VERSA® NOTE®**

WHAT IF_ YOU COULD HAVE A DOOR TO MORE?

Imagine: a car that not only fits your life, but takes it to the next level, with a whole new look and everything you want right inside. As practical as it is versatile, Versa® Note® gives you seating for five and best-in-class total interior volume.¹ Helpful available technology like NissanConnectSM with Navigation and Mobile Apps puts destinations, music and info right at your fingertips.² There's even an available class-exclusive Around View® Monitor that helps take the pain out of parking.^{1,3} Top it off with up to 6.0 L/100 km (47 MPG) highway, and you'll be doing more – with less – in no time.^{4,5} So what are you waiting for? Introducing the 2015 Versa® Note®. Open your door to more.

¹Global Automakers of Canada (GAC) Entry Level Segmentation, accurate at the time of printing. ²Driving is serious business. Only use NissanConnectSM services when safe to do so. Subscription Agreement required. Compatible smartphone required. Not all app features are available for all models. Some apps have late availability. May require dealer service visit or software upgrade to activate. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. Cellular network not available in all areas. Cellular network, apps, and services, including Google® services, are provided by independent companies not within Nissan's control and may require subscription and owner consent to activate. Should provider terminate/restrict service, service may be terminated without notice or liability to Nissan and/or its agents. Nissan not responsible for any equipment or app replacement/upgrades, or associated costs, that may be required for continued operation. Terms and conditions of Subscription Agreement apply. 36-month trial period starts on vehicle sale date; subsequently a paid subscription is required at the then current rate. Standard text rates and/or data usage may apply. See retailer and check www.Nissan.ca/NissanConnect for details. ³Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. ⁴2015 Fuel Consumption Estimate. Actual mileage may vary with driving conditions – use for comparison only. ⁵IMPORTANT: Starting with 2015 model year vehicles, the Government of Canada has mandated new fuel economy test methods to better approximate typical driving conditions and styles. These new 5-cycle test methods are more representative of a vehicle's on road fuel consumption compared to the current 2-cycle testing methodology, and can produce fuel consumption ratings that are up to 20 percent higher than the current ratings. Fuel Economy estimates for the Nissan 2015 model year vehicles may seem less favourable compared to previous years and some competing vehicles that have not yet reported based on new testing criteria. 2015 vehicles do not consume more fuel than the comparable 2014 vehicle under the same driving conditions. For more information, please visit nissan.ca/fuel2015

Nissan Versa® Note® SR shown in Metallic Blue.

NISSAN PUREDRIVE™

INNOVATION THAT GIVES YOU MORE CAR AND MORE SAVINGS.

What if you could get excellent fuel economy in a roomy, comfortable car that's lots of fun to drive? With Versa® Note®, you can. We got there by developing everything from exterior aerodynamics that whisper through the wind, to an advanced 1.6-litre 4-cylinder engine, to a virtually gearless Xtronic CVT® transmission that maximizes efficiency and performance. And best of all, Versa® Note® is just one of a family of PUREDRIVE™ vehicles, reflecting Nissan's commitment to developing more environmentally friendly transportation for all of us.

6.0 L/100 km (47 MPG) highway,¹ so you can breeze past the pump with ease

4 Low rolling resistance tires that use less energy to roll, so you use less fuel

.308 Drag coefficient, so Versa® Note® moves through the air with less effort
CD

IMPORTANT: Starting with 2015 model year vehicles, the Government of Canada has mandated new fuel economy test methods to better approximate typical driving conditions and styles. These new 5-cycle test methods are more representative of a vehicle's on road fuel consumption compared to the current 2-cycle testing methodology, and can produce fuel consumption ratings that are up to 20 percent higher than the current ratings. Fuel Economy estimates for the Nissan 2015 model year vehicles may seem less favourable compared to previous years and some competing vehicles that have not yet reported based on new testing criteria. 2015 vehicles do not consume more fuel than the comparable 2014 vehicle under the same driving conditions. With best-in-class interior volume,¹ Versa® Note® is surprisingly spacious and exceptionally accommodating. Smart design minimizes structural interference with the cabin, giving everyone ample room to spread out. Enjoy seating for five and 972.7 mm (38.3 inches) of rear leg room for even your tallest friends. While up front, the bolstered driver's seat hugs you as you carve through the turns. Available features like a leather-wrapped steering wheel, double-stitched upholstery, and silver and chrome accents add a touch of class. Top it off with available heated front seats and every trip will be as cozy as it is cool. Just don't be surprised when your friends ask to carpool – again.

Nissan Versa® Note® SL shown in Wheat Stone Cloth. U.S. model shown.

¹Global Automakers of Canada (GAC) Entry Level Segmentation, accurate at the time of printing.

NISSAN DIVIDE-N-HIDE® ADJUSTABLE FLOOR INNOVATION THAT GOES WITH THE FLOW.

