

Innovation
that excites

2016
JUKE[®]

UNLEASH your own idea of fun. Ready to stand out? Pick the colours that represent your style. Head to the city with your equally spontaneous crew. Want a change of pace? Cruise up the coast, saving gas with the push of a button. Own the day – no timeline, great tunes, and easily accessible navigation. Drive home as the sun sets, with a smile on your face. The 2016 Nissan JUKE.[®] Revel in **THE THRILLS.**

YOU'LL NEVER LOOK AT JUKE® THE SAME WAY AGAIN.

Welcome to **JUKE® Colour Studio** – where colour changes everything. Featuring colour-coordinated bumper accents and headlight trim rings, side mirror caps, and vibrant alloy wheel centre caps, along with eight other configurable accents, all ready for your personal touch.

188^{HP}

CHOOSE TO OUTPERFORM.

1.6-L Direct Injection Gasoline (DIG™) Turbo Engine – If you could design an engine to provide the ideal balance of efficiency and power, this would be it. Turbo boost gives you more than enough passing power when you need it, while the compact engine design and two-level direct injection system deliver fuel-sipping economy when you don't.

Xtronic CVT® (Continuously Variable Transmission) with Manual Mode – Smooth as silk and fun to drive. Unlike traditional automatic transmissions, JUKE®'s Xtronic CVT® transmission eliminates the need for gear-hunting and delivers a seamless wave of power. In case you miss the feeling of gears, you can engage Manual mode and bring it right back. Of course, a manual transmission is still available for the die-hard enthusiast.

THE POWER IS ON YOUR SIDE.

Instead of traditional All-Wheel Drive (AWD) systems that only distribute power from front to back, the torque vectoring AWD that's available on JUKE® adjusts power side-to-side to the rear wheels. When cornering, this means the outside rear wheel gets more power, helping you rotate into the curve and accelerate out.

Nissan JUKE® SL AWD shown in Super Black with White accessories.

Torque Vectoring AWD

In a turn, this multi-sensor system automatically transfers rear-wheel power to the left or right, depending on which needs it more, so any change in direction can be performed smoothly and securely.

Bump up a class. JUKE® adds the premium touches that make every drive a special occasion. From a standard Nissan Intelligent Key® that grants you entry and lets you drive away without ever fumbling for a key, to available Black and Red Leather-appointed seating or standard heated cloth seats. There's an available power sliding moonroof to let in some light, and standard rear privacy glass when your entourage prefers to travel incognito.

Nissan JUKE® SL shown in Black/Red Leather.

Nissan JUKE® SL shown in Black/Red Leather. U.S. instrumentation shown.

NISSAN I-CON SYSTEM

CHANGE YOUR MOOD ON THE FLY.

Like a fitness tracker for your car, JUKE®'s available I-CON system with drive mode selector allows you to put everything in one place. Tell JUKE® what kind of mood you're in, and it serves up a custom-tailored drive. All your climate control functions are there, too. The I-CON system even lets you know how you're doing, with cool displays for all the different functions you can call up.

Shown in D-mode Interface

Shown in Climate Interface

Torque It. Boost It. Save It – In JUKE®, it's up to you. Drive in Normal mode for the best combination of performance and efficiency. Lock in Sport mode, and steering feel, transmission gearing (Xtronic CVT® models only), and throttle response quickly adjust to make every curve count. Or hit the Eco mode button and get the most out of every drop of fuel. And with a push of the Climate button, I-CON switches displays and now becomes your control centre for all things comfort.

NISSAN AROUND VIEW® MONITOR¹
IT'S GOT YOUR BACK,
AND THE REST OF YOU TOO.

What if parallel parking was easier? A rearview monitor is great when backing up – but when it comes to parking, it's nice to see more than just what's behind you. That's why JUKE® offers an available Around View® Monitor. Four cameras give you a virtual 360° bird's-eye view of your vehicle, with selectable split-screen close-ups of the front, rear, and curbside views, so you can get a better look.^{1,2} And since all obstacles aren't stationary, Moving Object Detection (MOD) keeps an eye around your JUKE® and can warn you about moving objects detected in your vicinity.³

NissanConnect^{SM4}
YOUR WORLD,
AT YOUR FINGERTIPS.

