

2021
GT-R®

Question everything. Get better answers. The 2021 Nissan GT-R® rewrites the laws of aerodynamics and makes the air your ally. ATTESA E-TS® All-Wheel Drive redefines supercar performance to give you 4-season thrills. It proves you can outperform purpose-built mid-engine exotics and have 4 seats, a handcrafted interior, even a trunk. This is tech that breaks from convention and shatters records. This is tech that moves.

Creating an Instant connection to intensify your drive

A tradition of craftsmanship makes the GT-R® a supercar that will take your breath away - even when sitting still. Instrumentation designed for a quick read. Hand-selected materials that deserve a lingering touch. A Display Commander that connects you to your world, and paddle shifters that connect you to a pulse-raising 565 horsepower. Wherever you look, the interior of the GT-R is the embodiment of performance art.

Semi-aniline, leather-appointed heated front seats

Hand-selected, single-hide dashboard cover

Display Commander media controller

Active Noise Cancellation system

Bose audio system with 11 speakers

Steering wheel-mounted paddle shifters

Five customizable performance screens let the driver organize key information, choosing a variety of engine, acceleration, braking, and handling parameters. A factory preset screen features a dedicated stopwatch.

The Display Commander lets you dial in your world, allowing you to control key functions through the 203 mm (8") multi-touch screen. The dial lets you easily scroll through all menus, and move selections around the screen.

Equipped with Siri® voice control, Apple CarPlay® brings your contacts, favourite messaging apps, Apple Music® playlists, Apple Maps, and more on board to your GT-R. Simply plug in your compatible iPhone® and go.¹

To break records, first break with convention

The GT-R® philosophy says nothing is sacred – question everything, and come up with new answers to achieve the desired results.

A perfect example: the Premium Midship Platform. Moving the engine farther back in the chassis reduces weight over the nose for better handling. In traditional layouts, this would place the transmission rearward, intruding into the passenger cabin.

The solution – separate the transmission from the engine, and mount it with the transfer case in the rear of the vehicle, creating an independent rear transaxle. A brilliant innovation in pursuit of handling perfection.

Another challenge – to make the GT-R as slippery to the wind as possible, but still allow a rear seat and a usable trunk – unheard of in supercars. While you see a substantial, powerful supercar, to the wind, advanced aerodynamics let it punch through the air like a low-slung, mid-engine design.

Years of testing in the wind tunnel have developed a body that masterfully directs air around the exterior, creating an incredibly clean Coefficient of Drag of just 0.26 Cd. Air underneath the body is used to create downforce, pulling the Nissan GT-R to the road, as well as helping cool key components.

For maximum acceleration, GT-R's 6-speed sequential dual-clutch transmission can snap off incredibly quick shifts when in R Mode. Steering wheel-mounted shifters help ensure that a rapid-fire shift is always easily within reach, regardless of wheel position.

Premium Midship Engine Position

Centre of engine placed rearward in chassis for superior handling.

Carbon-composite Driveshaft

Helps to reduce weight while still capable of handling the engine's prodigious output.

Slanted Input and Output Shafts

The input and output shafts are slanted and flattened out to lower the centre of gravity, further enhancing handling.

Rear Transmission Position

Transmission placed at rear of chassis for better traction and braking.

Independent Rear Axle

By moving the transfer case to the rear of the vehicle, GT-R creates an independent rear transaxle.

A massive injection of NISMO®

Track Edition

For maximum performance, the Nissan GT-R Track Edition features a healthy injection of NISMO tuning, starting with the 600-HP engine from the GT-R NISMO. Power, handling, braking, appearance – in every way the GT-R Track Edition – from its carbon-fibre roof³ to its 20" alloy wheels – is an incredible blend of GT-R civility and GT-R NISMO ultimate performance.