Wouldn't it be cool if your car could adapt in a snap? Say, for that vintage coffee table, or a day's haul from the farmer's market? When living in the moment is all part of the plan, Versa® Note® has your cargo needs covered with the super-versatile available Divide-N-Hide® Adjustable Floor. Get creative with multiple configurations and 532.4 litres (18.8 cubic feet) of cargo space. Rear 60/40 split seats let you fit friends and oversized items. Or fold down both sides to create a flat cargo area. For another smart move the front passenger seat folds down and makes room for long items – even a ladder or surfboard will fit. No matter what's on the agenda, Versa® Note® is ready when you are.

Cargo shown for display purposes only. Always secure all cargo. Cargo and load capacity limited by weight and distribution.

Load it all in.

With the rear seats folded down, the Divide-N-Hide® Adjustable Floor creates a flat cargo area.

Stow on the go.

Lower the floor to accommodate taller items at a moment's notice – no removal required.

Protect from prying eyes.

Lift up the adjustable floor and you'll find a convenient hiding place that helps keep valuables out of sight.

Nissan Versa® Note® SR shown in Charcoal Cloth. U.S. instrumentation shown.

NissanConnectSM YOUR WORLD, SERVED UP.

With available NissanConnectSM with Mobile Apps, your Versa[®] Note[®] becomes your smartphone's best friend. Which means no more separation anxiety for you. Because now, your own hand-picked music, Facebook[®] news feed, latest tweets, TripAdvisor[®] tips, and more all come along for the ride, working seamlessly together through your smartphone and Versa[®] Note[®]'s available colour touch-screen. And it keeps on getting better: the basic app package is complimentary for the first three years.¹

Your Versa[®] Note[®] also keeps you in the loop with the available Nissan Navigation System (featuring voice recognition),² hands-free text messaging,³ Bluetooth[®] hands-free calling and streaming audio,⁴ plus an iPod[®]/USB input.⁵

¹Driving is serious business. Only use NissanConnectSM services when safe to do so. Subscription Agreement required. Compatible smartphone required. Not all app features are available for all models. Some apps have late availability. May require dealer service visit or software upgrade to activate. Never program while driving. NISSAN AROUND VIEW® MONITOR¹

IF YOU WANT PARKING ANY EASIER, YOU'LL HAVE TO VALET.

A rearview monitor is great when backing up – but when it comes to parking, it's nice to see more than just what's behind you. That's why Versa® Note® offers the class-exclusive Around View® Monitor.^{1,2} Four cameras give you a virtual 360° bird's-eye view of your vehicle, with selectable split-screen close-ups of the front, rear, and curbside views, so you can get a better look.³ Now that's smart.

¹Available feature. Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. ²Global Automakers of Canada (GAC) Entry Level Segmentation, accurate at the time of printing. ³Virtual composite 360° view.

RIGHT ON THE NOSE

In Drive, the display gives you both a front and overhead view, so you know just how far to pull up — without going too far.

COMPLETE THE PICTURE

Located under your driver's side mirror, this camera helps round out your virtual 360° bird's-eye view, whether you're in Drive or Reverse.³

SPARE YOUR WHEELS

In Drive or Reverse, you can push the camera button to switch out the overhead for a side view. A great help for seeing how close you are to the curb.

LOOK OUT BELOW

In Reverse, the display helps you see what's directly behind you, while the overhead view helps with shorter objects otherwise hidden below your window.

NISSAN SAFETY SHIELD® PHILOSOPHY

SURROUND YOURSELF WITH CONFIDENCE.

What if you had the confidence you need for every part of your drive? The Nissan Safety Shield® is a comprehensive approach to safety that guides the engineering and development of every vehicle we make. The features described here are just some of many on your Nissan, helping to protect you and yours by focusing on three key areas: keeping an eye on your vehicle's systems and the surroundings, assisting in handling unexpected situations, and helping to keep you safe in the unfortunate event of an accident.

6 Standard Airbags. When a collision is unavoidable, Nissan's Zone Body construction helps absorb the impact while the advanced seat belt and airbag systems help protect passengers!

Anti-lock Braking System: helps you maintain steering control around obstacles while braking heavily.

Available Around View® Monitor²

Available RearView Monitor²

snug4kids® Nissan safety engineers have dedicated thousands of hours to evaluating hundreds of child restraints in Nissans. The result: An industry first, The Snug Kids® Child Safety Seat Fit Guide. This guide lists child seats that fit the rear seats of Nissan vehicles, as well as offers invaluable tips on correct installation. Look for the latest Fit Guide at Nissan.ca/owners/en

Vehicle Dynamic Control (VDC). Also known as stability control, VDC monitors your steering and braking to help you maintain your steered path under certain conditions by reducing engine output and/or applying brake pressure to specific wheels.³

Traction Control System (TCS). When TCS senses drive-wheel spin, it responds by reducing throttle or applying brake pressure to help maintain traction.

