GRAND VITARA

Way of Life!

For Those Who Want it All

Follow your road – regardless of where it may lead you – with the 2013 Suzuki Grand Vitara. Whether navigating campground trails or getting yourself or the kids to practice, this authentic SUV is designed to move at your speed of life. The fuel efficient 4 cylinder engine offers unparalleled flexibility. A versatile cargo area, a refined, spacious interior, and class-leading towing capacity – Grand Vitara has it all!

2013 GRAND VITARA

- An authentic SUV designed to impress
- 4-mode 4WD offers unrivalled control
- Powerful 4 cylinder engine
- Highest towing capacity in its class
- Advanced audio system including AM/FM stereo with 6.1" colour touch-screen navigation system standard on all models

Advanced Audio System with Garmin Navigation

The standard multimedia infotainment system offers a host of advanced features including easy-to-use navigation with award-winning software, fuel-saving route guidance, millions of points of interest, full iPod integration, Bluetooth wireless technology, and an audio system that lets you listen to AM/FM radio, audio files on an SD card or USB drive, CDs, and Bluetooth-capable audio devices. All controlled hands-free with voice commands or through the integrated 6.1" colour touch-screen. Standard on all Grand Vitara models.

Highway driving is made easier with standard cruise control functions placed on the spoke of the steering wheel, right where you need them.

Steering Wheel-Mounted Audio Controls
Keep your eyes on the road with the help of steering wheel-mounted controls. This feature puts control of the audio system and your mobile phone at your fingertips.

6.1" colour touch-screen navigation

Hands-free calling and streaming audio

Voice Command

Advanced audio system

USB input with iPod integration

Auxiliary audio input jack

Control at Your Fingertips

Arriving at your destination is only a small part of the overall drive – experiencing an enjoyable journey is just as important. In the 2013 Grand Vitara, it's only an arm's reach away.

Heated Front Seats

These seats feature 6-way adjustability and are just what you need to stay warm on chilly mornings. Standard on cloth J LX and leather J LX-L models.

Fully automatic climate control maintains the ideal cabin ambience for increased driving comfort. Standard on all models.

Usable space surrounds you. You have several options for your way of life with Grand Vitara. Up front, the convenient sliding centre armrest opens to reveal space for items such as CDs, while a flip open door in front of the gear shift is great for cell phones, wallets or keys. Each of the front doors have a pocket to hold a water bottle, on top of the dual cup holder located in the centre console. For items you may want to lock up, you have the generously sized glove box.

In the rear passenger area there are door and seatback pockets and 2 centre cup holders. There are also storage pockets in the cargo area and tailgate. For more secure or less visible storage there is a cargo area cover, which doubles as an added shelf.

The available power sunroof enhances cabin spaciousness, while allowing all occupants to better experience and appreciate their surrounding environment.

60/40 Split-folding Seats

When needed, the rear seats fold and tumble forward, creating up to 1,620mm/63.8" of carrying room.

Where the Advantage Begins

Sit back and enjoy all the comforts of home, even when you're nowhere near it. With a refined interior, driver and passengers alike have functional and convenient amenities, that make it hard not to.

Go keyless, with our standard SmartPass™ system. Lock and unlock your Grand Vitara, even start and stop the engine without touching the key.

Grand Vitara Urban 4WD

Grand Vitara Urban; with sophisticated chrome accents and an ultra streamlined profile, this refined and functional compact utility vehicle is at home on any urban street or cruising down the road less travelled.

For the times when you need to leave the bright lights and city sights behind, it's Grand Vitara Urban for you!

The 2013 Grand Vitara Urban is a refined and functional compact SUV, exceptionally well equipped, and all the 4WD prowess that has made Grand Vitara a perennial leader in its class.

Expand Your Boundaries

Based on Suzuki's long tradition of developing reliable 4WDs, the Grand Vitara is a powerful and versatile vehicle that offers solid on- and off-road performance. There is no limit to where you can go in search of fun and adventure — except, perhaps, the limit on your own time!

