

2016 LINCOLN MKX

The feeling of rejuvenation. It's yours for the taking, anytime you'd like. Simply slip behind the wheel of the 2016 Lincoln MKX. Embrace the quiet confidence, the comfort and the effortlessly engaging drive delivered by its new collection of remarkable features. As the most advanced Lincoln MKX yet, it influences in ways you'll find truly empowering. Ways designed to inspire extraordinary drives – and exceptional experiences. The entirely new Lincoln MKX. The feeling stays with you.

EXPRESSIVE DESIGN

**IN THE EXHILARATING PLACE WHERE ELEGANCE AND INTENSITY CONVERGE,
REMARKABLE IDEAS TAKE SHAPE.**

Ideas like the entirely new Lincoln MKX. With its gracefully modern execution of the split-wing front grille and its athletically wide shoulders, the 2016 Lincoln MKX elegantly exudes a sense of power and agility. Artfully framing the front grille, the beauty of its **adaptive LED headlamps**¹ extends far below their surface. For starters, LED lamps are 50% more energy efficient and rise to full intensity 10 times faster compared to conventional incandescent bulbs. Plus, the adaptive feature of these headlamps can automatically expand their low-beam light pattern in whichever direction you steer, helping you spot hard-to-see objects in turns faster than you might with conventional headlamps.

¹Available feature.

**YOU KNOW HOW IT FEELS TO WEAR CUSTOM-TAILORED CLOTHING?
IT'S A LOT LIKE THAT.**

A quiet confidence rises from within as you step inside the entirely new Lincoln MKX. This open and spacious, yet warmly enveloping environment is the stunning work of passionate artisans and skilled craftsmen.

The finest Bridge of Weir Deepsoft™ leather trims the **22-way multicontour front seats with Active Motion**,^{®1} which include power head restraints and **power thigh extenders** for customizable comfort. The Active Motion feature helps reduce muscle fatigue in your legs and lower back. You'll really appreciate it on longer drives.

Careful placement of the sleek **push-button shift transmission** controls enabled the creation of a dramatic, flowing **suspension bridge** between the instrument panel and the centre console. It also opened up 2 levels of easily accessible storage space for your essentials.

MYLINCOLN MOBILE APP

Imagine if your vehicle could be warmed up and ready to go before you were. With your smartphone and the MyLincoln Mobile™ app² – enabled by an embedded modem^{1,2} – it can be. In fact, you can program your Lincoln MKX to start remotely at a specific time with your customized climate settings – repeating daily or weekly.³ You can even remotely lock and unlock the doors with a tap on your smartphone screen.

¹Available feature. ²Mobile app, compatible with select smartphone platforms, is available through a free download. The embedded modem is included in the Reserve Equipment Group only. Service included for 4 years. Text and data rates may apply to usage. Services may be limited by mobile phone network coverage area. ³Allows you to adjust to 22°C, or the last temperature set.

FRONT VIEW CAMERA¹ STOWS BEHIND THE
ICONIC LINCOLN BADGE UNTIL ACTIVATED }

INNOVATIVE TECHNOLOGIES

360 DEGREE CAMERA

Get familiar with your surroundings. The 360 Degree Camera¹ on Lincoln MKX merges the views from 4 cameras – 1 in the front, 1 on each sideview mirror and 1 in the back – to create a bird's-eye view of your vehicle and its surroundings. Displayed on the 8" colour screen, it even offers visual guides to help you gauge the distance between objects and your vehicle.

SPLIT-VIEW DISPLAY

Get a wider perspective. With a push of the 360 Degree Camera¹ button, you can switch to a 180-degree view from either the front or the rear camera. This wide-angle view lets you see around corners and other vehicles to check for approaching cross traffic. It can help you make informed decisions when your visibility is limited.

Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle.¹Available feature.