Electronic Brake force Distribution/Brake Assist. EBD is designed to send extra force to the rear brakes when there's additional weight in the back. If you need to slam on the brakes, Brake Assist detects how hard you're braking, and if it senses you are in an emergency, it will automatically help to apply maximum braking force.⁴

¹Airbags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, in addition to any other requirement of applicable law, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts, according to their size. Airbags will only inflate in certain accidents; see your Owner's Manual for details. Inflated airbags shown for illustration purposes only, actual coverage area may differ. Airbags deflate after deployment. ²Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. ³VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. Always drive safely. ⁴Brake Assist is only an aid to assist the driver and is not a collision warning or avoidance device. It is the driver's responsibility to be in control of the vehicle at all times.

CHOOSE YOUR TRIM LEVEL

S

- 1.6-litre 4-cylinder engine
- 5-speed manual transmission or Xtronic CVT® (Continuously Variable Transmission)
- 15" x 5.5" steel wheels with wheel covers
- P185/65HR15 all-season low rolling resistance tires
- Air conditioning

BUYING AND OWNING

Finance Options Through Nissan Canada Finance, we offer many attractive lease and purchase options that can be tailored to your individual needs. We have unique programs such as the Nissan Grad Program or the New Canadian Program designed just for you. Please visit our website Nissan.ca/finance to explore all of the options available. We have also made it easy to pre-qualify online. All of our programs come with competitive rates and terms. With our flexible options, driving home a new Nissan has never been easier. Consult your local Nissan Dealership for complete details.

No-Nonsense Warranty Every 2015 Nissan is covered by a 3 year/60,000 km⁴ Comprehensive New Vehicle Warranty, a 5 year/100,000 km⁴ Powertrain Warranty, an 8 year/130,000 km⁴ Emission Control Warranty on selected components, and a 5 year/unlimited km Corrosion Perforation Warranty. As a Nissan owner, you'll also receive a 3 year Roadside Assistance program available to you 24 hours a day. Terms, conditions and exclusions apply. See Warranty Information Booklet for complete details.

³See your Nissan Dealership and read the actual limited warranty. ⁴Whichever occurs first.

Added Security Plan (ASP) For ultimate peace of mind, consider the Nissan Added Security Plan. It's our commitment to be there for you, and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.

Security+Plus™ Prepaid Maintenance Plan The smart choice when it comes to maintaining your new Nissan. Honoured at all participating Nissan Dealers in Canada and the U.S., your vehicle is cared for by factory-trained technicians using Genuine Nissan Parts. And best of all, there's no worrying about price increases on parts or service in the future. A variety of plans are available. Ask your Dealer for details.

Base total				
Manual transmission	1096 (2417)	1112 (2450)	–	1130 (2491)
Xtronic CVT®	1114 (2455)	1129 (2489)	1145 (2525)	1147 (2529)

2015 Fuel Consumption Estimates – L/100 km (MPG)	S	SV	SR	SL
City/Highway				
Manual transmission	8.6 (33)/6.5 (43)			
Xtronic CVT®	7.5 (38)/6.0 (47)			

Actual mileage may vary with driving conditions – use for comparison only. IMPORTANT: Starting with 2015 model year vehicles, the Government of Canada has mandated new fuel economy test methods to better approximate typical driving conditions and styles. These new 5-cycle test methods are more representative of a vehicle's on road fuel consumption compared to the current 2-cycle testing methodology, and can produce fuel consumption ratings that are up to 20 percent higher than the current ratings. Fuel Economy estimates for the Nissan 2015 model year vehicles may seem less favourable compared to previous years and some competing vehicles that have not yet reported based on new testing criteria. 2015 vehicles do not consume more fuel than the comparable 2014 vehicle under the same driving conditions. For more information, please visit nissan.ca/fuel2015

Nissan's environmental action plan focuses on several key areas. Increasing production of Zero Emission vehicles, including the 100% electric LEAF®. Improving fuel efficiency through our PUREDRIVE™ measures. And reducing the environmental impact of manufacturing through energy-efficient practices in our plants around the world.

NISSAN VERSA® NOTE®

What if your car could put a smile on your face, confidence in your hands and goose bumps all over? That would be cool. Here are just a few ways Versa® Note® gives you an unforgettable drive.

A super-smooth CVT transmission. This "gearless" wonder helps you log up to 6.0 L/100 km (47 MPG) highway.^{1,2}

Class-exclusive Around View® Monitor.^{3,4} Snag that space, and look like a parallel parking ace while you're at it. This available feature uses four cameras to give you a virtual 360° view.⁵

Best-in-class total interior volume.⁶ No more fighting to see who gets to ride shotgun – Versa® Note® has enough space for everyone to spread out, comfortably.