Independent Suspension

The fully independent suspension features front MacPherson struts and rear multi-link geometry, complementing the "Built-in Ladder Frame" and decreasing body noise while increasing on-road response and off-road handling.

4-mode 4WD

The Grand Vitara's 4-mode 4WD system transmits power to all four wheels at all times, ensuring positive traction regardless of road surface. A switch built into the centre console lets you quickly and easily change modes between **4H** for most driving conditions, **4H Lock** for serious off-roading, **4L Lock** for extreme surface conditions, and **N (neutral)** mode, specifically intended for motor home owners wishing to take along an SUV on camping trips to use as a runabout. Switching to N-mode frees the transmission for safe and effortless towing of the Grand Vitara.

4H

The ideal mode for most driving, 4H mode offers the appropriate front/rear torque split for smooth, quiet on-road performance plus impressive off-road traction.

4H Lock

For serious off-roading, this high-range 4WD mode evenly distributes traction to front and rear wheels for powering through even deep snow or mud.

4L Lock

With a transfer gear ratio nearly twice that of 4H Lock mode at 1.97:1, this low-range 4WD mode ensures enough low-end traction to get out of extremely difficult conditions.

Built-in Ladder Frame

By integrating a ladder frame to a unibody, the Grand Vitara's construction increases rigidity and durability. This lightweight, one-piece body reduces floor and overall heights, increasing cabin space while maintaining its high ground clearance.

Safety and Security

When you are confident in the safety of your vehicle, you can relax and enjoy your trip, wherever it takes you. The Grand Vitara, with its host of active and passive safety features, gives you peace of mind no matter how tough the terrain you travel.

Head-impact protection is built into all pillars and upper cabin surfaces to help minimize head injuries in the event of an accident.

Included on all Grand Vitara, ESP[®]*** (Electronic Stability Program) supplements the Suzuki Grand Vitara's inherent stability with three major functions: ABS with EBD, traction control and stability control. ESP[®]'s ECU uses various sensors to determine and hold the intended cornering line, greatly increasing traction and stability control while reducing front and rear wheel-slip for enhanced safety.

High levels of occupant protection are comprised of standard driver's and front passenger's SRS dual front airbags with seat belt pre-tensioners and force limiters, plus available SRS side and SRS curtain airbags.

Note: The SRS airbags are shown inflated for descriptive purposes.

Front and rear ventilated disc brakes help ensure safe stopping power. Anti-lock braking system (ABS) with electronic brake-force distribution (EBD) and brake assist function are standard for all models.

ACCESSORIES:

Exterior

Interior

BODY SIDE MOULDING SET

The durable polyurethane moulding set helps protect your paint. Mounts quickly and easily. Set of 4 with Suzuki logo.

SPLASH GUARDS, MOULDED STYLE

Moulded Splash Guards helps to protect the finish of your Suzuki from minor road debris. Custom engineered for a perfect fit.

NOTE: Not for use with Front Fender Flare Set.

WINDOW VISOR SET

Window Visors help keep out the wind and rain allowing fresh air in. Made of tough, durable acrylic. Set of 4.

ROOF RACK CROSS BARS

Removable cross bars. Maximum loading capacity 70 kg.

NOTE: Fits only models with standard roof rails. Will not fit Grand Vitara Urban Model.

OUTSIDE MIRROR ACCENTS

Easy to install chrome accents help change the character of your vehicle.

NOTE: Will not fit JLX or JLX-L with turn signal in mirror.

For full Accessories listings see your Suzuki dealer or www.suzuki.ca

ALL WEATHER FLOOR MATS

Heavy duty rubberized vinyl mats will help keep dirt, ice and mud from damaging your vehicle's carpet. Cleans easily with mild soap and water.

ALL WEATHER CARGO MATS

Rubberized vinyl mats with edge lip will help to keep dirt and other debris away from your vehicle's cargo floor. Cleans easily with mild soap and water. Mats are lightweight and can install or remove in seconds.

CARGO FLOOR NET

Cargo Floor Net helps to secure loose items.

CARGO TRAY

Guards your rear carpet against spills and stains.

DOOR SILL GUARD

Easy to install protective accents help change the character of your Suzuki.

