

TOYOTA 4RUNNER 2000

TOYOTA 4RUNNER 2000

ADVENTUROUS

Lean, muscular, with *finely-chiseled features*, the 4Runner 2000 is an *imposing* figure.

Ready to take you places most people only see on postcards – and to some you never even knew existed.

Yet there is an unmistakable air of *dignity* and *sophistication*.

Soft curves outside continue inside with the gentle slope of the centre console, the shape of the seats and the way the instrument panel flows smoothly into the door panels to create a relaxed, *soothing environment*.

The *generous* interior is part cargo bay, part *sanctuary*. *Quiet* and *spacious*. And *comfortable*.

Mechanical *elegance* is everywhere: in the low effort steering and in the powertrain's amazing blend of *performance* and fuel *economy*.

4Runner's designer must be an adventurer. Toyota 4Runner ... *discover it for yourself*.

4RUNNER LIMITED

One touch is all it takes to switch to 4-wheel drive. And wherever you go, 4Runner Limited surrounds you in comfort. And superb sound too, from the standard AM/FM Cassette/CD.

4RUNNER SF6 V6

The SF6 V6 has a powerful 3.4 Litre, 183 HP engine with 5-speed manual or 4-speed automatic transmission. Features include standard cruise control and ABS (Antilock Braking System). And much more.

Photo opposite: 4Runner Limited shown in Millennium Silver Metallic with optional equipment.

A LASTING JOURNEY OF DISCOVERY

Whether you see Canada through the eyes of an artist or the

windows of a Toyota, there are marked similarities.

Like the artist, Toyota Canada has a passionate eye for detail,

a deep concern for the environment and a true love of this country.

And like each fine work of art, every Toyota is crafted to give its owner enduring pleasure.

No matter which Toyota model you select, you can look forward to superb Quality, Dependability and Reliability - or QDR -

the foundation of our reputation. Rather than simply meeting your expectations, we strive to exceed them — with innovations designed

to deliver more power and excitement with less fuel, more safety and comfort with less effect on the environment.

Discover the Toyota model of your choice here. Then (test drive it and) discover its true nature on the roads of Canada.

EVEN MORE

TOYOTA CREDIT Take advantage of Toyota Credit Lease and Finance Plans. All arrangements can easily be made at your participating Toyota Dealership! Simply ask your salesperson about the complete convenience of Toyota Credit.

TOYOTA... "WE CARE" is our promise to make your every experience with Toyota unsurpassed. Your satisfaction before and after purchase is our goal. Simply contact your Dealer's Customer Relations Manager with any questions you may have. Should further assistance be required, please call 1-800-263-7640 Toyota Canada's Customer Interaction Centre toll-free from anywhere in Canada.

CAA® PYRAMD Award

Voted best for owner satisfaction, reliability & low repair frequency and cost, Toyota has earned this award 12 times in the last 17 years.

FORM & FUNCTION

The *sophisticated styling* of 4Runner Limited 2000 includes colour-coordinated fender flares, bodyside cladding and running boards, a practical and convenient roof rack, and stylish 16" alloy wheels.

The Limited is a delight to drive, with *impressive* interior comforts and *exceptional* performance levels. 4Runner Limited's *powerful* 3.4 Litre 24-valve V6 with Sequential Multiport Electronic Fuel Injection delivers 183 HP and 217 lb.ft. of torque, providing the ideal mix of power with economy. 4-wheel A.B.S.* (Antilock Braking System) is standard and Limited's "Multi-Mode One Touch 4WD" and rear differential lock aid traction and add *peace of mind*. 4Runner Limited is equally at home in uncharted territory as it is on a long stretch of pavement.

*Operates in 2WD or 4WD mode.