SPECIFICATIONS

Engines	Premium	Track Edition
3.8-litre DOHC 24-valve twin-turbocharged V6	■	
— 565 horsepower @ 6800 rpm		
— 467 lb.-ft. of torque @ 3300–5800 rpm		
NISMO®-tuned 3.8-litre DOHC 24-valve twin-turbocharged V6		■
— 600 horsepower @ 6,800 rpm		
— 481 lb.-ft. of torque @ 3600–5800 rpm		
Continuously Variable Valve Timing Control System (CVTCS) on intake valves	■	■
Aluminum cylinder block with high-endurance/low-friction plasma-sprayed bores	■	■
Aluminum pistons	■	■
Nissan Direct Ignition System with iridium-tipped spark plugs	■	■
Electronic drive-by-wire throttle	■	■
Pressurized lubrication system with thermostatically controlled cooling and magnesium oil sump pan	■	■
Fully symmetrical dual intake and low back-pressure exhaust systems	■	■
Secondary air intake system to rapidly heat catalysts to peak cleaning efficiency	■	■
Special 50:50 cold-weather coolant mix	■	■
Engine block heater	■	■

Drivetrain

ATTESA E-TS® All-Wheel Drive (AWD) with patented independent rear-mounted transaxle	■	■
Dual-clutch 6-speed transmission with three driver-selectable modes	■	■
Steering column-mounted paddle shifters	■	■
Downshift Rev Matching	■	■
Rigid, lightweight carbon-composite main driveshaft	■	■
High-performance 1.5-way mechanical limited-slip rear differential	■	■

Brakes

Nissan/Brembo® braking system	■	■
15.35" front/15.0" rear two-piece floating rotors with diamond-pattern internal ventilation	■	■
6-piston front/4-piston rear monoblock calipers with racecar-inspired 3-point radial mounting	■	■
Anti-lock Braking System (ABS)	■	■
Electronic Brake force Distribution (EBD)	■	■

Suspension/Steering

Double wishbone front suspension with aluminum arms	■	■
Multi-link rear suspension with aluminum arms	■	■
Rigid front and rear suspension subframes with 6-point mounting to body	■	■
Bilstein® DampTronic® system with three driver-selectable modes	■	■
NISMO-tuned suspension		■
Hollow front and rear stabilizer bars	■	■
NISMO-tuned 17.3 mm hollow rear stabilizer bar		■
Vehicle-speed-sensitive power steering	■	■
2.4 steering-wheel turns lock-to-lock	■	■

Driver Assistance Technologies

Cruise control	■	■
RearView Monitor®	■	■
Front and Rear Sonar System®	■	■
Vehicle Dynamic Control (VDC) with three driver-selectable modes ²	■	■
Traction Control System (TCS)	■	■
Hill start assist	■	■

Wheels/Tires

20" x 9.5" front and 20" x 10.5" rear RAYS® forged-alloy wheels	■	
20" x 10.0" front and 20" x 10.5" rear NISMO black RAYS® forged-alloy wheels		■
255/40ZRF20 front and 285/35ZRF20 rear Dunlop® SP Sport Maxx® GT 600 DSST CTT high-performance run-flat tires ⁸	■	
255/40ZRF20 front and 285/35ZRF20 rear Dunlop® SP Sport Maxx® GT 600 DSST CTT (NR1) high-performance run-flat tires ⁸		■

Chassis

Premium Midship (PM) platform	■	■
Hybrid unibody structure	■	■
Body-bonding to key spot-welds		■

Aerodynamics	Premium	Track Edition
Impact-resistant polypropylene front undercover	■	■
Heat-resistant Sheet Molded Compound undercover behind front axle	■	■
Rigid, heat-resistant Carbon-Sheet Molded Compound undercover ahead of rear-mounted transaxle	■	■
Carbon-fibre composite diffuser tray at rear of car	■	■
Front fender vents designed to optimize air management around the wheels	■	■
Side air vents	■	■
Body-colour rear spoiler	■	
Dry carbon-fibre rear spoiler ³		■

