

# 2012 RVR

### CLASS LEADING COMBINED FUEL ECONOMY

The RVR has exceptional aerodynamics, a highly efficient MIVEC 2.0L engine, and a strong yet lightweight chassis. Together, with a class-leading combined fuel economy, these make the RVR the most fuel efficient non-hybrid compact crossover in the market.

## ESCAPE THE ORDINARY

VERSATILE AND SOPHISTICATED, THE ECO-CONSCIOUS RVR IS THE SMART-SIZED CUV THAT'S DEFINITELY AHEAD OF THE CURVE. WITH ITS KEEN SENSE OF PROPORTION, SELF-ASSURANCE, AND SPIRITED PERFORMANCE, IT'S THE IDEAL CROSSOVER TO ESCAPE THE ORDINARY.

### VERSATILE AND FUN

Experience the excitement of sitting behind the wheel of this eco-friendly and highly efficient Compact Utility Vehicle. The RVR boasts a 148hp 2.0L MIVEC engine and is available with a Sportronic Continuously Variable Transmission. Feel the intuitive response of the available superior All-Wheel Control (AWC) handling in a vehicle that delivers optimum responsiveness and sporty performance. You'll benefit from the fuel efficiency and ease of driving a smaller vehicle that is practical yet fun – the best of both worlds.

## HIGH PERFORMANCE AUDIO

Redefine your sound experience with the available Rockford Fosgate® premium sound system. High-performance 6-CD/MP3 player explodes with 710 watts of power that floods the entire interior with crystal-clear sound through nine, specifically-tuned speakers. And with six months pre-paid Sirius Satellite Radio, you will have the best in audio entertainment.

The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc., and any use of such marks by Mitsubishi is under license. SIRIUS Satellite Radio Inc. 'SIRIUS', the SIRIUS dog logo and related marks are trademarks of SIRIUS Satellite Radio, Inc.

## BLUETOOTH® 2.0 HANDS-FREE PHONE

Nothing integrates your compatible cell phone with your audio system better than Bluetooth® 2.0 hands-free cellular phone interface. The system employs voice recognition technology and steering wheel-mounted buttons for safer hands-free operation. Connect your iPod® or MP3 player with the available USB audio to enjoy your music library in premium quality.

# RUGGED AND REFINED

The RVR is solid and sleek on the outside. But inside, its refined amenities, such as a roomy interior for up to 5 adults plus 614L of cargo space, Multi-information display, Bluetooth® 2.0 Handsfree cell-phone interface with streaming audio and USB input with voice control, will have you excited about a quick spin around the city and looking forward to long comfortable road trips. The available Fast-Key electronic entry starting system features the convenience of keyless, push-button ignition.

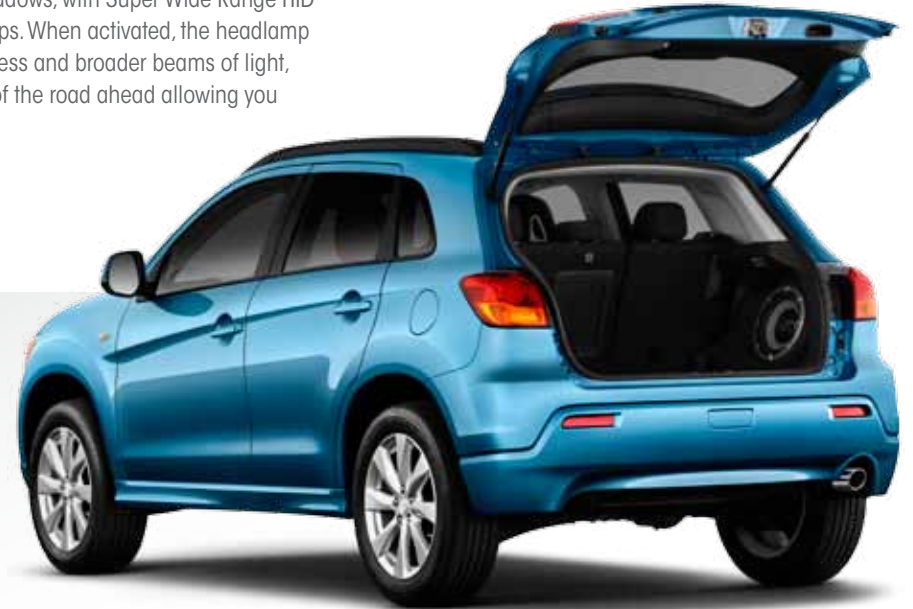

## PANORAMIC GLASS ROOF WITH INTERIOR LED ILLUMINATION

Let the outside in and fill the entire cabin with daylight, starlight or moonlight through the RVR's impressive panoramic glass roof that extends over the front and rear seats. All passengers can share the vistas from every direction. A retractable sunshade lets you control the intensity. And as night falls, adjustable LED lighting can create a soothing celestial atmosphere.

## HIGH-INTENSITY DISCHARGE PROJECTOR TYPE HEADLAMPS

Take more of the road out of the shadows, with Super Wide Range HID (High Intensity Discharge) headlamps. When activated, the headlamp clusters generate increased brightness and broader beams of light, illuminating a much wider section of the road ahead allowing you a greater range of vision.

## ELECTRONICALLY CONTROLLED AWC

Using one centrally located dial, the RVR's All-Wheel Control (AWC) allows you to freely switch between 3 drive modes depending on driving conditions or environment. Quickly change the RVR's drive mode from fuel-efficient 2WD to 4WD to LOCK Mode for mastering even more demanding off-road or poor weather conditions.

## ONE-TOUCH START/STOP ENGINE SWITCH

The One-Touch Start/Stop Engine Switch lets you activate the ignition just by pressing the button located near the centre of the dash panel with the brake depressed and the shifter in park position for CVT. Once you've arrived, one more push shuts the engine off.

## CONVENIENT FAST-KEY SYSTEM

The available Fast-Key provides exceptionally easy access. When it's within less than a metre (2.5 feet), you can unlock the doors by simply pushing the button on the handle or the rear hatch. The vehicle can also be started with the keys conveniently tucked away in a pocket or purse.

For a complete list of features, technical specifications and options visit [www.mitsubishi-motors.ca](http://www.mitsubishi-motors.ca)

## 60/40 SPLIT FOLDING REAR SEAT

RVR's 60/40 split flat folding rear seats open up to a generous 1,402L of functional cargo space. When not folded down, your rear passengers will appreciate the abundance of space and the adjustable backrest offered by the plush rear seats. A wide opening tailgate and low floor allow for easy loading and stowing of cargo.
