2002 MAZDA MIATA

Long before you reach top gear the tingling has already reached your fingertips. At that moment it

becomes a perfect day, the road is long and winding, the engine is singing, and you've got nothing but time...

this is sports-car driving at its purest.

WHICH **VERB** WOULD YOU LIKE TO
EXPERIENCE TODAY?

Inspire? Stimulate? Soar?
You ask for it, the Mazda
MX-5 Miata delivers. Built
as a pure sports-car, this
drop-top roadster combines a DOHC
engine that loves the redline with
reflex-quick handling. And it's ready for
action whenever
you want some.

ADD ROAD,
STIR VIGOROUSLY.

All the key ingredients are available here – NARDI® wheel, Bose® speaker system, 6 speeds – combined as only our racing-enthusiast engineers could do it. And the steps couldn't be easier. Simply drop the top, turn the key, choose the tunes and add your favourite road. Then rev-up and stir the short-throw shifter. For the most exhilarating results we recommend you do this continuously.

SEE WHERE HAVING
A ONE-TRACK
MIND CAN GET YOU?

Zoom-Zoom

How about Monterey, California – where one of the most famous and challenging race tracks in the world (formerly Laguna Seca) is now the Mazda Raceway at Laguna Seca. Our partnership and participation at this venue underscores the long-standing Mazda commitment to cutting-edge performance on the track as well as the street. Picture yourself racing there? Driving a Mazda Miata is a good start.

4th	1.000	1.257	0.73
5th	0.814	1.000	—
6th	—	0.843	—
Reverse	3.758	3.564	2.22
Final drive	4.3	3.909	4.1
Clutch Type	Single dry plate, hydraulically actuated (Except AT)		

ROADSIDE ASSISTANCE PROGRAM

As part of our commitment to your total satisfaction, 2002 Miata owners are automatically enrolled in our Roadside Assistance Program. Roadside Assistance protects your Miata for the duration of the 3-year basic limited warranty. Should you require assistance during this period, our service will help to get your vehicle back on the road and minimize any inconvenience. For complete details on this program, see your Mazda Dealer.

For peace of mind motoring, we've created the Mazda Added Protection Plan (MAP). MAP complements your Mazda Limited Warranty for up to 7 years or 160,000 km, and protects you from unexpected repair expenses and the rising cost of repairs. All MAP plans include Personal Budget and Repair Inflation Protection. In addition, all MAP plans include Premium Roadside Assistance, which extends the roadside assistance coverage offered during the new vehicle limited warranty period throughout the MAP term. The Premium Roadside Assistance offers Towing, Battery Boost, Out-of-Fuel Coverage, Tire Service, Lockout Service, Emergency Travel Expense Reimbursement and Travel Planning. Should you ever decide to sell your Mazda vehicle, MAP is transferable to future owners and will enhance the resale value of your vehicle. The Mazda Added Protection Plan is fully backed and administered by Mazda Canada Inc. For more information, please contact your Mazda Dealer.

Product changes and options availability: Following publication of this brochure, certain changes in standard equipment, options, prices and the like, or product delays may have occurred which would not be included in these pages. Your Mazda Dealer is your best source for up-to-date information. Mazda reserves the right to change product specifications at any time without incurring obligations. Options and accessories shown or described in this brochure are available at extra cost and may be offered only in combination with other options or subject to additional ordering requirements or limitations. E. & O. E.

ELECTRICAL SYSTEM

Battery	12 V – 32 amp
Alternator	12 V – 80 amp
Cold cranking capacity	325 A
Ignition system	Distributorless electronic

SUSPENSION

Frame	Unit body (Monocoque), Power Plant Frame (PPF)
Suspension	Fully independent double wishbone with coil springs, gas-filled shock absorbers, and front and rear stabilizer bars

CHASSIS

Steering	Rack-and-pinion type with engine rpm sensing variable power assist
Steering ratio	15.0 : 1
Steering wheel turns	2.7 (lock-to-lock)
Min. turning circle	9.2 m/30.2 ft (curb-to-curb)
Brakes	Power-assisted 4-wheel disc brakes with dual hydraulic circuits Front ventilated brakes; Rear solid disc brakes Optional: Anti-lock Brake System (ABS) (Leather Package)
Wheels	15" alloy wheels; Optional 16" alloy wheels (Leather Package & Sports Package)
Tires	195/50R15 82V summer tire 205/45R16 83W-rated summer tires (Leather Package and Sports Package)
