2013 LEXUS

 **LEXUS**
THE PURSUIT OF PERFECTION.

the 2013
IS Series

Vehicle shown with available equipment.

THE PURSUIT OF PERFECTION.

It is a philosophy that extends well beyond the confines of meticulously assembled sheet metal. An approach to the automobile not as a machine, but rather, an art form. Every curve, deliberate. Every detail, inspired. And where every aspect of the ownership experience is intended to be as rewarding and accommodating as the vehicles themselves. Because while there are certainly easier ways to build an automobile, pursuing perfection is the only way to create a Lexus.

With outstanding craftsmanship and innovation in every 2013 IS Series, you can experience the comfort of owning a true luxury vehicle, and enjoy all of life's perfect moments.

Three ways to
INTIMIDATE THE PAVEMENT.

INTRODUCING THE 2013 IS SERIES

For those looking for exhilaration without compromise, there are the IS 250 and IS 350 sport sedans – both available with All-Wheel Drive (AWD) or in adrenaline-infused F SPORT models. For the driver who's not afraid to turn a few more heads in the process, consider the uninhibited IS 250 and IS 350 Convertibles with their swiftly vanishing hardtops and all-new F SPORT models. And, of course, for the true driving enthusiast, look no further than our hardest-charging, high-performance beast, the IS F. This is the easiest difficult decision you'll ever face. This is the 2013 IS.

IS F

The IS F is the fastest, most dominant sedan we've ever created. It boasts a hungry 5.0-litre V8 engine with Dual Variable Valve Timing with intelligence (Dual VVT-i). The eight-speed Sport Direct-Shift automatic transmission comes with paddle shifters and Manual mode.

IS and IS F SPORT

The IS and IS F SPORT deliver authentic performance and style. A V6 engine is paired with a six-speed automatic transmission with paddle shifters and Manual mode. The IS also offers an All-Wheel Drive (AWD) model, whereas the new F SPORT model dials up the suspension tuning and features exclusive styling.

ISC and IS C F SPORT

The three-piece retractable hardtop opens up a new rush to the senses as the 3.5-litre (IS 350 C) or 2.5-litre (IS 250 C) V6 surges toward its screaming peak. The six-speed automatic transmission includes paddle shifters and Manual mode. And with the all-new IS C F SPORT, the exhilaration – goes even higher.

F SPORT PACKAGE

The F SPORT Package is designed to enhance the image of your IS 350 (standard) or IS 250 (optional), as well as its performance, with exclusive features inspired by those on the IS F - like front-lip and rear-deck spoilers, a more distinctive grille and suspension tuned by the same team that worked on the Lexus LFA.

IS 250/IS 350 REAR-WHEEL DRIVE (RWD)

There's a time for relaxation. And then there's a time for exhilaration. When you're craving a healthy dose of the latter, the IS 250 and IS 350 deliver. Both feature a Dual Variable Valve Timing with intelligence (Dual VVT-i) system that continuously monitors and adjusts both the intake and exhaust valve timing for optimum thrust across the engine's entire RPM range.

CRANK UP
your downtime.

AWD
ALL-WHEEL DRIVE

ALL-WHEEL DRIVE

With the available All-Wheel Drive (AWD) system, 70% of the engine power is delivered to the rear wheels and 30% to the front wheels during normal driving conditions. On slicker road surfaces, the system can distribute power up to 50/50 to help enhance traction and control.

GET TO KNOW THE ROAD
intimately.

IS 250/IS 350 ALL-WHEEL DRIVE (AWD)

In the battle against the elements, the IS comes armed with several traction-boosting features, such as All-Wheel Drive (AWD). Both of the IS 250 and IS 350 sedans are available with this sure-footed feature. When faced with slick road surfaces, AWD varies engine power to both the front and rear axles based on many factors such as steering, throttle position, and wheel and vehicle speed. This can help provide significantly enhanced traction and control. Across the IS Series, all models include Vehicle Dynamics Integrated Management (VDIM).¹² VDIM uses a sophisticated network of sensors to anticipate a skid even before it occurs. When VDIM detects a potential loss of traction, it seamlessly coordinates steering, braking, Vehicle Stability Control (VSC)¹² and Traction Control (TRAC) to help the driver maintain command of the vehicle.

