

Innovation
that excites

2019 ALTIMA®

This isn't just a sedan, this is our latest technology, built to unlock the pure joy of driving. Nissan Intelligent Mobility™ responds to the world around you in real-time.¹ Standard All-Wheel Drive gives you confidence in a variety of road conditions. And surprising connectivity delights before you even reach the driver's seat. The All-New 2019 Nissan Altima.[®] Impossibly smart.

STANDARD INTELLIGENT ALL-WHEEL DRIVE

Altima gives you peace of mind in weather conditions you never thought a sedan could take on. Part of Nissan Intelligent Mobility™, Intelligent All-Wheel Drive continuously monitors road conditions, and responds in an instant, sending power to the wheels that need it most.

DISTRIBUTE POWER TO ALL

4

ENHANCE EFFICIENCY

2

NISSAN INTELLIGENT MOBILITY™

ProPILOT ASSIST

Welcome to a whole new daily commute. With ProPILOT Assist, you can let go of driving stress while Altima® takes care of the little things – like following the car ahead at a preset distance or keeping you centred in your lane. It can even bring your Altima to a full stop based on the traffic flow, and hold you there.^{2,3}

KEEPS YOU CENTRED EVEN IN THE CURVES

MAINTAINS YOUR PRESET SPEED AND DISTANCE

CAN EVEN COME TO A COMPLETE STOP

U.S. model shown.

A BOLDER RIDE THROUGH LIFE

Imagine being surrounded by confidence on every drive. Nissan Intelligent Mobility includes features that monitor in front of you, behind you, and on either side. You'll make every move with greater awareness and even get an assist when you need it most.¹

Intelligent Around View® Monitor
Makes parking easy with a virtual 360° bird's-eye view of your Altima and selectable split-screen close-ups of the front, rear, and cubside views. It also gives you an on-screen heads-up when it detects moving objects near your vehicle.^{2,4}

SENSE MORE AROUND YOU

Intelligent Emergency Braking with Pedestrian Detection

Monitors your speed and distance between you and the car ahead, and can let you know if you need to slow down. It can even automatically engage the brakes to help avoid a frontal collision or lessen the severity of an impact. And when it detects a pedestrian in the crosswalk, it can stop you in your tracks.^{2,7}

Intelligent Cruise Control

Take the tedium out of your daily commute. The system helps maintain an adjustable speed and set distance between you and the car ahead.^{2,8}

GET AN ASSIST WHEN YOU NEED IT

Blind Spot Warning

Change lanes with confidence. This feature keeps an eye on the blind spot area and gives you a heads-up if it detects a vehicle hiding there.^{2,5}

Intelligent Lane Intervention

Get some help staying in your lane. When lane markings are clear, Intelligent Lane Intervention detects if you're straying out of your lane and taps the brakes to help gently guide you back.^{2,6}

Rear Cross Traffic Alert

Back out of a space with more confidence. This feature watches around the rear of your Altima, and can warn you about cars it detects creeping up on you from either side.^{2,9}

Rear Intelligent Emergency Braking

Monitors the area directly behind your vehicle for stationary items you might not see. If it detects an item, and you fail to stop, it can automatically engage the brakes to help avoid a rear collision or lessen the severity of an impact.^{2,10}

AN ELEVATED EXPERIENCE FOR EVERYONE

Altima's premium interior provides a refined environment for all. An open, airy layout provides a good look ahead while everyone enjoys available leather-appointed seats. And rear passengers can charge up faster than ever with a USB-C port.¹¹

APPLE CARPLAY®

People to see? Places to be? Just ask Siri.® Equipped with Siri® voice control, Apple CarPlay® brings on board your contacts, favourite messaging apps, iTunes® library, Apple Music® playlists, Apple Maps, and more. It even works with your steering wheel controls to adjust volume and toggle through screens. Simply plug in your compatible iPhone® and go.¹³

NISSAN INTELLIGENT MOBILITY™

APPLE CARPLAY®

ANDROID AUTO™

Get where you're going with Google Maps™ as your guide and Google Play™ Music providing the soundtrack along the way. Choose a song, change your destination, or respond to a text with your hands on the wheel using the hundreds of available voice commands.¹³

ANDROID AUTO™

GET INSIDE AT "JUST RIGHT"

Altima's Remote Engine Start System with Intelligent Climate Control helps cool or heat your cabin to the perfect temperature before you even get in.^{2,12}

U.S. model shown.