PARKING LINCOLN MKX IS EASIER THAN EVER THANKS TO THE ULTRASONIC SENSORS
AND OTHER ADVANCED FEATURES OF ITS ENHANCED ACTIVE PARK ASSIST.¹

When you want to parallel park, the system can help by identifying spots that are the right size, then steering the vehicle into place. All you need to do is follow on-screen prompts, and operate the accelerator, brake and shifter as needed.

Pulling your Lincoln MKX out of tight parallel parking spots is also easier with this system, since it can provide the same steering assistance for that situation as well.

Backing into a perpendicular parking spot is yet another instance where you'll really appreciate the steering assistance of this system.

As you manoeuvre in and out of tight spaces, the system emits beeping tones to alert you to objects near the front, rear or sides of the vehicle.

Life can get hectic. Experience an entirely new level of poise in the 2016 Lincoln MKX. **Adaptive cruise control and collision warning with active braking¹** fuses information from its camera and radar technology to help you handle all sorts of situations – in and out of the city. The system monitors your vehicle's proximity to other objects, as well as to pedestrians. If a potential collision is detected, it alerts you with visible and audible warnings so you can take action. If needed, it can help quickly reduce your speed by automatically applying the brakes. At highway speeds, adaptive cruise control automatically adjusts your vehicle's speed to maintain your choice of 4 preset gaps from the vehicle in front of you.

Stop-and-go traffic? Take a break from all that braking with **auto hold**. Just press a button to activate it, then come to a complete stop. You don't need to keep your foot on the brake pedal. Auto hold will keep your vehicle in place – even on a hill – until you press the accelerator. It's another way Lincoln MKX is innovating your every day.

Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle.
¹Available feature.

INNOVATIVE TECHNOLOGIES

INNOVATIVE TECHNOLOGIES

Every now and then, we need a little nudge in the right direction. Fortunately, the **Lane-Keeping System**^{1,2} can alert you with steering wheel vibration pulses if it senses you drifting out of your lane, and can then apply steering wheel torque to help direct you to steer back into it. The **Driver Alert System**¹ uses a forward-facing camera to detect lane markings, and displays a coffee cup icon in your gauge cluster if it detects that you've come too close to – or crossed – the lane marker lines too many times.

It can be easy to miss when a vehicle has entered your blind spot. Just as the name suggests, **BLIS® (Blind Spot Information System)**¹ helps keep you aware of things that may be out of your line of view. The system alerts you with a light in the corresponding sideview mirror³ if its radar sensors detect a vehicle. **Cross-traffic alert**¹ notifies you with an audible warning and a light in your sideview mirror if it detects a vehicle approaching either side as you're slowly backing out of a space.

Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ¹Available feature. ²Lane-Keeping System does not control steering. ³BLIS replaces standard integrated blind spot mirrors.

What could be easier than speaking your mind? **SYNC® with MyLincoln Touch™¹** connects you to the world around you. A simple spoken word activates the system, and puts you at the helm of your audio, climate choices, music, information, calling and personal contacts, navigation² and more – without ever having to take your hands off the wheel. In addition to the steering wheel-mounted 5-way controls, the system features a configurable, 8" colour LCD screen, as well as a media hub with 2 USB ports and an SD card reader, offering you several convenient ways to stay connected.

SYNC WITH MYLINCOLN TOUCH

Dial phone numbers and answer calls without picking up the phone – or taking your focus off the road. SYNC with MyLincoln Touch even mutes other audio sources so you won't miss an incoming call. Just say the word for turn-by-turn directions² and voice control of your contacts, as well as the playlists on your USB or smartphone.

SIRIUSXM

Listen to your favourites all across Canada with SiriusXM®. Get the best in audio entertainment, including 100% commercial-free music from every genre, world-class news, sports, comedy and entertainment, with your 6-month prepaid subscription.³

¹Some mobile phones and some digital media players may not be fully compatible. Driving while distracted can result in loss of vehicle control. Only use SYNC/MyLincoln Touch/other devices, even with voice commands, when it is safe to do so. SYNC with MyLincoln Touch voice recognition and screens available in English, French and Spanish. Some features may be locked out while the vehicle is in motion. ²Available feature. ³SiriusXM subscriptions sold after 6-month prepaid period expires. Subscriptions are governed by SiriusXM Customer Agreement; see siriusxm.ca.