THREE-PIECE HARDTOP

Utilizing 13 electric motors and 33 sensors, the three-piece hardtop retracts in approximately 20 seconds – among the fastest in its class. Just as important, with the top up, innovative sound-absorbing materials and special windshield glass help keep the cabin remarkably quiet.

ISC

The push of a button is all it takes to transform the ISC from hardtop coupe to liberating convertible. Enabling you to let loose without compromise, the entire suspension system was fine-tuned to deliver exceptional handling. And the all-new ISC F SPORT dials the suspension up even further and carries its own exclusive styling. With the top down, an intelligent audio system can actually make adjustments to compensate for additional road and wind noise. Feeling generous with your newfound freedom? Available one-touch fold-and-return front seats provide passengers with quick and easy access to the rear.

Every kilometre untamed.

EVERY MOMENT UNINHIBITED.

Take the roar from
RACETRACK TO THE ON-RAMP.

ISF

Developed on the unforgiving track of Fuji International Speedway in Japan, the ISF was the first in a new series of ultra high-performance vehicles from Lexus. The ISF is powered by a growling 5.0-litre V8 engine that produces an impressive 416 horsepower.⁹ It's teamed with a lightning-fast eight-speed Sport Direct-Shift transmission, resulting in a 0-to-100 time of just 4.8 seconds^{9,10} and a top track speed of 273 km/h.⁹ It even sounds more aggressive. Above 3,600 RPM, the engine hungrily sucks in air through a large secondary intake system, producing a deep, attention-grabbing rumble. And the refined suspension has been retuned to handle the track better than ever, and without sacrificing ride quality.

HIGH-PERFORMANCE BRAKES

For unparalleled braking power, Brembo® crafted a special system for the IS F, including huge 14.2-inch cross-drilled rotors in front and 13.6-inch cross-drilled rotors in the rear.

SIGNATURE STYLE

From its bulging hood to its flared fenders to its highly bolstered sport seats, the IS F offers aggressive styling to match its exhilarating drive.

COMFORT AND CONTROL

in every curve.

For a car that was inspired by competitive racing, the last thing you'd expect would be an indulgent, comfortable cabin. But the IS is full of surprises. Dual-zone climate control is designed to automatically react to changes due to air temperature or sunlight. The steering wheel is small in diameter like a race car's and is bound in leather trim for a firm grip. The seats are bolstered to help hold you in place around curves and are also wrapped in leather hand-chosen from premium full-grain stocks. One last detail you'll definitely want to put your hands on: a leather-and-chrome-trimmed shift knob. Putting the IS in gear is now more tempting than ever.

ELECTROLUMINESCENT GAUGES

Optitron electroluminescent gauges feature tachometer and speedometer needles that illuminate from base to tip and sweep across their dials at the engine's start. The outer rings can also be set to glow amber or red when the vehicle reaches a specified speed or RPM level.

PADDLE SHIFTERS

For added driver engagement and to get the most out of the six-speed automatic transmission, the IS offers track-inspired steering-wheel-mounted paddle shifters. They allow you to upshift or downshift gears on the fly without taking your hands off the wheel.

LEXUS NAVIGATION¹

The IS's available voice-activated HDD Navigation System¹ features a touch screen interface, voice recognition and subscription-based XM[®] Satellite Radio^{1,5}. Meaning you can spend more quality time in your IS with less time worrying about the traffic.

Inspired by race cars
REFINED BY LEXUS.

Some things should never be rushed – even in a vehicle that performs like the IS. Consider the leather trim: hand-selected from only the finest full-grain stocks and double-stitched – slowly – to attain a smoother high-quality feel. Tight gap tolerances help keep the cabin serene, making it the perfect listening environment for the available Mark Levinson® Premium Surround Sound Audio System³ (designed specifically for each IS model). With so many carefully planned details in the IS, it's no wonder people are in such a hurry to acquire one.

DOUBLE-STITCHED LEATHER TRIM

Precise attention to lines, surfaces and colours give the IS a sporty, elegant interior that's beautifully finished to Lexus quality standards. Our leather-stitching technique employs double needles and an extra wire to give it extra strength.