TOYOTA 4RUNNER INTERIOR

CREATURE COMFORTS

Slip into the Limited's welcoming seats with *supple leather* seat surfaces,

and dial in a comfortable temperature with the automatic climate control. The 4Runner

Limited comes with the *full range* of standard equipment that position it as an

exceptional luxury vehicle. It includes 4-speed overdrive Electronically Controlled

automatic Transmission (ECT), driver and front passenger airbag Supplemental Restraint

System (SRS), a "Power Group" of power antenna / windows / door locks / mirrors,

"Multi-Mode One Touch 4WD", leather wrapped steering wheel, air conditioning and

a power moonroof. Cruise control is activated by a steering wheel mounted lever for

better *accessibility*. 4Runner's gauges have been arranged for *optimum visibility*

and a door ajar warning lamp is included for *safety*. For your convenience the cluster

above the centre console houses frequently used controls such as air conditioning

and audio. The Limited's premium 3-in-1 audio system delivers rich *quality sound*

in AM/FM Cassette/CD format. Six strategically placed speakers let you appreciate the

symphony or the subtleties of an acoustic guitar. *Boomy* and *comfortable*. Its

sheltering instincts provide a welcome escape from the outside world.

Above from top: 4Runner's capacious centre console with cup holders, convenient rear cup holders and the removable tonneau cover to protect your valuables from prying eyes.

Preceding photo: 4Runner Limited shown in Desert Dune Metallic with optional equipment.

Above top: Let 4Runner's sumptuous leather trimmed sport seats pamper you with a range of power and manual adjustments.

Above: The 4Runner Limited's ergonomic and simulated burled wood cockpit and centre console.

The driver and front passenger are *pampered* with standard leather trimmed sport seats which include a range of power and manual adjustments.

Rear seat passengers *relax* in leather with *stretch-out* legroom, standard rear cup holders, auxiliary rear heater and door mounted speakers.

TOYOTA 4RUNNER SR5 V6

RUGGED INDIVIDUALISM

Sophisticated and *practical*, 4Runner SR5 V6 has a 3.4 Litre,

24-valve V6 engine with Sequential Multiport Electronic Fuel Injection that produces an *impressive* 183 HP @ 4800 rpm with peak torque (217 lb.ft. @ 3600 rpm)

in the vital low and mid-range rpm. Rack and pinion power steering improves feeling

and *response*. The 5-speed overdrive manual transmission and optional 4-speed

overdrive (ECT) automatic transmission blend *high performance* with *low*

fuel consumption. Standard equipment on the SR5 V6 includes on demand 4WD,

4-wheel A.B.S. (Antilock Braking System),

a driver

airbag Supplemental Restraint System (SRS), 3-in-1 AM/FM

Cassette/CD with 6 speakers, power antenna / windows / door locks

and cruise control. Both the Limited and the SR5 V6 include a keyless

entry system featuring remote rear window down function and

heated power side view mirrors.

Braking System),

and front passenger

Above: 4Runner's DOHC, 24-valve V6 with Sequential Multiport Electronic Fuel Injection produces quick acceleration and good fuel economy. Tuned intake runners are efficiently shaped and direct maximum air into combustion chambers. Toyota Direct Ignition (TDI) eliminates the distributor for improved reliability and fuel economy.

Opposite page images: 4Runner's versatile rear seat configurations. Convenient and spacious floor plans for every situation. 4Runner easily seats five adventurers and carries their gear. If you want to carry two and some camping equipment, simply fold up half the rear 50/50 split seat. Or create a level 2.260 m³ (79.8 cu.ft.) stretch of cargo space by folding up the other half of the seat.

Preceding photo: 4Runner SR5 V6 shown in Black with optional equipment.

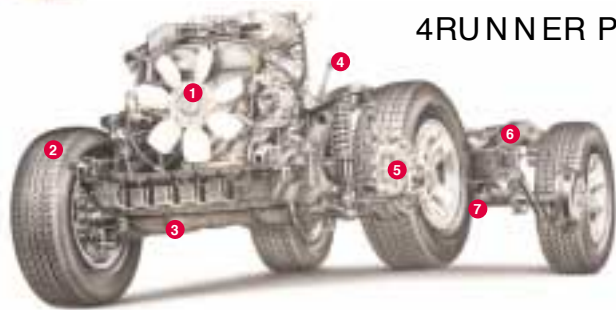

TOYOTA 4RUNNER 2000

ACCESSORIZE – PERSONALIZE

A strong coil-spring, double-wishbone front suspension provides lots of wheel travel – a major benefit to rock crawlers and highway commuters alike. Complementing this design is a solid-axle 4-link/coil spring rear suspension.