TAKE CONTROL OF HOW YOU CONNECT

Enjoy technology that knows what you like. Step inside and you'll discover instant connectivity and 178 mm (7") Advanced Drive-Assist® Display that can be customized with what's important to you.^{14,15} And with premium audio,² your personal soundtrack sounds better than ever.

BUYING AND OWNING

Finance Options Through Nissan Canada Finance, we offer many attractive lease and loan options that can be tailored to your individual needs. We have unique programs such as the Nissan Grad Program, Loyalty Program or the Nissan Advantage Program. Please visit our website **Nissan.ca/finance** to explore all of the options available. We have also made it easy to pre-qualify online. All of our programs come with competitive rates and terms. With our flexible options, driving home a new Nissan has never been easier. Consult your local Nissan Dealership for complete details.

No-Nonsense Warranty Every 2019 Nissan is covered by a 3 year/60,000 km¹⁷ Comprehensive New Vehicle Warranty, a 5 year/100,000 km¹⁷ Powertrain Warranty, an 8 year/130,000 km¹⁷ Emission Control Warranty on selected components, and a 5 year/unlimited km Corrosion Perforation Warranty. As a Nissan owner, you'll also receive a 3 year Roadside Assistance program available to you 24 hours a day. Terms, conditions and exclusions apply. See your Warranty Information Booklet for complete details.

Added Security Plan (ASP) For ultimate peace of mind, consider the Nissan Added Security Plan. It's our commitment to be there for you, and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.

Security+Plus™ Prepaid Maintenance Plan The smart choice when it comes to maintaining your new Nissan. Honoured at all participating Nissan Dealers in Canada and the U.S., your vehicle is cared for by factory-trained technicians using Genuine Nissan Parts. And best of all, there's no worrying about price increases on parts or service in the future. A variety of plans are available. Ask your Dealer for details.

Nissan's environmental action plan focuses on several key areas. In addition to increasing production of Zero Emission vehicles like the 100% electric LEAF®, we're improving fuel efficiency across our lineup, and reducing the environmental impact of manufacturing through energy-efficient practices in our plants.

CHOOSE YOUR ACCESSORIES

Every Genuine Nissan Accessory is: custom-fit, custom-designed and durability-tested; available for finance and backed by Nissan’s 3 year/60,000 km Accessories limited warranty when installed by dealer at time of your vehicle purchase.¹⁸

A. All-season Floor Mats

Skip the mud – and other messes.

B. Sliding Trunk Organizer Tray¹⁹

Bring some order to your cargo area.

C. Frameless Auto-dimming Rearview Mirror with Universal Remote

This is one eye-opening feature.

D. External Ground Lighting

A brilliant way to make your mark.

E. Illuminated Kick Plates

Fewer scuffs and a grand entry, every time.

F. 17" Aluminum-alloy Wheels

Cruise in style.

Additional Accessories:

- Carpeted Floor Mats
- Carpeted Trunk Mat
- Sport Carpeted Floor Mats
- Hideaway Trunk Net¹⁹
- Portable Trunk Organizer¹⁹
- Clear Rear Bumper Protector
- Black Rear Bumper Protector
- Wheel Locks
- And More

NISSAN ALTIMA®

Isn't it time you were passionate about the car you drive?

Welcome to the 2019 Altima.

Follow Nissan Canada on:

NISSAN INTELLIGENT MOBILITY™

Nissan Intelligent Mobility guides everything we do. We're using new technologies to transform cars from mere driving machines into partners. Together the journey is more confident, connected, and exciting. Whether it's cars that share the task of driving with you, or highways that charge your EV as you go along, it's all in the very near future. And it's a future already taking shape in the Nissan you drive today.

¹Availability of features varies by model year, model, trim, and package. ²Available feature. ³ProPILOT Assist cannot prevent collisions. Always monitor traffic conditions and keep both hands on the steering wheel. See Owner's Manual for safety information. ⁴Intelligent Around View Monitor cannot eliminate blind spots and may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information. ⁵Blind Spot Warning cannot prevent collisions and may not detect every object or warn in all situations. Driver should always turn and look before changing lanes. See Owner's Manual for safety information. ⁶Intelligent Lane Intervention only operates when lane markings are detectable. See Owner's Manual for safety information. ⁷Intelligent Emergency Braking with Pedestrian Detection cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ⁸Intelligent Cruise Control uses limited braking and is not a collision avoidance or warning system. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ⁹Rear Cross Traffic Alert may not detect all vehicles. See Owner's Manual for safety information. ¹⁰Rear Intelligent Emergency Braking cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information.