THE DEALERSHIP EXPERIENCE

When you visit one of our dealerships, make yourself at home by helping yourself to a beverage and internet access.[†] When picking up your new Lexus, our associates will make the transition seamless. We can help you with everything from setting your favourite radio stations to connecting and transferring your compatible cell phone's contacts to the available Bluetooth[®] system on your vehicle. Rest assured your car will experience the finest treatment as well, with a complimentary car wash with every service.

CLUB LEXUS

A complimentary Club Lexus membership is offered to all new, pre-owned or leased Lexus owners. Club Lexus provides an exceptional compilation of services, offers, special events, and pertinent information that's of interest to Lexus drivers. You can also view your service history, the status of your factory warranty or Extra Care Protection (ECP) coverage, and the current status of your Lexus Financial Services (LFS) loan or lease. Sign up today and start taking advantage of all of the features at www.clublexus.ca.

Lexus LIFESTYLE COLLECTION

Enhance your ownership experience even further with the "The Lexus Lifestyle Collection" Catalogue. Every year, Lexus assembles a wide range of brand name products that exemplify the finest design and craftsmanship in the world, which include designer luggage, Lexus apparel, stunning watches, Royal Doulton Glassware and much more. An exceptional item can be found for every driver.

To learn more about the various exclusive services that Lexus offers, please visit www.lexus.ca.

SERVICE COMMITMENT

On top of enjoying the highest quality product, Lexus also delivers through a professional Dealer network, a unique and uncompromising level of after-sales service: First Class Service Concept. The highest level of professionalism and vehicle support ensure that the Lexus ownership experience is as luxurious as the vehicles.

MAINTENANCE

We offer the first two scheduled maintenance services at no charge to you. The first service at 1,600 km will include a thorough vehicle inspection and a road test. The second inspection at 8,000 km will include a change of engine oil and oil filter.

EXTRA CARE PROTECTION

Extend beyond the new vehicle warranty and enhance your peace of mind with Lexus Extra Care Protection.

WARRANTY

Our Lexus Warranty Comprehensive Coverage includes:

- 48 months/80,000 km (includes tires).
- Powertrain: 72 months/110,000 km.
- Corrosion Perforation: 72 months/unlimited kilometres.
- Major Emission Control Components: 96 months/130,000 km.

Please see your Lexus Dealer for details.

Lexus will even provide five days of alternate transportation if your vehicle is required to stay at the dealership for an extended period of time due to a warrantable condition.

ROADSIDE ASSISTANCE

As a proud owner of a Lexus vehicle, you won't have to worry about obtaining assistance when mishaps requiring Emergency Roadside Service or Mechanical Breakdown Towing are needed. Throughout Canada and the continental U.S., our Central Emergency Roadside Services Operator will always be there to ensure you receive prompt, efficient services from one of the many facilities qualified under our approved Roadside Assistance Program. Twenty-four hours a day, 365 days a year, we will be there to help.

[†]Internet is available in most Lexus locations.

STANDARD LUXURY FEATURES

LUXURY AND CONVENIENCE

SmartAccess¹⁶ with push-button Start/Stop
Dual-zone automatic climate control with interior air filter (IS 350, IS 350 C include smog sensor and automatic recirculation mode)
Intuitive Climate Control (IS 250 C, IS 350 C)
Power tilt-and-telescopic steering wheel (IS 350 RWD, IS C, IS F)
Lexus Memory System with three settings to control power driver's seat (except lumbar), outside mirrors and steering wheel (IS C, IS F)
Power tilt-and-slide moonroof with one-touch open/close and sliding sunshade (IS 350 RWD, IS F)
Power-retractable folding hardtop (IS C)
Power windows with one-touch auto open/close feature (IS sedan, IS F)
Power windows with front one-touch auto open/close feature (IS C)
Remote-linked window and moonroof opening (if equipped)
Retained accessory power for windows and available moonroof
Electrochromic (auto-dimming) inside rearview mirror
Power door locks
Cruise control
Centre console with armrest, storage bin, USB and minijack input, and accessory outlet
Front-door storage pockets (foldable on IS sedan, IS F)
HomeLink^{®8} universal transceiver to operate compatible garage, gate, home lighting and home security systems
Illuminated entry system with fadeout
Illuminated interior electronic trunk-lid and fuel-filler door releases
Exterior glass with UV reduction
Dual chrome exhaust tips (Quad exhaust tips IS F)
Carpeted floor mats

