

2020
PATHFINDER®

The 2020 Nissan Pathfinder® comes loaded with adventure-ready features to fuel any active lifestyle. Advanced driver assist and safety technologies have your back, on and off the beaten path.¹ And to celebrate its legendary heritage, the 2020 Pathfinder Rock Creek Edition gives you all the capability you'd expect, with uniquely rugged style inside and out. This is the way to get out there, with everyone all in. This is Nissan Intelligent Mobility.¹

PLAN AN EXTENDED STAY

Pathfinder® offers seating for seven, and the capability to conquer real-world challenges you face every day. You'll find exceptional passenger room, with a 2nd row that slides over 133 mm (5.2") for stretch-out room, and 3rd-row reclining seats.^{3,4} Premium comforts are offered, like Tri-Zone Automatic Temperature Control System, and climate-controlled (heated and cooled) front seats,⁵ heated 2nd-row outboard seats, and heated steering wheel. For even more exclusivity, there's the sought-after 2020 Pathfinder Rock Creek Edition, with two-tone seats and rugged styling enhancements everywhere you look. The 2020 Pathfinder. This is one time where one size fits all beautifully.

Nissan Pathfinder® SL Rock Creek Edition shown in two-tone Charcoal/Gray Leather.

A MORE CONFIDENT, EXCITING, AND CONNECTED RIDE

Nissan Intelligent Mobility empowers you with tomorrow's technology so you can take on today. You'll make every move with greater awareness and can get a little help when you need it most. All of this gives you more confidence and, ultimately, the freedom to embrace the joy of being behind the wheel - the way driving was always meant to be.¹

SENSE MORE AROUND YOU

Intelligent Around View® Monitor

Keep your pride and rims intact. Intelligent Around View Monitor makes parking easy with a virtual composite 360° bird's-eye view of your Pathfinder.^{5,8,9}

Blind Spot Warning

Helps you change lanes with confidence. This feature keeps an eye on the blind spot area and gives you a heads-up if it detects a vehicle hiding there.^{5,10}

Rear Cross Traffic Alert

Helps you back out of a space with more confidence. This feature watches around the rear of your Pathfinder, and can warn you about cars it detects creeping up on you from either side.^{5,11}

GET AN ASSIST WHEN YOU NEED IT

Intelligent Cruise Control

Watches the flow of traffic to take the tedium out of your daily commute. The system helps maintain an adjustable speed and set distance between you and the car ahead.^{5,12}

Intelligent Emergency Braking

Monitors your speed and distance between you and the car ahead, and can let you know if you need to slow down. It can even automatically engage the brakes to help avoid a frontal collision or lessen the severity of an impact.¹³

HANDS-FREE ACCESS

Carrying everything at once? No problem. Just kick your foot under the rear bumper and the available Motion Activated Liftgate will open for you. And there's no more fumbling for keys, thanks to the Nissan Intelligent Key® with Push Button Ignition.⁵ Just step inside, push a button, and away you go.²

U.S. model shown.

THREE ROWS OF FLEXIBILITY

With the EZ FLEX® Seating System's LATCH AND GLIDE® technology, the right side of the 2nd row glides and tilts forward for 3rd-row access, even with a child seat in place.³ And with so many possible seating configurations, Pathfinder is always ready for the next adventure.

RECLINING 2ND AND 3RD ROWS⁴

SLIDING 2ND ROW³

GET INSIDE AT "JUST RIGHT"

If you forget to lock your Nissan, or need to unlock it, simply log in to the NissanConnect® Services app or web portal to remotely lock or unlock your doors. You can even check your vehicle's location on a map at any time, or start it remotely. It works nearly anywhere your compatible smartphone works. Now that's cool.^{6,7}

NissanConnect SERVICES
POWERED BY SIRIUSXM

CHALLENGE TOPOGRAPHY WITH JUST A TWIST

With Pathfinder's Intelligent 4x4 system, you've got a system that's capable on-road and off. Choose full-time 2WD for maximum efficiency. Auto Mode constantly monitors conditions and adjusts the balance of power between front and rear wheels for best traction. Challenging conditions? 4WD Lock Mode is your choice.