With standard NissanConnectSM with Mobile Apps, your JUKE® becomes your smartphone's best friend. Which means no more separation anxiety for you. Because now, your own hand-picked music, latest tweets, TripAdvisor® tips, Facebook® events, and more all come along for the ride, working seamlessly together through your smartphone and JUKE®'s 127 mm (5.0") colour touch-screen.⁴

Your Nissan JUKE® also keeps you in the loop with the available Nissan Navigation System (featuring voice recognition),⁵ hands-free text messaging,⁶ Bluetooth® hands-free calling and streaming audio,⁷ plus an iPod®/USB input.⁸

¹Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. ²Virtual composite 360° view. ³MOD cannot completely eliminate blind spots and may not detect every object. MOD operates at vehicle speeds below 8 km/h (5 mph). Always check surroundings and turn to look behind you before moving vehicle. ⁴Driving is serious business. Only use NissanConnectSM Mobile Apps when safe to do so. App availability is dependent upon vehicle model, trim level, packaging, and/or options. See Nissan.ca/NissanConnect for complete app availability details. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. Compatible smartphone required. Cellular network and GPS signals not available in all areas and/or at all times. Cellular technology is evolving, and changes to cellular networks provided by independent companies are not within Nissan's control. Nissan is not responsible for associated costs that may be required for continued operation due to cellular network termination (including equipment upgrades, if available, or roaming charges on alternative networks). Should cellular provider terminate/restrict service, service may be terminated without notice and with no liability to Nissan and its agents or affiliates. Subscription Agreement required and terms and conditions of Subscription Agreement apply. See Nissan.ca/NissanConnect for details. Text rates and/or data usage may apply. ⁵Factory-installed option. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ⁶Use the text messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Compatible smartphone required. Text rates and/or data usage may apply. ⁷Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Bluetooth® word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under licence. ⁸Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. iPod® is a registered trademark of Apple, Inc. nismo[®]

DIAL UP THE STYLE.

Step into **JUKE[®] NISMO[®]** and experience the next-level design born from an illustrious racing heritage. With a NISMO[®] Alcantara[®] and leather-wrapped steering wheel, smoked front combination lights, and stiffer competition-tuned suspension, you'll experience what so many others already have: it's not just a performance car, it's a NISMO[®].

Interior Upgrades with NISMO[®] trim

- NISMO[®] red tachometer face
- NISMO[®] sport bucket front seats with embroidered synthetic suede trim and signature red stitching
- NISMO[®] Alcantara[®] and leather-wrapped steering wheel
- NISMO[®] shift knob
- Smoked grey centre console and door trim
- NISMO[®] carpeted floor mats
- Black headliner
- NISMO[®] centre console badge

Competition-inspired Design

- LED Daytime Running Lights
- Red side mirror caps
- Body-colour wheel arches
- Red body striping
- Smoked front combination lights
- Modified front fascia with larger grille
- Resculpted side sills
- Unique body-colour liftgate spoiler
- Rear fascia diffuser

Competition-tuned Handling and Responsiveness

- NISMO[®]-tuned Xtronic CVT[®] with Manual mode featuring seven programmed 'gears' and paddle shifters (AWD CVT)
- Stiffer springs and dampers
- NISMO[®]-tuned vehicle-speed-sensitive electric power steering
- 18" NISMO[®] 10-spoke aluminum-alloy wheels with P225/45R18 summer tires

US instrumentation shown.

215 HP¹

INTENSELY CHARGED FOR THE SPORT OF DRIVING.

JUKE[®] NISMO[®] RS – the ultimate performance crossover. More horsepower, sharper handling, larger vented disc brakes, a performance transmission, and an overall lower, leaner, meaner attitude.

Interior Features

- Recaro[®] sport bucket front seats with embossed logo and integrated head restraints
- Recaro[®] black synthetic suede centre fabric and red leather bolsters
- Carbon-fibre appearance interior trim
- Synthetic suede stitched instrument panel hood

Performance Upgrades

- NISMO[®]-tuned 1.6-litre Direct Injection Gasoline (DIG[™]) turbo 4-cylinder engine
- Close-ratio 6-speed manual transmission with triple-cone synchros in 1st and 2nd gears (FWD 6MT), or Xtronic CVT[®] with Manual mode featuring eight programmed 'gears' and paddle shifters (AWD CVT)
- NISMO[®]-tuned front helical limited-slip differential (FWD 6MT)
- Torque vectoring All-Wheel Drive (AWD CVT)
- Additional NISMO[®]-tuned suspension
- NISMO[®]-tuned exhaust system
- Larger vented front disc brakes, vented rear disc brakes, upgraded brake pads and red brake calipers

¹Manual transmission models only. 211 HP on CVT models. Alcantara[®] is a registered trademark of Alcantara S.p.A. Corporation. Recaro[®] is a registered trademark of Recaro North America Inc.

NISSAN SAFETY SHIELD® PHILOSOPHY

INNOVATION THAT LOOKS OUT FOR YOU.