SEATING AND TRIM

Metallic dash accents (IS sedan)
Woodgrain interior trim (IS C)
Aluminized fibreglass interior trim (IS F)
Sport fabric-trimmed seat surfaces (IS 250)
Leather-trimmed seat surfaces (IS 350, IS C)
Leather-trimmed sport seat surfaces (IS F)
Leather-wrapped steering wheel
Adjustable driver's and front passenger's seats (IS 250 RWD)
8-way power adjustable (including lumbar) driver's and front passenger's seats (IS 350, IS C, IS F)
8-way power adjustable (including lumbar) driver's seat (IS 250 AWD)
Easy-entry power front passenger seat slide (IS C)
Heated front seats (IS 350, IS F), heated and ventilated front seats (IS C)
Height-adjustable headrests for all seats with foldable rear headrests (IS sedan and IS F, remote foldable on IS C)

AUDIO, COMMUNICATION AND INSTRUMENTATION

Lexus Premium Sound System with Automatic Sound Levelizer (ASL)
In-dash, single-feed, six-disc CD auto-changer (IS 250/350 AWD, IS C)
In-dash, DVD/CD player (IS 350 RWD, IS F)
8-speaker (IS C)
13-speaker (IS sedan, IS F)
Voice-activated HDD Navigation System¹ with backup camera² (IS 350 RWD, IS F)
In-glass antenna with FM-diversity system (IS sedan, IS F)
Integrated XM[®] Satellite Radio⁵
USB and auxiliary iPod^{®6}/MP3/Windows Media Audio (WMA) port
Bluetooth[®] capability⁷
Steering-wheel-mounted audio and display controls
Electroluminescent instrumentation with startup sequence
Liquid-crystal multi-information console display

STANDARD SAFETY AND SECURITY FEATURES

ACTIVE SAFETY

Four-wheel power-assisted disc brakes (Brembo[®] brakes on IS F)
Smart Stop Technology¹⁷
Four-sensor, four-channel Anti-lock Brake System (ABS)
Vehicle Dynamics Integrated Management System (VDIM)¹² (IS sedan, IS C)
Sport Vehicle Dynamics Integrated Management System (Sport VDIM)¹² (IS F)
Vehicle Stability Control (VSC)¹²
Traction Control (TRAC)
Brake Assist (BA)¹³
Electronic Brake-force Distribution (EBD)
Tire Pressure Monitor System¹⁴
Bi-Xenon High-Intensity Discharge (HID) headlamps with dynamic auto-levelling (IS 350, IS C, IS F)
Door courtesy lamps
Light Emitting Diode (LED) daytime running lights (IS 350, IS C, IS F)
Automatic on/off projector-beam headlamps with auto-off delay (IS 250)
Integrated foglamps
Headlamp washers (IS 350, IS C)
Water-repellent front-door glass
Variable intermittent windshield wipers with mist cycle (IS 250, IS 350 AWD)
Variable intermittent rain-sensing windshield wipers with mist cycle (IS 350 RWD, IS C, IS F)
Rear-window defroster with auto-off timer
Power-adjustable heated exterior mirrors with integrated turn indicators (IS 250, IS 350 AWD, IS F)
Electrochromic power-adjustable heated exterior mirrors with integrated signal lamps (IS 350 RWD, IS C)

PASSIVE SAFETY

Driver's and front passenger's advanced airbag system (SRS)¹⁵ with front passenger's twin-chamber airbag (SRS)¹⁵
Front seat-mounted side airbags (SRS)¹⁵
Front and rear side curtain airbags (SRS)¹⁵
Driver's and front passenger's knee airbags (SRS)¹⁵
Three-point seatbelts for all seating positions, pre-tensioners with force limiters for front (all models) and outboard rear seats (IS sedan, IS F)
Automatic Locking Retractor/Emergency Locking Retractor (ALR/ELR) seatbelts for all passenger seating positions. Emergency Locking Retractor (ELR) only for driver's seat
Height-adjustable front shoulder belt anchors (IS sedan, IS F)
Child Restraint Seat (CRS) tether anchor brackets for rear outboard seating positions
Highly rigid body structure with front and rear crumple zones
Side-impact door beams
Reinforcements in pillars
Impact-dissipating upper interior trim (IS sedan, IS F)
Collapsible steering column

