

2018
ARMADA[®]

Innovation
that excites

ELEVATE every outing. Turn heads with a refined, yet unmistakable, exterior design. Attention to detail and exceptional craftsmanship greet you the moment you step inside. Plush room for up to eight and versatility? Check. Advanced technology that connects you to your world and helps keep an eye on your surroundings? Absolutely. And out on the road, feel in command, rain or shine, even when you're hauling up to 8,500 lbs. (3,856 kg).¹ Armada[®] is a full-size SUV that makes every day an unforgettable **ADVENTURE**.

Nissan Armada[®] Platinum Reserve shown in Pearl White.

¹Towing capacity varies by trim level and configuration. See Nissan Towing Guide and Owner's Manual for additional information.

EVEN THE GRANDEST PLANS ARE WELL WITHIN REACH

Armada® may be a full-size SUV, but even from the driver's seat, we designed the intuitive layout of the dash to give you easy access to all the controls. Add in a luxurious interior that puts as much emphasis on style as it does on comfort and putting those big plans into action has never been more rewarding.

Climate-controlled seats¹

Nissan Intelligent Key® with Remote Engine Start System²

Dual Zone Automatic Temperature Control

Touch-screen Nissan Navigation System³

Wood-tone trim and metallic accents

Nissan Armada® Platinum shown in Almond Leather. U.S. instrumentation shown.

¹Available feature. ²Provincial laws may apply; review local laws before using. ³Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status.

INTELLIGENT 4x4

GET A GRIP ON YOUR ADVENTUROUS SIDE, FASTER THAN THE BLINK OF AN EYE

Imagine a 4WD system so advanced, it responds instantly to changing road conditions and continuously adjusts the amount of power distributed to each axle to help maintain control. What does that mean for you? Feeling empowered with a greater sense of command, no matter the road or the season.

ZIP Intelligent 4x4 delivers power to both front and rear wheels for improved grip from the get-go.

SIP Once you're up to speed, the system sends all of the power to the rear, resulting in higher efficiency.

GRIP In slick conditions and tight corners, 4WD transfers the optimal amount of power from front to rear.

LEAVE NO TOY BEHIND

Now there's no excuse not to bring all the toys. With a 8,500 lbs. (3,856 kg) towing capacity, Armada® has the capability to haul some serious fun.⁴ Featuring innovative Tow/Haul mode, and the brute strength of the direct-injection 5.6-litre Endurance® V8, Armada is ready to take your excursion to the next level.

5.6 L V8

390 HP

8,500 LBS. (3,856 KG) MAXIMUM TOWING⁴

394 LB.-FT. TORQUE

IMPRESSIVE COMFORT AND CAPACITY

Let the whole crew stretch out in absolute comfort with seating for up to eight. Then change things up with a highly flexible interior. Add in an innovative climate control system that reaches every row, and every passenger can find their ideal zone.

- Heated Front and 2nd-row Seats¹
- Seating for Up to 8
- Dual Zone Automatic Temperature Control
- Power Return 3rd-row Seats²
- Tri-Zone Entertainment System with Two Wireless Headsets³

THE QUICK ANSWER TO A SUDDEN CHANGE IN PLANS

With seating for up to eight adults with standard second-row bench seating and a highly flexible interior, Armada is ready for whatever the day brings. Need proof? Take a look at the possibilities.

TACKLE ERRANDS⁵

HAUL SOME GEAR⁵

TAKE THE WHOLE TEAM

MAXIMIZE CARGO SPACE

¹Heated second-row outboard seats are an available feature. ²Available feature. ³Tri-Zone operation requires compatible auxiliary media system. See Owner's Manual for details. ⁴See Nissan Towing Guide and Owner's Manual for additional information. ⁵Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle.

A BOLDER RIDE THROUGH LIFE

Nissan Intelligent Mobility transforms your Armada® into a responsive partner, for a more connected, confident, and thrilling drive.

GET AN ASSIST WHEN YOU NEED IT

INTELLIGENT DISTANCE CONTROL

Maintains a set distance to the vehicle in front of you, even braking to slow down. It also intuitively helps you release the throttle and apply the brakes as necessary in slowing traffic.¹

AUTOMATIC EMERGENCY BRAKING

Monitors your speed and the distance between you and the car ahead, and can let you know if you need to slow down. If a collision appears likely, it can bring you to a full stop.²

INTELLIGENT LANE INTERVENTION

Helps keep you where you want to be. It taps the brakes to help gently guide you back if it detects that you're unintentionally straying out of your lane for too long.³

INTELLIGENT BLIND SPOT INTERVENTION

Helps you change lanes safely. If it detects that you're trying to change lanes while another car is in your blind spot area, it can apply the brakes and help guide you back into your lane.⁶

INTELLIGENT BACK-UP INTERVENTION

Senses cars crossing behind you when you're getting out of a spot and can engage the brakes to help avoid a collision. And an unplanned game of bumper cars.⁷