¹¹Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation.

¹²Provincial laws may apply. Review before using. ¹³Feature availability is dependent on vehicle model, trim level, packaging and options. Compatible connected device may be required and feature availability may be dependent on device's capability. Refer to connected device's Owner's Manual for details. Late availability for some features. **Driving is serious business and requires your full attention.** Only use features and connected devices when safe and legal to do so. Some features, are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach Customer Care or receive support. GPS mapping may not be detailed in all areas or reflect current road status. Never program GPS while driving. Only use Remote Engine Start and Remote Horn features in accordance with any laws, rules or ordinances in effect in your vehicle's location. Some services and features are provided by independent companies not within Nissan's control. **Should service provider terminate or restrict service or features, service or features may be suspended or terminated without notice or with no liability to Nissan or its partners or agents.** Services and features may require compatible cellular network provided by independent companies not within Nissan or its partners' or agents' control. Cellular network signal strength may vary and may not be available in all areas or at all times. Services and features may not function if cellular network is unavailable, restricted, or terminated. Nissan and its partners or agents are not responsible for associated costs or other third party charges that may be required for continued operation due to cellular network unavailability, restriction, or termination (including equipment replacements/upgrades, if available, or roaming charges on alternative networks). Technology is evolving, and changes by independent companies are not within Nissan's or its partners' or agents' control. Enrollment, owner consent, personal identification number (PIN), and subscription agreement may be required to receive full suite of features and services. Trial periods (if applicable) begin on the date of vehicle purchase or lease of a new Nissan. Trial periods may be subject to change at any time and may be subject to early termination without notice. Required subscriptions may be sold separately for each available feature or service after trial period ends, and may continue until you call service provider to cancel. Installation costs, one-time activation fee, other fees and taxes may apply. Fees and programming subject to change. Feature may be subject to age restrictions in some areas. Subscriptions governed by service provider's subscription agreement, terms and conditions and privacy statements available at service provider's website. Text rates or data usage may apply. The Nissan names, logos and slogans are trademarks owned by or licenced to Nissan Motor Co. Ltd. or its North American subsidiaries. Other trademarks and trade names are those of their respective owners. **For important safety information, system limitations, and additional operating and feature information, see Dealer or Owner's Manual.**

¹⁴Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ¹⁵Information displayed is dependent on how vehicle is equipped. ¹⁶Extra cost option. ¹⁷Whichever occurs first. ¹⁸See your Nissan Dealership and read the actual limited warranty. ¹⁹Cargo and load capacity limited by weight and distribution. Always secure cargo. ²⁰Intelligent Forward Collision Warning cannot prevent collisions. See Owner's Manual for safety information. ²¹Intelligent Emergency Braking cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ²²RearView Monitor may not detect every object and does not eliminate blind spots or warn of moving objects. See Owner's Manual for safety information. ²³Intelligent Trace Control cannot prevent accidents or loss of control. It is the driver's responsibility to be in control of the vehicle at all times. ²⁴Intelligent Driver Alertness cannot provide a warning in every situation. See Owner's Manual for safety information. ²⁵XM® and SiriusXM® Satellite Radio is available in the 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. All subscriptions subject to customer agreement at siriusxm.ca/terms. All fees and programming subject to change.

©2019 Sirius XM Canada Inc. The Sirius®, XM®, and SiriusXM® names and all related marks and logos are trademarks of Sirius XM Radio Inc. All other trademarks are the property of their respective owners.

²⁶Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Bluetooth® word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under licence. ²⁷Sonar System may not detect every object. Driver should always check surroundings before driving. See Owner's Manual for safety information.

²⁸Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ²⁹Brake Assist cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ³⁰Vehicle Dynamic Control cannot prevent collisions due to abrupt steering, carelessness, or dangerous driving techniques. It should remain on when driving, except when freeing the vehicle from mud or snow. See Owner's Manual for safety information. ³¹See Owner's Manual for safety information.

³²Use Hands Free Text Messaging when parked in a safe location. If you must use while driving, monitor traffic conditions and keep both hands on the steering wheel to prevent collisions. Compatible device required. Message and data rates may apply. ³³Airbags are only a supplemental restraint system. Always wear your seat belt. Rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents. See Owner's Manual for safety information. ³⁴Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. See Owner's Manual for safety information. ³⁵Vehicle must be on for the Easy-Fill Tire Alert to operate. ³⁶2019 Fuel Consumption Estimates.