SECURITY

Vehicle theft-deterrent and engine-immobilizer system
Tool kit
Wheel locks
First aid kit

OPTION PACKAGES

IS 250 RWD

LEATHER w/MOONROOF PACKAGE

- Leather-seat surfaces
- Heated driver's and passenger's front seats
- 8-way power adjustable (including lumbar) driver's and front passenger's seats
- Power tilt-and-slide moonroof

F SPORT PACKAGE

Includes Leather w/Moonroof Package plus:

- Sport-tuned suspension
- 18-inch 5-spoke aluminum alloy wheels with P225/40R18 (front) and P255/40R18 (rear) all-season tires
- Bi-Xenon High-Intensity Discharge (HID) headlamps
- Light Emitting Diode (LED) daytime running lights and clearance lamps
- Premium leather F SPORT seat surfaces
- Voice-activated HDD Navigation System¹ with backup camera²
- In-dash, DVD/CD player
- Stainless steel F SPORT scuff plates
- 3-spoke F SPORT steering wheel
- Power tilt-and-telescopic steering wheel
- Rain-sensing windshield wipers
- Front chin spoiler
- Rear lip spoiler
- Sport grille
- Sport shift knob
- Aluminum sport pedals with rubber inserts
- (Delete six-disc CD auto-changer)

IS 250 AWD

LEATHER w/MOONROOF PACKAGE

- Leather-seat surfaces
- Heated driver's and passenger's front seats
- Power tilt-and-slide moonroof

SPECIAL EDITION

Includes Leather w/Moonroof Package plus:

- 17-inch aluminum alloy wheels
- Bi-Xenon High-Intensity Discharge (HID) headlamps with dynamic auto-levelling
- Heated and ventilated driver seat
- Premium two-tone leather seat surfaces
- Front chin spoiler
- Rear lip spoiler
- Matched leather weekender bag

LEATHER w/MOONROOF AND NAVIGATION PACKAGE

Includes Leather w/Moonroof Package plus:

- Voice-activated HDD Navigation System¹ with backup camera²
- In-dash, DVD/CD player
- (Delete six-disc CD auto-changer)

LUXURY w/NAVIGATION PACKAGE

Includes Leather w/Moonroof and Navigation Package plus:

- Premium leather seat surfaces
- Woodgrain interior trim
- Heated and ventilated front seats
- Front illuminated "Lexus" scuff plates
- Power tilt-and-telescopic steering wheel
- Driver seat memory system
- Rain-sensing windshield wipers

Power rear window sunshade

Bi-Xenon High-Intensity Discharge (HID) headlamps with dynamic auto-levelling

Light Emitting Diode (LED) daytime running lights and clearance lamps

Headlamp washers

IS 350 AWD

MOONROOF AND NAVIGATION PACKAGE

Voice-activated HDD Navigation System¹ with backup camera²

In-dash, DVD/CD player

Power tilt-and-slide moonroof

(Delete six-disc CD auto-changer)

LUXURY w/NAVIGATION PACKAGE

Includes Moonroof and Navigation Package plus:

- Premium leather seat surfaces
- Woodgrain interior trim
- Heated and ventilated front seats
- Mark Levinson® 14-speaker, 300-watt⁴ Premium Surround Sound Audio System³ with 7.1 architecture
- Front illuminated "Lexus" scuff plates
- Rain-sensing windshield wipers
- Power rear window sunshade

THE BEST WAY TO FINANCE YOUR NEW IS – EASILY, QUICKLY, AFFORDABLY.

• Lexus Financial Services does nothing but finance or lease Lexus vehicles; thus, we know financing and we know Lexus. • Our interest rates are fully competitive and our terms flexible (up to 72 months). • Since we offer Web services, you can: A: check out our rate; B: save time by getting credit approved on-line – before checking out the vehicle(s) of your interest. • Finally, one-stop shopping (at all Lexus Dealerships) saves you time. We invite you to visit us at lexus.ca or call us at 1-800-26-LEXUS.