INNOVATIVE TECHNOLOGIES

2.7L ECOBOOST

Get the power you demand – and outstanding fuel efficiency¹ – when you opt for the twin-turbocharged direct-injected 2.7L EcoBoost® engine.² Two turbochargers pump air quickly into the combustion chambers, generating a virtually instantaneous surge of on-demand power. So you get 335 hp,³ 380 lb.-ft. of torque,³ and an impressive balance of fuel efficiency and performance. Every Lincoln MKX also features Intelligent all-wheel drive for optimized traction on all sorts of road surfaces.

3.7L TI-VCT

The standard 3.7L Ti-VCT engine features twin independent variable camshaft timing that precisely controls when the intake and exhaust valves open and close, helping to optimize fuel combustion, while providing you with 303 hp and 278 lb.-ft. of torque for smooth, responsive passing and merging.

{ ACTIVE GRILLE SHUTTERS⁴

¹14.1L/100 km city and 9.7L/100 km hwy (20 mpg city/29 hwy). Fuel consumption ratings based on Government of Canada approved test methods. Actual fuel consumption will vary.
²Available feature.³Figures achieved using 93-octane fuel.
⁴Requires and only available with 20" wheels.

POWERFUL PRESENCE

POWERFUL PRESENCE

Lincoln MKX adapts so you don't have to. Because road conditions are always changing, **Lincoln Drive Control** featuring **continuously controlled damping (CCD)** uses sensors to read the road – and your driving input – 500 times per second, then quickly adjusts the firmness and damping at all 4 wheels to help your vehicle be in harmony with the road. The system also lets you select between 3 drive modes – Comfort, Normal or Sport – to match your driving style. **Electric power-assisted steering (EPAS)** automatically adjusts your steering for different driving situations. At the same time, **Torque Vectoring Control** adjusts the speed between your front wheels for enhanced cornering and agility.¹

INTELLIGENT ALL-WHEEL DRIVE
CORNERS WITH CONFIDENCE

ADAPTIVE HID HEADLAMPS² SWIVEL AS
YOU STEER TO ILLUMINATE YOUR PATH

Sometimes it really pays to go with the flow. Unlike the fixed ratio you get with a mechanical steering setup, **adaptive steering^{2,3}** is designed to keep pace with changes in your driving style. It dynamically adjusts the ratio between your steering wheel and road wheels to deliver impressive steering performance and responsiveness. When you're travelling at lower speeds, the ratio is lowered, helping your vehicle feel very agile and fluid, and even making it easier to park. As your speed increases, the ratio increases, helping your vehicle feel taut and stable as it responds precisely to your input.

¹Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. ²Available feature. ³Available Fall 2015.

Our exclusive new relationship with Revel is one that elegantly fuses form, function and innovation to create the lasting and emotionally evocative experience of live music.

PREMIUM EXPERIENCES

REVEL® AUDIO¹

13 speakers featuring Point Source Architecture

12-channel Class D amplifier for high efficiency and increased dynamics

PREMIUM EXPERIENCES

YEARNING FOR MORE MOMENTS OF QUIET
CONTEMPLATION? LINCOLN MKX PROVIDES.

From the **acoustic-laminated glass** featured in its windshield and front doors to its upgraded engine mounts, **sound-absorption materials** in trim panels and spoiler-integrated antenna, the hush is in the details. Engineers and designers painstakingly refined everything from the tuning of its tires to the aerodynamics of its sideview mirrors, even employing the vehicle's speakers in their quest for quiet. By sending precisely chosen sound waves through the speakers, **active noise control** cancels out unwanted noise, while at the same time refining engine sounds. The result is a thoroughly calming ambience.

