial period. NavTraffic®/SiriusXM® Traffic is available in select North American markets. In Canada, at time of printing, incident and flow data is available for 12 metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Toronto, Ottawa, Montreal, Quebec City, Hamilton, St. Catharines, Kitchener, Guelph, and London). Subscription sold separately after trial period. All subscriptions subject to customer agreement at siriusxm.ca/terms. All fees and programming subject to change. © 2016 Sirius XM Canada Inc. The Sirius, XM, and SiriusXM names and all related marks and logos are trademarks of Sirius XM Radio Inc. All other trademarks are the property of their respective owners. **21** Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. **22** Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. **23** Brake Assist is only an aid to assist the driver and is not a collision warning or avoidance device. It is the driver's responsibility to be in control of the vehicle at all times. **24** Vehicle Dynamic Control, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. **25** Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. **26** Active Trace Control cannot prevent accidents or loss of control. It is the driver's responsibility to be in control of the vehicle at all times. **27** The Advanced Climate Control System with Plasmacluster air purifier helps scrub the air in the vehicle's interior. The system senses exterior odours, suppresses unpleasant interior odours, stops the inflow of external odours and helps keep the cabin smelling fresh, but does not always eliminate odours. **28** May require additional options or option packages.