MORE ACCESSORIES:

TAIL LIGHT TRIM

Custom fit, moulded trim installs easily over tail light lenses for a unique look.

MOUNTAIN BIKE MODULE

Lock your bike wheels into the special moulded rail. It will hold the bike steady in a secure upright position. Bike module comes completely assembled with locks included. Frame holder clamp fits from 20 to 80mm diameter.

SUNROOF WIND DEFLECTOR

Sunroof deflector helps reduce wind noise while driving with the sunroof open. Made of high impact UV resistant acrylic. Installs quickly without drilling.

REAR-VISION CAMERA¹

Rear-Vision Camera sends a video of the area behind the vehicle to the driver through the multimedia infotainment system.

SUZUKI SECURE ADVANTAGE PROTECTION: We are proud to deliver each 2013 Suzuki with Suzuki Secure Advantage Protection warranty coverage at no additional cost. The Suzuki Secure Advantage Protection plan features a 5-year/100,000 kilometre Powertrain Warranty, a 3-year/60,000 kilometre New Vehicle Limited Warranty and a 5-year unlimited mileage Anti-Perforation warranty. All warranties are zero deductible and fully transferable at no cost. ROADSIDE ASSISTANCE: For added peace of mind, SUZUKI SECURE ADVANTAGE PROTECTION includes numerous roadside assistance benefits. Wherever you may be in Canada or the continental United States, should you require roadside service for towing due to collision or mechanical problems, battery boost, if you have run out of fuel, or locked your keys in your car, have a flat tire or require winching or extrication to get you back on the road, Suzuki Secure Advantage Roadside Assistance has you covered, at no additional cost to you. Just call our toll-free number and a bilingual Suzuki Secure Advantage Roadside Assistance counsellor will help you on your way, 24 hours/day, 365 days/year. This plan also features Trip Interruption benefits so if you are more than 100 kilometres from home and your vehicle is undrivable for any reason, you can make alternate arrangements and request reimbursement for expenses incurred within 3 days and up to \$300. Suzuki Secure Advantage Roadside Assistance covers your 2013 Suzuki for 3 years with no mileage limitations. SUZUKI PROTECTION PLAN: Should you plan to drive your new Suzuki farther or longer than the coverage provided by the Suzuki New Vehicle Limited Warranty, the Suzuki Protection Plan will be of special interest to you. Suzuki Protection Plan provides you with the ability to enhance and extend coverage already provided by the new vehicle limited warranty. Suzuki Protection Plan offers you affordable, cost-effective peace of mind in the event of unexpected mechanical failure or other roadside

emergencies for up to 7 years or 140,000 kilometres. Suzuki Protection Plan offers a vast choice of coverage levels, terms and deductibles allowing you to select the specific plan best suited to your ownership requirements. Ask your Suzuki dealer for a complete explanation of the benefits, coverages, limitations and exclusions of Suzuki Protection Plan, to better assist you in choosing the coverage that best suits your needs. The Suzuki Logo, Suzuki, Kizashi, Grand Vitara and SX4 are registered trademarks of Suzuki Motor Corporation of Japan. DRIVE RESPONSIBLY. BUCKLE UP FOR SAFETY—DON'T DRINK AND DRIVE. Specifications and equipment based on information available at time of printing and subject to change without notice, and may differ in each sales area. Some vehicles shown with optional equipment. Colours shown may vary from actual colours. For more details on 2013 options, accessories and specifications, contact your local Suzuki dealer. [†]To avoid injury from an inflating airbag always place children twelve years old and under in the rear seat. Always move both driver and passenger seats as far back from airbags as practical; never transport a child in a rear-facing seat in the front seat. Always use the seat belts and buckle up properly. Fuel economy estimates are determined by using Transport Canada approved testing methods. All other trademarks and copyrights are the property of their respective owners. ¹ A rear-vision camera is a convenient feature and is not a substitute for looking to the rear and using rear view mirrors. Drivers should ensure the area is clear when driving in reverse. ©2013 Suzuki Canada Inc. Printed in Canada 11/12