INTELLIGENT CRUISE CONTROL

Watches the flow of traffic to take the tedium out of stop-and-go. The system helps maintain an adjustable speed and set distance between you and the car ahead.⁸

INTELLIGENT FORWARD COLLISION WARNING

Gives an audible and visual warning if the system detects sudden deceleration two vehicles ahead in your lane.⁴

LANE DEPARTURE WARNING

Helps make sure you change lanes only when you mean to. If LDW detects that you're unintentionally drifting over, it'll give you a heads-up.³

BLIND SPOT WARNING

Helps you change lanes with confidence. It keeps an eye on the blind spot area and gives you a heads-up if it detects a vehicle hiding there.⁶

INTELLIGENT AROUND VIEW® MONITOR

Get an on-screen heads-up when the Intelligent Around View® Monitor detects moving objects near your vehicle. We're looking at you, shopping cart.¹⁰

SENSE MORE AROUND YOU

SEE MORE AROUND YOU

INTELLIGENT REAR VIEW MIRROR

Uses cameras installed at the rear of the vehicle to let you switch between the regular mirror view and a digital view at the flip of a switch. The camera view displayed on the monitor mimics the appearance of a traditional rearview mirror.⁵

¹IDC helps maintain a distance to the vehicle in front under certain conditions. Not a collision avoidance system. Failure to apply the brakes could result in an accident. ²AEB cannot prevent accidents due to carelessness or dangerous driving techniques. It may not provide warning or braking in certain conditions. Speed limitations apply. ³LDW will not detect every object, and speed limitations apply. Always check surroundings and turn to look behind you before moving vehicle. See Owner's Manual for details. ⁴FCW is intended to warn you before a collision occurs; it cannot prevent a collision. Speed and other limitations apply. See Owner's Manual for details. ⁵Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. ⁶BSI is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you. ⁷BI will not detect every object, and speed limitations apply. Always check surroundings and turn to look behind you before moving vehicle. See Owner's Manual for details. ⁸ICC is not a collision avoidance system or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident. ⁹BSW is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you. ¹⁰IAVM cannot completely eliminate blind spots and may not detect every object. IAVM operates at vehicle speeds below 8 km/h. Always check surroundings and turn to look behind you before moving vehicle.

BUYING AND OWNING

Finance Options Through Nissan Canada Finance, we offer many attractive lease and loan options that can be tailored to your individual needs. We have unique programs such as the Nissan Grad Program, Loyalty Program or the Nissan Advantage Program. Please visit our website Nissan.ca/finance to explore all of the options available. We have also made it easy to pre-qualify online. All of our programs come with competitive rates and terms. With our flexible options, driving home a new Nissan has never been easier. Consult your local Nissan Dealership for complete details.

No-Nonsense Warranty Every 2018 Nissan is covered by a 3 year/60,000 km⁶ Comprehensive New Vehicle Warranty, a 5 year/100,000 km⁶ Powertrain Warranty, an 8 year/130,000 km⁶ Emission Control Warranty on selected components, and a 5 year/unlimited km Corrosion Perforation Warranty. As a Nissan owner, you'll also receive a 3 year Roadside Assistance program available to you 24 hours a day. Terms, conditions and exclusions apply. See your Warranty Information Booklet for complete details.

Added Security Plan (ASP) For ultimate peace of mind, consider the Nissan Added Security Plan. It's our commitment to be there for you, and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.

Security+Plus™ Prepaid Maintenance Plan The smart choice when it comes to maintaining your new Nissan. Honoured at all participating Nissan Dealers in Canada and the U.S., your vehicle is cared for by factory-trained technicians using Genuine Nissan Parts. And best of all, there's no worrying about price increases on parts or service in the future. A variety of plans are available. Ask your Dealer for details.

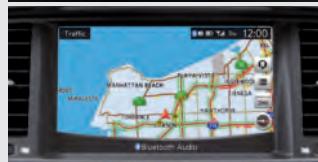

³See your Nissan Dealership and read the actual limited warranty. ⁴Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. ⁵See Nissan Towing Guide and owner's Manual for additional information. ⁶Whichever occurs first.

CHOOSE YOUR TRIM LEVEL

SL

- 390 HP Endurance® 5.6-litre V8 engine

- Open-pore wood-tone trim

Nissan Armada® Platinum Reserve shown in Hermosa Blue.