INTELLIGENT 4X4

ADVANCED DRIVE-ASSIST® DISPLAY^{16,17}

Ups and Downs. When your travels take you on steeper paths, hill start assist helps prevent rollback when starting and driving away on an incline. Hill descent control⁵ helps make going down steep grades more manageable.

3.5 LITRE V6
284 HP
259 LB.-FT. TORQUE
8.9 L/100 KM (32 MPG)¹⁴

6,000 LBS. MAXIMUM TOWING¹⁵

IT ALL ADDS UP TO A BETTER DRIVE

In Pathfinder,[®] power and efficiency combine to make every drive exceptional. It starts with an advanced powertrain, including a potent 3.5-litre Direct Injection Gasoline (DIG™) V6 that provides plenty of passing power and toy-hauling capability, while still sipping fuel. Add in our Next-Generation Xtronic CVT[®] (Continuously Variable Transmission) and the drive only gets better. It can hold the engine at the ideal rpm for the job, giving you a wave of power when you need it and running low rpm for quiet, efficient cruising when you don't.

BUYING AND OWNING

Finance Options Through Nissan Canada Finance, we offer many attractive lease and loan options that can be tailored to your individual needs. We have unique programs such as the Nissan Grad Program, Loyalty Program or the Nissan Advantage Program. Please visit our website Nissan.ca/finance to explore all of the options available. We have also made it easy to pre-qualify online. All of our programs come with competitive rates and terms. With our flexible options, driving home a new Nissan has never been easier. Consult your local Nissan Dealership for complete details.

No-Nonsense Warranty Every 2020 Nissan is covered by a 3 year/60,000 km²¹ Comprehensive New Vehicle Warranty, a 5 year/100,000 km²¹ Powertrain Warranty, an 8 year/130,000 km²¹ Emission OBD Warranty on selected components, and a 5 year/unlimited km Corrosion Perforation Warranty. As a Nissan owner, you'll also receive a 3 year Roadside Assistance program available to you 24 hours a day. Terms, conditions and exclusions apply. See your Warranty Information Booklet for complete details.

Added Security Plan (ASP) For ultimate peace of mind, consider the Nissan Added Security Plan. It's our commitment to be there for you, and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.

Security+Plus™ Prepaid Maintenance Plan The smart choice when it comes to maintaining your new Nissan. Honored at all participating Nissan Dealers in Canada and the U.S., your vehicle is cared for by factory-trained technicians using Genuine Nissan Parts. And best of all, there's no worrying about price increases on parts or service in the future. A variety of plans are available. Ask your Dealer for details.

Nissan's environmental action plan focuses on several key areas. In addition to increasing production of Zero Emission vehicles like the 100% electric LEAF®, we're improving fuel efficiency across our lineup, and reducing the environmental impact of manufacturing through energy-efficient practices in our plants.

Nissan Intelligent Mobility moves you one step ahead. In cars that feel like an extension of you, helping you see more and sense more, reacting with you, and sometimes even for you. Nissan Intelligent Mobility is about a better future – moving us to a world that’s safer, more sustainable, and exciting.