Exterior Features

Die-cast aluminum front shock towers and inner door structures	■	■
Carbon-fibre roof ³		■
Aluminum hood	■	■
Aluminum outer door skins	■	■
Aluminum trunk lid	■	■
Carbon-fibre engine chassis brace	■	■
Carbon-composite front crossmember/radiator support	■	■
Multi-LED headlights with signature lighting	■	■
Auto-on/off headlights	■	■
LED Daytime Running Lights, taillights, and brake lights	■	■
Dual power folding heated outside mirrors	■	■
Flushed-mounted aluminum door handles	■	■
Titanium exhaust with exhaust sound control	■	■
Acoustic windshield	■	■
UV-reducing solar glass (windshield and front doors)	■	■

Comfort/Convenience

Nissan Intelligent Key® with Push Button Ignition	■	■
HomeLink® universal garage-door opener	■	■
Dual-zone Automatic Temperature Control	■	■
Power front windows with one-touch auto-up/down	■	■
Power door locks with auto-locking feature	■	■
Tilt and telescoping steering column with integrated gauges	■	■
Variable-intermittent speed-sensitive windshield wipers	■	■
Sun visors with illuminated vanity mirrors	■	■
Auto-dimming inside rearview mirror	■	■
Two 12-volt DC power outlets ⁹	■	■

Seating/Appointments

Leather-appointed front seats with synthetic suede inserts	■	
Hand-stitched semi-aniline leather-appointed front seats	P	
Black/Red Recaro® leather-appointed front seats		■
8-way power driver's seat	■	■
4-way power front-passenger's seat	■	■
Heated front seats	■	■
Hand-stitched semi-aniline leather interior treatments	P	
Black/Red interior treatment		■
Dual individual rear seats with centre armrest	■	■
Leather-appointed steering wheel, gearshift knob, and parking brake lever	■	■
Aluminum-trimmed pedals	■	■
Carbon-fibre and machined aluminum interior trim	■	■

Infotainment	Premium	Track Edition
Electronic analog instrument cluster with upshift indicator, vehicle information display and digital gear indicator	■	■
Driver-configurable Multi-Function Display system with graphical readouts of vehicle and driving data displayed on a total of six screens	■	■
NissanConnect® 203 mm (8") touch-screen display ¹⁰	■	■
Display Commander	■	■
Nissan Navigation System ¹¹	■	■
SiriusXM® Traffic and Travel Link with 3-month complimentary trial access ¹²	■	■
NissanConnect® Services powered by SiriusXM® with complimentary trial access to 3-year Select and 6-month Premium Plus packages ³	■	■
Voice Recognition for audio and navigation ¹¹	■	■
Apple CarPlay® integration ¹	■	■
Hands-free Text Messaging Assistant ¹³	■	■
Bluetooth® Hands Free Phone System ¹⁴	■	■
Bose Premium Audio System with 11 speakers, including dual subwoofers	■	■
Active Noise Cancellation	■	■
Active Sound Enhancement	■	■
Steering wheel-mounted audio controls	■	■
Speed-sensitive volume control	■	■
Two USB ports ⁹	■	■
SiriusXM® Radio with 3-month complimentary trial access ¹²	■	■
Streaming Audio via Bluetooth® wireless technology ¹⁴	■	■

Safety/Security

Nissan Advanced Airbag System with dual-stage supplemental front airbags, seat belt sensors and occupant-classification sensor ¹⁵	■	■
Driver and front-passenger seat-mounted side-impact supplemental airbags ¹⁵	■	■
Roof-mounted curtain side-impact supplemental airbags for front occupant head protection ¹⁵	■	■
Front seat belts with pre-tensioners and load limiters	■	■
LATCH System (Lower Anchors and Tethers for Children)	■	■
Zone Body construction with front and rear crumple zones	■	■
Hood-buckling creases	■	■
Side-door guard beams	■	■
Energy-absorbing steering column	■	■
Tire Pressure Monitoring System (TPMS) ¹⁶	■	■
Immobilizer Key System	■	■
Anti-theft system	■	■

P Part of Premium Interior Package

Nissan's environmental action plan focuses on several key areas. In addition to increasing production of Zero Emission vehicles like the 100% electric LEAF®, we're improving fuel efficiency across our lineup, and reducing the environmental impact of manufacturing through energy-efficient practices in our plants.