LEXUS CANADA. Every effort has been made to ensure the specifications and equipment shown are accurate based on information available at time of printing. In some cases, certain changes in standard equipment, options or product delays may occur, which would not be reflected in this brochure. Lexus Canada reserves the right to make these changes without notice or obligation. Your Lexus Dealer is the best source for up-to-date information.

Lexus invites you to join us in Club Lexus, a very exceptional compilation of services, offers, special events and pertinent information available only to Lexus owners. To register for Club Lexus, please visit lexus.ca or call 1-800-26-LEXUS.

1. The Navigation System is designed to assist in locating an address or point of interest. Discrepancies may be encountered between the system and your actual location. Road system changes may affect the accuracy of the information provided. Rely on your common sense to decide whether to follow a specified route. Detailed coverage not available for every city or roadway. Periodic updates available at an additional cost. See your Navigation System *Owner's Manual* for further details. Navigational systems in some vehicles are available with bilingual capability, XM NavTraffic[®] requires a monthly service fee and is designed to provide real-time traffic or alternative routes of travel. NavTraffic will only be available in Montreal, Vancouver and Toronto. Both Montreal and Vancouver will only have incident data and Toronto will have both incident and flow data. **2.** The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. **3.** Mark Levinson is a registered trademark of Harmon International Industries Inc. **4.** Continuous average power, all channels driven, at less than 0.1% THD; 20-20,000 Hz. **5.** Functioning Satellite Radio requires a compatible receiver and monthly service fee. Please see your Lexus Dealer for further details. Reception of satellite signal may vary depending on location. **6.** iPod is a registered trademark of Apple Inc. **7.** Lexus tests certain Bluetooth[®] capable phones for compatibility with Lexus vehicles. Please see your Lexus Dealer for details. Note that the recommendation of Lexus is not a warranty of the performance for any phone and that some problems may occur with any type of handset based on the phone software version or the service coverage available in your area. Some vehicles equipped with Bluetooth[®] technology are available with bilingual capability. **8.** HomeLink is a registered trademark of Johnson Controls. **9.** Ratings achieved using the required premium unleaded gasoline with an octane rating of 91 or higher. **10.** Performance figures are for comparison only and were obtained with prototype vehicles by professional drivers using special safety equipment and procedures. **11. FUEL CONSUMPTION RATING.** Fuel efficiency estimates were determined using approved Government of Canada Test Methods. Actual fuel consumption will vary based on driving habits and other factors. **12.** Vehicle Stability Control (VSC) and if applicable Vehicle Dynamics Integrated Management (VDIM) are electronic systems designed to help the driver maintain vehicle control under adverse conditions. They are not substitutes for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC and VDIM will be effective in preventing a loss of control. Please see your *Owner's Manual* for further details. **13.** Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions. **14.** The Lexus Tire Pressure Monitor alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. Please see your *Owner's Manual* for details. **15.** All the airbag ("AB") systems are Supplemental Restraint Systems. All ABs (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions: frontal and knee ABs typically inflate in frontal collisions; side and side curtain ABs in side collisions; Roll-Sensing Curtain ABs at a severe tilt degree, roll or lateral G-force. In all other accidents, the ABs will not inflate. To decrease the risk of injury from an inflating AB, always wear seatbelts. Do not use a rearward-facing child seat in any front passenger seat. Please see your *Owner's Manual* for further information/warnings. **16.** The SmartAccess system may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. **17.** Smart Stop Technology operates only in the event of certain simultaneous brake and gas pedal applications. When engaged, the system will reduce engine power to help the brakes to bring the vehicle to a stop. Factors including speed, road conditions, driver input can all impact stopping distance. Smart Stop Technology is not a substitute for safe and attentive driving and does not guarantee instant stopping. Please see your *Owner's Manual* for further details.

Vehicles in this brochure shown with optional equipment. Some features mentioned and/or shown in this brochure may only be available as part of an optional package.

Under very cold conditions, the operation of some vehicle electronic systems using liquid crystal technology (such as CD, DVD, NAV and Audio displays) may be adversely affected until a warmer interior vehicle temperature is reached.

Lexus reminds you to place small children in CSA-approved car seats - in the rear seats, to always wear your seatbelts, and to drive safely.