Comforting details continue your day on the right note. Each time you slip behind the **leather-wrapped steering wheel**, its convenient **memory** feature discreetly recalls your preferred placement of the **power tilt and telescoping column**. Enjoy the visual harmony of its graceful interior lines accented by **genuine wood or aluminum**¹ trim. And personalize the scene in your choice of 7 hues offered by the **ambient lighting**, which illuminates the footwells, cupholders and controls. It's easily changed to match your mood.

**LINCOLN MKX ANTICIPATES YOUR ARRIVAL FROM ABOUT 3 METRES AWAY
AND WELCOMES YOU WITH DISTINCTIVE LIGHTING.**

Sensors inside the vehicle detect your key fob as you approach, triggering a seamless series of welcoming events that bring your Lincoln MKX to life.

Designed to delight all around, its LED exterior lamps gracefully rise to full illumination, and certain models feature a signature headlamp light-up sequence.

A luminous welcome mat featuring the Lincoln logo is cast upon the ground from beneath each of the pedestal-mounted sideview mirrors, silently greeting you.

As you let yourself inside, note the warm glow of the LEDs in the door handle pockets, the intensity of which has been fine-tuned for each exterior colour.

The cabin puts on its own show of welcome with an ambient lighting sequence that switches to your chosen colour after you start the engine.

Close the door and relax into your seat as the auto-folding, power, heated sideview mirrors with memory slide into your personalized position.

Then press the glowing engine start/stop button that's been anticipating your arrival, and make your getaway in true Lincoln style.

PREMIUM EXPERIENCES

Now there's even more power in your kick. With the foot-activated **hands-free power liftgate**, your key fob can stay tucked in your pocket or purse while you simply kick your foot under the rear bumper. The liftgate effortlessly opens, providing easy access to the spacious rear cargo area. Plus, the **60/40 split rear seat** folds flat to open 1,948 litres (68.8 cu. ft.) of cargo space for your larger items. Once you're loaded up and ready to go, you can close the liftgate by pressing a button, or by gently kicking your foot under the rear bumper again.

THE LINCOLN MOTOR COMPANY

THE LINCOLN PLEDGE

There For You

Our pledge is the collective promise of everyone at the Lincoln Motor Company to be there for you and your Lincoln. As you join the Lincoln family, you're not only choosing an exceptional vehicle, but also exceptional maintenance and service. A few of the many comprehensive services designed for you are:

- 24/7 Roadside Assistance for peace of mind
- Expert advice for all your questions
- Convenient courtesy vehicle available while yours is in service
- Complimentary car wash to brighten your day

We provide all this and more in order to help keep your Lincoln running smoothly. We're here for you. Visit your local Lincoln Dealer or call the Lincoln Concierge at 1.888.658.6554 for details. Available at participating dealers. Restrictions may apply.

Lincoln Automotive Financial Services Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Lincoln Automotive Financial Services. Visit your local Lincoln Dealer, call the Customer Service Centre at 1.855.768.8909 or go to LincolnAFS.ca for details.

Ford Extended Service Plan Help protect your investment and add to your peace of mind by complementing your Lincoln purchase or lease with a Ford Extended Service Plan (ESP). Ford ESP protects you against unexpected repair costs after your Basic Coverage in the New Vehicle Limited Warranty expires by covering many vehicle components. Enjoy the drive even more by complementing your ESP with the Lincoln Maintenance Protection Plan (LMPP), which covers all required scheduled maintenance for your vehicle, plus 8 wear items. See your local Lincoln Dealer for details.

Lincoln Limited Warranties Your 2016 Lincoln MKX comes with a 4-year/80,000-km Basic Warranty. Your Powertrain Warranty, Safety Restraint System coverage and Corrosion coverage last even longer. See your local Lincoln Dealer for details.

Lincoln Original Accessories that are properly installed by the authorized Dealer that sold the accessory will be warranted for whichever provides you the greatest benefit: 24 months/unlimited distance, or the remainder of your 4-year/80,000-km New Vehicle Limited Warranty. Lincoln Licensed Accessories (LLA) are warranted by the accessory manufacturer's warranty. LLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your local Lincoln Dealer for details and/or a copy of all limited warranties.