NISSAN GT-R®

Isn't it time you were passionate about the vehicle you drive?
Welcome to the 2021 GT-R.

Follow Nissan Canada on:

Nissan Intelligent Mobility moves you one step ahead. In cars that feel like an extension of you, helping you see more and sense more, reacting with you, and sometimes even for you. Nissan Intelligent Mobility is about a better future – moving through life with greater confidence, excitement and connection to the world around you.

¹Feature availability is dependent on vehicle model, trim level, packaging and options. Compatible connected device may be required and feature availability may be dependent on device's capability. Refer to connected device's Owner's Manual for details. Late availability for some features. Driving is serious business and requires your full attention. Only use features and connected devices when safe and legal to do so. Some features, including automatic crash notification and SOS, are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach Customer Care or receive support. GPS mapping may not be detailed in all areas or reflect current road status. Never program GPS while driving. Only use Remote Horn features in accordance with any laws, rules or ordinances in effect in your vehicle's location. Some services and features are provided by independent companies not within Nissan's control. **Should service provider terminate or restrict service or features, service or features may be suspended or terminated without notice or with no liability to Nissan or its partners or agents.** Services and features may require compatible cellular network provided by independent companies not within Nissan or its partners' or agents' control. Cellular network signal strength may vary and may not be available in all areas or at all times. Services and features may not function if cellular network is unavailable, restricted, or terminated. Nissan and its partners or agents are not responsible for associated costs or other third party changes that may be required for continued operation due to cellular network unavailability, restriction, or termination (including equipment replacements/upgrades, if available, or roaming charges on alternative networks). Technology is evolving, and changes by independent companies are not within Nissan's or its partners' or agents' control. Enrollment, owner consent, personal identification number (PIN), and subscription agreement may be required to receive full suite of features and services. Trial periods (if applicable) begin on the date of vehicle purchase or lease of a new Nissan. Trial periods may be subject to change at any time and may be subject to early termination without notice. Required subscriptions may be sold separately for each available feature or service after trial period ends, and may continue until you call service provider to cancel. Installation costs, one-time activation fee, other fees and taxes may apply. Fees and programming subject to change. Feature may be subject to age restrictions in some areas. Subscriptions governed by service provider's subscription agreement, terms and conditions and privacy statements available at service provider's website. Text rates or data usage may apply. The Nissan names, logos and slogans are trademarks owned by or licenced to Nissan Motor Co. Ltd. or its North American subsidiaries. Other trademarks and trade names are those of their respective owners. **For important safety information, system limitations, and additional operating and feature information, see Dealer or Owner's Manual.** ²Leather appointments. ³Dry carbon-fibre requires specific maintenance. Please see your Owner's Manual for details. ⁴Extra cost option. ⁵RearView Monitor may not detect every object and does not eliminate blind spots or warn of moving objects. See Owner's Manual for safety information. ⁶Sonar System may not detect every object. Driver should always check surroundings before driving. See Owner's Manual for safety information. ⁷Vehicle Dynamic Control cannot prevent collisions due to abrupt steering, carelessness, or dangerous driving techniques. It should remain on when driving, except when freeing the vehicle from mud or snow. See Owner's Manual for safety information. ⁸Driving is serious business and requires your full attention. At all times, obey traffic laws. Not intended for unpaved off-road use. Always wear your seat belt, and please drive responsibly. ⁹Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ¹⁰Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ¹¹Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ¹²XM® and SiriusXM® Satellite Radio is available in the 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. All subscriptions subject to customer agreement at siriusxm.ca/terms. All fees and programming subject to change. ©2020 Sirius XM Canada Inc.