¹Availability of features vary by vehicle model year, model, trim level, packaging, and options. ²Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. ³Slide function should not be performed with the Child Restraint System occupied. ⁴Do not ride in a moving vehicle when the seatback is reclined. For the most effective protection, the seat should be upright. See Owner’s Manual for safety information. ⁵Available feature. ⁶Feature availability is dependent on vehicle model, trim level, packaging and options. Compatible connected device may be required and feature availability may be dependent on device’s capability. Refer to connected device’s Owner’s Manual for details. Late availability for some features. Driving is serious business and requires your full attention. Only use features and connected devices when safe and legal to do so. Some features, including automatic crash notification and SOS, are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach Customer Care or receive support. GPS mapping may not be detailed in all areas or reflect current road status. Never program GPS while driving. Only use Remote Engine Start and Remote Horn features in accordance with any laws, rules or ordinances in effect in your vehicle’s location. Some services and features are provided by independent companies not within Nissan’s control. **Should service provider terminate or restrict service or features, service or features may be suspended or terminated without notice or with no liability to Nissan or its partners or agents.** Services and features may require compatible cellular network provided by independent companies not within Nissan or its partners’ or agents’ control. Cellular network signal strength may vary and may not be available in all areas or at all times. Services and features may not function if cellular network is unavailable, restricted, or terminated. Nissan and its partners or agents are not responsible for associated costs or other third party changes that may be required for continued operation due to cellular network unavailability, restriction, or termination (including equipment replacements/upgrades, if available, or roaming charges on alternative networks). Technology is evolving, and changes by independent companies are not within Nissan’s or its partners’ or agents’ control. Enrollment, owner consent, personal identification number (PIN), and subscription agreement may be required to receive full suite of features and services. Trial periods (if applicable) begin on the date of vehicle purchase or lease of a new Nissan. Trial periods may be subject to change at any time and may be subject to early termination without notice. Required subscriptions may be sold separately for each available feature or service after trial period ends, and may continue until you call service provider to cancel. Installation costs, one-time activation fee, other fees and taxes may apply. Fees and programming subject to change. Feature may be subject to age restrictions in some areas. Subscriptions governed by service provider’s subscription agreement, terms and conditions and privacy statements available at service provider’s website. Text rates or data usage may apply. The Nissan names, logos and slogans are trademarks owned by or licensed to Nissan Motor Co. Ltd. or its North American subsidiaries. Other trademarks and trade names are those of their respective owners. **For important safety information, system limitations, and additional operating and feature information, see Dealer or Owner’s Manual.** ⁷Provincial laws may apply. Review before using. ⁸Intelligent Around View[®] Monitor cannot eliminate blind spots and may not detect every object. Driver should always turn and check surroundings before driving. See Owner’s Manual for safety information. ⁹Virtual composite 360[°] view. ¹⁰Blind Spot Warning cannot prevent collisions and may not detect every object or warn in all situations. Driver should always turn and look before changing lanes. See Owner’s Manual for safety information. ¹¹Rear Cross Traffic Alert may not detect all vehicles. See Owner’s Manual for safety information. ¹²Intelligent Cruise Control uses limited braking and is not a collision avoidance or warning system. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner’s Manual for safety information. ¹³Intelligent Emergency Braking and Intelligent Emergency Braking with Pedestrian Detection cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner’s Manual for safety information. ¹⁴2020 Fuel Economy Estimate 8.9 L/100 km (32 MPG) highway, excluding Platinum trim. Actual mileage may vary with driving conditions – use for comparison only. ¹⁵Please follow Towing Guidelines. Towing capability varies by configuration. See Nissan Towing Guide and Owner’s Manual for additional information. ¹⁶Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ¹⁷Information displayed is dependent on how vehicle is equipped. ¹⁸Extra cost option. ¹⁹Limited availability. ²⁰Genuine Nissan Accessory Roof Rail Crossbars have a maximum weight limit of 100 lbs. ²¹Whichever occurs first. ²²RearView Monitor may not detect every object and does not eliminate blind spots or warn of moving objects. See Owner’s Manual for safety information. ²³The optional Rear Sonar System is a convenience, but is not a substitute for proper backing procedures. Always turn and check that it is safe to do so before backing up. May not detect every object behind you. ²⁴Availability of specific features is dependent upon the phone’s Bluetooth[®] support. Please refer to your phone Owner’s Manual for details. Bluetooth[®] word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under licence. ²⁵Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ²⁶See Owner’s Manual for safety information. ²⁷XM[®] and SiriusXM[®] Satellite Radio is available in the 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. All subscriptions subject to customer agreement at siriusxm.ca/terms. All fees and programming subject to change. ©2019 Sirius XM Canada Inc. The Sirius, XM, and SiriusXM names and all related marks and logos are trademarks of Sirius XM Radio Inc. All other trademarks are the property of their respective owners. ²⁸Airbags are only a supplemental restraint system. Always wear your seat belt. Rear-facing child restraints should not be placed in the front-passenger’s seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents. See Owner’s Manual for safety information. ²⁹Vehicle Dynamic Control cannot prevent collisions due to abrupt steering, carelessness, or dangerous driving techniques. It should remain on when driving, except when freeing the vehicle from mud or snow. See Owner’s Manual for safety information. ³⁰Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. See Owner’s Manual for safety information. ³¹Vehicle must be on for the Easy-Fill Tire Alert to operate. ³²Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ³³Requires compatible auxiliary media system. See Owner’s Manual for details. ³⁴Brake Assist cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner’s Manual for safety information. ³⁵2020 Fuel Consumption Estimate.