What if you had the confidence you need for every part of your drive? The Nissan Safety Shield Technologies™ are a comprehensive approach to safety that guides the engineering and development of every vehicle we make. The features described here are just some of many on your Nissan, helping to protect you and yours by focusing on three key areas: keeping an eye on your vehicle's systems and the surroundings, assisting in handling unexpected situations, and helping to keep you safe in the unfortunate event of an accident.

- 6 Standard Airbags¹
- Tire Pressure Monitoring System²
- Anti-lock Braking System
- RearView Monitor³
- Around View® Monitor^{3,4}
- Moving Object Detection (MOD)^{4,5}
- LATCH System (Lower Anchors and Tethers for Children)

Vehicle Dynamic Control (VDC). Also known as stability control, VDC monitors your steering and braking to help you maintain your steered path under certain conditions by reducing engine output and/or applying brake pressure to specific wheels.⁶

Traction Control System (TCS). When TCS senses drive-wheel spin, it responds by reducing throttle or applying brake pressure to help maintain traction.

Electronic Brake force Distribution (EBD) and Brake Assist (BA). EBD is designed to send extra force to the rear brakes when there's additional weight in the back. If you need to slam on the brakes, Brake Assist detects how hard you're braking, and if it senses you are in an emergency, it will automatically help to apply maximum braking force.⁷

snuggly kids. Nissan safety engineers have dedicated thousands of hours to evaluating hundreds of child restraints in Nissans. The result: an industry first, The Snug Kids® Child Safety Seat Fit Guide. This guide lists child seats that fit the rear seats of Nissan vehicles, as well as offers invaluable tips on correct installation. Look for the latest Fit Guide at Nissan.ca/en/owners.

CHOOSE YOUR TRIM LEVEL

SV

- 1.6-litre Direct Injection Gasoline (DIG™) turbo 4-cylinder engine
- Torque vectoring All-Wheel Drive (AWD) or Front-Wheel Drive (FWD)
- 6-speed manual transmission or Xtronic CVT® with Manual mode
- 17" 5-split spoke aluminum-alloy wheels
- NissanConnectSM with Mobile Apps, hands-free text messaging assistant, and Bluetooth® Hands-Free Phone System
- Nissan Intelligent Key® with Push Button Ignition
- RearView Monitor³
- Siri® Eyes Free
- Heated front seats
- AM/FM/CD audio system with 127 mm (5.0") colour display with six speakers
- USB connection port for iPod® interface and other compatible devices
- Streaming audio via Bluetooth® wireless technology
- Six standard airbags¹
- Vehicle Dynamic Control (VDC)⁶ with Traction Control System (TCS)

SL

INCLUDES SV EQUIPMENT PLUS:

- Standard Xtronic CVT® with Manual mode
- Fog lights
- Power sliding glass moonroof with one-touch open/close and tilt feature
- Nissan Navigation System with 147 mm (5.8") colour touch-screen monitor
- SiriusXM® Traffic⁸
- Voice Recognition for audio and navigation
- Around View® Monitor with Moving Object Detection (MOD)^{3,5}
- Leather seating surfaces
- Integrated Control (I-CON) system with drive mode selector
- Automatic Temperature Control (ATC)
- Leather-wrapped shift knob
- Rockford Fosgate® ecoPUNCH™ audio system with 8.0" subwoofer and amplifier, and six upgraded speakers
- SiriusXM® Satellite Radio⁸

NISMO®

INCLUDES SV EQUIPMENT PLUS:

- NISMO®-tuned Xtronic CVT® with Manual mode featuring seven programmed 'gears' and paddle shifters (AWD CVT models)
- NISMO®-tuned suspension with increased spring and dampening rates
- 18" NISMO® 10-spoke aluminum-alloy wheels with P225/45R18 summer tires
- LED Daytime Running Lights
- NISMO® front grille and badging
- NISMO® aerodynamic body kit – front and rear fascias, side sills and rear roof spoiler, body-colour fender lip mouldings, and high-gloss B-pillar finish
- NISMO® red side mirror caps
- NISMO® chrome exhaust finisher
- Nissan Navigation System with 147 mm (5.8") colour touch-screen monitor
- SiriusXM® Traffic⁸
- Voice Recognition for audio and navigation
- Around View® Monitor with Moving Object Detection (MOD)^{3,5}
- Integrated Control (I-CON) system with drive mode selector
- Automatic Temperature Control (ATC)
- NISMO® red tachometer face
- NISMO® sport bucket front seats with embroidered synthetic suede trim and signature red stitching
- Rockford Fosgate® ecoPUNCH™ audio system with 8" subwoofer and amplifier, and six upgraded speakers
- SiriusXM® Satellite Radio⁸