¹See Nissan Towing Guide and Owner's Manual for additional information. ²Feature availability is dependent on vehicle model, trim level, packaging and options. Compatible connected device may be required and feature availability may be dependent on device's capability. Refer to connected device's Owner's Manual for details. Late availability for some features. **Driving is serious business and requires your full attention.** Only use features and connected devices when safe and legal to do so. Some features, including automatic crash notification and SOS, are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data and GPS satellite signal reception, the absence of which can limit or prevent the ability to reach Customer Care or receive support. GPS mapping may not be detailed in all areas or reflect current road status. Never program GPS while driving. Only use Remote Engine Start and Remote Horn features in accordance with any laws, rules or ordinances in effect in your vehicle's location. Some services and features are provided by independent companies not within Nissan's control. **Should service provider terminate or restrict service or features, service or features may be suspended or terminated without notice or with no liability to Nissan or its partners or agents.** Services and features may require compatible cellular network provided by independent companies not within Nissan or its partners' or agents' control. Cellular network signal strength may vary and may not be available in all areas or at all times. Services and features may not function if cellular network is unavailable, restricted, or terminated. Nissan and its partners or agents are not responsible for associated costs or other third party charges that may be required for continued operation due to cellular network unavailability, restriction, or termination (including equipment replacements/upgrades, if available, or roaming charges on alternative networks). Technology is evolving, and changes by independent companies are not within Nissan's or its partners' or agents' control. Enrollment, owner consent, personal identification number (PIN), and subscription agreement may be required to receive full suite of features and services. Trial periods (if applicable) begin on the date of vehicle purchase or lease of a new Nissan. Trial periods may be subject to change at any time and may be subject to early termination without notice. Required subscriptions may be sold separately for each available feature or service after trial period ends, and may continue until you call service provider to cancel. Installation costs, one-time activation fee, other fees and taxes may apply. Fees and programming subject to change. Feature may be subject to age restrictions in some areas. Subscriptions governed by service provider's subscription agreement, terms and conditions and privacy statements available at service provider's website. Text rates or data usage may apply. The Nissan names, logos and slogans are trademarks owned by or licensed to Nissan Motor Co. Ltd. or its North American subsidiaries. Other trademarks and trade names are those of their respective owners. **For important safety information, system limitations, and additional operating and feature information, see Dealer or Owner's Manual.** ³Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. ⁴Late availability. 2018 Fuel Economy Estimate – L/100 km (MPG)	
City	17.5 (16)
Highway	12.8 (22)

¹Actual mileage may vary with driving conditions – use for comparison only.

¹Late availability. ²Feature availability is dependent on vehicle model, trim level, packaging and options. Compatible connected device may be required and feature availability may be dependent on device's capability. Refer to connected device's Owner's Manual for details. Late availability for some features. **Driving is serious business and requires your full attention.** Only use features and connected devices when safe and legal to do so. Some features, including automatic crash notification and SOS, are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach Customer Care or receive support. GPS mapping may not be detailed in all areas or reflect current road status. Never program GPS while driving. Only use Remote Engine Start and Remote Horn features in accordance with any laws, rules or ordinances in effect in your vehicle's location. Some services and features are provided by independent companies not within Nissan's control. **Should service provider terminate or restrict service or features, service or features may be suspended or terminated without notice or with no liability to Nissan or its partners or agents.** Services and features may require compatible cellular network provided by independent companies not within Nissan or its partners' or agents' control. Cellular network signal strength may vary and may not be available in all areas or at all times. Services and features may not function if cellular network is unavailable, restricted, or terminated. Nissan and its partners or agents are not responsible for associated costs or other third party charges that may be required for continued operation due to cellular network unavailability, restriction, or termination (including equipment replacements/upgrades, if available, or roaming charges on alternative networks). Technology is evolving, and changes by independent companies are not within Nissan's or its partners' or agents' control. Enrollment, owner consent, personal identification number (PIN), and subscription agreement may be required to receive full suite of features and services. Trial periods (if applicable) begin on the date of vehicle purchase or lease of a new Nissan. Trial periods may be subject to change at any time and may be subject to early termination without notice. Required subscriptions may be sold separately for each available feature or service after trial period ends, and may continue until you call service provider to cancel. Installation costs, one-time activation fee, other fees and taxes may apply. Fees and programming subject to change. Feature may be subject to age restrictions in some areas. Subscriptions governed by service provider's subscription agreement, terms and conditions and privacy statements available at service provider's website. Text rates or data usage may apply. The Nissan names, logos and slogans are trademarks owned by or licenced to Nissan Motor Co. Ltd. or its North American subsidiaries. Other trademarks and trade names are those of their respective owners. **For important safety information, system limitations, and additional operating and feature information, see Dealer or Owner's Manual.**

NISSAN INTELLIGENT MOBILITY™

Nissan Intelligent Mobility guides everything we do. We're using new technologies to transform cars from mere driving machines into partners. Together the journey is more confident, connected, and exciting. Whether it's cars that share the task of driving with you, or highways that charge your EV as you go along, it's all in the very near future. And it's a future already taking shape in the Nissan you drive today.

NISSAN ARMADA®

Isn't it time you were passionate about the vehicle you drive? Welcome to the 2018 Armada.