4RUNNER PERFORMANCE

- 1 4Runner Limited and SR5 V6's 183 HP DOHC V6 produces most of its torque at low RPM, perfect for that off-road excursion or highway on-ramp.
- 2 Tall P265/70R16 tires contribute to the 4Runner's excellent traction.
- 3 Thick metal skid plates help protect the front suspension, transfer case and the fuel tank from rocks and other off-road obstacles.
- 4 A 2-speed transfer case is your ticket to off-road fun and adventure, plus saving fuel getting there.
- 5 Large, efficient front disc brakes and 4-wheel ABS provide quick, fade-resistant stops.
- 6 The 4Runner's body is secured to a rugged boxed frame – built strong to survive tortuous terrain.
- 7 4Runner Limited is one of few vehicles in its class to have a true locking rear differential. With the push of a button, this feature minimizes rear-wheel spin by dividing power equally between both rear wheels.

4Runner 2000, with its 183 HP V6 engine

that can tow up to 5,000 lbs., has the *highest ground clearance* in its class and “Multi-Mode One Touch

4WD” (standard on Limited models only) to help get you

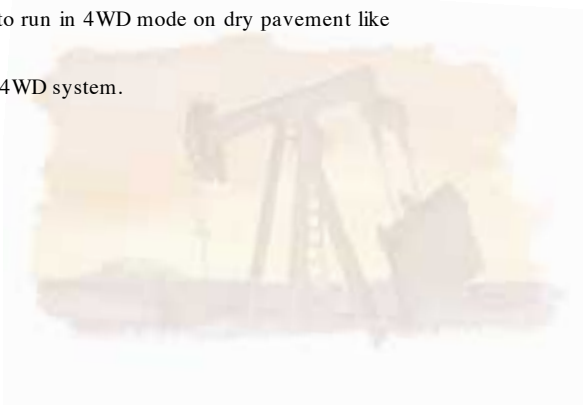

through the rough stretches. The “Multi-Mode One Touch

4WD” system retains the off-road benefits of part-time

4WD, but with a centre differential added, it gives you

the ability to run in 4WD mode on dry pavement like

a full-time 4WD system.

Our CARGONET keeps small items from moving around your cargo area. Toyota quality, tough, durable netting is easy to install and remove.

Protect your investment with a genuine Toyota SECURITY SYSTEM. It offers remote arm/disarm/door lock/unlock, glass breakage sensor, starter disable and many other convenience and security features.

Genuine Toyota TRAILER HITCH tows up to 2268 kg (5000 lbs.).

- ADDITIONAL ACCESSORIES
- Block heater
 - Audio systems
 - Front end mask
 - Fender flares
 - Hood deflector
 - Wood dash accents
 - Rear deflector
 - Fog lamps*

*Available Fall '99

Our MOONROOF AIR DEFLECTOR is custom designed for your 4Runner in smoked acrylic. The aerodynamic shape reduces wind noise. Special mounting hardware is designed to resist corrosion.

Enhance the function and appearance of your 4Runner SR5 V6 with this genuine ROOF RACK. Practical load-carrying features and integrated styling allow for a cargo capacity of 75 kg. (165 lbs.), while available bike and ski attachments add to the versatility.

* AIRBAG NOTICE

The 2000 4Runner features a driver & front passenger airbag Supplemental Restraint System (SRS) which activates only in a front-end collision of sufficient magnitude to inflate the bags. In moderate frontal collisions, the airbags may not inflate; in a rear or side collision the airbags are designed not to inflate, so the primary protection is provided by the lap and shoulder belt system.

Seat belts must be worn at all times by all occupants.

ABOUT THE ARTIST

Michael Kluckner is a Canadian landscape painter

and writer with a strong interest in heritage preservation.

During the 1990s he travelled across Canada with his

watercolour sketchbook, recording its seasons, people

and places for his book *Canada – A Journey of Discovery*.

Michael serves as chair of the Heritage Canada

Foundation and in his spare time enjoys operating

a small farm near Vancouver, British Columbia.

From top clockwise: Michael Kluckner's view of Alberta – The Banff Railway Station, the view from the Railway Station looking towards the Banff Springs Hotel, the Banff Springs Hotel, an 'iron ant' oil rig – seen frequently in the Alberta landscape and the majestic Cascade Mountains.