NISMO® RS

INCLUDES NISMO® EQUIPMENT PLUS:

- NISMO®-tuned 1.6-litre Direct Injection Gasoline (DIG™) turbo 4-cylinder engine with 215 HP and 210 lb-ft of torque (FWD 6MT models)/211 HP and 184 lb-ft of torque (AWD CVT models)
- NISMO®-tuned close-ratio 6-speed manual transmission with triple-cone synchros in 1st and 2nd gears (FWD 6MT models), or NISMO®-tuned Xtronic CVT® with Manual mode featuring eight programmed 'gears' and paddle shifters (AWD CVT models)
- NISMO®-tuned front helical limited-slip differential (FWD 6MT models)
- NISMO®-tuned torque vectoring All-Wheel Drive (AWD CVT models)
- Larger vented front disc brakes, vented rear disc brakes, upgraded brake pads, red brake calipers
- Additional NISMO®-tuned suspension and additional body structure improvements
- NISMO®-tuned exhaust system
- NISMO® RS exterior badging
- Recaro® sport bucket front seats with embossed logo and integrated head restraints, carbon-fibre appearance interior trim, synthetic suede stitched instrument panel hood

¹Airbags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, in addition to any other requirement of applicable law, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents; see your Owner's Manual for details. ²TPMS is not a substitute for regular tire pressure checks. ³Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. ⁴Available feature. ⁵MOD cannot completely eliminate blind spots and may not detect every object. MOD operates at vehicle speeds below 8 km/h (5 mph). Always check surroundings and turn to look behind you before moving vehicle. ⁶VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. ⁷Brake Assist is only an aid to assist the driver and is not a collision warning or avoidance device. It is the driver's responsibility to be in control of the vehicle at all times. ⁸XM® and SiriusXM® Satellite Radio is available in the 10 Canadian provinces and the 48 contiguous United States. Basic monthly subscription required and sold separately after trial period. NavTraffic®/SiriusXM® Traffic is available in select North American markets. In Canada, at time of printing, incident and flow data is available for 12 metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Toronto, Ottawa, Montreal, Quebec City, Hamilton, St. Catharines, Kitchener, Guelph, and London). Subscription sold separately after trial period. All subscriptions subject to customer agreement at siriusxm.ca/terms. Fees and programming subject to change. © 2015 Sirius XM Canada Inc. BUYING AND OWNING

Finance Options Through Nissan Canada Finance, we offer many attractive lease and loan options that can be tailored to your individual needs. We have unique programs such as the Nissan Grad Program, Loyalty Program or the Nissan Advantage Program. Please visit our website Nissan.ca/finance to explore all of the options available. We have also made it easy to pre-qualify online. All of our programs come with competitive rates and terms. With our flexible options, driving home a new Nissan has never been easier. Consult your local Nissan Dealership for complete details.

No-Nonsense Warranty Every 2016 Nissan is covered by a 3 year/60,000 km⁴ Comprehensive New Vehicle Warranty, a 5 year/100,000 km⁴ Powertrain Warranty, an 8 year/130,000 km⁴ Emission Control Warranty on selected components, and a 5 year/unlimited km Corrosion Perforation Warranty. As a Nissan owner, you'll also receive a 3 year Roadside Assistance program available to you 24 hours a day. Terms, conditions and exclusions apply. See Warranty Information Booklet for complete details.

Added Security Plan (ASP) For ultimate peace of mind, consider the Nissan Added Security Plan. It's our commitment to be there for you, and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.

Security+Plus™ Prepaid Maintenance Plan The smart choice when it comes to maintaining your new Nissan. Honoured at all participating Nissan Dealers in Canada and the U.S., your vehicle is cared for by factory-trained technicians using Genuine Nissan Parts. And best of all, there's no worrying about price increases on parts or service in the future. A variety of plans are available. Ask your Dealer for details.

NISSAN FINANCE
nissan.ca/finance

²See your Nissan Dealership and read the actual limited warranty. ³Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. ⁴Whichever occurs first.

■ Standard □ Optional

Nissan's environmental action plan focuses on several key areas. In addition to increasing production of Zero Emission vehicles like the 100% electric LEAF®, we're improving fuel efficiency across our lineup, and reducing the environmental impact of manufacturing through energy-efficient practices in our plants.

NISSAN JUKE®

Isn't it time you were passionate about the car you drive? Welcome to the 2016 JUKE®.
